Approval of Minutes

1. The minutes of March 8, 1989 were approved as written.

President's Report

2. Aylsworth encouraged the Senators to participate in the March on Helena.

3. Aylsworth briefly outlined some of his concerns and prospective projects for his administration. Some of these projects included such campus issues as lighting and more input for student money allocations.

4. Aylsworth introduced Jennifer Isern. Isern spoke about issues that her administration felt were important. Isern reported that her administration worked in four areas:
   - Internally: Isern reported that internal changes were made by reworking the Bylaws and removing antiquated language, revising the Fiscal Policy, creating the Personnel Policy, and calling for audits in the classified positions as well as in programming.
   - Groups/Organizations: Isern explained that Vice President Hiett reorganized the Committee System, streamlined budgeting, and worked on office space for the groups.
   - Students At Large: Isern expressed that placing a dorm ex-officio on the board, starting a program for safety on campus, and taking action regarding the semester transition were just a few student at large projects.
   - Legislative Action: Isern noted that working with the legislature was a big project for her administration. Her administration worked on registering voters, reestablishing campus links, and establishing legislative goal sheets. Another legislative project still yet to take place is the March on Helena.

5. Aylsworth reported that Yearbook pictures of the Senate will be taken next week.

6. Aylsworth introduced Patrick Edgar, the ASUM Advisor. Edgar explained his duty was to be on the sidelines. He stressed that he was there to advise on matters the Senate felt that they needed help with. He also stressed that he was there to offer advice on other matters if they so wish. Edgar reminded the Senators that they are not aristocracy but rather servants of the public. Edgar explained that followers make the leader.
Aylsworth introduced Greg Van Tighem, Student Legislative Director. Van Tighem reported that the March on Helena will be Friday, March 31. Van Tighem encouraged all the Senators to attend. Van Tighem reported that although the tuition increase has already gone through, other issues are very important. One such issue includes the proposed sales tax. Van Tighem reported that the buses will leave between 8:30 a.m. and 9:00 a.m. Things will start at 10:45-11:45. Several speakers will address the group.
