affirming the value of life, protesting the invasion of Cambodia, met their deaths.
Such crimes continue throughout the world against those who have the courage to
act on their consciences.

Committee Reports

Jim Ball present to discuss Campus Recreation and what occured at the Campus
Recreation and Sport Committee meeting yesterday. A $10 user fee was approved
for faculty and staff. Will go now to the President's Council. Asking that it be
implemented fall quarter. Even if approved can be negotiated away by the Union.
Generated revenue from user fee would amount to approximately $9,000 a year,
would use money to get a staff member back on a 12-month contract from a 9-month
contract and to purchase equipment. Feeling that the students are carrying the
burden and paying for the staff and faculty to use these facilities.

Bulger, did a survey and found that the faculty wasn't against it, thought it was
fair.

Bulger, MOVE TO SUPPORT A RESOLUTION ON CAMPUS RECREATION'S $10 USER FEE FROM THE
FACULTY AND STAFF PER QUARTER OR $35 PER YEAR.
Gray, SECOND
MOTION PASSES

Second proposal from Committee was to get space in the Men's Gym that is presently
being occupied by IMS. Would give up space in the Women's Center. Four different
areas would be created. IMS is moving already to the Classroom Bldg.

Jacobson, if its the Board's pleasure to endorse this resolution, that is, to
support Campus Recreation's efforts to try to acquire other space. Board in
agreement.

Paul Driscoll, Editor of the Kaimin, present to let the Board know of their plans
to go independent. Would involve gradual pull out from ASUM's control and
funding and set up as a nonprofit independent organization. Need first some type-
setting equipment, will mean cutting cost from Print Shop. Asking for 35% subsidy
from ASUM. Probably can't go completely independent with this equipment but it
would be the first step. Would save about 1/4 of the printing expenses. Would
like a time table of perhaps 1 1/2 year to be financially and legally independent.
The meeting was called to order at 7:05 p.m. by President Garth Jacobson.

Newman, how can we approve the minutes if we can't see them?
Gray, copies of the minutes are posted downstairs on the bulletin board,
Doggett, want a copy of the minutes also a bulletin board with the agenda on it.
Holmquist, would also like a copy.
Jacobson, if there are no other objections the minutes stand approved as read.

Discussion Period

Dahlem wanted to know about the policy concerning the hotline usage. Proposed that should get a cost analysis for a hotline with a flat rate against one that is charged per call.

Dahlem, want to know whether raising a $ 1 fee for Legal Services is a dead issue. Jacobson, wanted the Board to think it over, not a dead issue. Pettit would have to approve it then the Board of Regents before next fall quarter. If everyone is in agreement next week we will have a vote on whether everyone wants it. Gray, I've talked to Ted James about it and he thought it was a pretty good idea.

Newman gave report on City Council meeting that he had attended concerning the Housing Authority.

President's Report

Jacobson, appointment of Christy Kabler as SAC Director.
Gray, MOVE TO APPROVE CHRISTY KABLER AS STUDENT ACTION CENTER DIRECTOR.
Holmquist, SECOND.

Christy gave qualifications. Said the Landlord-Tenant handbook would not be published next year because they had a big supply. Internship program would be the important project for next year. Would also like to do a newsletter.
