ASKS STUDENT HELP IN FUND CAMPAIGN

SISSON AND LAMB ADDRESS CONVOCATION

Only 415 Students Out of 670 Buy Tags; Drive for Signatures Will Continue.

"We're going to make strenuous efforts to give fuller and more honest returns for what we get," said President E. O. Sisson at convocation Thursday morning. Henry Lamb, chairman of the University funds campaign, preceded President Sisson's talk with a few words on the drive to get signers for the petitions.

Chairman Lamb stated that 415 of the 700 tags issued at the recent tag day were sold. He said that not enough voters had signed the petitions by April 20, and that he drive had not ceased. Lamb urged students to continue writing home to obtain signatures and suggested that they write personal letters to their home town papers to gain more publicity for the movement.

President Sisson opened his talk by suggesting that the student body turn in \$670 to the University campaign, or in other words, a dollar for each member of the student body. He offered his personal help if the students were willing to do it.

"America is long on brains and short on training." This was President Sisson's conclusion on what Professor Millikan said recently about the inefficiency of the American gas mask in the war. He went on to show that the country had talent but that it is not properly developed.

The president commented on the endeavors of the members of the band to create their organization and said that they had stood the test of loyalty to the University. He showed that the band had worked hard and steadily and that they have had little financial support to carry on their work.

In conclusion, President Sisson said that this is a moving world and one that is growing better. He said that the improvement of the University made possible by the success of the financial campaign was our part in the progress of the world and that we should do our best to make the drive a success.

WOMEN'S GLEE CLUB MAY APPEAR APRIL 30

Mrs. T. M. Pearce Will Be Principal Soloist at First Program of Society.

The Women's Glee club will sing in the University auditorium Friday night, April 30, providing the debate scheduled for that night is cancelled, according to Dean DeLoss Smith. If this date cannot be secured they will sing sometime during the next week.

The Glee club will present "Gallia," by Charles Gounod, a motet arranged for women's voices. Mrs. T. M. Pearce will be the principal soloist on the program. Other numbers will be selected from work done in the school of music.

The program has been prepared twice this year, but circumstances always interfered so that it was deferred each time, says Mr. Smith.

W. A. Petzoldt, Baptist missionary at Crow reservation, arrived in Missoula Thursday, for a short visit with his daughter Genevieve, at Craig hall.

Frosh Promise Best Kaimin of the Year

"The Freshman Kaimin will be the newest number this year," says Leroy Kershner, editor-in-chief. "All the news is coming our way. The editorials are ready, feature stories are being worked up and the staff is getting ready its assignments."

Dean A. L. Stone thinks that this number should be the best freshman Kaimin ever published. Besides being the largest freshman class the school of journalism has ever had, it is remarkable for the quality of work that it has turned out during the year, Dean Stone says.

The Kaimin for Tuesday, April 27, will be put out entirely by the freshman class according to a custom established in 1910. The members of the staff are chosen because of their ability.

GATLEY ASKED TO GIVE COMMENCEMENT SERMON

Senior Class Begins Organization of the 1920 Alumni Association.

H. G. Gatley, rector of the Episcopal church in Missoula, was chosen to deliver the baccalaureate sermon, according to the decision of the senior class at a meeting Tuesday afternoon.

President E. O. Sisson gave a short talk to the Seniors upon their future work as alumni towards the University. The class decided to organize into a permanent alumni organization. John Patterson, Tate Peak and Lelia Paxton were appointed to formulate plans for an alumni organization for the class of '20.

The class voted to wear caps and gowns at all convocations and at the classes in the forenoon before convocation.

Hugh Campbell was elected to the captaincy of the senior baseball team. He will take the place of Tate Peak whose eligibility to the Varsity squad bars him from participation in intramural athletics.

GLEE CLUB TO APPEAR TWICE AGAIN THIS YEAR

Recital to Be Given During Track Meet and Another at Convocation.

The University Glee club will probably sing twice again this year, during track week and for the students at convocation, said Dean DeLoss Smith, director of the club.

"I am giving the men a rest this week," said Mr. Smith. "Most people do not realize how hard they have been slaving. But I can say that I never before have directed such a musical and hard-working group of men."

