GLEE CLUB CONCERT TOMORROW EVENING

Probably Last Appearance of
Year; Season Very
Successful.

The University Glee club will give its annual Missoula concert Saturday night in the high school auditorium. This will be the twentieth performance given by them this season.

Press accounts from Livingston, Billings and other towns praise the work of the club highly. The varsity quartet composed of RuSearle Kiff, Missoula; Ben Stowe, Missoula; Arthur Driscoll, Butte, and Clyde Murphy, Anaconda, proved to be one of the best received features of the club, according to state newspapers.

DeLoss Smith, dean of the school of music, is leader of the club and does some solo work. Mr. Smith is widely known as a singer and director. He is the author of over 300 songs.

Miss Bernice Berry, instructor in piano in the school of music, is again accompanist to the club and is doing some solo work.

"March Winds," played by Miss Berry, has never failed to evoke a call for more in any of the concerts.

It is probable that the concert Saturday night will be the last to be given this year. Plans had been made to take in the Flathead in a special trip, but it is doubtful if the club will find opportunity to make the trip.

The program for Saturday's concert is to be:

Part I.
Glorious Forever.....Rachmaninoff
On the Road to Mandalay.....Speaks
Glee Club.

Romance.....Sibelius
March Wind.....MacDowell
Miss Berry.

Annie Laurie.....Arr. by Adam Geibel
A Home Run.....DeLoss Smith
Glee Club.

Some Real Harmony—
By the Varsity Quartet.

The Bedouin Love Song.....Stewart
Glee Club.

Part II.

Wake Miss Lindy.....Warner
Nellie Was a Lady.....Parks-Foster

Solo by Mr. Stone.
My Old Kentucky Home.....Smith-Foster
By the Waters of Minnetonka.....

Smith-Lieurance
Solo by Mr. Smith
Glee Club.

I Hear a Thrush at Eve.....Cadman
While I Have You.....Tosti
Glee Club.

Hymn to the Night.....Tipton
Invictus.....Huhn
Life and Death.....Taylor

Mr. Smith.

Selections—
By the Varsity Quartet.

Montana.....Greenwood
Copper, Silver and Gold.....

Marshall-Kane
Glee Club.

The personnel of the club is as follows:

First Tenor—RuSearle Kiff, Missoula; Charles Roberts, Missoula; Fred Palin, Valier; Bernhart Gessner, Glendive.

Second Tenor—Clyde Murphy, Anaconda; Henry Rakeman, Polson; Gilbert Porter, Stevensville; Jack Stone, Missoula; Ray C. Murphy, Anaconda; Wallace Lebkicher, Miles City.

Baritone—Russell Stark, Livingston; Eugene Hines, Lewistown; Kelsey Smith, Helena; Norris Rainey, Glendive; Arthur Driscoll, Butte; Eugene

Seven Men Awarded Debate "M" and Fob

"The M for debate will be awarded George Witter, William Jameson, Matt Pearce, Kenneth Murphy, Arthur Redding, Delbert Cawley and Russell Niles for participation in intercollegiate debates during the 1920-21 season," said manager of debate George Witter yesterday.

A watch fob bearing a gold M will be given to each of the men at some student convocation before the close of the quarter.

BEAR PAWS WILL ASSIST AT STATE TRACK MEET

Each Member Will Have Contestants
Assigned to His Care and Will
Act as Police on Field.

As police during events and as representatives of the University in securing accommodations and hospitality for the contestants while they are in Missoula, the Bear Paws will play a part in the management of the 18th annual interscholastic track meet here May 11 to 14, inclusive.

The Bear Paws decided Tuesday evening that aside from the work they had expected to do as police of the field, they would assign to each member contestants from definite schools to look after so that all would have arrangements made for them and receive attention while here.

It was suggested that the rooting delegations might also be assisted in the same way and it is understood that this will be discussed when the Bear Paws meet in University hall Tuesday, April 26, at 7:30 p. m.

WISCONSIN MAY DEBATE MONTANA LATE IN MAY

Freeman Receives a Telegram From
Big Eastern University
Asking for Date.

