2. The other was for fireplace equipment for their new quarters. They have moved to quarters at 1010 Arthur and would like to use the fireplace they have to help keep heating bills down and also to heat the upstairs which has no other way of heating. They would need a screen, a grate, and fireplace tools. This would cost $54.00.

Short had refused to approve these expenditures because he did not feel that they were legitimate use of student funds and they should be paid for through other sources. He told BSU they could present their request to Central Board, and if they approved it, it would overturn his disapproval.

FLOYD MOVED FOR APPROVAL OF THE ABOVE REQUEST; SECONDED BY GURSKY.

Pomeroy requested that the two items be voted on separately.

MOTION FOR $29 to GARDEN CITY FAILED.

MOTION FOR $54 FOR FIREPLACE EQUIPMENT FAILED.

University Appropriations Committee. Short, Mike McGinley, and Steve Huntington went to Helena on Wednesday, February 2, to help support a measure to change the university accounting system. It gave them a good look at how the legislature sees the problem as opposed to how the university looks at this accounting system problem.

(Dave Hill took over the gavel and running of the meeting).

COMMITTEE REPORTS

Elections Committee. Leik, Chairman of this committee, urged Central Board to encourage anyone interested to run for seats on Central Board, as so far there have not been very many petitions turned in.

Legal Services. The Legal Services Committee met to decide if the ASUM lawyer, Bruce Barrett, should take the case of Cary Yunker which is being appealed to the Supreme Court. In taking this case, it would mean Bruce not having as much time to devote to other clients. The decision was tabled until alternatives could be looked into, such as hiring another lawyer to take over some of Bruce's load while he worked on this case.

There was some criticism of Central Boards methods of handling requests and their lack of concern over who was talking; he thought that Central Board should pay more attention to people presenting their requests and ideas and also should listen more closely to other members of Central Board when they are speaking.
