VOL. XXI

STATE UNIVERSITY OF MONTANA, FRIDAY, MAY 5, 1922.

NO. 62

442 CONTESTANTS AND 79 HIGH SCHOOLS WILL COMPETE IN MEET

NUMBER ENTERED IS GREATER THAN LAST YEAR.

Committee From Chamber of Commerce in Charge of Ticket Selling.

A total of 442 contestants from 79 Montana high schools will compete in the athletic, debate and declamatory contests which compose the Nineteenth Interscholastic meet which will be held May 9-13. The list of entries is complete, the deadline being 12 o'clock Thursday night. The number of schools entered is two more than that of last year.

The Missoula Chamber of Commerce is backing the meet again this year. A committee is selling season tickets and early reports are very satisfactory. The business houses of the city will probably be closed Friday afternoon of the meet.

Thomas Spaulding, who is in charge of the entertainment of the men, is arranging for their rooms. The Bear Paws and the county clubs will meet the visitors with cars at the trains and will take them to their rooms. Mrs. Harriet Rankin Sedman is in charge of the entertainment of the girls and chaperones. The list of rooms for girls is nearly completed.

Varnell to Be Slated.

George Varnell, who has been engaged by the University as starter for many years, is an ardent supporter of the Montana meet. He states that the Montana meet is run more smoothly than almost any other interscholastic meet.

The jolly-up will be different from those of previous years. A program will be substituted instead of a dance. The committee in charge believes that the program will be more successful than a dance which in the past has proven rather unsatisfactory due to the small gymnasium floor. The features of the program will be the Glee club, the Varsity quartet and the presentation of "Her Husband's Wife" by the Masquers. The awarding of the medals and trophies by President Clapp will take place between the numbers.

Special season tickets for University and Missoula high school students will be placed on sale early next week.

Band to Play.

The band will liven up the meet by making several appearances. The band will probably parade down town at noon Thursday and Friday and will play on the field during the meet. This will be the band's first appearance under the leadership of its new master, Ernst Atkinson, assistant in psychology.

The interscholastic committee is launching a large advertising campaign and has hopes of a record-breaking crowd. James Dorsey is preparing newspaper advertisements.

The Fox movie company has asked for permission to film the meet. ing the entries and winning individuals

(Continued on Page 5.)

Scholarship Fraternity Initiates Ten Members

Kappa Tau, local scholarship fraternity, held formal initiation last Sunday afternoon in Main hall for the following: Raymond Garver, Richard Underwood, Sexto Laraya, George Wiedeman, Ruth Smith, Genevieve Petzoldt, Edith Hamilton, Harriet Taylor, Frances Carson and Reba Malin.

BASEBALL SEASON TO OPEN NEXT SATURDAY

Mt. St. Charles First Game Before Pacific Coast Invasion.

A four-inning game between the regulars and the second team, which was won by the former, 8 to 2, marked the final warming up of the baseball nine preparatory to its game with Mount St. Charles Saturday afternoon on Dornblaser field.

Despite weather handicaps the team is rapidly rounding into form and should be equal to the job of facing them next week when they leave for a six-game series with Gonzaga, Idaho and the championship Washington team for their opponents.

Kershner, hard-hitting right fielder, is on the hospital list, suffering from a split finger sustained in a City league game last week, but will be in shape for the game Saturday, it is hoped.

In the game yesterday the veterans showed the same class that made them unbeatable last year. Cubs Daylis lived up to his reputation by slamming out a three-sacker and Kibble's homer demonstrated his ability to slug. Despite the fact that two recruits succeeded in circling the bases during the course of the fray, Spencer looked as good as ever. He loafed throughout most of the game, working more for control than speed; but when the occasion called for tight pitching he produced.

The team as a whole showed class; at the bat, in the field and on the bases. Murphy's work behind the plate was first class, as was the playing of Wiedeman on first. Keane, the one new man in the infield, has played a stellar game at second all season. Kibble at third and Higbee at short look better than ever. Daylis, Barry and Baird covered the outfield yesterday. Kershner's return will probably eliminate the latter. Of the two Barry has showed up best in practice and appears to be the best bet for the center garden. He has been hitting the ball hard and fielding in fine style.

