MONTANA BRUINS WIN OVER MINES 36 TO 15

Guarding was Loose and Shooting Poor on Both Sides.

Changing from slow melodrama in the first half to slapstick comedy in the second, Montana defeated the School of Mines 36 to 15, in the University gymnasium last night. Larkin found the basket frequently for the Bruins, while Kirshner was luckiest for the Miners.

Scoring started when Higbee popped one in from under the basket. This was quickly followed by another by Larkin. From then on the Bruins averaged better than two goals to one for the Miners.

The first half was uninteresting. Passing and shooting were poor on both sides. Many long shots were tried with no results. The half ended with the Grizzlies in the lead, the score being 18 to 7.

The second half started off much livelier and for a time the Miners held their own. Then, instead of slowing down as both sides did in the first half, the game became more of a friendly roughhouse. Nearly all of the second string men were playing this half.

With but five minutes left to play, Elliott and Havey staged a little battle of their own for which both were ordered off the floor by Referee Varner. Hoem went in for Havey but there were no men on the Montana bench. Bierman had sent his men to the showers. Baird was rushed into a uniform and put back in at guard in Elliott's place. The game ended with the University on top 36 to 15.

Larkin showed best for the home team, making 12 points and figuring well in the floor work. For the Mines, Kirshner made six points on field goals.

The lineup and summary:
Bruins (36) Mines (15)
Higbee Kirshner
Left Forward
Larkin Walsh
Right Forward
Levin Landwehr
Center
Elliott Havey
Left Guard
Sullivan Ladie
Right Guard

Substitutions—Ahern, for Higbee, Higbee for Sullivan, Adams for Levin, Baird for Elliott, Sullivan for Higbee, Higbee for Ahern, Elliott for Baird, Porter for Higbee, Ahern, for Larkin, Levin for Adams, MacGowan for Sullivan, Baird for Elliott, Thompson for Kirshner, Kirshner for Walsh, Hoem for Havey.

Field Goals—Larkin, 6; Adams, 3; Ahern, 3; Kirshner, 3; Landwehr, 2; Levin, 2; Higbee, 2; Baird, Porter, Walsh, Thompson.

Free throws—Kirshner, 1 out of 2; Landwehr, 0 out of 2; Larkin, 0 out of 2; Ahern, 0 out of 2.

Where Credit Is Due.

The various organizations and individuals participating in Varsity Vodvil deserve much credit for the success of the production.

Alexander Dean and Miss Leyda, who personally coached each and every act, and William Hughes, who had entire supervision of the stage, deserve especial credit.

KEITH BROWN,
Manager Varsity Vodvil.

Spring Registration To Be on March 4

Registration for the spring quarter will start Friday, March 4, at 9 a. m., and close Friday, March 11, at 4 p. m.

The revised edition of the spring quarter schedule is now being printed and will be out in a few days.

New courses offered are the history of Russia, voice training and interpretative reading.

Ethics, modern drama, problems in general, psychology and transportation which were not announced on the schedule, are to be given next quarter. Courses 19 B and 21 C in harmony and counterpoint will be continued.

Office training replaces shorthand 22 C in the business administration department.

VARSITY VODVIL PRIZE AWARDED TO SIGMA CHI

Art League and Alpha Phi in Tie for Second Place; Nagle Places Third.

Sigma Chi fraternity won the silver loving cup awarded by the A. S. U. M. for putting on the best act at the annual Varsity Vodvil Friday night. A series of dances entitled "A Little of This, a Little of That," constituted the stunt.

The art league production, "Rudolph's Dream," and a comic opera staged by Alpha Phi tied for second place. Raymond Nagle in "All By Himself," was third.

Delta Rho put on a clever combination singing and monologue act, "Three Screws and a Nut," which evoked favorable comment from the large audience.

"Pantaloon," a comedy presented by the talent of Craig Hall, was applauded for its quaint costumes and the general excellence of the skit theme.

The Delta Gamma sorority gave a chorus-girl act which placed the talent above the ordinary, and pleased the crowd by its "Big Town" appearance.

The melodrama presented by the talented Masquers' club, verged on the professional style with the "Rat Trap" theme.

Harry Houle and Al Griffith went through a series of side splitting jokes in their front stage performance.

Paul Smith and Leroy Fogle received a round of applause with their funny acrobatics caused by the old-time gyrating, intoxicant and his would-be assistant.

"The Stranger," adapted from the famous Robert Service "Yukon" poem, came out in a realistic manner and distinguished itself with the setting of the rough and ready Alaska during the time of the great rush for gold. The act was put on by Sigma Nu fraternity.

