The meeting was called to order by President John Nockleby at 7:10 p.m.

ANNOUNCEMENTS

Kaimin Reporter -- Nockleby made an announcement to the effect that Gayle Corbett of the Montana Kaimin will be covering Central Board meetings during the current quarter.

Interviews for Campus Recreation Director -- Nockleby informed the members that interviews for Campus Recreation Director are now taking place, the first of the three finalists being interviewed today and the other two on Thursday and Friday, respectively. He urged CB members to come to the interviews, which will be in the Conference Room from 1:00 to 2:30, as it is important that more members have a say in choosing the Director.

Local Government Tentative Charter -- Nancy Orr, chairman of the Local Government Review Commission will attend next week's meeting to give a run down of the charter and how it effects students. SAC will have copies of the charter for anyone who wants to look it over. CB members are urged to read the charter and come to the next meeting prepared with questions. Comments and criticisms regarding the charter are welcome also.

Governor Judge's Forum -- Friday, January 16, Governor Judge will be here on campus. CB members should be prepared to ask him questions. Jim Banks brought up the question concerning the Governor's support of Day Care Centers, and Ed Beaudette had a question concerning what the Governor plans to do with the $45 million surplus in the state budget and whether or not some of that money will be going into the University system. Carrie Hahn suggested the questions be officially supported by Central Board and that they be presented to the Governor by Vicki Johnson, who is handling Governor Judge's visit.

Corrections of Minutes -- Jim Murray had a couple of corrections to the January 7 minutes. Regarding the Athletic Poll, it should say "five percent of the entire consideration" instead of "five percent of the voting population"; and it should say "Title IX" instead of "Title IV". The minutes were approved as corrected.

VICE PRESIDENT'S REPORT

Jim Murray announced a need for someone to chair a committee for the Board of Regents to work on a poll regarding calendar changes. Patsy Iacopini and Dave Hiltner were appointed by President Nockleby. MOVED AND SECONDED TO RATIFY THESE APPOINTMENTS. MOTION CARRIED.
Nockleby appointed Tom Livers to the Curriculum Committee. Carrie Hahn resigned as chairman of the Elections Committee and suggested Pam Ward as her successor. Nockleby appointed Pam Ward as chairman of the Elections Committee and Greg Henderson as another member to this committee. BANKS MOVED TO RATIFY THESE LAST THREE APPOINTMENTS, SECONDED BY IACOPINI. MOTION CARRIED.

BUSINESS MANAGER'S REPORT

Line Item Change — In the Legislative Committee account, 900-4, $70 should be transferred from subscriptions to postage.

Financial Statement from PC — Ribi has Program Council's Financial Statement from Dennis Burns for Summer and Fall Quarters, 1975.

Charter Flight Audit — The total amount taken in for the Christmas Charter Flights was $51,645.00, which includes the refunded amounts. The total net income is $2,536.09, which will be what remains in the bank after the refunds are paid back to the travel agency and the bookkeeping fee is paid. Ratterman's final compensation for his work on the flight was a return trip ticket and $105. The $2,135.00 in refunds was the money paid to the people who cancelled out. There is one problem with a person on the Chicago flight who missed the plane and had to take a train back because she said she was not informed of the flight departure time change. She is asking for a refund equal to one half the price of her ticket. Warren stated that he knows of several people who were not informed of the time change and he thought it very likely she could have had the same experience. HAHN MOVED TO REFUND THE GIRL HER MONEY, $92.50. JOHNSTON SECONDED. Hahn stated that she believed good relations between ASUM and the students should be maintained. As a large agency dealing with customers, ASUM should return to the girl her money, no matter who is at fault. MOTION CARRIED.

Banks asked whether the $10,400.00 reimbursement to ASUM will be kept downtown and Ribi said it would be transferred back to the ASUM Special Allocations account. FACEY MOVED TO ACCEPT THE AUDIT. McGinley, ASUM Accountant, stated that the audit wasn't final because the bank statement hadn't been received yet. FACEY WITHDREW HIS MOTION.