The Glee club will sing Friday night during track week in the University auditorium. If there is time several new songs may be worked up to add to the program, said Mr. Smith. The convocation at which they will appear is not yet decided upon.

SCHREIBER OFFERS NEW ATHLETIC PLAN

PROPOSES A CHANGE FROM PRESENT SYSTEM

Proposition Calls for Graduate Manager and Athletic Board.

Physical Director W. E. Schreiber has drawn up a plan for athletic management and control and these plans are being considered by the executive committee of the A. S. U. M.

Under this new policy a graduate manager will take over all the duties pertaining to athletics which formerly belonged to the A. S. U. M. manager. The system is being used in most universities today, and has proven satisfactory.

According to Mr. Schreiber the present system of athletic management is too inadequate to be practicable. The plan as submitted by Director Schreiber is as follows:

1. All athletics in the University, intercollegiate, intra-mural and freshman shall be under the supervision of a University Board of Athletics.
2. This board shall consist of the faculty athletic committee, the executive committee of the A. S. U. M. and alumni members.
3. The president of the A. S. U. M. shall be the chairman of this board.
4. This board shall have complete charge of the athletic budget, supplies, grounds, schedules, letter awards, gate receipts, guarantees, and all other matters that pertain to intercollegiate, intra-mural and freshman athletics in the University.
5. The director of athletics shall be the executive member of the board and have direct charge of the above mentioned matter.
6. The University shall employ a man who shall be a member of the faculty of the department of physical education and who shall be known as the general graduate manager of athletics under the supervision of the Board on Athletics.
7. Eligibility shall be determined by the faculty athletic committee.
8. All financial matters shall be conducted on the budget system.
9. Student managers for the various athletic teams shall be selected by the Board on Athletics from a list of three names presented by the executive committee of the A. S. U. M.
10. The A. S. U. M. shall set aside percent of its funds at the beginning of each year for the maintenance of athletics in the University and this fund shall be administered by the Board on Athletics. An itemized account shall be rendered to the executive committee of the A. S. U. M. at the close of each intercollegiate season.
11. A subcommittee of the board, consisting of three members comprised of one faculty member, one student member and one alumni member shall be known as the auditing committee and shall pass on all expenditures before they are paid by the business manager of the University.

ROOM REGISTRATION

Students who wish to make reservation of rooms in Craig hall for the summer quarter, or for the fall quarter, should make application not later than April 15th. Applications should be made at the Registrar's office (Miss Jenkins) accompanied by the necessary deposit—\$5.00 for the summer quarter, \$10 for the fall quarter.

Professor and Mrs. Paul C. Phillips were entertained at dinner Wednesday by Kappa Kappa Gamma.

Butzerin in Frisco From Long Service

Lieutenant Arthur J. Butzerin, ex '18, has arrived in San Francisco after two years' service in Siberia, according to word received by his family in Missoula. He enlisted in the spring of 1917 and was in the officers' training camp at Camp Lewis where he received his commission until he left for Siberia.

Butzerin was editor of the 1918 Sentinel and was also very prominent in dramatics and in the journalism school. He is a member of the Sigma Nu fraternity.

He married Mary Frances O'Hara, a former University student, in 1918. Mrs. Butzerin has been living with her parents in Hamilton during her husband's absence.

DEBATE WITH IDAHO U IS PENDING SAYS GAULT

Debate Schedule for Coming Year Is Being Filled Out by Manager.

Arrangements for a debate with Idaho either here or at Moscow on the first or second Friday in May are pending a telegram to be received from Idaho, according to Mac Gault, debate manager. Idaho refused to hold a dual debate after the withdrawal of Utah from the triangular debate. Paul Smith and J. E. Farmer will represent the University if such a debate is held.

The following telegram was sent by Mac Gault to Idaho following their refusal to hold a dual debate: "Your telegram received. Can Montana supporting negative come to Moscow on first or second Friday of May? If not can you make arrangements to send team here? Wire answer at once."

Mac Gault has written letters to the Universities of Southern California, Washington, Oregon, North Dakota and South Dakota for debates next year. Montana has debated all these Universities but Washington and South Dakota in former years.

Utah and Idaho have asked for a triangular debate next year.