"Rudolph's Dream," presented by the Art club, was a series of artistic poses accompanied by songs by Gilbert Porter and Lelia Paxton. The clever dancing of Dorothea Rector was loudly applauded.

"Varvod" was a comic opera farce, full of songs and laughter. It was presented by the Alpha Phi sorority. This act tied for second place with the one presented by the Art club.

Judges of the performances were: Dean A. L. Stone, Alexander Dean, Dr. R. H. Jesse, Mrs. Quincy Scott and Dr. M. J. Elrod.

Keith Brown was manager of the show. Two performances were staged before full houses.

TRACK SEASON OPENS AT SEATTLE CARNIVAL

Montana Athletes Begin Schedule at Annual Relay Meet.

Montana will open the track season at the second annual relay carnival of the University of Washington, April 23. A dual meet will be held with Idaho here, May 14. The Montana team will go to Bozeman to meet the Aggies, May 21. The season will be concluded at the Northwest conference track and field meet at Pullman, June 4.

Adams, Sterling and Sullivan, of last year's relay team, are back in school. The relay team won third place in the Seattle relay carnival, setting a world's record of 40 2-5 seconds in the 400-yard event, and taking third place in the half-mile relay with a crippled team.

The annual dual meet with Idaho was not held last year because of rain. The Aggie track team was easily defeated last year by the score of 83 to 29, on Dornblaser field. Montana failed to live up to expectations in the conference last year, securing sixth place with a total of 13 points.

Point winners of the 1920 team in school this year are: Sterling, Sullivan, Adams, Dahlberg, Brady, Baker, Jacobson, Spogen, MacGowan and Carver. There is also the possibility that some of the members of last year's freshman team will develop into point winners.

Ralph Stowe, a member of the Notre Dame freshman team, of last year, will compete for a place on the Grizzly lineup.

Stowe has a high mark of 22 2-5 seconds in the 220-yard dash, and 10 seconds in the 100-yard dash. Oscar Anderson, an interscholastic star from Great Falls, will try for the sprint.

MONTANA DEBATERS MEET UTAH HERE THURSDAY

Pearce and Redding, Who Defeated Montana Aggies, Will Speak for University.

Arthur Redding and Matt Pearce, whose debating won a unanimous victory over Montana State College at Bozeman, February 19, will meet the Utah University team in Main hall Thursday at 8:15. The Montana team will uphold the same premise on which it won the affirmative of the question: "Resolved, That the United States should enact a rigid exclusion act against Japanese emigration."

"Each team has a fighting chance," says E. L. Freeman, debate coach. He made no definite prediction of Montana's success, but his expression showed his hopefulness.

It is not yet known who the Utah debaters will be.

Get an A. S. U. M. Ticket.

Anyone having lost or misplaced his A. S. U. M. ticket, may obtain another by applying at the business office.

A. S. U. M. Manager.

GRIZZLY BASKETBALL AGGREGATION NAILS DOWN STATE CHAMPIONSHIP

Aggies Defeated in Pair of Fast Games, 23 to 19, 36 to 16; Montana Nows Holds First Honors in Every Branch of Athletics.

Saturday night Bierman's scrappy Grizzlies nailed down the inter-collegiate 1921 Montana basketball championship by defeating Montana State College in a rough and closely contested game by the count of 23 to 19. The night before the Grizzlies defeated the Aggies 36 to 26. The Aggies defeated the Grizzlies earlier in the season at Bozeman, 19 to 18, in the first of a four game series. The second game there went to the Montana five, 20 to 5.

Prepare to Graduate.

Seniors: Your attention is called to the University ruling regarding requirements for graduation, which reads:

"Candidates for graduation may offer in the final quarter only credits in courses registered for during that quarter, and credits in incomplete and conditioned courses recorded for the quarter immediately preceding the last quarter." (See par. 3, page 18, Student Handbook.)

J. B. SPEER,
Registrar.

VARSITY TO PLAY IDAHO FRIDAY AND SATURDAY

The State University basketball team will play the quintet of the University of Idaho in the last two games of the season for the locals, in the gymnasium Friday and Saturday nights.

At present Idaho stands second in the Northwest basketball conference, while Montana is third from the bottom. However, the game should be fast as the locals have improved much since their Conference tour during which they lost two games to the Idaho team. Victories over the Aggies, the Miners and other state teams have given them the practice and confidence with which they may be able to give the visitors a hard struggle.

