## RHODES SCHOLAR LEAVES FOR OXFORD

**RADCLIFFE BECKWITH TO ENTER ENGLISH U JAN. 13.**

**Former Chemistry Student Will Enroll in Either Balliol or Christ Church College.**

Radcliffe H. Beckwith, '21, who was awarded a Rhodes scholarship last September, will leave Missoula Thursday morning for New York City. He will sail for England on the steamship Olympic in company with the other Rhodes scholars from the United States. James Farmer, '22, who was appointed at the same time as Beckwith, will leave next fall.

Beckwith has applied for admission to either Balliol or Christ Church college of Oxford university. He expects to continue his work in chemistry there for the next three years. He will arrive in time to enter Hilary term which begins January 13.

### Montana Rhodes Scholars.

Other Montana men who are Rhodes scholars are Bruce Hopper and Clarence Streit, both of the school of journalism. Streit was editor of The Kaimin in 1916. He entered the service in 1917. He returned to the University for a short time in 1919 before he went to Oxford.

Rhodes scholars are chosen in accordance with a three-fold requirement in the will of Cecil John Rhodes. This comprises character, intellectual ability and physical vigor. No written examinations are held, the men being chosen on the basis of their school or college record, supplemented by a personal interview.

### Beckwith's Work.

Mr. Beckwith is 20 years of age. He will be a senior in the department of chemistry at the University this fall. He is a prominent member of the Masquers club, a dramatic society at the University. Mr. Beckwith is a member of Sigma Upsilon, national literary society, and a local honorary scholarship fraternity. He is fond of outdoor life and shoots on the rifle range. In his university career he has always received the highest grades. Only once has he received as low as the average grade. At Oxford he will continue the study of chemistry. He is the son of Mrs. Frank Beckwith of this city.

## SENIORS DEFEAT SOPHS IN INTER-CLASS SERIES

**Superior Passing and Teamwork Responsible for Victory of Senior Team.**

The senior basketball team trimmed the sophomore team 22 to 9 in the second game of the inter-class series. Although the seniors won by a safe margin the sophs put up a hard and cleanly fought game.

The superior passing and good teamwork of the seniors were the winning factors. Larkin and Spogen starred at forward for the winners. Higbee played a star game at center as did Walter-skirchen and Boyd at guard.

Porter at forward netted most of the sophomore points. Baird at guard prevented the seniors from making many close shots.

The seniors and freshmen will meet in the final game of the inter-class schedule Friday, December 10. The odds favor the heavier and more experienced senior team. The freshman lineup consists of former high school stars, who will undoubtedly make the game interesting for the seniors.

## SPEER GOES TO COAST CITIES ON A VACATION

Registrar J. B. Speer left Saturday for Seattle and other coast cities on a three-weeks' vacation. During his trip Mr. Speer will visit the University of Washington, the University of Oregon and Oregon Agricultural College.

## Debate Squad Will Meet This Afternoon

Debate Coach E. L. Freeman announced yesterday that the entire debate squad will meet Tuesday afternoon at 4 o'clock in the auditorium of the natural science building. Part of the squad will be put to work immediately on the subject of debate between the University and Montana State college. The debate comes off in less than a month after the opening of the winter quarter so it will be necessary to start work on it immediately.

## MEDICAL FRATERNITY ANNOUNCES PLEDGES

**Wallace Lynch, Millard Rose, Walter Clark Will Join Kappa Psi.**

Kappa Psi, national medical fraternity, announces the pledging of Wallace M. V. Lynch, Millard A. Rose and Walter A. Clark.

The local chapter, Gamma Eta, was granted its charter last spring. The active members are: Albert Woehner, Henry Rakeman, Instructor John J. Suchy, Dean Charles E. Mollett, Merle Thompson and Marvin Black.

Kappa Psi was founded at Russell Military Academy in New Haven, Connecticut, May 30, 1879. It was entirely literary in origin. Later it established chapters in medical schools and discontinued the academic chapters, and continued as a strictly professional society.

The fraternity now has 31 active chapters and 26 graduate chapters with a total membership of 9,680.

