**HAVRE STUDENT CHOSEN AS UM PEER ADVISER**

**MISSOULA--**

A group of University of Montana—Missoula students has been selected to help peers find their way on campus. These students will serve as University College academic peer advisers for the 1997-98 school year.

Among the students chosen for the program is Thomas Hayes of Havre, a junior in business administration. He is the son of Frank and Margaret Hayes.

Academic peer advisers are selected through an application and interview process. Students who are selected possess exceptional leadership, communication and interpersonal skills.

Over the course of the year, peer advisers are responsible for advising fellow college students about course selection, general education and major requirements, and resource information.