Second Number of Frontier on Sale

The second number this year of the Frontier, the University magazine, was sold Friday at Varsity Vodvil, and is now on sale at the campus store. It has as frontispiece a cut of the campus as it will look 50 years from now. Another innovation is a page of reviews of recent books about Montana and of the 1919-'20 college anthology of verse, in which three Frontier poems were reprinted. Six poems, two articles, four sketches and two stories complete the contents.

"The magazine has been well supported so far, as much by subscribers outside the University as here," says Professor H. G. Merriam, who heads the editorial board. "We must sell more copies, however, and need contributions for the third and last copy of this year."

Glee Club Meets.

The Men's Glee club will meet this evening at 7 o'clock.

DELOSS SMITH.

The Grizzlies now hold the state championship in all branches of athletics. The football title was retained last fall, when the Aggies were defeated 28 to 0. The title in track was retained last spring when the Aggies were defeated here, 83 to 29.

At the opening of the 1920 baseball schedule the Aggies were defeated, 19 to 1 and 20 to 1. After winning the Northwest conference pennant, the Bruins administered another pair of decisive defeats to the Aggie pill aggregation on the home diamond. This is the second time in the history of Montana basketball that the University has taken first honors. The other time was three years ago, when the team was composed of Prescott, Larkin, Sailor, Sullivan, Crouch, Bentz and Driscoll. Jerry Nisson was coach of the aggregation.

The Saturday Game.

Levin, for the Grizzlies, drew first blood Saturday night, within the first half minute of play. Whitney scored for the Aggies and then Jorgenson made good his first shot from the foul line. From then on until the end of the half, first one team and then the other was in the lead. The half ended favorably for the Aggies, the score being 13 to 10. The Bobcats held the lead until within three minutes of the end of the game. A double foul was called on Elliott and Richards. Jorgenson missed the first of his eight opportunities of the evening, from the foul line. Larkin made good his first of three tries. The score stood 19 to 19. Shortly afterward, Larkin looped a neat one from the far out on the floor. A series of passes from end of the hall to the other by both teams resulting and various attempts to score were fruitless, until Ahern, after the ball had been worked by a series of short passes to comfortable scoring distance, rolled in what proved to be the final counter of the evening. Twenty seconds later the timer's pistol rang out the announcement of the end of play. The Grizzlies had won the

(Continued on Page 4.)

THREE STUDENTS TO BE HIGH SCHOOL PRINCIPALS

The department of education reports the signing of three contracts for principalships by students and former students during the week.

George Shepard, a senior in law, will take charge of the high school at Custer, with the beginning of school next fall.

Genevieve Metlen, a graduate of the department of economics, began work as principal of the Carbon county high school at Red Lodge, last week.

F. J. Ward, a former student and at present the principal of the school at Westmore, has been elected superintendent of the city schools at Ismay, for the coming year.

The Montana Kaimin

Published semi-weekly by the Associated Students of the State University. Entered as second-class matter at Missoula, Montana, under Act of Congress, March 3, 1879.

Subscription price \$2.00 a year.

Varsity Vodvil.

Varsity Vodvil Friday night was a high class production in every respect, worthy of being classed as a production of the State University. The organizations and individuals who put on the various acts are to be highly commended for the quality of their acts, which of course, it goes without saying, took a lot of time and effort to put on.

Going to time and trouble to do something for the common welfare of the institution about describes what students in all student activities do, day in and day out.

Many townspeople were unable to get seats to see the show and expressed considerable disappointment. Many requests have come to Manager Brown asking that the production be repeated. We all understand the financial state of the A. S. U. M., laboring as it is under a debt inherited from last year. Besides running behind, the Executive Committee last year failed to buy blankets for the graduating athletes as provided in the A. S. U. M. constitution.

After talking with A. S. U. M. officials and the manager of the show, we believe enough money can be cleared on the vodvil, taking the amount made last week and what may reasonably be expected to be taken at the door Friday night, to buy every eligible athlete his blanket or sweater, and carry out the full spring athletic program.

To stage the show again will undoubtedly cause some inconvenience to many individuals. It is, however, one of the best opportunities offered those concerned to help put A. S. U. M. finances ahead.

The Kaimin urges the reproduction of Varsity Vodvil.

Basketball Champions.

We regard with pride, needless to say, the fact that the state basketball championship, along with that of other athletic sports, is now held by the State University.

We take more pride in the friendly feeling that exists between the University and the State College. Time was, not so long ago, when students from the two institutions could hardly meet on friendly terms. The old rivalry that amounted to hatred, is now practically a thing of the past so far as the present student generation is concerned.

