PRESIDENT'S REPORT

The Healthline is a program designed to educate students about various issues such as AIDS and Alcohol Abuse. Poirer stated that the program can also quiz the students on their knowledge of such issues and answer specific questions.
3. Hielt introduced Sharon Spray-Warden, Programming Director. Spray-Warden expressed Programming's theory of offering quality entertainment with fiscal responsibility. Spray-Warden also stated that Programming was reviewing the events that it can offer. Some new approaches are being considered. One such approach would be the reduction of the film series due to the increasing number of video stores. Spray-Warden reported that the possible reduction in the film series could perhaps go to the lecture series. Spray-Warden also stated that large rock and roll concerts are often too costly due to artist's fees and production costs, that they are a great financial risk. Finally, Spray-Warden encouraged the Senators to visit the Programming office and give their ideas and views to her.