## INCORPORATION ARTICLES FOR STORE SANCTIONED

**Tag Day Receipts Now \$850, Says Boyd; Columbia Will Submit Question.**

At a special student convocation at 9 o'clock this morning the articles of incorporation for the campus store were voted on and approved.

The tag day receipts to date were reported by Andrew Boyd. Eight hundred and fifty dollars has been turned in.

According to George Witter, debate manager, a telegram has been sent to the Columbia debate team stating that the financial terms are satisfactory and that he will forward the other terms. Columbia will submit the question.

"Montana State college has passed on our questions submitted, the Japanese exclusion and compulsory arbitration of labor disputes in vital industries, and has chosen the latter but refuses to take a definite stand until we explain exactly what we mean by 'vital industries,'" says Mr. Witter.

The R. O. T. C. band played several selections for convocation.

## FRESHMEN TO COLLECT ALL DUES THIS WEEK

A meeting of the executive committee of the freshman class was held Friday afternoon in main hall. The committee decided to assist the treasurer in collecting the class dues.

The committee is composed of the class officers and three other members. Evan Reoley, Alice Davenport and Esther Bierman. This committee will collect dues all week and asks all members of the class to assist. The committee announced that it was necessary to have all money in by the end of this week so that all class affairs may be properly taken care of.

## CAMPUS TO HAVE NEW BUILDINGS

**LIBRARY AND HEATING PLANT DECIDED ON.**

**Date Construction Commences Depends on Bond Sale Says Sisson.**

The first buildings to be erected under the new building plans will be a heating plant and library, according to President E. O. Sisson, who returned Saturday from Butte, where he attended a meeting of the executive council of the Greater University of Montana, December 3 and 4. Construction is expected to start next spring.

"Everything now depends upon the sale of the bonds," said President Sisson, "and present indications are that there will be little difficulty on that score as the state is financially sound and the bonds are considered in financial circles to be a sound investment despite the fact that they pay a comparatively low rate of interest."

The executive council is doing everything possible to hasten the sale and it is expected that contracts will be made calling for constructional operations early in the spring.

The heating plant and library have been agreed on by the council and are but the initial step in the construction plans. The necessity for new departments and new buildings for the departments already overcrowded is known by the executive council and the decision as to just what buildings will follow the two above mentioned will be made within a short time, according to the president.

## SISSON AND UNDERWOOD BACK FROM CONFERENCE

**President Addressed Meeting of Educators at Butte.**

President E. O. Sisson and Dr. J. H. Underwood, head of the economics department, returned Saturday from the regional conference on education for the states of Montana, Utah and Idaho, held in the auditorium of the Butte Chamber of Commerce, December 2, where Dr. Sisson gave an address on "The Needs of Higher Education in the Regional States."

The purpose of the conference, which is one of a series of 12 regional conferences called by U. S. Commissioner of Education P. P. Claxton, is to emphasize the importance of education from the standpoint of statesmanship and the public welfare.

This meeting was directly a result of the National Citizens' conference held in Washington, D. C., last May, where it was decided that one general conference on education should be held at a designated place. After careful consideration, however, it was agreed that a series of regional conferences would be more effective, making a much larger attendance possible and giving the opportunity for a more practical and detailed discussion of conditions and methods of meeting them in the states of the several regional sections.

**Sophia Hammer**

Today at 4 o'clock at  
**Convocation Hall**  
ADMISSION FREE.

## STUDENT SING WEDNESDAY.

Students will get together Wednesday morning at 9 o'clock in convocation hall for the first weekly student sing.

The purpose of these sings is to teach the students the University songs and to promote better school spirit. Dean DeLoss Smith will have charge of the song fests. Everyone is urged to come and bring his M book.

## FORMER S. A. T. C. MEN HERE FOR PERKINS' CASE

**Otto A. Gerth Represents Ford — Was Member of Co. C Here in 1918.**

Otto A. Gerth, who is representing Attorney General S. C. Ford in the Perkins murder trial, was a member of the S. A. T. C. at the University in the fall of 1918. He will be remembered more especially by the members of Company C who are still in school.

Mr. Gerth is a graduate of the University of Minnesota law school. He has been practicing law near Great Falls for some time and is now employed by the state.