Nockleby congratulated Ribi on the special effort he put into the charter flights, especially when the unexpected happenings occurred at the end.

Special Allocations Request — The Ski Team was planning to request a sum of money from Special Allocations tonight, but it was withdrawn and will be submitted next week.

COMMITTEE REPORTS

Elections Committee — The deadline for petitions to be turned in has been extended from Wednesday, January 14 at 5:00 to Friday, January 16 at 5:00 p.m. Posters are now up and ads have been placed in the Kaimin giving this information. Due to this change, the Election schedule will have to be changed somewhat. Those changes will be announced.
Legislative Committee -- Pat Pomeroy, chairman of the Legislative Committee, presented the newsletter, entitled University Outreach, now being published by the committee. Outreach is being issued to the legislators to inform them and keep them informed as to the happenings around the universities, the activities offered outside the classroom, and the community services provided, as well as problems the University incurs. In this way they will have some background on which to draw when approached by the Montana Student Lobbyists during the legislative session. Copies of this first newsletter have been sent to the Montana State legislators, the Montana Board of Regents members, the Montana University system unit presidents, the Governor's office, the Commissioner's office, the University of Montana Deans, the student body presidents, and several others on the U of M campus. Two more issues of Outreach are being planned before the end of the year.

Library Committee -- Kevin Strobel reported that due to the library fund raising campaign, $1,030 has so far been contributed to the library from students' parents. Most of the donations have been in amounts of $10-$20, with three $100 donations. The money is going to be put into an account which the library has direct control over as to how it's spent.

Budget and Finance -- Ribi stated that the Budget and Finance Committee report will be given next week.

Mark Parker read from a Kaimin editorial in the October 3, 1914 issue stating that "Football has never paid for itself." Even in 1914, when there were only 400 students at UM, football and its cost to the University was an issue. At that time, however, the students had total control over football. Parker satirically pointed out how much progress has been made during the last fifty years.

OLD BUSINESS

Procedures Manuals -- The procedures manuals should be reviewed by two to five people each with those people making their comments and criticisms, so the procedures manuals can be completed. There will be a list of manuals posted in the ASUM office on Thursday. Hahn suggested that members sign up to review those manuals they feel will be most interesting to them and if more people are needed for any particular procedures manual, someone will be assigned to review it.

R76-2, Resolution to Provide a House for the ASUM Day Care Program -- Jim Banks introduced the following resolution concerning Day Care Center facilities:
Resolution to Provide a House for the ASUM Day Care Program

WHEREAS there is a strong possibility that the facilities at the Women's Resource Center will not be available to the ASUM Day Care Program next year, and even if they are the Day Care Program needs to expand, and

WHEREAS the University is in the process of buying two additional houses in the 700 block of Eddy Street,

BE IT THEREFORE RESOLVED that the Central Board of ASUM request the Campus Development Committee to make one of the houses available to the Day Care Program for next year.

Submitted by: Jim Banks
Date: January 14, 1976
Action Taken: January 14, 1976

BANKS MOVED THE ABOVE RESOLUTION BE PASSED, SECONDED BY ELLIOTT. The resolution was corrected to read "Women's Center", instead of "Women's Resource Center". MOTION CARRIED WITH THE CHANGE.

February 11 Central Board Meeting -- ELLIOTT MOVED TO HAVE CENTRAL BOARD MEET ON FEBRUARY 11 EVEN THOUGH FEBRUARY 12 IS A HOLIDAY, LINCOLN'S BIRTHDAY. BANKS SECONDED. MOTION FAILED. Nockleby ruled that Central Board will not meet that week.

Winter Quarter Central Board -- Nockleby stated that he doesn't want to see the winter quarter meetings of Central Board turn into short, inconsequential sessions, because of the members' lack of energy. He's seen winter quarter inactivity in the past and doesn't want it to happen to this Central Board. Members who are not seeking re-election should still be concerned with what's going on at the University and come to the meetings with enthusiasm as should those who hope to be elected again. He asked that campaigning not hinder activity on the Board.

HAHN MOVED TO ADJOURN. ELLIOTT SECONDED. MOTION CARRIED. 7:50 p.m.