A telegram from the University of Wisconsin announcing that its debate team will tour the west and asking for a debate with Montana late in May, was received by Assistant Professor E. L. Freeman yesterday. No question was stated. An answering message for particulars was requested if Montana cared to meet the Wisconsin debaters.

George Witter, manager of debate, said last night that it was hardly possible that Montana would consider the Wisconsin offer favorably unless it should develop that the question to be argued is one which the Montana men are prepared. The University has had a fairly full schedule in debate this year and it would hardly be justice to the debaters to attempt another debate in the short time remaining for preparation.

The University of California with 11,071 students enrolled, ranks first in attendance records of American universities and colleges, according to recent figures. Columbia is second and Michigan and Illinois third and fourth, respectively.

Finch, Dillon.

Bass—Ben Stowe, Missoula; Oakley Coffee, Missoula; John C. Norvell, Great Falls; Harold Blomgren, Butte; Edmund Nichols, Billings; J. Theodore Shull, Missoula.

VARSITY TRACK MEN LEAVE FOR SEATTLE

MACGOWAN IS ONLY ENTRANT
FOR PENTATHLON.

Relay Team, With One Man Change,
Won 400-Yard Relay Last Year and
Established World Record.

The relay team and an entrant in the pentathlon event left yesterday at 3 p. m., for Seattle to attend the annual University of Washington relay carnival. The meet will be held in the University's new stadium. About one hundred students were at the Milwaukee station to bid godspeed and good luck to the departing athletes.

The relay team, composed of Jack Sterling, captain; Steve Sullivan, Harry Adams and Oscar Anderson, was chosen from about twenty men who have been working on the cinders. Tom MacGowan, the only man entered by Montana for the pentathlon events, specializes in field events but is a consistent performer in track events as well.

In the relay carnival held last year at the University of Washington, the three first named men of the relay team, with Miles Romney the fourth man on the team, won first place in the 400-yard relay and established a world's record of 40 2-5 seconds for that event. Oscar Anderson, a Great Falls boy, has won the place on the team vacated by Romney, now attending George Washington University in Washington, D. C.

Harry Adams has been suffering from an injured muscle in his leg for the last few days and Coach Bierman has been putting him through a minimum amount of work since the injury was received. On leaving, Harry made mention of a pair of crutches, borrowed from the University at Seattle, which he intended to return. The crutches were used by Harry after an injury to his ankle which he received while making a line buck in the Montana-U. of W. football game. The sprinter added, however, that he did not intend to return the crutches until the finish of the relay carnival, as he expected to have use for them if the old injury should bother him again.

Members of the team expressed optimism but from the coach came looks foreboding ill results from the trip to Washington.

As the train left the station the University band played "Son of a Gamboler," and the students present gave their last demonstration in nine raps for the team.

NOTICE.

All material for the Joyce Memorial
contest must be in the hands of the
judges by Monday, April 25.
Signed: H. G. MERRIAM.

Coming Events.

Band dance—April 22.
Glee Club concert—April 23.
Vocational Men's Dance—April 29.
Athletic Ball—April 30.
Town Girls' Dance for High School Seniors—May 6.
Men's Chorus and Girls' Glee Club Concert—May 6.
Trowel Club Dance—May 6.
University of Montana Symphony Orchestra Concert—May 28.
Masquers' Club Play—June 3.

Daughters Replaces Rowe as Director

Freeman Daughters, professor of education, is to take the place of J. P. Rowe, professor of geology, as director of summer school, according to J. B. Speer, registrar and business manager. The summer session will be only of nine weeks' duration this year, beginning June 28 and ending August 14. The term is shortened this year in order that more teachers throughout the state will be able to attend since many of the school terms do not end as soon as the university term does, and this has limited the attendance heretofore.

UNIVERSITY WILL HAVE EIGHT TENNIS COURTS

Construction to Begin Next Summer
Near Athletic Field Under
W. E. Schreiber.

The physical education department plans to have eight new tennis courts for next year, it was announced today by Professor W. E. Schreiber, head of the department.