## ART AND SCIENCE TEAM WINS FROM FORESTERS

**Journalists Will Meet Lawyers in Basketball Contest This Afternoon.**

The school of arts and sciences opened the inter-departmental basketball series by defeating the school of forestry last night in a hard-fought game by 24 to 16.

The first half gave the teams an even break, the score being 8 to 8. The work during the second half was faster and rougher. The better-trained arts and sciences team shot three baskets in the first few minutes of play, giving them a lead which the foresters could not overcome.

For the foresters, Warner, Johnston and Joy starred, Joy making 12 of his team's points. For the victors, Smith and McAuliffe were the stars, McAuliffe making six fields goals and Smith two. Dahlberg played a good game at guard.

The journalism team will meet the lawyers today at 5. The journalism team will be chosen from the following: Kershner, Moriarty, Stowe, McKain, Kain, Higbee and Ramsey. Men out for the lawyer's team are: Keeley, Kuehn, Myers Harvey, Wilson and O'Connor.

The school of business administration will meet one of the winners of the other contests December 9. The semi-finals will be played December 13, and the finals December 15.

The journalists won the championship last year by defeating the foresters, 27 to 26, in the most closely fought game of the series.

## LIBRARY MAGAZINE FILES OPENED TO STUDENTS

The magazine stacks at the library have been thrown open to the students. Miss Haley, the librarian, stated that it is impossible for her and her assistants to accommodate the demand for magazines in addition to their regular library work. The requests that came in for back volumes of magazines has increased recently due to the fact that so many students are writing source theses. Miss Haley mentioned that some of the bound volumes weighed as much as 15 and 20 pounds, making it impossible for the librarians to handle them constantly.

## BIG SQUAD OUT FOR BASKETBALL

**FRESHMEN HAVE NUMBER OF STARS FOR TEAM.**

**Good Material Showing Up Regularly in Evenings for Varsity Practice.**

Over 25 men are reporting regularly to Coach B. W. Bierman for practice and from the looks of the material to choose from Montana should have a team that will be able to honorably represent her in hoop contests with other teams of the northwest. A schedule of games to be played will be made at the Northwest Conference meeting to be held in Spokane December 10 and 11.

The men who are reporting for Varsity practice are: Captain Sullivan, Higbee, Elliott, Larkin, Baird, Egeberg, Joy, Porter, Straw, McGowan, McKain, Warner and Moriarty. A good crop of first year men turn out for practice every night and should in time develop into good Varsity material.

### Two Letter Men Back.

Captain Steve Sullivan and William Larkin are the only letter men on the squad and will have to form the nucleus of the team. Sullivan has played a stellar game at the guard position on the Varsity for two years and at the end of last year's season was selected to lead the Grizzlies for this year.

William Larkin, a veteran of the indoor sport, captained the Grizzlies last season and under his leadership Montana made a good record. He is one of the fastest floor men that Montana students have had the pleasure of giving "9" for. His experience comes in good stead in moulding this year's quintet.

Ronald Ahern, a letter man of last year, withdrew from the University earlier in the quarter but it is expected that he will register at the beginning of next quarter. Ahern has a habit of dropping in long ones from the center of the floor. His return will be welcomed by the University's supporters.

McKain, a good man at center, withdrew last year during the season. He was one of the stars of the inter-fraternity games, but has not been reporting for Varsity practice.

### Positions Fought For.

Joy, Egeberg, Higbee, Warner and Porter will fight it out for the forward positions, while Baird, Elliott, Kershner, MacGowan and Moriarty will battle for the guard places. It is early in the season yet and some new men who have not been showing up or who have not reported for practice may upset the dope.

The intra-mural games are bringing to light a few men who might have otherwise been unnoticed. The games have also created a lively interest in the indoor sport and its continuance will mean support for the Varsity.

### Good Fresh Material.

A wealth of material for future teams can be found among the freshman basketball tossers, men who became known through their high school work and who should develop into good Varsity timber in a year or two. Badgley, a man who performed with the famous Billings Triple B amateur team, is a fast man at forward and a dependable man at guard. Smith, G. Dahlberg McAuliffe, Balf and Brennan are among the high school stars.