Johnson, Higbee and Spencer will do most of the box work, though Centerwall, a new man, may develop before the end of the season. Johnson is a curve ball artist. Higbee and Spencer

(Continued on Page 5.)

WILLIAM ELLSWORTH WILL LECTURE HERE

William Webster Ellsworth, author, lecturer and publisher, will speak on "The Writing Game," at the regular convocation hour Tuesday morning, May 9, in the auditorium of Main hall.

Mr. Ellsworth, who was connected with the Century Publishing company for nearly 40 years, was intimately connected during this period with all the best literary men and women of his time. His lecture will contain much personal reminiscence and experience in which the writers of the modern American literature figure largely.

Mr. Ellsworth will lecture at the high school auditorium Tuesday evening, as the fourth of a series of lectures being put on by the University this year.

"A Golden Age of Authors" is the name of a book by Mr. Ellsworth based upon his knowledge of contemporary American writings.

ADOPT CONSTITUTION AT FROSH MEETING

A tentative constitution which had been drawn up by the executive committee of the freshman class was adopted with a few minor changes at a meeting of the freshman executive committee Wednesday evening. It will be submitted to Silent Sentinel for ratification.

The main purpose of the meeting was to decide on a name for the vigilance committee but those which were submitted met with disfavor and no action was taken. A special meeting will be called next Tuesday for this purpose. In the meantime members of the committee are to cast about for suitable names.

It was decided at the meeting that hereafter meetings will be held the first and third Thursdays of each month and that twelve members shall constitute a quorum.

VOTE ON AMENDMENTS AT A. S. U. M. ELECTION

Proposed Change Will Provide for Sinking Fund of Excess Money.

Several amendments to the A. S. U. M. constitution will be voted on May 19 at the same time that the votes are cast for the A. S. U. M. officers. Among these is the proposed sinking fund amendment.

Briefly, this amendment calls for a fund of five per cent of the A. S. U. M. funds as the budget is made out and all the residues left in the departments of the A. S. U. M. at the close of each year.

The purpose of the proposed amendment is to strengthen the A. S. U. M. in a financial way by providing for any deficit which may accrue in any department of the A. S. U. M.

This fund will be under the direct control of the committee composed of the president and manager of the A. S. U. M. and one faculty representative of the central board to be chosen by the central board. The auditor of student activities and the president of the university who will act as ex-officio chairman will complete this committee.

Any application for access to this fund shall be made to the sinking fund committee and it will determine whether or not the application is warranted. In no case will a department be allowed to draw in excess of the percentage of the sinking fund which it receives in the distribution of the A. S. U. M. money in the year in which the deficit accrues.

There will be several other amendments to be voted on at this time but this is considered the one of greatest importance.

At the meeting of the central board this afternoon the May Day manager will be appointed. Those who have handed in their names to the central board for this position are

MILITARY ADVISORY COMMITTEE APPOINTED BY PRESIDENT CLAPP

A military advisory committee has been appointed by President Clapp to place the department of military training on a basis with the other schools of the State University. The members of the committee are as follows: Dean A. L. Stone, chairman; Dean C. F. Mollett; Professors A. S. Merrill, J. E. Kirkwood and T. E. Spaulding.

PLANS ARE OUTLINED BY COUNTY CHAIRMEN

Importance of Entertaining Visitors Emphasized in Talk by Spaulding.

A meeting of the county club chairmen to discuss plans for the entertainment of high school contestants and visitors at the interscholastic track meet to be held May 10 to 13 was held in the auditorium of Main hall Wednesday, May 3.

Raymond Nagle presided at the meeting and gave each county chairman a list of the students from his county who are now in attendance at the University. He also distributed a number of tags to be worn by members of the welcoming committee from each county.

Tom Spaulding, a member of the interscholastic committee, gave a short talk to the chairmen, impressing upon them the necessity of seeing that every high school student who arrives in Missoula for the track meet is met at the train and taken to the committee which will be at the station to meet all trains. This committee will assign to each contestant a lodging ticket and a meal coupon. Mr. Spaulding said that the Bear Paws have volunteered to see that automobile transportation is provided for every team.

Directions to county chairmen will be posted today on the bulletin board.

County and district chairmen are requested to watch the bulletin boards closely for further instructions.

