A REPORT BY THE COMMITTEE ON MEMBER ORGANIZATIONS:

Upon review of the Publicity Committee proposal, we the committee on member organizations highly recommend said proposal.

There was expressed a significant need for such a committee acting under the office of the vice president in order to provide a uniform and effective publicity campaign for ASUM and the University of Montana as a whole.

In light of recent cutbacks in the News and Publications department, it was made clear to the committee the need of such a committee on publicity. It is also quite clear to the committee that it is not the role of ASUM to pick up the pieces dropped by the administration, but rather see our new role as a great opportunity to supplant our organization and thereby aid the University.

Sincerely submitted,
