Members present were Bell, Bettise, Connor, Crawford, Dorsett, Fernando, Fickler, Fulgham, Israel, Manna, McConnell, Perry, Schoenen (left 8:45), Sherry, Small, Smith, Snelson, Stoick, Young, McLeod, Henderson, and Cawley. Surber was excused.

1. The minutes of January 28, 1987 were approved as written.

**PRESIDENT’S REPORT**

2. General Announcements

   . The University of Montana Budget Hearing went very well last Friday. Tuss thanked all who attended and all who gave testimonies. He added that we must hope now that the 250 plus people from UM who attended made a difference in Legislators minds. Tuss also thanked SLA and the departments on the hitlist for providing transportation to Helena.

   . Tuss reminded the Board that it is common courtesy to let him or Krista know if you are leaving the meeting early.

   . The Student Legislative Action Phoneathon is currently being held in the Ballroom of the UC for students to call Legislators free of charge. This activity was set up through the Special Allocation Fund and will continue until Friday at 3 p.m. Please encourage your friends to call.

   . Tuss will be submitting a recommendation to the President’s Advisory Committee concerning the UM Budget. Please let him know if you have any specific concerns about which programs should be cut.

   . A copy of Tuss’ testimony to the Joint Subcommittee on Education is available in the ASUM office. Please stop by and read it if you are interested.

   . There is a possibility of having Joseph Kostiner, a speaker from Israel come to UM. This speaker would cost UM very little so if you are interested in hearing him please let ASUM Programming know. An information sheet will be posted on the ASUM bulletin board listing the various topics Mr. Kostiner will speak on.
VICE PRESIDENT'S REPORT

3. Connor - Sherry -- Motion to accept Howard Crawford and Mariah Bettise (alternate) to the Student Complaint Committee. Upon vote, motion passed.

4. Thanks to SAC for sponsoring the Forum in the UC Mall earlier this week. It was very well organized and approximately 100 students attended it.

BUSINESS MANAGER'S REPORT

5. Budget and Finance Committee reviewed all budget request forms at their last meeting. A large percentage of them were put together very sloppily. The committee sent 20 requests back to the respective groups with corrections listed. These revisions are due back in the office by February 9 and shortly after the budgeting notebooks will be available for CB members.

6. The Funding Base Percentages will be posted in the office so that you are aware of the small changes voted on last week. Please change your copies so that you have accurate figures to work with.

7. Henderson reported that $563,706.33 has been requested by groups for this budgeting session. Only $417,000,000 is available to allocate. Henderson will include a full report of this nature at next week's meeting.

COMMITTEE REPORTS

8. Schoenen reported that she has been appointed the temporary chairman of the Public Relations Committee. Please let Schoenen know if this committee is necessary, otherwise she will just continue as planned. The next meeting is Monday, February 9 at 3 p.m.

9. McLeod reported that Elections Committee met and discussed the situation of when elections would occur. They came up with a Plan A and a Plan B depending on when CB decides to hold elections.

10. Sherry reported for Campus Development Committee that the art form in front of the Social Science Building is just a temporary object. The student who put it there was not aware that it had to go through a committee for approval first.

11. Bell passed around a sign up sheet for people to work at the SLA Phoneathon. Please help if you can.
12. Crawford reported that SUB met with George Mitchell concerning the UC Fee. Mitchell said that provided that everything goes well, the fee could be retired in 5 years. Crawford also reported that there are 4 phases of the renovation: asbestos abatement, temporary relocation of Legal Services, Child Care, and Graphics, Renovation of Campus Recreation, and renovation of old balling alley. Crawford also reported that SUB decided that require a $20 cleaning deposit for any groups that wish to have a Potluck in the UC. Potlucks are for students and members of their families only.

COMMENTS

18. Connor — On behalf of Budget and Finance Committee, I would like to thank Brian Dorsett for submitting the best budget. It was easy to read and easy to understand.

19. Tuss — SLA is sponsoring music groups and events to have the opportunity to play at the Rotunda in Helena. This is called the "Event-a-Week Program". This is a good chance to get the University's name known in Helena.

The 5% Surcharge proposed for income tax in our state, possibly to fund higher education. SLA has information on this proposal so please read it to see what it is about.

Another piece of Legislation that will be heard next week is a sodapop tax. The proposal calls for a 3 cent tax for every can sold in Montana. It would raise approximately 13 million dollars which is what Schwinden wants to cut from higher education. If you are going to do something about that, please call your legislators soon.

I am really glad we passed the Programming change in the Bylaws but it disturbs me that all of the sudden this week we pass it almost unanimously. This says something that some of you are not doing your homework from week to week. The purpose for the week period between new business and old business is for doing your homework.

I appalled by the number of sloppy budgets submitted. We have organizations that are asking for over 16,000 that looks like they did their budgets in crayon.

I would like you to walk into the scheduling office and make them aware of the terrible room we were in tonight. Scheduling could at least put us in a place where we are not going to be disturbed by a major dinner party. I would really appreciate that
20. **McLeod** — I would like to clarify my vote on the Elections Resolution. In my opinion what was left on the Resolution simply repeated the decision Elections Committee had made. I hope someday that the process is actually addressed rather than passing it along.

21. **Bell** — Last week this Board decided that it was unconstitutional to hold winter election. This week they decided to completely ignore that.

22. **Bettise** — I feel that tonight this Board extended the previous Board's precedent of discussing constitutionality. Maybe we should just forget about the talk of writing up a new constitution.

Scheduling disregards the students. I know because I worked there. Go in and tell them that the UC is a student center.

**ADJOURNMENT**

23. **Small - Connor** — Motion to adjourn at 9:20 p.m. Upon vote, motion passed.