The complete list of district and county chairmen to date is as follows:

District 1—Jack Southwick, chairman; Granite, Pearl Degnbart; Powell, Mary Blaisdell; Lewis and Clark, Ritchie Newman; Silver Bow, Oscar Dahlberg; Deer Lodge, Margaret Keough; Jefferson, Isabelle Skelton.

District 2—Tom Matthews, chairman; Broadwater, Helen Carson; Madison, Dan Bock; Gallatin, Hazel Rabe; Sweet Grass, L. Cleiborn.

District 3—Harry Rooney, chairman; Carbon, Bert Williams; Treasure-Rosebud, Archie Blair; McCone-Prairie-Dawson-Webaux, Marie Dion; Custer-Powder-River-Fallon-Carter, Edson Andrus.

District 4—Lillian Christensen, chairman; Sanders, Leta Larse; Flathead, Gertrude Karcher; Missoula, Harold Baird; Ravalli, Gil Porter.

District 5—Bertram Guthrie, chairman; Glacier-Toole-Teton-Pondera, Marjorie Bullock; Hill-Liberty, Dan O'Neil.

District 6—Lillian Goff, chairman; Cascade, Irmgarde Afflerbach; Fergus-Wheatland, Morris McCollum.

District 7—Ann Skylstead, chairman; Valley, Olive McKay; Daniels-Sheridan-Roosevelt, Max Meltzer; Phillips, Doris Hedges.

American Music is Theme of Meeting

American music was the theme at a meeting of the Music club held Thursday evening in the music studio in Main hall. A systematic arrangement of music has been planned for all the remaining meetings of the club. The next meeting of the club will be concerned with Romantic music. Modern music and a faculty recital will occupy the next two meetings, and folk music will be the last theme to be taken up.

At these meetings there will be music appropriate for the program and papers will also be read taking up different phases of the music for that meeting.

WELCOME.

Word has been received that the Bear Paws, honorary sophomore society, has been granted a charter by Intercollegiate Knights. The step is, we think, a significant one and those men eligible to membership in the new national organization are to be congratulated. The main object of the Intercollegiate Knights is practically identical with that of the Bear Paws, service to the institution they represent. With such an objective and, in addition, the ability to work in conjunction with other chapters in other schools with whom we come in contact the organization has unusual possibilities. Intercollegiate Knights, welcome.

INTERSCHOLASTIC.

Preparations are practically complete for the nineteenth annual Interscholastic track and field meet. For the nineteenth time students from the various high schools throughout the state will make their annual pilgrimage to Missoula to cheer their favorites on to victory.

In number of schools and contestants entered, the meet this year surpasses all those in the history of the institution. Each year the number has been growing and will continue to grow. Each year the task of taking care of the visitors will become a trifle more difficult and as a consequence we must take unusual care in organizing for this purpose. A call has been made by the Bear Paws in charge of entertainment and reception for more automobiles with which to meet the trains and to take the contestants to and from the school. It is the duty of every student who has access to a car to volunteer his services for the purpose of entertaining those who will eventually be a part of the University of Montana, we hope. It is each student's duty, as a student to see that nothing is left undone to make the visitors' stay here as pleasant as possible. The impression that is made at Interscholastic is in no small measure a factor in determining whether or not their collegiate work will be taken up at the State University. If you are asked to help, and are able, do it.

GOOD LUCK, GRIZZLIES.

The departure, next Sunday of the baseball team, should incite the fullest interest and enthusiasm on the part of the student body. During the trip six games will be played against Idaho, Gonzaga and Washington.

The latter is rated as one of the best college ball teams in the country. Last year it won the Pacific coast pennant, after which it made a trip to the Orient where it conquered the best clubs in the far East. So far this year it has won all its games, defeating Oregon and Oregon Agricultural College without difficulty.

Montana's record in this sport is no

less enviable. In the last three years it has won the conference title twice and tied for this honor once. It has a record of 25 consecutive victories and but three defeats in 45 games. Few, if any college teams, have ever done as well, and our nine should be the pride of every student in the University. It has brought us fame and promises to further boost our prestige in the athletic world.

If it can continue its winning streak and humble the heralded Sundodgers its fame will spread far and wide. Its chances for success are good. So let's all get together and pull for the boys and when the team leaves Sunday morning on train number one of the N. P. let's have a large gathering present to give them a final cheer.

WE APOLOGIZE.

