SYLLABUS – Spring 2013

- I. Rehearsals:** **Tuesday & Thursday 3:30 - 5:30 p.m. Room 1.**
- A. Students are expected to come to all rehearsals thoroughly prepared.
 - B. Specific rehearsal schedules will always be posted in advance on Blackboard. Check this schedule well in advance and be prepared for a productive rehearsal. Responsible preparation by each individual creates exciting rehearsals!
 - C. There will be no food, drinks or chewing gum allowed in rehearsal.
 - D. Sections are required to schedule time outside of class to rehearse passages in the music that need attention and cannot be coordinated through individual practice. You must attend these rehearsals.
 - E. Students will come prepared with all necessary equipment for the music being rehearsed. This includes mutes, reeds, mouthpieces, sticks/mallets, etc.
 - F. Each performer must have a pencil available to mark their parts with appropriate information regarding the music and must do so.
 - G. Students need to be punctual to rehearsal. This means that each performer is appropriately seated and warmed up when the tuning note is given.
- II. Attendance:** **Students are expected to attend all rehearsals.**
- A. If you must miss a rehearsal for any reason, you **must** call Prof. Smart in advance of the absence. It is your responsibility to make sure that all music required for rehearsal is available to the section in the event of your absence.
 - B. If a rehearsal is missed, you must schedule an appointment with Prof. Smart within one week following the absence for a coaching session on the performance material.
 - C. Unexcused absences will substantially lower your grade. Absence from a performance will result in automatic failure.
 - D. A list of required performances and extra rehearsals is attached.
- III. Concert attire:**
- A. Women: Formal black evening attire, well below the knee, shoulders Covered.
 - B. Men: Black tuxedo, black bow tie, white tuxedo shirt, black socks and black shoes.
- IV. Grading policy** Grading will be determined by Dr. Smart based on:

- A. Attendance.
- B. The quality and sincerity of effort put forth to positively contribute to the success of the ensemble. **The ensemble's success depends on the individual!**
- C. Whenever available, scores and recordings of current rehearsal works will be on reserve at the library. For those of you who are preparing for a career in music, this will be an extremely valuable resource to develop a more holistic understanding of each work. This is especially important for future educators/conductors who need to develop excellent score reading skills and rehearsal techniques. **You are required to listen with the scores at least once for each concert collection** however, to develop better score reading skills, you are encouraged to visit many times.
