FACULTY MEETING, MAY 6th, 1915.

12:30 P.M. Room 4.

Meeting called to order by President Craighead.

The following communications read:

"President Craighead:

Will you kindly submit to the faculty, for immediate action, the following question:

What interpretation of the eligibility rule shall be made when the candidate for extra-curricular activity is conditioned in the work of the preceding semester but has made up these conditions and is in good standing at the time when he proposes to participate in an extra-curricular event?

Your committee recommends that the rule be construed to make such candidate eligible, if the conditions have been made up. The removal of the conditions, it seems, should clear the record.

Yours respectfully,
Committee on Scholarship
Kemp
Stone
Scheuch "