A schedule for the coming season has not been made but will be completed by Coach Bierman, Professor W. E. Schrieber and Manager Harold Lansing at the Northwestern Conference meeting to be held in Spokane this week.

## PSYCHOLOGY STUDENTS HAVE NEW STOP CLOCK

A Whipple stop clock has been bought for the psychology laboratory. This clock works on the same principle as a stop watch but is much larger so that the students can note for themselves the passage of time in certain experiments.

## WE FAVOR THE STICKERS.

We do not know who the three or four instructors "R. J." refers to in the communication. If the old-time professors who have spent the past quarter of a century here helping to make the University what it is today are the models, we heartily concur. These people have stood by the University when they could have left for other institutions to accept higher salaries. Several have been on the faculty for 10 or more years and the most of these older instructors are men and women of wide repute. Some of the younger generation of faculty members are of the same self-sacrificing nature.

We can think of no more far-sighted faculty members than those who have stood by the University and assisted in its growth for the past several years. They had a vision, and it has come true. Where can we find more of them?

## USE THE SIDEWALK.

Originality is a thing which everyone craves. The topic of campus cutting is neither a new nor an original one, but it is one based upon fact.

There is a path, a new one, that is cutting the oval in half. For this path there seems to be little or no excuse at all. Some of the smaller paths are cut for convenience sake, but isn't there enough real school spirit to at least keep the oval sacred from the tread of the students' feet?

Forgetfulness is excusable, sometimes! But when it mars the only part of the campus that has always been preserved it is going just a little too far. Start just a few minutes earlier and walk on the sidewalk.—E. B.

## To Vocational Men

Mr. Cox wants it known by all "vocational" men and their friends that he does not think anything "makes up" for the delay in sending their checks. The Federal Board will win no praise from him

until all concerned get what is coming to them when it is due. Soft soap is an inferior lubricant to sympathy.

Olive Ghouse spent Saturday and Sunday at Bozeman, where she attended the Billings-Anaconda football game. Her brother was one of the players on the Anaconda team.

## Communication

The Kaimin welcomes communications from all members of the University, on any subject of general interest. If you differ from something The Kaimin does or says we want to know about it and the students are entitled to know your opinion. The following communication we received yesterday from the student whose initials are signed.—Editor.

To the Editor of The Kaimin:

When a very popular student said in convocation the other day, "Let's carry on the old slogan, 'The University of Montana—it must prosper!'" I wanted to rise from my place shrieking, "Aw! whaddyuh mean prosper?" "Eighteen and 19!" Twenty million dollars. Prosperity seems very near at hand—"if", as the wife of one of our instructors longingly remarked, "they can collect the money now it's voted."

Of course, we'll get the money, and I've been wondering how we'll spend it. Shall we go "loco" from sudden riches? Shall we, as the old saw puts it, build our houses with Queen Anne fronts and Mary Ann backs? I'm afraid we shall! A heating plant, a library, dwelling halls, a gymnasium, better equipment, higher salaries for our instructors—we need them all! In the orgy of spending that is to come shall we forget quality in securing quantity?

Let's not try to be the biggest University, let's try to be the best! And, as a first step toward that goal, I suggest a higher standard of excellence for our faculty. I am willing to have my nose and ears frost-bitten in class rooms, to balance myself on one foot while watching a basketball game, to sleep in a tree at night, if only we can have among our faculty members 10 or 12 more sincere, high-minded, far-seeing men to help the three or four who now carry our flickering torch of "Lux et Veritas."—R. J.

## OUT-OF-TOWN TEAM WINS FROM DELTA SIGMA CHI

### Kappa Kappa Gamma Is Defeated by Excellent Teamwork of Alpha Phi.

Putting up a good demonstration of teamwork, Out-of-Town defeated Delta Sigma Chi, 25 to 14 in a fast game yesterday afternoon. The superior basketball shooting and fast floor work of the Out-of-Town team proved too much for the losers. Friday afternoon Kappa Kappa Gamma was defeated by Alpha Phi by a score of 37 to 4. Alpha Phi outplayed the Kappas in every phase of the game.

Thelma Fuller and Mary Aho, forwards on the winning team, played excellent ball, with the former making most of her team's points. Jennie Tuggle, center, Bernice Thompson and Mabel Tuggle at guards, also played good ball for Out-of-Town.