True, last spring we observed the morning after the Bruins had walloped the Aggies in a pair of baseball games, a streak of blue on the big M on Sentinel. The Aggies who did the work got scared before the yellow was applied to the other half.

Such occurrences are not frequent. The students who did the deed were censored by the student government at the State College as much as our own Student Council would have censored University students, had they stooped low enough to commit such an act.

We are proud of our championship teams, but take more pride in the

friendly feeling existing between the two institutions and their athletic representatives.

The Frontier.

The Frontier, the University magazine, whose second issue of the year has just appeared, ought to have student support, both in the way of subscriptions and contributions, for the next and last issue of the year. An institution of this size needs a practice publication for students who want to become magazine writers. The contents of the Frontier show that we have here some excellent embryo material.

High praise of the magazine has been received from writers of many parts of the country who have been sent copies for criticism. Having such a publication here it affects the rating of the University wherever the Frontier goes. Realizing this, we should do all in our power to make it an even stronger magazine.

Thursday evening we have the first opportunity of the season to hear the varsity debaters in action. Pearce and Redding, who won a unanimous decision over the Aggie parliamentarians ten days ago, will again be on the stand for the University, and supporting the same side of the same proposition regarding Japanese exclusion. Hear them.

EXCHANGE

Normal Paper Staff Select

The class in journalism at the State Normal College at Dillon, issues a monthly paper, the Normal College Index. The paper was started last September.

The Index publishes general college news, but places chief emphasis, according to a story by one of the staff, on professional articles, whose purpose is to "help teachers teach." Some of these are contributed by faculty members and the others are written by members of the staff.

The style of the paper forbids the quoting of material.

The class in journalism is a regular college course in every respect except that students may enroll in it only upon invitation. Such invitation is extended to reliable students whose scholastic standing, especially in English, is good. The class is limited to nine.

Aggie Women in Athletics.

Women at the State College are signing up for athletic practice in preparation for entrance into the contests to be held this spring.

So far 19 freshmen, 15 sophomores, nine juniors and six seniors have signed for target practice; 17 freshmen, 10 sophomores, nine juniors and two seniors for tennis; 21 freshmen, 13 sophomores, seven juniors and four seniors for hiking, and six freshmen, two sophomores, two juniors and one senior for swimming.

Statistics compiled by R. O. Wilson, registrar of the State College, show that last year employed students in the institution received better grades than those who did no outside work. The average grade given employed students was 81, and that given to unemployed students was 79.

Lois Bailey, a student at the State College, is taking a course in architectural engineering. Miss Bailey is the second woman who has taken this work at the college. Helen Shaw, the first woman to register for the course, withdrew from college before completing it.

Friday's issue of the Weekly Exponent, the student paper of the State College, was the co-ed edition, got out entirely by the college women. It gave a large proportion of space to news of women's activities.

MONTANA DORMITORIES ARE WELL ESTABLISHED

Picture of Building at Lewistown Published on Front Page of School Life.

"School Life," a magazine published twice a month by the Bureau of Education of the Department of the Interior, contains an interesting account of the growth of the dormitory system in high schools of the United States. Montana has the best developed system, says the report. A picture of the girls' dormitory at the Fergus county high school, which Principal F. L. Cummings, president of the State Teachers' association, is largely responsible for, decorates the front page.

Several years ago the Commercial club at Lewistown, erected a dormitory for girls. Over a year ago an annex was erected, bringing the value up to about \$73,000. The hall accommodates more than a hundred girls and the dining room is large enough to take care of all the girls and also the boys, who live in another building. The school board pays a rental amounting to 7 per cent of the value of the building, and an additional 5 per cent to cover depreciation, and that proportion is taken every year from the valuation of the property upon which the rental is paid.

The Powell county high school likewise receives extended mention. Its dormitory is a former Deer Lodge residence and is almost luxurious in its appointments.

Twenty-three Montana high schools are provided with dormitories to take care of students from the adjacent districts. Board and room is provided at cost. Some of the dormitories are naturally very modest, but they are comfortable and reasonably priced homes for high school students who are too far away from the school to make the trip back and forth every day. Fourteen states beside Montana have adopted the dormitory idea in some form or other, states School Life.

MY MONTANA.

O gorgeous state you are a paradise!

With mountains wild that lift up towards the sky

Their airy peaks with beauties that suffice

The soul of man and make his ideals high.