In the last issue of the Kaimin Raymond DeKraay and Ruben Damskov were listed as Aber day slackers. These men worked on that day but their names were not checked.

PEARCE WINS THIRD IN CONTEST AT HELENA

St. Charles and Mines Get First and Second—Pearce Will Represent Montana at W. S. C.

Matt Pearce, winner of the Aber Oratorical contest, won third place in the Intercollegiate Oratorical contest held in Helena last Friday, and was named one of a committee of three which will make arrangements for the intercollegiate contest to be held next year. Mr. Pearce will represent the University at the Interstate Oratorical contest which is to be held at Washington State College, Saturday, May 13, when colleges from Idaho, Washington, California, Oregon and Montana will come together to compete for forensic honors.

William B. O'Leary of Mount St. Charles College, who spoke on "Halt the March of Federal Empire," won first place in the contest in Helena, while Mr. Carroll of the Butte School of Mines spoke on "Between the Infinities" and won second honors. Mr. Pearce's address was "Talking Points of the College." Other contestants were from the State College at Bozeman, Billings Polytechnic and Montana Wesleyan. The contest was inaugurated by the Montana Wesleyan University, and is to be made an annual event. Dean Lemon of the Wesleyan, Mr. Scott of the School of Mines and Matt Pearce will make arrangements for the next contest.

NOTICE.

The joint meeting of the Areme club and the Trowel club will be postponed from May 9 to May 16.

NOTICE.

Anyone having a car which they can place at the disposal of the entertainment committee for Interscholastic track meet please notify Billy Wallace, telephone 534.

NOTICE.

All Freshmen and Bear Paws are requested to report Saturday morning to work on the track. Other students who are interested in the track meet are urged to be there.

STEVE SULLIVAN.

Miss Ruth Charles has gone to her home in Butte, and will return to the University in 10 days.

The Grist

"The mills of the gods turn slowly, but they grind exceeding fine."

Gob Sez:

A co-ed is something like a radio. You hear a lot of talk but never think much about where it comes from.

Why, Tell Us Why.

Why be so gloomy? Why be so sad? If you're broke and hard up, just write to dad.

And he'll disappoint, have never a doubt

And your good plan of payment he will suddenly rout.

He doles out the shekels a few at a time

And imagines your world will run smoothly and fine.

If he gave you five hundred you'd always be broke.

This going through college I claim is no joke.

Your clothes in the laundry, they came C. O. D.

With a note on a paper, "We don't wash clothes free."

The cleaner wants "jack" for the suit he has pressed,

The rest are all anxious and give you no rest.

Fussin's expensive, and there's a run of good shows,

With eatin' just after, well that's how it goes.

Liquor's expensive, bootleggers must live,

You have got to consume it for the kick that it gives.

All your socks are departing, the holes in the feet

Keep spreading and growing and ah at once meet.

But what's the use raving, you know all the dope,

We'll all hang ourselves if we get enough rope.

The Niagara joke is pretty rapid and is pretty sure to fall.

When a man joins a lodge nowadays he has to have a wardrobe.

Our Girl.

She says she has eaten a whole lot of things but never track meet.

The Royal Order of Kerosene Burners.

He puts so much confidence into a line of hot air that he is beginning to dress like a matador.

A dress suit is something that some people make a living renting.

They make the guy who ain't in society realize how lucky he is.

They are universally worn to a blow-out where it costs ten dollars' worth of admittance for six bits' worth of fun.

They were manufactured for the purpose of reminding us that this old world isn't all happiness.

FACULTY WOMEN ENTERTAIN WITH PROGRESSIVE DINNER

A progressive dinner was given the senior girls by the faculty women last Wednesday evening. The dinner was served at the home of Mrs. C. H. Clapp, and the dessert at the home of Mrs. R. H. Jesse.

After the dinner, the girls gathered at the home of Mrs. William Bateman, where entertainment was provided by the faculty women. The stories of Mrs. A. A. Applegate, Miss Ellen Geyer, and Mrs. Clapp, together with the ballads sung by Mrs. Merriam added greatly to the pleasure of the guests.

The dinner for the senior girls is an affair that is given each year by the faculty women.

Angland Leads in Swearer's League

In the basement of Main hall they work. Their tiny work-shop is called the mimeograph room. They, the workers, are five in number. Most of our exams are typed by them. Professors call and dictate long and short letters to them. "Efficiency" at any cost is their watchword.

