8       Whereas, the Associated Students of the University of Montana (ASUM), its subcommittees, and its  
9       agencies are bound by its bylaws;

10       Whereas, recently, agencies overseen by ASUM Committees have found themselves affected by bylaw  
11       changes without notification from ASUM or its representatives;

12       Whereas, amendments to these bylaws should be suitably publicized, and all stakeholders affected by  
13       such amendments should be duly notified;

14       Whereas, there is currently no provision in the ASUM bylaws explicitly mandating ASUM to inform  
15       Agencies of changes in bylaws affecting them;

16       Therefore, Let it Be Resolved that an additional clause "P" be added to Article IV- Committees and  
17       Boards, at the end of Section 1- General, to read as follows:

18               *P. Upon amendment of any part of Article IV of these bylaws, any affected agency shall be*  
19               *notified of the bylaw change in writing by the ASUM Secretary or other relevant officer no later than a*  
20               *day (24 hours) after the passage of the relevant amending resolution. Any amendments to section 2-29 of*  
21               *Article IV of these bylaws require that the agency named in that section to be notified of this change. Any*  
22               *amendments to section 1 of Article IV of these bylaws require that all agencies listed in sections 2-29 of*  
23               *Article IV be notified. Agencies can be considered to have been notified when the relevant heads of these*  
24               *agencies as determined by the ASUM Secretary or other relevant officer have been notified of these*  
25               *changes.*