I love your pine trees hugging mountains' cheek;

Your water falls that lecture to the stones;

Your hazy valleys, stretching out to greet

The log-hewn huts, the rancher's homes.

I love your various game; and eagle proud

That soars around his lonely, rocky nest,

And as I stand a voice breaks sweet and loud:

"Montana mine, queen of the Golden West."

W. C. STRIKER.

VARSITY VODVIL SHOW

NETS A. S. U. M. \$312.75

May Be Repeated Next Friday If Actors Are Willing; Blanket Men to Be Named.

The financial report of the Varsity Vodvil show, put on by University talent at the Liberty theater last Friday night, was read at a meeting of the A. S. U. M. executive committee yesterday by Manager Keith Brown. The

total amount realized by the A. S. U. M., after deducting major expenses, such as advertising, trophy for the best act, theater and orchestra, was \$312.75.

There is a possibility of the repetition of the show next Friday evening, March 4, and the executive committee voted to instruct Manager Brown to ask the various organizations, clubs and individuals to present their acts again. The A. S. U. M. committee requested George Shepard as chairman of the board of athletic control, to ask the board to recommend candidates for varsity blankets.

HARVARD UNIVERSITY DENTAL SCHOOL

There is unlimited demand for skilled dentists and specialists in dentistry. This school offers a most thorough and efficient training in this interesting profession. For those who wish to specialize there are courses in Oral Surgery, Orthodontia (straightening the teeth) and other branches. Instruction by leading dentists of Boston and vicinity. Up-to-date equipment with unusual opportunities for practical work. A college certificate indicating one year's work in college English, Biology, Chemistry, as well as high school or college Physics, required for admission. Write for particulars. EUGENE H. SMITH, D. M. D., Dean Boston, Mass.

Smart Corsets Correctly Fitted Assure a Smart Appearance

Before selecting the Spring costume, buy new Corsets and be assured of a smart outer appearance. Lines are the secret of a gown's success, but even the most beautiful creation needs the foundation of a correctly corseted figure.

Our stocks conform to the season's modes, give maximum comfort and wear. All Corsets are fitted without charge. You are urged to avail yourself of this service.

Special reductions this week.

Donofree
THE ECONOMY CENTER

STUDENTS EARN \$7,336 IN MONTH OF JANUARY

Jobs Will Be Very Scarce During the Spring on Account of Business Conditions.

One hundred and eighty-four students having steady jobs earned \$7,122.89 during the month of January and students having odd jobs earned \$214.

"During the spring quarter odd jobs will be very scarce due to the fact that business has been so poor since the first of the year. This means that the student who gets a job will have to take care of it to the best of his ability in order to protect the other students who desire employment," yesterday stated George Shepard, student employment agent.

"There are a few jobs available for girls who desire to work in private homes for board and room.

"There will be a mass meeting of students who want to work during the spring quarter Thursday at 4 o'clock in the auditorium. This meeting will take up problems that are of vital interest to the students who are planning on working during the next quarter."

SATURDAY LAST DAY TO WITHDRAW FROM CLASSES

Miss Monica Burke, assistant registrar, wishes to call attention to the University ruling regarding withdrawals from courses.

The ruling is found on page 17 of the student handbook, reads as follows.

"When a student withdraws from a course after the ninth week, he shall receive one of the regular grades. This may be any of the passing grades, provided the work of the course has been completed; otherwise the student may receive an incomplete grade, a delayed grade, or a failure, according to the judgment of the instructor."

"Saturday, March 5," said Miss Burke yesterday, "will mark the end of the ninth week."

Geology Department Gets Weather Reports

Daily weather reports are received by the geology department from the government station at Lewiston, Idaho. These reports are posted in Main hall opposite the telephone booth.

Billings, Helena, Havre, Kalispell and Missoula are the Montana cities represented.

The observations for the day are taken at 5 a. m. and wired to Lewiston where they are immediately tabulated and mailed, reaching here the next morning.

Y. W. C. A. Meets.

A business meeting of the University Y. W. C. A. will be held Tuesday, March 1, at 5 o'clock. All members of the cabinet are requested to bring their reports for the past year.

(Signed) GERTRUDE CLARK,
President.

Sell Sentinels Wednesday.

Sentinels will be on sale in Main hall Wednesday morning, stated Charles Roberts, manager.

Students wishing copies of the yearbook may sign for them and get a receipt upon the deposit of one dollar or the full amount, \$3.50.