But the five have one very terrible habit. Sh—h, they swear. When the rumor reached the reporter he was dubious. Then he went down the steps of Main hall and peeked into the busy room. The rumor was true. There on the wall was a "swearers' chart." Delicate questions brought out the system by which the chart is operated. Every time one of the five spouts a naughty word a black mark is placed below the name of the offender. Each mark costs the "swearer" one cent. On a shelf above the list is a yellow box. The box is very heavy. The life in the mimeograph room must be conducive to tongues that go wrong.

The following list is the spring average of the members of the "Swearers' league." Miss McGonagle is an honorary member.

Angland	83
Newman	82
Scrogen	55
Morris	51
Frohlicher	16
McGonagle	6

CAMPAIGN STARTED TO CONVERT INSURANCE

A campaign for the purpose of reinstating and converting United States government insurance policies of ex-service men and women is being carried on in District No. 10 of the veterans' bureau which includes Minnesota, North and South Dakota and Montana.

Insurance may be reinstated any time up to March 3, 1926, but there are several advantages in signing up during the campaign. A smaller premium may be secured by reinstating policies now and a cash loan value will begin building up at once.

The government offers six different forms of insurance into which ex-service men may convert their former policies. Communications from Montana men will receive immediate attention if addressed to the U. S. Veterans' Bureau at Helena or Missoula.

CAMPUS IS SURPRISED BY SENIOR SWING-OUT

Braving a high wind and a general stormy atmosphere, the senior class swung out last Tuesday afternoon at one o'clock. The parade came as a surprise to the student body, as it is customary for the members of the senior class to swing out at some student gathering.

The plans for the annual affair were all formulated, and the swing-out was to have taken place that morning at convocation, but it was found to be more advantageous to postpone the swing-out.

Undaunted by the disappointment, the juniors secured the caps and gowns of the seniors and staged the celebration themselves, half of the members donning the senior garb and the other half wearing the customary bathrobes.

DUFFY ELECTED PRESIDENT.

Earl Duffy was elected president of Sigma Delta Chi, national journalism fraternity, at a meeting Wednesday morning. Duffy is a junior in the school of journalism. Other members elected were: Ted Ramsey, vice-president; Alfred Schak, secretary; and Roy Tillman, treasurer.

UNIVERSITY BAND MAKES PROGRESS

Twenty-Eight of Twenty-Nine Members Will Return Next Fall —Wilson Leaves.

From present indications the State University band will have one of the best school military bands in the northwest with 28 of its 29 members returning to the University next year. The only man who will not return is William Wilson, solo cornetist and president of the band.

Wilson, who has been connected with the band for the past three years, receives his diploma and B. A. degree from the mathematics department.

During the present term much interest has been developed in band work and a regular turnout of 30 men has kept up the morale. The Y. M. C. A. hut, built during the war, has been used for practice.

This year seven of the band players will be given the band award, a token of appreciation by the University for their work. The awards have been already ordered by the A. S. U. M. and will be presented to the bandsmen upon their arrival.

The Junior Prom to be a Formal Dance

The Junior Prom which is to be held the 26th of May in Greenough park pavilion, is to be a formal dance as has been the custom in previous years. This is the decision of the junior class executive committee. There had been considerable comment regarding the normality of the dance and rumors were spreading about that it was to be informal—the rumor was unfounded and the dance is to be a strictly formal affair, but without flowers.

A junior class committee has been formed to collect dues from each member of the class, this money to go toward helping to defray the expenses of the ball. The dues for the men are \$2.50, payment of which entitles them to admission to the dance. The girls are to be assessed \$1.50 for their share in the expense. When junior men pay their dues they will get a receipt, which they will have to present to the ticket seller for the dance ticket. It is therefore imperative that each member hang onto the receipt for dues. As has always been the custom senior men will be admitted free of charge. For freshmen and sophomores and all outsiders who wish to come the fee will be \$1.50.

Bill Hughes has been named chairman of the dance. In speaking of the plans he said: "We are going to have an unusual dance, with unusual forms of entertainment. The seniors are to be given favors that will identify them from the rest of the crowd, and there will probably be favor dances for seniors, too. Different programs and different looking decorations will help to make it the best dance of the year."

