The Campus Lighting map will be submitted to Glen Williams very soon so members were asked to come in and mark places where more lighting is needed.

At that time the ASUM Business Manager shall report to the Central Board that a minimum of $15,000 has been placed in the general fund, earmarked for possible expenditure by the Central Board. If such amount is not available, the motion for rebudgeting shall be brought forward for discussion and a vote.

This amendment was presented to all CB members and signed by Tuss, McLeod, and Henderson.

Schoenen - Small -- Motion to table the main motion. Upon vote motion passed.

21. Norman introduced a resolution concerning "Tenants Information Day". The resolution will be discussed and voted on at next week's meeting.

COMMENTS

22. Finley -- The article in today's Kaimin really wasn't my intent. I hope that we get moving on this budgeting issue and settle it so that the students are a lot more satisfied.

23. Hill -- We need to take a look at the issues we are neglecting because of this rebudgeting discussion. The Contingency Plan needs to be dealt with and we need to carefully prepare for the summer Legislative Session. Think about where our priorities are.
24. **Small** — A big thank you to Dan Henderson for doing such a terrific job at Budget and Finance meetings. He has really helped us out. Secondly, I would like to thank Dan for withdrawing his amendment. I think it was the most expedient and fair thing to do.

25. **Henderson** — Want to clarify that I meant to vote in favor of the Small Resolution concerning the athletic fee.

26. **Tuss** — I appreciate the efforts of the group that met and drafted the proposal concerning rebudgeting. Informal settings such as these will facilitate shorter CB meetings and also add spirit and cooperation among the Board members. However, we need to be very careful on what we ultimately come up with for the budgeting alternative. I am glad that we are going at this very deliberately and with no quick actions that may have negative repercussions on our organization. I am looking forward to our special session concerning budgeting.

Would like to see an Ad Hoc committee established to deal with the book prices.

Congratulations to Tracey Morin, the new Programming Director. I appreciate all of you who participated in the interviewing process. I encourage all of you to help with interviews for SAC Director this coming Monday at 3:30.

Would like to remind those of you who are going to help with the Excellence Fund Phonathon to check the times you have signed up for.

Dan, Mary and I will set aside Monday afternoons for individual CB appointments. Please just come in the office and meet with us sometime that afternoon. This would probably be the best solution because of everyone's conflicting schedules.

**ADJOURNMENT**

27. **Hill - McLeod** — Motion to adjourn at 11:25 p.m. Upon vote, motion passed.

RESOLUTION IN SUPPORT OF MontPIRG

WHEREAS, in 1982, after a substantial show of support, including a petition signed by a majority of University of Montana students, the Montana Public Interest Research Group, MontPIRG, was established as a non-profit, non-partisan organization funded and run by Montana university students, and;

WHEREAS, since its establishment, students through MontPIRG have worked on a variety of projects including landlord/tenant issues, toxins in our environment, voter registration and utility rates, and;

WHEREAS, through MontPIRG, hundreds of UM students have benefited from learning citizenship skills and thousands of students and citizens have benefited from the research and advocacy of MontPIRG students, and;

WHEREAS, MontPIRG had been funded by a Regent approved, optional, $2 per student per quarter fee collected by the UM President's office, and;

WHEREAS, the Board of Regents voted in 1985 to discontinue that fee system in the August of 1986, and;

WHEREAS, MontPIRG supporters have proposed a new, $2 per student per quarter optional fee collected by ASUM, and;

WHEREAS, such a fee system was approved by 67 percent of University of Montana students voting in a referendum February 24, 25, 26, March 5 and 6, 1986 which represented over 17 percent of total UM students voting in said referendum, and;

WHEREAS, ASUM Central Board believes this is consistent with the level of support documented in the statistically valid poll on MontPIRG conducted by UM student Craig Swank under the supervision of UM Professor Rod Brod,

THEREFORE, The Central Board of the Associated Students of the University of Montana stands resolved in support of the Montana Public Interest Research Group, MontPIRG.

ASUM Central Board is in support of funding MontPIRG with an optional fee collected as it is now or collected by ASUM.

We urge acting UM President Donald Habbe and members of the Board of Regents to honor University of Montana students' wishes on this issue.

Paul Tuss, ASUM President
Approved by Central Board 4/16/86

Resol12
4/22/86
ATHLETIC ACTIVITY FEE RESOLUTION

WHEREAS students at the University of Montana are facing ever increasing financial burdens through cuts in financial aids;

WHEREAS the question of tuition increases is not one of IF but one of WHEN and HOW MUCH;

WHEREAS the principle reason for the existence of this institution is to provide education; and

WHEREAS the priorities of this institution are misplaced when it ranks intercollegiate athletics among the top few.

THEREFORE Central Board rigorously opposes any attempt by the UM administration, the Board of Regents or any other body to establish any sort of mandatory student fees to support intercollegiate athletics.