Montana won from North Dakota twice in 1914. She won one and lost one to Oregon in 1915 and 1916. A University team broke even with Southern California on two debates in 1917.

MAY FETE POSTPONED BECAUSE OF WEATHER

Dances to Be Held May 15, Last Day of Interscholastic, Says Chairman Turner.

"The May fete has been postponed until May 15," Margaret Turner, chairman of the fete, said yesterday. "The postponement has been deemed advisable, because the weather will be more then settled then. It will give the girls more time to practice the dances and make costumes. In previous years it has been the custom to repeat the fete for the Interscholastic visitors, but this year they will see its first presentation," she continued. Miss Turner brought the matter up before the Tuesday meeting of the A. S. U. M. executive committee and they agreed to let her set a suitable date. At next week's executive committee meeting the managers for the May day parade will be appointed.

TRACK TEAM LEAVES FOR RELAY CARNIVAL

FOUR MEN WILL REPRESENT MONTANA

Team Consisting of Adams, Romney, Sterling and Sullivan in Seattle Today.

Montana's relay track team, consisting of Romney, Sterling, Adams and Sullivan, left yesterday afternoon at 3:30 for the relay carnival at Seattle.

Romney, who has an unusually good interscholastic record, was chosen as the fourth member of the team to replace John Toole, who sprained a ligament. He will start the relays for the Grizzlies, and Sullivan, Adams and Sterling will follow in the order named.

The team will arrive in Seattle early this afternoon and if time allows, will work out on Denny field. Cold weather has kept the team from making the best time possible, but good weather prevails in Seattle and Coach Bierman says that warm weather will cut the time in which the team has made the relays here in Missoula by several seconds. The lower altitude will also make a difference in the running time and taking all things into consideration, the Varsity is expected to make a good showing.

Coach Bierman plans to return on a train leaving Seattle Saturday night in order to have the men fresh for a Monday workout since the team is going to Moscow, Idaho the following Saturday for the dual meet with the Gem Staters.

Montana Wesleyan is sending a team of eight men to compete in all events up to the four mile relay. The latest news from Washington has it that Washington State college will not send relay teams to Seattle. The reason given is that poor weather at Pullman has kept the runners inside and they have been unable to get in shape.

LITERARY FRATERNITY TO SELECT MEMBERS

Dietrich, Jameson and Winsor Will Revive Sigma Upsilon Chapter.

Sigma Upsilon, national literary honor fraternity, will be revived on the campus, according to Maurice Dietrich, instructor in economics and one of the three members of the society still on the campus.

A meeting will be held as soon as a notice has been received from national headquarters, and new members will be selected, according to Mr. Dietrich. The other members are: William Jameson, '19, a law student; and Ivan Winsor, '21, a mathematics major.

When the chapter was active here literary meetings were held regularly. The purpose of the society is to study English literature. The chapters adopt names that are significant of places made famous in English literature. The name of the local chapter is Ye Mermaid Inn.

INITIATE PHARMACISTS

Six men were initiated into Phi Chi, local pharmaceutical fraternity, April 20. They were Henry Rakeman, Marvin Black, Stanley Curtis, Ralph Ballard, Heber Porter and Charles Folkstead. Phi Chi is petitioning Kappa Psi, the national pharmaceutical and medical fraternity.

FRIDAY, APRIL 29, 1920.

A GRADUATE MANAGER

Yesterday afternoon when the members of the Grizzly relay team left to take part in the relay carnival at Seattle, the University took a deep breath and stretched. We have widened our athletic relations. For the first time in our history the University will be represented in coast athletics. For the first time, we will be pitted against unfamiliar competition on a field where never before has a Bruin athlete set foot. To Montana students the significance of this venture, if we may term it as such, should be very apparent. We have unlimited faith in the ability of our representatives to get away and make good our initial participation in greater northwest activities.