Economic Department Offering New Courses

Railway Transportation and Public Utilities are the two new courses offered by the economics department in the spring quarter. Introduction to economics is a prerequisite to each study. The first is a study of the transference of goods and will be taught by Glenn V. Burroughs, assistant professor of history and political science. Municipal light, water and other utilities will be dealt with in the second course, to be taught by S. J. Coon, dean of the school of business administration.

SEVERAL RESERVATIONS MADE FOR NEXT QUARTER AT DORM

Several reservations for rooms in Craig hall for the summer term have been already made, according to Mrs. Ella Allen Scott, secretary to the dean of women. All rooms in the hall have been reserved for next year, although there will still be opportunities for students wishing to room there, due to the number of cancellations which always occur.

IN ARMY SERVICE 22 YEARS; CAN'T KEEP OUT OF IT NOW

Sergeant Alexander Brown of the University unit of the R. O. T. C. will receive honorable discharge from the United States army March 12.

Sergeant Brown has been in the army for 22 years and intends to go to Fort Wright to reenlist on the day following the arrival of the discharge. He enlisted at the beginning of the Spanish-American war.

COMMITTEE ON CAMPUS DEVELOPMENT CREATED

A standing committee on campus development has been created. This committee is composed of representatives from the executive board and the faculty.

The members are J. H. T. Ryman of the executive board, chairman; James B. Speer, secretary, and other members are Morton J. Elrod, J. E. Kirkwood and T. C. Spaulding.

ENGLISH DEPARTMENT WILL OFFER ELOCUTION COURSES

Two courses in preparation of literary material and training for public speaking will be offered next quarter in the English department, by Mrs. Alice Mills. English 21 are voice training, and English 22, interpretative reading; each gives two credits for three hours.

SIMPKINS HALL DINING ROOM CLOSES FOR LACK OF MEN

Simpkins hall dining room closed yesterday. It was previously announced that the dining room would stay open until the end of the present quarter, but the number of men who intended to stay for the next two weeks was too few to meet the operating expenses.

Arrangements have been made for all those who wish, to dine at Craig hall.

MATINEE CONCERT GIVEN BY FOREMOST VIOLINISTE

Kathleen Parlow, well-known violiniste, appeared Sunday afternoon in the high school auditorium. Her program, given in two parts, contained masterpieces by Bach, Chopin and Mozart, arrangements by Fritz Kreisler, a concerto by Vieuxtemps and a Slavic melody by Dvarak. She was accompanied by Mr. H. Gee.

During the intermission of the different numbers, the University Symphony orchestra gave three numbers, "Tannhauser March" by Wagner, "The Unfinished Symphony" by Schubert, and "Ballet Suite" from the opera "Rosamunde."

CRAIG HALL GIRLS LEAD ON NEW GRADE CHART

Women of Dormitory Make Most Points for Fall Quarter; Alpha Phi, Second.

The number of grade points made by Craig hall is more than that of any other residence halls for the quarter 1920-21. Knowles cottage leads for the spring 1919-20. The women living in the University halls have the highest average both quarters. These figures were taken from a chart posted by Dr. R. H. Jesse today:

The averages for the fall quarter are as follows: Residents of University halls, 23.19; residents of sorority houses, 18.56; residents of own homes, 18.90; residents of rooming houses, 17.51; Craig hall, 24.19; Knowles cottage, 16.20; Alpha Phi house, 21.39; Delta Gamma house, 20.46; Delta Sigma Chi house, 15.80; Kappa Alpha Theta house, 18.36; Kappa Kappa Gamma house, 15.92. The women's average for the fall quarter was 19.20.

The averages for the spring quarter, 1919-20 are: Residents of University halls, 23.26; residents of sorority houses, 20.89; residents of own homes, 17.89; residents of rooming houses, 18.57; Craig hall, 22.84; Knowles cottage, 26.22; Alpha Phi house, 20.00; Delta Gamma house, 22.88; Delta Sigma Chi house, 21.13; Kappa Alpha Theta house, 19.68; Kappa Kappa Gamma house, 15.59. The women's average for this quarter was 19.89.

BASEBALL PLAYERS WILL START PRACTICING SOON

Vitt Ineligible—Barry, O'Neill, Ulrigg, New Men on Squad, Have Favorable Records.

"Spring baseball practice will commence as soon as the weather permits," says Lawrence Higbee, captain of the '21 baseball team. "The opening workout will be easy, to limber the men up gradually."

So far as Captain Higbee knows, the following will be among the likely candidates:

Pitchers, Spencer, Ulrigg, Higbee; catchers, Spiller and Murphy; infield, Larkin, Kibble, Higbee, Shepard, Walterskirchen, Barry; outfield, Daylis, Kershner, Murphy, O'Neill.