Ovidia Gudmunson, center, and Elsie Thompson at guard starred for Delta Sigma Chi.

#### Kappa Swamped.

Completely and hopelessly outclassed, yet fighting gamely, Kappa Kappa Gamma went down to defeat at the hands of the superior Alpha Phi quintet by the score of 37 to 4 Friday. Alpha Phi gave an excellent demonstration of cool-headed teamwork, every member of her team playing stellar ball that allowed the Kappa five but one basket and two free throws.

#### Solvay Andreson Stars.

The basket-shooting of Solvay Andreson, center for the Alpha Phi team, was the feature of the game, her long shots from the middle of the floor furnishing thrills for the spectators and adding points to the score for the winners. Nina Moore at forward, also played excellent ball, her floor work being especially good. The superior guarding of the Alpha Phi guards, Emma Quast and Lois James, was a deciding factor in the game, as they prevented the Kappa forwards from getting close shots at the basket.

Marie Hopkins played good ball for Kappa at forward, making all her team's points and covering the floor well. Mariabel Spelman at guard showed up well, but was forced out of the game early in the first half.

The schedule for the remainder of the week is as follows:

Tuesday, December 7, Kappa vs. Theta; Wednesday, December 8, Craig Hall vs. Town; Thursday, December 9, Alpha Phi vs. Delta Gamma; Friday, December 10, Kappa vs. Delta Sigma Chi.

### GRIZZLY BAND RECEIVES SOME NEW SELECTIONS

Fifteen new pieces of music have arrived for the exclusive use of the University band. The collection consists of several late marches, popular selections and overtures. The music was purchased with the money cleared at the band benefit dance last month.

### DEAN STONE MUCH BETTER

The condition of Dean A. L. Stone, of the school of journalism, who has been ill for the past week, is much improved, and he expects to be able to return to his school the latter part of this week.

W. E. Christensen, assistant professor in journalism, is conducting Dean Stone's classes during the latter's illness.

### CALENDAR FOR THE WEEK.

Tuesday—4.—Debate squad meets in the natural science auditorium.  
Tuesday—5.—Y. W. C. A. meets in the women's rest room.  
Tuesday—5.—Theta Sigma Phi will meet in the journalism building.  
Wednesday—7:30.—Delta Psi Kappa will meet in the gymnasium.  
Wednesday—7:30.—Mathematics club meeting.  
Thursday—4.—The executive committee of the A. S. U. M. will meet.

## REGISTRATION STARTS TUESDAY, DECEMBER 7

### "Students' Registration Must Be Approved by Advisor," Says Registrar.

It is necessary that the registration of every student be approved by the advisor and that every student obtain the signature of the instructors of the courses in which they enroll, according to J. B. Speer, registrar.

Each member of the instructional staff will post in a conspicuous place, his office hours for signing students' registration cards and students will be expected to conform to these hours for the specific purpose given. This will eliminate the usual delays which have heretofore slowed up the routine of registration.

Registration for the old students will begin at 1 p. m. on Tuesday, December 7, and continue until the registrar's office closes at 4 p. m. on Friday, December 17.

### IOTA NU DANCE.

The pledges of Iota Nu entertained the members at an informal dance at the Parish House Saturday evening. The patrons and patronesses were Dr. and Mrs. J. P. Rowe and Rev. and Mrs. H. S. Gatley.

### DID YOU FIND IT?

## ANACONDA AND EVERETT ARE NOT APT TO MEET

### Everett Wires Local Chamber of Commerce; Post-Season Schedule Filled.

Everett high school will be unable to play Anaconda high school in Missoula next Saturday, according to a telegram received by H. L. Bickenbach, chairman of the chamber of commerce committee to promote the game.

Missoula will not have the pleasure of seeing the football teams of Everett and Anaconda high schools play here Saturday. Mr. Bickenbach received a telegram from Everett Monday morning, saying that on account of other plans for post-season games they could not accept Missoula's offer. It now seems doubtful that the teams will meet.