Almost simultaneously with the announcement that we would compete in the relay carnival came the proposal offered by Coach Schreiber which, if adopted, will bring to the University, the graduate management plan of athletic government. It seems particularly timely that such a plan be offered. We are getting bigger and stronger, in the athletic sense, every day, and the time is here when a better and more adequate system of athletic management and control should be adopted. The present system is inefficient and heavy with shortcomings. A University Board on Athletics and a graduate manager is the system used by most of the institutions in the country. The system is not an experiment but actual in its success and efficiency. No one, with the exception of the coaches, can realize the handicap involved when a student manager, no matter how capable, is in charge. The duties of such a position are too many and too time-devouring to allow the students proper attention to class work. We are right in the path of improvement. Acquaint yourself with the merits of the graduate manager plan and see whether it is not a wise move.

REGISTER AND SIGN

Students who are entitled to register for the coming elections should do so at once. At the same time remember that your registration qualifies you as a signer to the initiatory petitions. One of the petitions can be found at the registrar's office. Your signature will help a lot. It is the duty of every student voter to use the rights of citizenship.

JOYCE MEMORIAL ESSAY CONTEST IS REOPENED

The Joyce memorial essay contest has been reopened because there were only three essays submitted, according to H. G. Merriam, chairman of the committee in charge of the contest.

"A contest of this kind should be widely patronized," said Mr. Merriam. "We know that good essay work is being done on the campus and we have reopened it hoping that a great many students—at least 15—will enter this time," he said.

The new date for the submission of essays is May 28. Those who intend to enter the contest are requested to leave their names with Mr. Merriam by April 28. All the other conditions published on the bulletin board are unchanged.

Those who have already submitted essays may either rewrite them or leave them entered as they are. Anyone may submit as many essays as he wishes, according to Mr. Merriam.

ACCOMPANY TEAM

John Toole and Richard Theis accompanied the track team to Seattle Thursday. Toole was unable to get a place on the team because of a strained tendon in his leg.

Miss Opal McNinch, '23, has withdrawn from the University on account of ill health. She will leave for her home in Great Falls Saturday.

Mr. and Mrs. Mallory Stickney and son and Mr. and Mrs. Leon Hurt were guests of Delta Gamma sorority at dinner Wednesday.

MISS WHITCOMB TALKS AT Y. W. C. A. MEETING

"The Purpose of the Y. W. C. A. on the Campus," was the subject of the talk by Miss Emeline S. Whitcomb before the members of the University Y. W. C. A. Tuesday.

She said that the purpose of the Y. W. C. A. is to furnish information regarding all the people of the world and that it is not a prosaic thing but rather a department to get information. Miss Whitcomb also stated that the Y. W. C. A. have some of the best speakers obtainable, and that members should miss none of the meetings. Augusta Gudmunson was in charge of the meeting.

VISITS HIGH SCHOOLS

Miss Emeline S. Whitcomb left Wednesday afternoon on a high school visitation trip. Miss Whitcomb will visit the schools in Three Forks, Manhattan, Belgrade, Anaconda, Bozeman and Billings.

Miss Whitcomb will speak on the millage tax and bond issue, as well as the advantages of attending the University.

BANQUET CALLED OFF

The annual Pan Hellenic banquet has been called off this year because it would be too expensive. The charge this year would be \$2.15, while last it was \$1.

Editor Kaimin:

In your last issue you speak of Varsity spirit running true to form, and of S. O. S. cracking the ice. You are wrong. It will take more than one S. O. S. and something bigger to crack the ice, for the ice is that of indifference, the worst element that can impregnate a varsity as a whole. No, I wouldn't consider the Varsity as a whole as indifferent, rather three-fourths indifferent, one-fourth enthusiastic. Our prospects in track are good; our baseball squad is good, yet how much support, how much encouragement do they receive. Last night, the editor was in the bleachers to view track progress, the editor with a handful, some thirty out of almost eight hundred students. About 50 per cent of the one-fourth loyal were there also, in uniform, track or baseball. Where were and are the rest of our students? Why can't we come out for a few minutes each night, at least, to give the lads a little encouragement? Do we care? Are we just indifferent or lazy.

A WELL WISHER.

BAIRD AND TOOLE WIN FIRST CASE IN COURT

Graduate of University Law School and Colleague Appear for Defendant.

Alva Baird, graduate of the school of law in March, 1920, and who has been recently admitted to the bar, won his first case in the justice court in Missoula Tuesday. Howard Toole, who began his study of law in the University, was Baird's colleague.

