In behalf of the Scholarship Committee Dr. Kirkwood urged that the scholarship reports be in promptly on November the 17th. He also read the following recommendation of the Scholarship Committee:

"Four weeks after the opening of the Semester, reports of the delinquent students, which shall include specific grades, shall be sent by the instructors to the Scholarship Committee. At the end of six weeks, instead of at the end of four, the first "Complete Scholarship Report" which shall include specific grades, shall be made. Thereafter regular reports shall be made on delinquents every four weeks. Instructors are at liberty to report delinquencies at any time, and are urged to do so. Instructors should be specific in the remarks of the Scholarship Reports."

Dr. Rowe asked that a copy of this recommendation be given to each member of the faculty in order that they may think the matter over."

Meeting adjourned.

Secretary.