W. M. JOHNSTON TO SPEAK TO LAW STUDENTS TODAY

W. M. Johnston, an attorney at law of the firm Johnston, Coleman and Johnston, at Billings, will speak to the students of the law school at the State University today at 2 o'clock.

Mr. Johnston's talk is one of the series of lectures that are being given here during the year to the law school students by prominent attorneys of the state and members of the bench.

Attorney Johnston's daughter, Margaret, is a Junior in the University.

Doctor J. H. Underwood, head of the economics department, returned to school Wednesday after an absence of three or four days on account of illness.

WOMEN CANDIDATES OUTLINE PLATFORMS

Election of Officers Wednesday at 11 O'clock in Main Hall.

All the candidates for the offices of the W. S. G. A. were given an opportunity to explain their platforms at a special convocation yesterday morning at 11 o'clock in Main hall.

The meeting was called by Lillian Christensen, president of the organization. Mrs. Harriet Sedman, dean of women, spoke briefly of the importance of the W. S. G. A. and urged the cooperation of all members of the organization. She also thanked the girls for the support they have given her during her first year's work as dean of women in Montana.

The election of officers is to take place next Tuesday from 9 until 5 o'clock in Main hall. At this time the women of the University will have the opportunity of voting for their choice of the following candidates:

Mary X. McCarthy, Irma Stark and Florence Sanden for president; Solvay Andresen, Catherine Hauck and Catherine Small for vice president; Reta Jahreiss and Doris Gaily for secretary; Helen Newman, Genevieve Petzolt and Eleanor Fergus for treasurer.

Following the election next Tuesday evening there is to be a rally for all the women of the University.

UNIVERSITY BAND WILL PRESENT NEW PROGRAM

Complete Repertoire of New Pieces Will Be Given During Track Meet.

The University band will render a complete selection of new pieces and a new program during the nineteenth annual interscholastic track meet next week for the benefit of the visitors and to lighten the straight run of events.

Thursday and Friday the band will parade through the business section of the city between 1:30 and 2:10 p. m. preceding the meet. During the meet selections will be interspread between events. They will also give a final rendition at the close of each day.

The University band numbers about 30 members. There are 10 or 12 men on the campus who have not yet joined the band and do not appear at regular band practices whose addition to the present 30 pieces would be welcomed. The band is in need of a larger number for the coming meet. A special rehearsal of the pieces to be played next week will be held this coming Tuesday. Those who are willing to offer their services during the track meet are cordially invited to attend this rehearsal.

Symphony Orchestra Begins Practice For Commencement

Rehearsals of the University Symphony orchestra will begin again on Wednesday, May 17, at 7:30 p. m. Professor A. H. Weisberg, the director of the organization, has selected a program which will be played at commencement on Monday, June 12, in the gymnasium. This will be the only public performance of the orchestra until next fall. The program follows:

Turkish March (Ruins of Athens)
Beethoven
Traumerei Schumann
Minuet, E Flat Symphony Mozart
At the entrance of the graduating class, the orchestra will play the Grand March from the opera "Aida" by Verdi.

JOURNALISM FRAT TAKES IN FOUR MEN

Sigma Delta Chi, national journalistic fraternity, initiated four men into membership at a meeting last night in the journalism building. The members are:

Bertram Guthrie, '23; William Flaherty, '24; Harry Houle, '24, and Robert Fredericks, '23.

A banquet at which Dean A. L. Stone of the school of journalism presided, was held this noon at the Florence hotel.

FOUR CAMPUS ORGANIZATIONS GUESTS OF HOME EC CLUB

The Home Economics club entertained the Art league, Pharmacy club, Chemistry club and the Social Science club Wednesday evening in the new Science hall.

The program consisted of an illustrated talk by Miss Madge McRae, who lectured on the various periods of art. Miss Helen Faick made a sketch of Helen McGee; a farce, by two members of the Home Economics club; tricks with chemicals by Norvell Sager of the Chemistry club.

After the program, refreshments were served by the members of the Home Economics club.

FINAL PLANS FOR MEET COMPLETED BY BEAR PAWS

Final arrangements for track meet were made at a meeting of Bear Paw Thursday night. Billy Wallace was put in charge of the cars to trains on which contestants will arrive.