Toole and Baird appeared for the defendant, Alfred Sterner, who had refused to pay for a course in gymnastics under J. P. Van Doozer, conductor of classes in athletics in a gymnasium on West Front street. Van Doozer sued Sterner for breach of contract, and the jury decided that the athletic director was not entitled to pay from the defendant. The decision was reached on the grounds that Van Doozer had not given the course called for in the contract.

URGE COUNTY CLUBS SAME AS LAST YEAR

INTERSCHOLASTIC PROGRAM SAME AS BEFORE

Dr. Rowe Gives Out Schedule to Be Followed in the Annual Track Meet.

Dr. J. P. Rowe, chairman of the faculty interscholastic committee, says no means for providing entertainment for the visitors have yet been arranged, but entertainment similar to last year's will be provided. The program for the meet is practically the same as that of former years.

Last year county clubs were organized and each group had ribbons. They met each train and all visitors were provided with these little ribbons. "That plan was very successful," said Dr. Rowe, "and the students themselves can do much more than the faculty can in providing entertainment and making the visitors feel at home and acquainted here. We will pay for all ribbons or tags which the clubs desire to use."

The Glee club will give a short program Friday night and Thursday night the orchestra will make their initial appearance after the final declamatory contest. Further arrangements and plans for entertainment will be made this week.

The program for the meet is as follows:

Tuesday, May 13.

Registration and inspection day.

Wednesday, May 14.

4:00 p. m.—English council, room 16, library building.

8:15 p. m.—Interscholastic debate to decide state championship, Convocation hall.

Thursday, May 15.

9:00 a. m.—Meeting of Montana High School Debate league, room 4, Convocation hall.

9:30 a. m.—Boys' preliminary declamatory contest, University hall.

9:30 a. m.—Girls' preliminary declamatory contest, University hall.

9:00 a. m.—Meeting of athletic contestants, gymnasium.

10:00 a. m.—Meeting of Missoula High School Athletic association, U hall.

2:00 p. m.—Track and field meet, Montana field.

7:15 p. m.—May dance by University girls, University campus.

8:15 p. m.—Finals, boys and girls declamatory contest, U hall.

Friday, May 16.

9:00 a. m.—Inspection of University buildings.

12:30 p. m.—Luncheon for visiting teachers.

2:00 p. m.—Finals in track and field meet, Montana field.

7:15 p. m.—Singing on the Steps.

8:30 p. m.—Awarding of medals to successful contestants, Convocation hall.

9:30 p. m.—Dance, gymnasium.

Saturday, May 11.

9:00 a. m.—Adjourned business meeting.

The faculty committee follows:

J. P. Rowe, chairman; W. E. Schreiber, athletics and general manager; M. J. Elrod, transportation; R. N. Thompson, entertainment of men; Mrs. K. W. Jameson, dean of women; Lucille Leyda, entertainment of women; Anders Orbeck, declamation, essay and debate; L. H. Schaefer, finance; A. S. Merrill, publicity and program.

The Grizzly relay team left for Seattle Thursday afternoon, where they will compete with Pacific Coast and Northwest conference teams on Denry field Saturday.

Miles Romney, the sturdy little sprinter from the Bitter Root, will start the relay.

Steve Sullivan, veteran football and basketball man will relieve Romney of the stick.

Harry Adams, the hero of the Aggie game, will be the third to carry the bamboo.

Jack Sterling, who won a name for himself in previous meets will finish.

Captain Vitt, Spencer, Higbee and Ross are showing good form on the mound, but can not cut loose yet on account of the cold weather.

A few of the bears will play with a picked team against the Marines Friday afternoon on the N. P. ball park.

The Aggies will have several familiar names in their track team this year. Among them are Shorty Bach-

man, a distance runner of some repute. Pud Oberlie, who is trying out for the stunts; Sucette, a man of interscholastic fame from the Flathead, and Cates, a fast man from Victor.

Bachman, the intermountain champ, in the two mile event, will know that he has run a race when he measures spikes with Jacobson, Montana's copper haired athlete.

It begins to look like third base will be filled with something besides sawdust.

Gussie Larkin, captain of the basketball team, is out for baseball and is being tried on second base.

Word comes from over the divide that the Farmers started spring football last Monday.

