15. **Snelson** — A reminder of the Parking Hearing on May 18. I encourage you all to attend. You are Missoula residents if you live around here and you should have a lot of interest in your community. If you don't have interest then I guess you deserve what you get.

Thanks to Mike Craig for his service to ASUM. He continues to help us smooth out things.

16. **McConnell** — I would like to say that I am against any fee increases for students.

During the next week we will be choosing SAC Director and SLA Director. I would encourage you all to attend the interviews for those people. We need to decide if we want to continue the tradition of appointing ex-Central Board members or getting new people involved in ASUM.

**ADJOURNMENT**

17. **Bates - Mutch** — Motion to adjourn at 8:35 p.m. Upon vote, motion passed.

Krista K. Denney
Central Board Recording Secretary
WHEREAS, in 1982, after a substantial show of support, including a petition signed by a majority of University of Montana students, the Montana Public Interest Research Group, MontPIRG, was established as a non-profit, non-partisan organization funded and run by Montana university students, and;

WHEREAS, since its establishment, students through MontPIRG have worked on a variety of projects including landlord/tenant issues, toxins in our environment, voter registration and utility rates, and;

WHEREAS, through MontPIRG, hundreds of UM students have benefited from learning citizenship skills and thousands of students and citizens have benefited from the research and advocacy of MontPIRG students, and;

WHEREAS, MontPIRG has been funded by a Regent approved, optional, $2 per student per quarter fee collected by the UM President's office, and;

WHEREAS, the Board of Regents voted in 1985 to discontinue that fee system in the August of 1986, and;

WHEREAS, MontPIRG supporters have proposed a new, $2 per student per quarter optional fee collected by ASUM, and;

WHEREAS, such a fee system was approved by 67 percent of University of Montana students voting in a 1986 Spring referendum, which represented over 17 percent of total UM students, and;

WHEREAS, ASUM Central Board believes this is consistent with the level of support documented in the statistically valid poll on MontPIRG conducted by UM student Craig Swank under the supervision of UM Professor Rod Brod.

THEREFORE, LET IT BE RESOLVED THAT the Central Board of the Associated Students of the University of Montana support the Montana Public Interest Research Group, MontPIRG.

ASUM Central Board is in support of funding MontPIRG with an optional fee collected by ASUM.

We urge UM President James V. Koch and members of the Board of Regents to honor University of Montana students' wishes on this issue.

Scott Snelson, ASUM President
Approved by Central Board 4/22/87
Motion: To increase the student activity fee by $2 over a period of two years, from $20 to $22.

Proposals:

1. Said increase would take effect Fall quarter 1987 with a $1 increase for academic year 87-88 and another $1 for 88-89.

2. If approved by Central Board this increase will be submitted to the students for a referendum vote on or about May 21-22. And upon approval by students would transmitted to the Board of Regents at their June 5 meeting.

3. This increase would be subject to a sunset clause at the end of two years. At that time C.B. would have the option of reducing the fee to the original $20 or continuing to assess the higher fee. Or if necessary to raise it.

Fiscal Note: As you know enrolment has been declining at U.M for several years. Average total enrolment has declined from 8,972 for 1983-84 to 8,592 for the first two quarters of 1986-87. This directly translates to a decrease in the ASUM budget. As our budgeting power decreases, however, budget requests from ASUM groups are increasing. Since enrolment is expected to rebound this increase is designed only to provide relief from loss of revenues due to declining enrolment until such time as enrolment increases to former levels.

Using current enrolment figures provided by the registrars office, this increase increase ASUM revenues by approximately $21,000 the first year and $42,000 the second.

Below is a list of total budget requests and allocations for fiscal 83-84 to fiscal 86-87, provided by the ASUM accountant:

<table>
<thead>
<tr>
<th>Request</th>
<th>Allocation</th>
</tr>
</thead>
<tbody>
<tr>
<td>83-84</td>
<td>$528,746</td>
</tr>
<tr>
<td>84-85</td>
<td>558,391</td>
</tr>
<tr>
<td>85-86</td>
<td>487,745</td>
</tr>
<tr>
<td>86-87</td>
<td>673,526</td>
</tr>
<tr>
<td>87-88</td>
<td>564,216</td>
</tr>
</tbody>
</table>

As you can see the ASUM budget, while supporting the same groups has been reduced by over $100,000 since 1984-85. This increase would provide only minor relief from this reduction. I strongly urge you to consider this motion carefully.

John Bates
