Dahlem, Board should vote on which way it would like to go.

Jacobson, we have to entertain this motion on the floor.

Newman, no deficit spending.

McOmber, it is of the utmost importance to decide if the money is to go to the reserve instead of to a certain group so that groups don't go against each other. Would like to see Gray withdraw his motion.

Jacobson, at this time it has been brought to my attention by Fred Stetson, swim instructor, that Central Board funds \$3,600 a year for student use. This will require a suspension of the rules to be considered.