Coach Powell of the Aggies has just returned from a trip to the coast. He reports that a new conference which would be named the Northern conference, was suggested with the two Montana schools, Idaho, Washington State and Whitmas as a nucleus for its formation.

Bad weather is holding the hay digger athletes in as well as the Grizzlies.

ORCHESTRA WILL PLAY AT CONVOCATION MAY 6

Convocation for May 6 will be in charge of A. H. Weisberg, professor of violin and director of the University orchestra. The orchestra will give two overtures and several of Professor Weisberg's violin pupils will play solos.

The orchestra will also play in Main hall Thursday evening, May 13, during the Interscholastic track meet.

Cash sales at the A. S. U. M. store for the month of March reached the \$1,796 mark, and \$658 is the amount of cash sales made in the past fifteen days of April, according to the financial report of Stuart McHaffie, manager of the store.

Approximately \$250 in credit is on the books. This credit has been extended to the men in the University who are taking vocational training and whose school necessities are being paid for by the government.

FOUR GAMES OF CO-ED TOURNAMENT MONDAY

Inter - Organization Baseball to Close First of May and Track to Start.

If the weather permits, the first four games of the women's inter-organization baseball tournament will be played Monday, April 26, at 6:45, according to Miss Lucille Leyda, physical director for women.

Four games will be played each evening, was the decision of the women's athletic council. This will end the tournament the first week of May, if the weather does not prevent games being played every evening. As soon as baseball is finished, practice for the women's track meet will begin.

The games scheduled for Monday and Tuesday are as follows:

Monday, April 26.

MRS. JAMESON RETURNS FROM SPEAKING TOUR

Finds Greater Interest Is Taken in U of Montana Than Ever Before.

"On the whole I found more interest in the Greater University of Montana than ever before," said Mrs. K. W. Jameson, who returned Thursday morning from a trip through the Jefferson and Ruby valleys, where she went to speak before the high school students.

"In Butte I found that out of the high school seniors who expressed a desire to go to college 36 planned on staying in Montana." Out of this number 22 said they were coming to the University at Missoula, the rest to the other Greater Montana colleges," continued Mrs. Jameson.

Mrs. Jameson spoke before the parent-teachers' association of Butte Thursday evening April 15; the Homer club Monday afternoon, Silver Bow Teachers' association Monday evening, and the Women's club Wednesday afternoon.

While in Madison county Mrs. Jameson met E. P. Reed, '17, who is deputy county attorney of Madison. She also saw Miss Evelyn Walters, who graduated from the school of pharmacy last year.

ART LEAGUE WILL GO TO MEDICINE SPRINGS

Plan to Leave Sunday on All-day Trip Up Bitter Root Valley.

The Art league leaves Sunday morning for an all-day trip to Medicine Springs, 90 miles up the Bitter Root valley. Thirty people will make the trip. Delta Phi Delta arranged the party for the Art league members who worked on the A. S. U. M. stunts and on the plans for Lorado Taft's lecture.

The league made the same trip two years ago. It is planned as an annual event.

The party will meet at the Florence hotel at 7 o'clock Sunday morning and leave in cars, provided by Archie Strang, Etta Brechbill, Frank Tombrink, Ruth Kleinedor, William Flaherty, Florence Faust and Ruby Jacobson. Some will take their sketch boxes; others plan to fish, hike or swim.

Professor and Mrs. F. D. Schwalm, Mr. and Mrs. A. Jacobson and Mr. and Mrs. L. L. Helvik will chaperon the party.

Stops will be made along the way at historical points. A chicken dinner will be served at Medicine Springs hotel.

Alfred Wakefield and Ashton Barbour have withdrawn from the University to accept positions at St. Ignatius. They are both members of the freshman class.

Railroad Fare Refunded Amounts to \$2,925.27

"Railroad fare refunds to the amount of \$2,925.57 were made to 193 students during the University fiscal year, from March 1, 1919, to March 1, 1920," says H. J. Greene, acting business manager of the University. The refund is made in accordance with the provisions of Chapter 123, session laws of 1917, and under regulations established by the State Board of Education. Railroad fare in excess of \$5 actually paid by any student for a round trip between his Montana home and any institution of the Greater University of Montana, once each year, is refunded.