Herbert Vitt, last year's captain, is rendered ineligible this season by reason of his having played four years of University baseball.

The squad has three new men this year, Barry, O'Neill and Ulrigg. All three have played in the city league, while O'Neill played infield at Gonzaga last spring. Barry is a third baseman and Ulrigg is the twirler, whose brilliant work kept the West Side's team well to the front throughout the greater part of Missoula's last city league baseball season.

Dr. J. P. Rowe Writes Petroleum Article

Dr. J. P. Rowe, professor of geology and chairman of the geology department, is the author of a detailed article on "Petroleum Geology," in the Sunday Missoulian of this week.

The article stated the different theories of the origin of petroleum. It describes the different formations and structures in which petroleum is found.

"Dr. Rowe's article," commented Arthur C. Bevan, assistant professor of geology, "is an excellent article on petroleum geology and should be not only interesting, but valuable to all Montanans at this time."

The Home Economics club will meet Wednesday evening, March 2, at 7:15 o'clock. Miss Elsie Pride will speak on "Laboratory Work in a Flour Mill."

GRIZZLY TEAM DOWNS AGGIES IN BASKETBALL

(Continued from Page 1.)

deciding game of the series for state honors, 23 to 19.

The lineup and summary:

Bruins (23)	Bobcats (19)
Larkin	Jorgenson (C)
Right Forward.	
Higbee	McCarren
Left Forward.	
Levin	Whitney
Center.	
Baird	Hollister
Right Guard.	
Sullivan (C)	Richards
Left Guard.	

Substitutions—Adams for Levin, Ahern for Higbee, Higbee for Sullivan, Sullivan for Higbee, Higbee for Ahern, Ahern for Higbee, Higbee for Sullivan, Elliott for Baird, Ahern for Higbee, Robertson for McCarren.

Field goals—Larkin 4, Whitney 4, Higbee 3, Ahern 2, Hollister 1, Jorgenson 1, Levin 1, Adams 1.

Free throws—Jorgenson, 7 out of 9; Larkin 1 out of 3.

The Friday Game.

The summary:

Bruins (36)	Bobcats (26)
Higbee	Jorgenson (C)
Right Forward.	
Larkin	McCarren
Left Forward.	
Levin	Whitney
Center.	
Baird	Hollister
Right Guard.	
Sullivan (C)	Richards
Left Guard.	

Substitutions—Adams for Higbee, Higbee for Sullivan, Ahern for Levin, Elliott for Higbee, Higbee for Ahern, Ahern for Higbee, MacGowan for Baird, Robertson for McCarren.

Field goals—Higbee 6, Jorgenson 5, Adams 3, Larkin 3, Levin 2, McCarren 2, Ahern 1, Elliott 1, Hollister 1, Whitney 1.

Free throws—Jorgenson, 8 out of 10; Larkin, 4 out of 6.

Jorgenson Stars.

The playing of both teams in the two contests was fast and for the most part clean at all times. Jorgenson for the Aggies, was the outstanding star. His foul shooting was excellent. In the two games he made 15 points from 19 shots. He was closely guarded at all times, being allowed but five baskets in the first contest and one in the second. He was all over the floor and in on every play. McCarren, at forward, and Hollister, at guard, are a pair of new men in Montana intercollegiate circles, who will undoubtedly give a good account of themselves in future years, as indeed they have this season. Whitney at center, showed up well in the second game. Out of material for the most part untrained, Coach D. V. Graves, at Montana State the first year, has developed an aggregation that plays an excellent game.

Montana Men Play Well.

Captain Sullivan, who had been sick the greater part of the week, and whose appearance on the floor Friday night was hardly expected, gave a good account of himself in both contests. Larkin, playing his last games against the Aggies, showed to advantage. He is rounding out his fourth year with the same high quality ball shown in former years. Higbee played the best ball he has shown on the home court this season. Baird played his usual high class game at guard, in both contests.

Dr. and Mrs. M. J. Elrod and H. G. Owen were dinner guests at the Alpha Phi house Saturday evening.

Candidates Here.

Anyone contemplating running for yell king in the spring elections should see me during the week.

PAT KEELEY,
Yell King.

MAY MAKE ESTIMATE OF MUSICAL TALENT

F. O. Smith Speaks on Experiments in Determining the Musical Talent of the Individual.

"Modern experimental psychology approaches an exact science and many but not all of the facts of mental life can be measured with as fair a degree of accuracy as is possible in the measurement of a current of electricity," said Professor Franklin O. Smith, of the University department of psychology, in a lecture on "The Musical Mind" at the high school auditorium Friday evening. This was the fifth of the series of Friday evening lectures by members of the faculty.