"We absolutely need the new courts," said Professor Schreiber, "for it is a waste of money to repair the courts which we now have." Work on the new courts will begin some time next summer, at which time six new cement courts and two clay courts will be constructed. The cement courts will be for the use of the students, the two clay courts will be used for intercollegiate contests only.

The new courts will probably be built near the athletic field, where they can receive the direct supervision of the athletic department. This will prevent any misuse which the present courts now receive.

MAY 14 IS THE DATE SET FOR ANNUAL SPRING CAMP

It Is Planned to Take a Doctor on
the Trip Because of Number of
Vocational Men.

About 160 forestry students will leave for their fifth annual spring camp at Yellow Bay on the Flathead lake Saturday, May 14, and will return Sunday, May 22.

The purpose of the trip is to give the men practical experience and to teach them subjects which it is impossible to teach them in the class room.

The trip is entirely paid for by the students and faculty. It is estimated that the average cost per man will be but \$10 more than it would ordinarily cost for board and room in Missoula. The men furnish their own bedding and a cook is hired.

"We are going to try and take a physician with us this year as there are a large number of vocational men that have more or less serious disabilities and will need the care of a doctor," said Dean Dorr Skeels of the forestry school.

VOCATIONAL MEN WILL GIVE FIRST ANNUAL DANCE FRIDAY

The first annual dance of the vocational students of the university will be held at Elite hall Friday, April 29.

Bezanson's orchestra will furnish the music and the management promises an enjoyable affair.

SCHREIBER APPOINTS OFFICIALS FOR MEET

Will Take Up Duties May
12 for the Track and
Field Events.

Physical Director W. E. Schreiber, general manager of the 18th annual interscholastic track meet announced the list of officials for that event. The track meet will start on Wednesday, May 11 and continue through Saturday, May 14.

All track and field events will be run off Thursday and Friday of that week. Wednesday will be given up to debate and declamatory contests.

The meet will close with the annual conference of the interscholastic coaches Saturday morning.

The track and field officials will be on duty Thursday and Friday.

Officials announced are:

Referee, Ronald Higgins; starter George Varnell; assistant starter, James Brown; clerk of the course, D. D. Richards; assistant clerks, E. Rosendorf, H. Whisler and A. Boyd; field superintendent, R. Thorp; field judges, jumps, H. T. Forbis, A. Drew, F. O. Smith, M. McCullough and C. Baker; weights, E. C. Mulroney, A. Lucy, DeLoss Smith, L. DeMers, A. Bishop, D. Carver and T. MacGowan; judges of finish, A. N. Whitlock, Fred Sterling, H. O. Bell, Frank Campbell, E. Holmes and G. Weisel; timers, A. Higgins, S. Coffee, B. W. Beirman, Dr. A. Willard and F. Stoddard; scorer, Dr. R. H. Jesse; assistant scorers, H. C. Uhrey, T. Swearington, H. Sager, W. Frazier, F. Lawrence, J. Sauters and P. Rowe; checking clerk, F. Daughters; chief inspector, W. E. Schreiber; inspectors, Stephen Sullivan, Harry Adams, Jack Sterling and A. Jacobson; equipment, Harry Dahlberg and Leo Spogen; announcer, P. Keeley; tickets, A. C. Bevan, W. R. Ames, S. H. Cox, P. W. Graf, J. W. Howard, J. X. Newman, H. G. Owen, J. F. Suchy, J. E. Bailey, G. M. DeJornette, E. D. Finch, W. J. Jameson, J. A. Johnson and H. W. Norville; marshals, Major A. C. Cron with members of the R. O. T. C.; track attendants, C. K. McKoin (in charge), A. Farmer, E. Joy, H. Elliott, E. Madsen, L. Madsen, C. Roberts, R. Lewis, P. Brady, R. Eagen and G. Porter; field attendants, J. Harris in charge, E. Harpole and V. Needham.