### NATIONAL Y. W. WORKER TO SPEAK TODAY AT 5

### Miss Dudley Will Speak of Her Experiences While Doing War Work in France.

Edith S. Dudley, publicity worker from national Y. W. C. A. headquarters in New York city, will speak on the Y. W. C. A. as a growing world organization at 5 o'clock Tuesday to the University associations in the women's rest room.

Miss Dudley will include in her talk some account of the work done by the Y. W. C. A. in France during the war as she saw it herself while serving as an army Y. M. C. A. worker with the A. E. F. Previous to the war, she held a position as city editor on a newspaper in a town of about 26,000 population in New York state.

Gertrude Brewer, chairman of the publicity committee, will preside at the meeting.

## MUSICAL CONVOCATION TO BE HELD EACH WEEK

DeLoss Smith, dean of the school of music, has been appointed by Professor H. G. Merriam, head of the English department and chairman of the convocation committee, to make plans for having a musical convocation every week.

These musical convocations, according to DeLoss Smith, will be held each week on either Wednesday at 10 or 11. Special musical features will be presented by the students and faculty. College songs will be learned and sung at these

convocations.

The first of these convocations will be held Wednesday at 10 o'clock. All students are urged to bring their "M" handbooks, as many of the songs contained in the book will be sung.

## The Christmas Store for MEN

Our name on an article of men's apparel will win favor with men who like quality, and likewise, our label on a gift bespeaks the good judgment of the giver.

## FINAL EXAMINATIONS

START DECEMBER 18

Exams to Be of One, Two or Three Hours Duration, Is Announced.

Final examinations for the fall quarter will start on Saturday morning, December 18, according to Dr. A. S. Merrill, chairman of the committee on examinations. The length of the examinations will be decided by the number of hours the course carries. A two-hour course will have an exam of one hour's duration, a three-hour course will have an exam of two hours' duration, and a four or five hour course will have an exam of three hours' duration.

Following is the schedule of exams: Eight o'clock classes.—Monday, December 20, 9-12.

Nine o'clock classes.—Saturday, December 18, 9-12.

Ten o'clock classes.—Monday, December 20, 1:30-4:30.

Eleven o'clock classes.—Tuesday, December 21, 9-12.

One o'clock classes.—Tuesday, December 21, 1:30-4:30.

Two o'clock classes.—Wednesday, December 22, 9-12.

Three o'clock classes.—Wednesday, December 22, 1:30-4:30.

Four o'clock classes.—Instructors will make arrangements with classes.

The examination for classes meeting two hours during the week at any hour, shall be given during the first of the three hours assigned to that time, for a class meeting three hours during the week the examination shall be given during the last two hours of the three assigned to that hour, and a class meeting four or five hours a week, will use the entire time assigned to that hour. Thus a class meeting Tuesday and Thursday at 11 o'clock will have its examination on Tuesday, December 21, from 9 to 10, and a class meeting Monday, Wednesday and Friday at 11 o'clock will have its examination on the same day from 10 to 12.

The examination in college education will be given Saturday, December 18, from 9 to 10 a. m., and for military science it will be given the same day from 10 to 12.

## WAR SERVICE CREDITS.

Credits for war service may be granted to ex-service students who have been in residence at the University at least one quarter and have received an average grade of "C" or above in regular University work for that period. Application for such credits should be made upon consultation with A. S. Merrill of the mathematics department. Students who have received some credits, as well as students who have received no such credits as yet, should ascertain whether or not they are entitled to credits for war service.

Mr. Merrill may be consulted during his regular office hours: Monday, Wednesday and Friday from 9 until 10 o'clock; Tuesday and Thursday from 11 to 11:45 o'clock in Room 13 of University hall, or from December 9-10 from 2 to 3 p. m. in Room 11 or 13, University hall. (Other hours by appointment.)

All applications for war service credit should be made by December 10.

## SIGMA NU DANCE.

The neophytes of Sigma Nu entertained the active members and their ladies with a dance at the Elks' temple Friday night. The music was furnished by Sheridan's orchestra. The chaperones were Mr. and Mrs. John Lucy.

There will be a meeting of the Helena club Wednesday afternoon at 4 p. m. in Room U 12, main hall, for the purpose of electing officers for the coming year.

