OPERA THEATER

MWF 3:10-5

Instructor: Anne Basinski

Office: Music Rm. 10

243-6889

Course objectives and activities:

In this course a student will develop and practice skills needed for performing in the lyric theater. Students rehearse and perform assigned scenes from opera, operetta and musicals. Students also assist in assembling and preparing costumes and set, and serve as stage crew for scenes they are not in. The culmination of the class is four performances of *The Legend of Orpheus*, which serves as the final. This opera is a pastiche, formed of pre-existing Baroque music with new words and story.

Students are required to learn their individual assignments outside of class, so that rehearsal time is devoted to developing good ensemble with other members of the scene. Students must abide by given deadlines for notes learned and memorization, or grade will be lowered.

Attendance:

Any absence may result in the lowering of the student's grade. To be excused, you must speak to Professor Basinski *before* the class/rehearsal in question – she will then decide, based on your reason for missing, whether the absence is excused or not.

The rehearsal schedule is posted on the Voice Area Board directly across from the main Music Office.

Check frequently for updates and information about costume fittings, etc.... Check the voice board ahead of time to see *where* rehearsal will be...sometimes they are moved because of events such as Concert Band Festival.

If you miss a costume fitting without calling the costume shop *in advance* (243-5271) your grade will drop to a C (if you have an A otherwise).

All students are required to help with strike after the final performance.