CREAM PUFFS NET \$90 FOR DELTA PSI KAPPAS

900 Sold, Delegate Will Be Sent to
Fraternity Convention.
Next Summer.

Delta Psi Kappa, women's national physical education fraternity made \$90 on the cream puff sale which they conducted on the campus yesterday said Beryl Burfening, one of the members of the local organizations yesterday.

Miss Burfening stated that the plan had been to sell 500 cream puffs but that by 10 a. m. the 500 had been disposed of an additional order was placed for 400 more. Of the 400, 200 were sold before noon, making the morning sale total 700. The remaining 200 were easily disposed of in the afternoon.

The proceeds of the sale will be used to send a delegation to the national convention of the fraternity next summer at Indianapolis, concluded Miss Burfening.

The Glee Club.

1. Saturday night Montana will be represented in an activity that although it is not athletic, is just as beneficial to the University as football. On that night the Glee club will give its Missoula concert.

2. The Glee club is probably the best single thing, as far as advertising the University through the state, that Montana does. Men who go out for the club are forced to give up other activities.

The club is just as much a student activity as anything else is. It is as worthy of student support as anything that Montana does. Do your part to see that the auditorium is packed for the home concert.

Win or Lose—Montana!

Montana's name will be carried to the western coast again Saturday. Five men will compete with the best athletes in the largest universities in the west.

Last year Montana was represented for the first time in a contest with colleges on the coast when she entered the Relay Carnival. Nothing was expected of her team. A movie man was stationed at the tape in the 440-yard relay to get the picture of Crum Dailey of Washington as he crossed the line. His camera caught the picture of Jack Sterling of Montana. Montana's victory was repeated by the football game with the University of Washington last year.

Sports writers expect Montana to repeat last year's victory. Whether she does or not, the five Montana men will run their best. If they lose, it will not be their fault. Will you give them, as an acknowledgement of what they have done for Montana, the same rousing welcome whether they win or lose?

DAUM.

The following are said to be the sentiments of Dean Jesse regarding the recent campus marriages: I don't give a Rapp for such hasty people nor the ministers who Merriam. Nowadays women with hearts of Stone enroll in the universities merely to Speer a man, even though he be only the Gardner. Our schools should not tolerate such people—they should be made to Rowe their own canoes. Personally, I am going to use every effort to Scheuch them away from our doors.

Notice.

There will be a meeting of the vocational men this afternoon at 4 o'clock, in the forestry building. Lief Fredericks, district supervisor, and Allan Swift, new vocational counsellor, will speak. All vocational men are requested to attend.

By Boyle Dowl.

"Send off for Relay team," suggests the effervescent sign painter. If it comes back from Washington in as bad shape as the football team did, maybe we'll have to.

"Needs a Kick."

There was a young fellow named Sam
Who for work, wasn't worth a Gosh Darn.

He gave 'way his pin
But it came back again
Now Sam doesn't care much for "Gin."

Pain and Rain.

(Apologies to Mr. Poe.)

Oh the rain, rain, rain
The dashing and the splashing of the rain.
It trickles down your neck
Till your clothes look like a wreck
This everlasting, weeping, seeping rain.

Oh, this intermittent rain
Gives everyone a sloppy, soppy pain—
The slippery, wormy slime
Keeps you guessing all the time—
In this never ceasing, roaring, pouring rain.

Who Were the Other Two?

Having received seven votes among the five of us for the editorship of The Kaimin, we wish to thank those seven broadminded students for their support, and incidentally remark that on account of their bold action, our faith in mankind is not totally shattered. We still believe ourselves better men than the editor-elect.

Signed:

JOE KERSHNER,
BILL COGSWELL,
ROY TILLMAN,
LARRY HIGBEE,
ROYLE ROWE.

Memories.

The Seattle Sunday Times speaks of a "Fruit and Jelly Shower for Miss Holmes." We wonder if it was anything like the egg and vegetable shower that students of the University tendered the performers in a certain vaudeville show at the Missoula theater some two years ago.

Do you remember?

Screens were placed on all the windows of Craig hall Wednesday.

There was a young man named Bue
A steamer trunk he had, too,
He thought it was home,
Not knowing 'twould roam
How it reached Craig hall, he never knew.