PROMISE GOOD LECTURE ON THEODORE ROOSEVELT

Talk by W. W. Ellsworth, Considered One of Best Ever Given Before American Public.

William Webster Ellsworth, who is scheduled to speak before University people in Convocation hall Thursday evening, April 29, has, according to press reports, one of the most interesting lectures ever given before the American public. Mr. Ellsworth will speak on the subject of "Theodore Roosevelt, American." According to the plans of the convocation committee, Mr. Ellsworth will speak Thursday morning at convocation.

Mr. Ellsworth was intimately acquainted with the life of Theodore Roosevelt, and includes in his lecture, many sidelights on the career of the rough and ready president, which the average American public knows nothing about. The lecture, on the eve of the presidential primaries, is a very timely one, especially when the voters of the country are seeking to find in the long list of presidential aspirants, one who can measure up to the standards of Theodore Roosevelt. Reserve seats for the lecture may be obtained at the student store. Tickets will sell for fifty cents. The lecture will begin at 8:15.

F. O. SMITH CONDUCTS GRADE SCHOOL TESTS

F. O. Smith, head of the psychology department, has been conducting a series of intelligence tests in the Missoula and Bonner grade schools. On the basis of the facts secured it is his aim to make the school system more efficient.

Ira B. Fee, superintendent of Missoula schools, says that these tests have proved very reliable in regard to the mental capacity of the children.

SURPLUS OF MATERIAL FOR CAMPUS MAGAZINE

Literary Edition Which Will Appear During Track Week Well Under Way.

"We have more than enough material now—stories, essays and verse—for the first issue of the University literary magazine," said H. G. Merriam, head of the English department. "Of course, the more material we have the better the publication will be. All contributions must be in by April 28."

No name has yet been selected for the magazine, Professor Merriam stated. The first issue, and the only one this quarter, will appear interscholastic week. If the booklet is received favorably it will be continued next fall.

Regular publication dates may not be set, but according to Professor Merriam, the magazine will appear when the editors receive a sufficient quantity of good material.

"The board of editors follows The Kaimin policy," said Professor Merriam, "of publishing only signed contributions, although work may be printed anonymously if the writer so desires. We expect some good material from the essay and short story writing classes."

The purpose of the magazine is to furnish an outlet for good literary material of the campus. The Sentinel is at present the only publication of this kind, which, of course, comes out but once a year. It will also be a means of publishing the winning essay of the Joyce Memorial contest and similar contests.

CRAIG HALL DIRECTOR REGAINING HER HEALTH

Miss Ethel Clarke, director at Craig hall, is rapidly recovery from an attack of appendicitis.

During Miss Clarke's illness Miss Whitcomb and Miss Kate Daum have had charge of the dining room. Miss Daum took charge Wednesday after Miss Whitcomb's departure for a University publicity trip to various cities in Montana.

ELROD ON LECTURING TOUR FOR BOND ISSUE

Reports Audiences Enthusiastic; Meets Many University Alumni.

Morton J. Elrod, head of the biology department, will return the latter part of this week from a three weeks tour of eastern Montana in the interest of the bond issue campaign. Professor Elrod has been giving lectures illustrated with lantern slides. He has also met individuals and committees who are working for the campaign.

A letter to H. G. Owens, assistant professor of biology, tells of enthusiastic audiences over the state. The message also mentioned conversations with many alumni of the University who are especially interested in supporting both the bonds and the millage tax.

Professor Elrod will join his wife in Miles City at the home of their daughter, Mrs. Wm. Ferguson.

The towns visited included Sidney, Glendive, Medicine Lake, Scooby, Wibaux, Plentywood, Mondak and Miles City.

"Game to the core"
THAT'S the quality young fellows like to see—the "stay-with-it" spirit; in baseball, on the track, in football—in a dog or horse.

They'll find that quality in our clothes; it goes deeper than looks—it's in the stuff they're made of.

M. M. Co. Clothes

are made from all-wool fabrics, because they have the lasting power; in them is to be found the best tailoring; the finest inside materials. These clothes "stay-with-it" longer than others and look better while they're doing it. They have what you like and want. They're the most economical clothes you can buy.