In speaking of experimental psychology in determining and measuring the musical talent Mr. Smith said that "the musical mind is a composite of many talents which individuals possess in varying degrees. Musical talent like all other talents is a gift of nature, and inborn capacity for musical appreciation, musical performance, and musical interpretation.

"The elements of musical tone are pitch, intensity and time. Pitch is the characteristic which distinguishes one tone as higher or lower than another. Intensity is loudness or softness of tone and time refers to the duration of tones.

"Rhythm is derived from certain phases of time and intensity. Melody results from combinations of pitch, intensity and time. Musical talent, which is the capacity to appreciate and express these qualities, varies greatly in different individuals. The sense of pitch, intensity, or consonance may be from 10 to 100 times as keen in one person as another."

Charts made from actual psychological experiments made on students in the school of music were used to illustrate the ideas advanced in the lecture.

RIFLES FOR FOREST CLUB ARRIVE SATURDAY MORNING

The rifles for the forest school rifle club arrived Saturday morning.

This rifle club is an organization that holds a charter from the National Rifle club and is entirely separate from the University R. O. T. C.

It has issued a challenge to any local rifle club.

FORESTERS HEAR LECTURES.

James W. Gerard, logging engineer for this district, gave a lecture yesterday morning and will give another tomorrow morning to the ranger students on the National Forest Growth.

Beginning March 12, Mr. Gerard will give a series of four lectures to the ranger students.

Simpkins Hall Rent May Drop.

"Simpkins hall rent will probably be reduced from \$15 to \$12.50 next quarter," says William Johnston, president of the hall club, "if the increased length of daylight cuts down the light bill sufficiently."

Forestry Lecture.

Fred Thieme, '08, district engineer, will give a lecture on Trail Construction and Location, to the ranger students, Tuesday, March 8.

Dr. and Mrs. W. E. Schreiber gave a buffet supper at their home, at 337 South Sixth street east, Sunday evening. The following people were guests. Helen A. Little, Helen Little, Inga Hoem, Ruth Cavin, Beryl Burfening, Mary Laux, Olive Dobson, Cora Sparrow and Miss Lucille Leyda, director of women's athletics, and Coach B. W. Bierman.

Bernie F. Kitt, '08, instructor in forestry, is the father of an eight-pound baby girl, born at the St. Patrick's hospital Saturday morning.

MORE FOOTBALL MEN WANTED AT MEETINGS

All football men of last season's squad, as well as new material, are requested to meet in the Natural Science auditorium Friday, March 4, at 4:45.

Coach B. W. Bierman urges that all men interested in football attend the meeting next Friday as it will be of utmost importance to all who intend to go out next fall.

So far most of the men attending practices and lectures have been new men. Much good material has turned out, but still more is wanted. The old men are especially needed to help with the green material.

SPANISH CLASS TO PRESENT PLAYS WEDNESDAY EVENING

Two Spanish plays, La Broma and Uno de Ellos Debe Casarse, by Ruth Henry, will be presented by the members of the advanced Spanish class Wednesday at 7:30, in the University auditorium. Following are the casts:

La Broma.

Carmen	Fay Collins
Adela	Elsie Thompson
Antonio	Leroy De Ryke
Don Luis	William Wilson

Uno de Ellos Debe Casarse.

La Tai	Eunice Moffat
Yuisa	Lois Jones
Juan Ruiz	Charles Roberts
Diego Ruiz	Custer Keim
Thelma Broadland	Edwina Dexter

will also dance Spanish solo dances in costume, and Miss Doris Gaily will sing a Spanish solo. The public is cordially invited to attend. Especially are all students of Spanish urged to be there, for after the play Miss Dexter wishes to organize a Spanish club.

TEACHER ASKS CONFERENCES WITH PROSPECTIVE STUDENTS

Miss Emeline S. Whitcomb, professor of home economics, asks anyone who plans to take either general food study 15 or elementary dietetics 22, which will be offered in the spring quarter, to see her some time this week.

General food study, a three-credit course, will be given Monday, Wednesday and Friday from 1 to 3 o'clock. Elementary dietetics, a four-credit course, will come Monday, Wednesday and Friday from 10 to 12 o'clock.

"Both courses are open to students not majoring in the department," said Miss Whitcomb yesterday.