They sat upon the davenport
And sat and sat and sat.
For he was but a puppy dog
And she a grey old cat.

You are better than a milk shake
GORDON GIN.

Business Ahead.

Sergeant Truman in military science class: "Is 'Jelly' Elliott here?"
Elliott: "Yes."

Sergeant: "Elliott, come into the office after the class and get measured for a pair of breeches. You must have them for inspection and we must get the order in."

Sleepy voice, from back row: "What company are you going to give the contract to, Sergeant?"

So Nevada has repealed its famous divorce law. Too bad; that was the only attraction the old state ever had.

What Do Ya Mean!

The girls were out practising baseball. The pitcher threw a ball and the batter hit it. Twirling, it bounded out, hit the ground and bounced back. The shortstop just missed it.

"Damn," she muttered softly.
"Be careful of the reverse English," shouted the umpire.

A Dream Come True.

"When I was a youngster," began Major Cron, as he was telling of his boyhood days, "I always wanted a bunch of wooden soldiers to play with, and now after coming to the R. O. T. C. my wish has been fulfilled beyond all expectations."—Sundodger.

The dog stood on the burning deck
The hot flames flickered 'round his neck—
HOT DOG!

Time to Go.

If she wants to play or sing,
It's time to go;
If o'er your watch she's lingering,
It's time to go.
If she wants your signet ring,
Frat house pin and everything,
(Speak, O death, where is thy sting?)
It's time to go.

If the parlor clock strikes two,
It's time to go;
If her father drops a shoe,
It's time to go;
If she sweetly says to you,
"Stay a little longer, do!"
Get your hat and then skiddoo—
It's time to go.

—The Stampede.

EXCHANGE

The State College class to graduate in June, includes 21 major students in engineering. This is an increase over any previous year. As a result of the announcement that a new engineering building and shops will be built at the college, it is expected that the enrollment in engineering will make a decided gain next fall. Four will graduate this spring in chemical engineering, three in architectural engineering, six in civil engineering, seven in electrical engineering and one in mechanical engineering. Three graduate students also are candidate for engineering degrees.

Total registration at the State College during the winter quarter was 1,056. Students were enrolled from 49 Montana counties, from 25 other states and from seven foreign countries. These countries are Canada, Peru, Philippine Islands, Ireland, Galicia, Norway and Switzerland. Among the states other than Montana, Washington leads with 11 students, and California came second with eight. The number of Gallatin county students was 285. Yellowstone county was second with 60 students, and Cascade third with 52.

A program of fancy dances will be given in the drill hall at the State College during commencement week by the women's classes in gymnasium work and fancy dancing. Lora A. Maxwell, instructor in physical education, is in charge of the rehearsals.

Orchestra Concert To Be Given May 28

The last of the three University orchestra concerts will be given Saturday evening, May 28, according to Professor A. H. Weisberg, director. The gymnasium may be used for the concert, but this has not been definitely settled.

"This is the first year the orchestra has existed as a large organization and it has shown great improvement," said Professor Weisberg.

There are now 50 pieces, 30 violins and 10 other kinds of instruments.

A SHORTER SHORTHAND SYSTEM IN TEN EASY LESSONS

This course covers ten easy lessons which will enable the Student, Professor, Journalist, Doctor, Lawyer or anyone seeking a professional career, to go thru life with 100 per cent efficiency.

THE CLOTHCRAFT STORE

"The Store of
The Town for
Men and Women"

It must be true—as practically every woman who sees our Coats remarks—You are the only store in Missoula that has any good looking Coats.

They look everywhere—they come back and they buy.

Quality and Style always show its value.

It's easy to tell the garments from this store as they go down the street

"If It Comes from
BARNEY'S
It Must Be Good"

"EXCLUSIVENESS"
Our Motto

STORE INCORPORATION CERTIFICATE IS FRAMED

The A. S. U. M. store has been incorporated. The certificate of incorporation has been framed and is hanging one one of the walls in the store.

