FACULTY RESOLUTION

Tuesday, April 11th, 1916.

Since the State University of Montana has suffered a great loss in the death of Miss Eloise Knowles, a member of its first graduating class and for many years of its faculty we, the members of this faculty, desire to express our appreciation of the value of the very efficient loyal and loving service she rendered so many years to the institution she loved so well.

We also desire to render our tribute to her pure, strong brave and beautiful character and personality which were a blessing to all whom she touched with her gracious influence.

To her family we desire to express our deep and heartfelt sympathy in their great bereavement.

2677 Ellendale Place,
 Los Angeles, California.
 April 21 (Thursday) 1916.

Mr. Dunlop:

I wish to thank you and the members of the Faculty of the University for your words of sympathy to us in our sorrow. Our loss, as you know is great, and we feel that the understanding sympathy of her associates of the University helps to mitigate it. Her comrades seem to have known her well and to give her the appreciation her character demanded. Every day since her death has added to the pain of missing her, and I know it will be so always.

I thank you for sending me the resolution of the Faculty concerning her. I am convinced that she was valued in the University and will be long remembered. I wish I could tell ~~per~~ how loving and appreciative you have all been.

Sincerely yours,

Mary Curtis Knowles.
