## ASUM CENTRAL BOARD MINUTES

Mount Sentinel Room

May 21, 1986

7:00 p.m.

The ASUM Central Board meeting was called to order by Tuss, ASUM President. Members present were Bettise, Chor (left 8:40), Connor, English (left 8:40), Exe-O'Neil, Israel, Johnson (left 8:40), Miller, Norman, Perry, Schoenen (arrived 7:13), Sherry, Small, Snelson, Stoick Bev, Stoick Rod, Young, Henderson, McLeod, and Cawley. Finley and Hill were excused and Dorsett was absent.

1. The minutes of May 14, 1986 were approved as written.

### PRESIDENT'S REPORT

2. Ray Chapman, University Center Director, answered further questions concerning the UC Renovation Fee and next year's operational fee increase for the UC. The Renovation Fee would call for a \$5 increase and the operational fee would be a \$1 increase. The second proposal would also restructure the collection schedule.

**Schoenen - Henderson** -- Motion to remove the UC Renovation Fee from the table. Upon vote, motion passed.

**Schoenen - Connor** -- Motion to accept the UC Renovation Fee. Discussion followed. **Henderson - Perry** -- Previous question. Previous question passed. Upon vote, motion passed.

**Connor - Bettise** -- Motion to accept the UC Operational Fee increase. Discussion followed. Previous question. Previous question passed. Upon vote, motion passed.

### 3. **Tuss Announcements**

- . Tuss urged members to get signatures for the petition regarding the Homeowners' Parking Proposal. The proposal was passed out of the Public Safety Committee and will be presented to the City Council at their June 2nd meeting. Tuss also added that it is also important that members voice their opinions to the City Council members before their meeting.
- . Interviews for the Student Legislative Action Director will be held May 22 at 3:30 in the Conference Room. Please attend if you can.
- . Tuss would like to hear comments from those Board members who attended the question and answer session for Presidential Candidate G. Warren Smith. Please stop by the office and talk with Tuss.

- . McLeod and Tuss attended the Board of Regent's meeting on Friday, May 16 in Helena and were very pleased to see so many UM students there. The Regents know that we are a very concerned student body and that we are interested in what they do. At the meeting, Habbe presented his contingency plan and the Montana Associated Students (MASS) met to discuss the upcoming legislative issues for the special session. Tuss and McLeod also contacted other student body presidents concerning any type of Assessment Fee they may be charged. Those presidents will be mailing information to ASUM regarding this.
- . Tuss presented a sheet describing the Board of Regent's policy concerning mandatory fee decisions. It stated that the Board will review any information regarding fee changes or initiation of new fees.

#### VICE PRESIDENT'S REPORT

4. McLeod presented members with a current copy of all UM Committees which lists all the committees and their purposes on campus. McLeod added that there have been some revisions made on the descriptions of various committees.

McLeod expressed her concern of the proposed tuition increase called for by the Regents. It is important that we make a statement on how we oppose this move.

Student Regent interviews took place this week and hopefully the outcome will be made public soon.

McLeod informed the Board that there is a hot line phone number for students across Montana concerning any questions they may have on the federal level. The number is 1-900-STUDENTS.

#### BUSINESS MANAGER'S REPORT

5. Henderson reported that line-item changes for the Montana Kaimin, Table Tennis, and WRC were approved at their last meeting.

Henderson introduced a Special Allocation Request by UM Academic Association of \$34 for advertising. **Small - McLeod** -- Motion to enact the Bylaws in order to vote on this request. Upon vote, motion passed.

**Schoenen - Bettise** -- Previous question. Previous question passed. Upon vote, to approve the request passed.

Henderson also stated that the Budget and Finance Committee has started reviewing the Fiscal Policy. He will keep you up to date.

#### COMMITTEE REPORTS

6. Young reported that the **Auxiliary Services Oversight Committee** met and discussed the possibility of having a contract food service at UM. The committee decided that they will research this issue beginning in the Fall. They would like to see a questionnaire issued to other schools who already have a contract food service for their evaluation.
7. Sherry reported that the **Campus Development Committee** will have their last meeting June 5 from 3:00-5 in the conference room. They will be discussing Ken Willett's Physical Plant Plan concerning the driving rights on campus.
8. Schoenen reported that the Constitutional Review Board will meet and set goals for drafting a new constitution for next Fall.

#### NEW BUSINESS

9. Connor would like to see a discussion of allocation guidelines on how the monies will be allocated next fall. This issue will appear on next week's agenda.
10. Norman and Exe-O'Neil introduced a resolution opposing the proposed Habbe Budget Reduction Plan. Discussion and a vote will be held next week.

#### COMMENTS

11. **Tuss** -- The only way that the parking proposal will be defeated is if we, the student body, do something about it. The University Administration has not taken a stand on this yet. If they would make some sort of statement I think that would give us a little more direction. Please go out and solicit names for this petition and if you have any questions please contact me.

Congratulations to Dennis Small for being the College Democratic Association's Representative to the Montana Executive Board.

Concerning absences from meetings, please let me know if you cannot be at a meeting or if you must leave early. Attendance at these meetings is very important.

I was glad to see Kevin McRae at the Board of Regents meeting. I heard a lot of people talking about what an excellent paper the Kaimin is and I would like to congratulate the Kaimin for their work.

I chose not to take the leadership role for the Montana Associated Students (MASS) because I feel that we are in the midst of so many different things here at the University. I am very confident that Greg Anderson will do a great job.

Now that we have sent 350 postcards to Washington D.C. for higher education at the national level, from now on we must concentrate on the state level. The state is where our funding for this University is based. We will have postcards available in the office as well as at the CB table on Wednesdays.

The ASUM picnic will be held June 8.

12. **McLeod** -- Thanks to those of you who attended the Regent's meeting. We did make a big impression on the Regents. I also hope that we speak up strongly about the tuition increase.
13. **Bettise** -- Would like to see some kind of stipulation incorporated in the UC Renovation Plan so that businesses employ as many students as possible.
14. **Connor** -- Would like to remind everyone that Mariah Bettise is spelled with an "s" and not a "c".
15. **Exe-O'Neil** -- Possibly we could provide child care for Dr. Cawley's child.

I was encouraged by the expanded SUB Board idea and hopefully more CB members can serve on that committee.

#### ADJOURNMENT

16. **Schoenen - Small** -- Motion to adjourn at 10:10 p.m. Upon vote, motion passed.