At one of the student convocations last fall quarter the students passed a motion to incorporate the store. Proceedings to incorporate were begun by the temporary board of directors. Articles of incorporation have been filed at the county clerk and recorder's office and with the secretary of state.

The temporary board of directors is composed of Edward Platt, McPherson Gault, Eugene Harpole, Professor Lewis Simes and Professor Shirley J. Egan. A new board will be elected at the next general election which will be held some time in May.

Dramatic Fraternity Installed Thursday

Montana Alpha chapter of Theta Alpha Phi was installed Thursday night. The new organization is the twenty-second chapter of the national dramatic fraternity.

The fourteen members of the Master's club who were initiated are: Olaf Ege, Fay Collins, Lillian Christensen, Lambert deMers, James Farmer, Doris Gaily, Eugene Harpole, Pat Keeley, Helen Little, Lucille Leyda, Doris Thetge, Thomas Swearingen, Ruth Wilkins and Virgil Wilson.

COLGATE AND MONTANA HAVE EQUAL LUCK WITH COLUMBIA

Columbia University debating the affirmative of the question: Resolved, that the several states should establish courts similar to the Kansas court for judicial settlement of capital and labor disputes, defeated Colgate University by a two to one decision, last week.

This is an identical decision to that by which the Columbia debaters won from Montana in Butte, last March.

YELLOW SLIPS TO COME OUT ONLY ONCE EVERY QUARTER

Commencing with the notices of scholarship negligence to be sent out Monday, yellow slips will be issued only once during each quarter, at the end of the first six weeks. This eliminates work for the instructors and the registrar's office and incidentally does away with half the worry under which the student body struggles.

On the Campus

Ann Skylstead left for her home in Havre Tuesday, to attend the wedding of her brother.

Sigma Chi fraternity entertained one representative member of each social fraternity on the campus at dinner Wednesday evening at the chapter house on University avenue.

After dinner Miss Irene Eldred, of Deer Lodge, spoke to those present in the interests of the Near East relief.

Gordon McGuire, a freshman taking pre-legal work, has withdrawn from the University and will leave for his home at White Plains, N. Y., Saturday. McGuire walked the entire distance from his home in the east last fall. He will return home by train.

Earl France, of the University of California, now completing his Missoula boxing schedule, was a dinner guest at the Iota Nu house last night.

Clara Hoar of Craig hall, underwent an operation for appendicitis, at a downtown hospital Thursday. Her mother arrived Thursday from Butte to be here during her daughter's illness.

Sport Sparks

Tomorrow afternoon in Seattle will be staged, what many newspapers believe will be the biggest and best track and field meet on the Pacific coast this year, the University of Washington relay carnival. Ten thousand spectators are expected to witness the event Saturday.

And the part of the event that makes it exciting for us is the fact that we have a team representing us, a team that many sport writers have picked to "clean-up."

Jack Sterling, Steve Sullivan, Harry Adams and Oscar Anderson make up our team. Tom MacGowan accompanied them as a substitute on the relay team, and our entrée in the pentathlon.

The pentathlon is a new event at the carnival. One man is entered in the 200 meter, and 1,500 meter runs, the broad jump, the javelin throw and the discus throw. The events are staged one after the other, with no chance to rest between events.

The University of Southern California has entered the carnival. This means that Charles Paddock, Olympic star and holder of the world's record in the 220-yard run, will be one of the athletes at the meet.

The University of Idaho has also entered a relay team and two men for the pentathlon. Neal Irving and Pat Perrine are the two men entered in the pentathlon.

Montana Wesleyan has also entered a team. Last year they won one point.

The Knights of the Hook, the organization at the University of Washington corresponding to our Bear Paws, have asked for one hundred cars to entertain the one hundred athletes expected at the relay carnival.

Coach Bagshaw's call for spring football practice at the University of Washington, brought forth seventy men ready to obey his orders.

The University of California won the annual track and field meet from Stanford last Saturday, 86 2-3 to 44 1-3.