Pat Hill
ASUM Secretary

Excused: O'Grady.

Absent: Baker, Brown, Ervin.

Budget and Finance -- Ribi stated that the Budget and Finance Committee report will be given next week.

Mark Parker read from a Kaimin editorial in the October 3, 1914 issue stating that "Football has never paid for itself." Even in 1914, when there were only 400 students at UM, football and its cost to the University was an issue. At that time, however, the students had total control over football. Parker satirically pointed out how much progress has been made during the last fifty years.

OLD BUSINESS

Procedures Manuals -- The procedures manuals should be reviewed by two to five people each with those people making their comments and criticisms, so the procedures manuals can be completed. There will be a list of manuals posted in the ASUM office on Thursday. Hahn suggested that members sign up to review those manuals they feel will be most interesting to them and if more people are needed for any particular procedures manual, someone will be assigned to review it.

R76-2, Resolution to Provide a House for the ASUM Day Care Program -- Jim Banks introduced the following resolution concerning Day Care Center facilities:
WHEREAS there is a strong possibility that the facilities at the Women's Resource Center will not be available to the ASUM Day Care Program next year, and even if they are the Day Care Program needs to expand, and

WHEREAS the University is in the process of buying two additional houses in the 700 block of Eddy Street,

BE IT THEREFORE RESOLVED that the Central Board of ASUM request the Campus Development Committee to make one of the houses available to the Day Care Program for next year.

Submitted by: Jim Banks
Date: January 14, 1976
Action Taken: January 14, 1976

BANKS MOVED THE ABOVE RESOLUTION BE PASSED, SECONDED BY ELLIOTT. The resolution was corrected to read "Women's Center", instead of "Women's Resource Center". MOTION CARRIED WITH THE CHANGE.

February 11 Central Board Meeting -- ELLIOTT MOVED TO HAVE CENTRAL BOARD MEET ON FEBRUARY 11 EVEN THOUGH FEBRUARY 12 IS A HOLIDAY, LINCOLN'S BIRTHDAY. BANKS SECONDED. MOTION FAILED. Nockleby ruled that Central Board will not meet that week.

Winter Quarter Central Board -- Nockleby stated that he doesn't want to see the winter quarter meetings of Central Board turn into short, inconsequential sessions because of the members' lack of energy. He's seen winter quarter inactivity in the past and doesn't want it to happen to this Central Board. Members who are not seeking re-election should still be concerned with what's going on at the University and come to the meetings with enthusiasm as should those who hope to be elected again. He asked that campaigning not hinder activity on the Board.

HAHN MOVED TO ADJOURN. ELLIOTT SECONDED. MOTION CARRIED. 7:50 p.m.

The ASUM Special Allocations account began the year with $15,000. During Fall Quarter 1975, a total of $7,714.05 was allocated by Central Board, leaving a balance in the account at 12/31/75 of $7,295.95.

Investment -

During the first six months of fiscal year 1976, ASUM earned a total of $4,550. in interest from its investment in STIP (State of Montana - Short-Term Investment Pool). This interest reflects about an 8 percent return on our investment. As of 12/31/75, ASUM had $101,822. invested in STIP. The interest will be transferred to the ASUM Accounting account to cover bookkeeping charges.

ASUM Transferral Account -

Income:
- Fund Balance 7/1/75: $43,693.73
- Transfer from Kaimin Reserve: 7,351.00
- *Student Activity Fee: 318,230.66

- Transfer to WIS (472-0): 3,146.57

Total: $369,316.44
*Student Activity Fee Income for fiscal year 1976 needed to break even. All amounts collected above this figure will result in a surplus to ASUM.

As of 12/31/75, a total of $119,920.75 in activity fee income has been taken in. This leaves $193,309.91 in activity fee income necessary from Winter Quarter 1976 and Spring Quarter 1976 to break even.

Through conservative estimates of enrollment figures for Winter and Spring Quarters 1976, we expect a surplus of revenues to ASUM around $35,000. (See attaches explanation.)