## Francis Williamson Receives 6 Wounds While in World War

Francis Williamson of Cincinnati, Ohio, who is now the drum major in the University band, is among the ex-service men here who were the most badly injured in France. Williamson, who was color-sergeant in the 147th Infantry, was hit during an explosion in a city back of the lines on April 24, 1918, but was not so seriously hurt that he was unfit for fighting. In the last part of June he went into the trenches and fought for a time without injury. On September 26, returning from his first leave, he re-entered the trenches at the Meuse-Argonne and "jumped off," as going over the top is called. Twenty-six hours later he was hit, receiving two wounds in the head, two in the right leg, and one in the right shoulder.

The rest of his stay in France meant the hospital for Williamson, base 48, at Mars hill near Nevers, one of the biggest hospitals in France, with 11 bases. Williamson stayed here till February 18 of the next year. He was sent home then, to the hospital at Fort McHenry at Hampton, Va., and was not released from there till last July. He was in a hospital 43 weeks in all, almost five months in France, and over five months here.

"I haven't got anything to tell," Mr. Williamson said. "Nothing unusual happened to me. I just did what was up to me to do, that's all."

## FACULTY WOMEN MEET FOR ANNUAL ELECTION

Tag Day Receipts Now Are \$850  
Says Boyd; Columbia Will  
Submit Question.

Mrs. W. E. Schrieber was elected president of the Faculty Women's club at the meeting held at the home of Mrs. DeLoss Smith Monday afternoon.

The other officers elected are: Mrs. J. P. Rowe, vice president; Mrs. E. F. A. Carey, secretary, and Mrs. C. F. Farmer, treasurer.

The hostesses for this meeting were Mrs. C. F. Farmer, Mrs. W. E. Schrieber, Mrs. DeLoss Smith, Mrs. C. E. Leaphart, Mrs. H. H. Lansing, and Mrs. R. R. Fenska.

Cake and coffee were served at the end of the meeting.

About 20 members were present.

## BARRISTESS' BALL WELL

ATTENDED BY STUDENTS

Mock Trials and Law School  
Features Are High Light  
of Occasion.

About 175 couples attended the lawyers' dance given at the Elite hall last Friday night, according to Robert Merrill, member of the entertainment committee.

The hall was decorated with code books and posters advertising various fake firms made up of members of the law school. A large chair and a desk were placed at one end of the room for Pat Keeley, the judge. Streamers of red and white completed the decorations.

### The Programs.

The programs were headed "In the Pleasure Court, Jazz Circuit, of the State of Happiness, Law School association, plaintiff, vs. Femmes Sole, defendant."

"Jurisprudence, cases of 1920. Motions made and actions tried before the Honorable Elias M. P. Keeley."

The "List of Actions" (dance program), was as follows:

Insanity.  
Assault and Battery.  
Libel and Slander.  
Nuisance.  
Kidnaping.  
Speeding.  
Embezzlement.  
Embracery.  
Cruelty to Animals.  
Bigamy.  
Contempt of Court.

The "Appeals" were named after some expression of the law school faculty.

Leaphart's Little Frolic.

"He's on a little frolic all his own," Leaphart.

"I had a case once," Whitlock.

"Any man who won't hire a lawyer deserves to be cheated," Pope.

"We—ell, no court has ever taken my view," Simes.

"A-ah! This case is the bunk," Fisher.

The cases brought up before the court were Law School association vs. Irma Wagner and Alva Baird, for cheek-to-

cheek dancing; Law School association vs. Ann Wilson, for libel; and Law School association vs. Paul Freeman and Margaret Blackford, for cheek-to-cheek dancing.

The patrons and patronesses were President and Mrs. E. O. Sisson, Dean and Mrs. C. W. Leaphart, Mr. and Mrs. A. N. Whitlock, Mr. and Mrs. W. L. Pope, Mr. and Mrs. L. M. Simes and Mr. A. L. Fisher.

There will be practically no deficit in the finances resulting from the dance, according to John Southwick, chairman of the financial committee. A number of reports have not been turned in but if there is any deficit after they are, the difference will be paid from the treasury of the Law School association.

Mayme Carney, Sylvia Bakkeby, Ida Sylvester and Violet Flanagan entered.