Kenny Wright, a lad from Stanford was the dark horse of the meet. In two races he nearly won from Hendrixson, California's star. In the 440 Wright took the lead and Hendrixson had to add a wonderful amount of speed to best the few scant feet that he did. They tangled again in the last section of the relay. This time Hendrixson took a big lead but the plucky little dark horse crept up on him so fast that but a few feet divided them.

Kirksey, another California star, won the 100-yard dash, making the distance in 10 seconds. He won the 220-yard run in 22 1-5 seconds.

On the day of the meet the University of California defeated its rival, Stanford, in two other contests. In the morning its tennis team won their contests, and in the afternoon the track team and the baseball team hung up victories.

The University of California will send her track team east for a dual meet with some eastern college and then to participate in the I. C. A. A. A. A. on May 27 and 28. The crew will race Princeton June 6 and then will remain in the east for the Poughkeepsie regatta in June. The baseball team sails for the Orient May 10.

Tuesday we will tell you all about how our relay team won the relay carnival.

The track team will have their special car as will the crew. In the crew's special car will be placed their

shell and daily practices will be held while they are traveling across the country.

Washington State College baseball team won from Gonzaga in the first of a two-game series, by a 2-1 score, last Friday.

The University of Oregon and Willamette University split even on a two-game series.

MISS IRENE ELDRED SPEAKS ON ARMENIAN RELIEF WORK

Miss Irene Eldred of Deer Lodge, now in Missoula in the interest of Armenian relief work, was a dinner guest at Craig hall Wednesday. She spoke to the girls on her work in the Near East, described conditions there and urged that the organizations on the University campus co-operate to give

their aid in the drive for relief by adoption of orphans.

The girls of Craig hall will take up the matter of adopting plans as Miss Eldred suggested at the next regular house meeting to be announced later.

Arthur Mattson, '23, has been called to Butte by the illness of his father.

Cigarettes

*The
Only
One*

that's

4 leaf blend

It's a different blend. Golden Virginia, with its "life" and sparkle; hearty Kentucky Burley with that good, old tobacco taste. Delicate Macedonian leaf of spicy aroma. And to complete the perfect blend, cool-burning Maryland tobacco.

Crimped

No other cigarettes are made without paste. The paper edges are firmly clinched by a patented machine. Gives Spur its clean-cut look and means a long-burning, even-drawing cigarette. *Some idea!*

WAYNE GIVES ADDRESS ON INDUSTRIAL COURT

Explains Composition and Operation
of Kansas Court to Social
Science Club.

"Within the next few years probably all of the western states will have courts like the Kansas industrial court," said William Wayne, a Missoula attorney, in an address before the Social Science club Tuesday night.

The Kansas court, composed of three members appointed by the governor, has all of the powers of the public utilities commission and may settle all controversies relating to industries, employments, utilities or carriers as they affect food, clothing, fuel or transportation.

"In the four years from 1916 to 1920 there were more than 13,000 strikes in this country, and 374 of these were in Kansas. In 1919 the coal strike which caused so much suffering was the direct cause of creating by an act in a special session of the legislature in 1920 the Court of Industrial Relations," he continued.

Matters may come before the court in four ways: The court may take action itself, ten citizens may petition to bring up a question, either of the contending parties may take up a controversy, or the attorney general of the state may ask to have a dispute settled. The court has power, he explained, to fix minimum wages, hours of employ, rules and regulations, moral and healthful surroundings, and in case of limitation or cessation, the court may take possession and operate the industry.

The court has successfully dealt with 30 cases and Mr. Wayne stated that there had been no prolonged strikes. He said that he believed the method of settling differences between employer and employee was a fair one and that the situation was much improved.

ALPHI PHI LEADING IN BASEBALL SERIES

In the co-ed baseball games played Wednesday Craig hall defeated Delta Gamma 25 to 6. Kappa Kappa Gamma won a close game from Delta Sigma Chi, scoring 8 to 4. Kappa Alpha Theta lost to Alpha Phi, 22 to 2.

The games are being played on a percentage basis and the record for the present time is:

Team—	Pct.	Won.	Lost
Alpha Phi	1.000	2	0
Delta Gamma667	2	1
Kappa Alpha Theta667	2	1
Craig Hall500	1	1
Kappa Kappa Gamma334	1	2
Delta Sigma Chi000	0	3

The schedule for this afternoon's games is: Craig Hall vs. Delta Sigma Chi, Delta Gamma vs. Kappa Alpha Theta and Kappa Kappa Gamma vs. Alpha Phi.

HYSHAM THE FIRST SCHOOL TO SEND ENTRY FOR BIG MEET

Names of Contestants Expected During Last Two Weeks.

Only one entry has been made as yet for the track meet, according to Dr. J. P. Rowe. This is a declaimer from Hysom, Treasure county. The committee expects most of the names to come in the last two weeks before the final date for receiving them, which is May 4.

"Professor Thomas Spaulding will meet the men who are coming and arrange to get them housed while Miss Lucille Leyda will take care of the women. E. L. Freeman will take charge of the debate and declamatory contests, said Dr. Rowe.

Max Helped to Build Main Hall in 1894

Max Kranich, who is at present a fireman in the heating plant of the University, was one of the men who helped to lay the foundation of University hall in the fall of 1894.

"I think that it was in the fall of 1894 when I worked for the contractor on the foundation of the first building on the campus," said Kranich, when

Max Kranich

asked for a story by a reporter. "There was not enough work on the campus and I left as soon as the building was finished. I did not return until 1903. At that time they put me on as fireman in the winter and as campus gardner in the summer. I have been here ever since. Do I like my job? Well, I can't complain; they treat me fine, pay me good wages and give me a couple of weeks off in the summer for a trip to the hills. I never mind the change from the fireman's job to the gardner job in the spring; but I certainly do hate to change back again. A person can't have everything that he wants all the time, though. You say that you want to take a picture of me? Well, go ahead, although I ought to be dressed up more than I am now."

After the picture was taken, Max walked back to the boiler room.

ALCHEMIST'S CLUB TAKES IN SIX NEW MEMBERS WEDNESDAY

Talks Are Given by Leo Spogen and Fred Lawrence.

Six new members were taken into the Alchemist's club at its meeting Wednesday evening in the Science hall. They are Hazel Bombard, Frank R. Carlen, William Fraser, Luke D. Garvin, Jr., A. Francis Peterson, Jr., and Otis O. Benson, Jr.

Talks were given by Leo Spogen, president of the club, and plans for the future work to be carried out by the members.

"Nobel Gas" or liquefaction of gasses was the subject of Mr. Lawrence's talk.

FRESHMEN WHO WANT COURSE IN FUNDAMENTALS SEE CRON

Freshmen in the R. O. T. C. interested in the basic course to be given in the summer training camp, at Camp Lewis, are urged to see Major A. C. Cron. The camp opens this year on June 16.

Last year nine men attended the cantonment established at Camp Kearney, California.

Men in the basic course are furnished with uniforms, and all incidental expenditures including five cents a mile for traveling expenses.

HIGH COURT DECLINES TO GIVE HEART BALM

That the statute of limitations bears on the time necessary to complete a courtship was the startling news revealed in the courtroom Wednesday night by Marcus Derr, attorney for the defendant, in the breach of promise case of Mary Totten against James Buckley. It is the first time in the history of the law that the statute has been applied in such a case.

Edward Platt as Mary Totten was suing Edward Popham as James Buckley for \$50,000. Her plea was that Buckley had supported her while she was in California for her health, and had previously promised to marry her. While she was in California he married another woman.

The verdict brought in by the jury was in the defendant's favor.

The jury was composed of Eugene Foot, Edwin Blenkner, Thomas Colton and Virgil Wilson.

HIGH SCHOOL ENGLISH TO BE DISCUSSED AT CONFERENCE

Miss Francis Colvin and Miss Rich of the Missoula high school will lead a discussion on high school English at an English conference May 11, said Miss Ellen M. Geyer yesterday. The possibilities of a state course of study in English will also be discussed.

The state council of English is sending a bulletin to high school teachers of Montana to interest them in this conference, Miss Geyer said.