"All persons who can offer the services of a car for meeting the teams are requested to turn in their names either to Billy Wallace or to me," said Roger Deeney. "The turn-out so far is encouraging but we do not yet have a sufficient number to carry out our work successfully."

The contestants will begin arriving in Missoula Monday and the last teams are expected to be here by Wednesday. The work of the Bear Paws will be over Wednesday night as they plan only to meet the contestants. The majority of teams are expected Tuesday and cars will be needed most on that day and night also, according to Deeney. "We expect to be up all Tuesday night," he said, "as 70 per cent of the teams will arrive then."

Ritchie Newman of Helena was elected Left Paw to fill the vacancy created when Jack Baggs left school at the end of the fall quarter.

WOODCRAFT CLASS TO MAKE LONG HIKE SATURDAY

The class in woodcraft plans to make its longest hike of the quarter this coming Saturday. Members of the class will meet at the Forestry building at 8:30 Saturday morning with their lunch and make their trip over either Mount Sentinel or up Spring Gulch.

Dean Skeels will accompany the class and will endeavor to acquaint the students with the various trees found in this part of Montana.

"HER HUSBAND'S WIFE" WILL BE REVIVED SOON

**Glee Club and Quartet To Appear
With Cast Here on
May 12.**

"Her Husband's Wife," a farce-comedy by A. E. Thomas, which was produced last year and presented on tour throughout the state, is being revived by the University Masquers under the direction of Alexander Dean and will be shown at Orchard Homes tomorrow night. It will be played Friday, May 12, at the high school auditorium, at which time the Glee club and Varsity quartet will also appear.

Raymond Nagle, who has been prominent in University dramatics for the past two years, will play the part of John Belden. Theodore Ramsey, as Stuart Randolph, earned much applause on the presentation of the play last season. He will be remembered for his work in the Russian play, "He Who Gets Slapped," which was staged during the fall quarter.

The cast is as follows: Stuart Randolph, Theodore Ramsey; Richard Belden, Russell Niles; John Belden, Raymond Nagle; Irene Randolph, Mary Elizabeth Doerr; Emily Ladew, Florence Sander; Marie, Hazel Watters.

"Her Husband's Wife," which ran for two years in London and a year on Broadway before it went on the road, made a two-weeks' tour of the state last year, making a total of 15 performances.

The following staff is in charge of the production: Properties, Frances Carson; stage manager, Bill Hughes; prompter, Ella May Danaher; advertising manager, James Dorsey; press agent, Celia Anderson; makeup, Mrs. R. H. Jesse.

FORESTRY CONVENTION TO BE HERE NEXT YEAR

The third annual convention of the Intercollegiate Association of Forestry Clubs will meet at Missoula next year, according to a telegram received by Dean Skeels from the convention which met at Syracuse April 17 to 23.

Oregon Agricultural College and Pennsylvania made bids for the next convention. Montana received 10 votes, O. A. C. two votes and Pennsylvania two. The University of Washington delegate supported Missoula as the convention city. Montana did not send a representative to the convention at Syracuse but sent their proxy to Professor Fenska, a former faculty member here.

The convention next year will be held the latter part of April or early in May in the new forestry building. A convention of the lumbermen and foresters of Montana will probably be held at the same time.

EDWARD ROSENDORF WILL GO TO ALASKA

Edward Rosendorf, a former journalism student at the University, has resigned as city editor of the Missoula Sentinel and intends to spend the next few months, at least, in traveling.

Rosendorf was managing editor of the Kaimin in 1919. In January, 1920, he accepted a position on the Sentinel where he has worked since. He will leave next Monday for his home in Sandpoint, Idaho. After a short visit there he will leave for Alaska. He has not accepted a position in Alaska. He expects to travel around a good deal before going to work there.

Lloyd Lockwood, also a former student, will accompany Rosendorf.

ILLUSTRATED LECTURE GIVEN BY MISS GEYER

A lecture by Miss Ellen Geyer on the Art Institute of Chicago, illustrated by slides, followed by the Delta Phi Delta art exhibit was held last night in the art studio.

The Montana chapter of Delta Phi Delta was represented by nine oil paintings by Helen Faick. Five other chapters, Wisconsin, Kansas, Art Institute of Chicago, Washburn College, Topeka, and Minnesota were represented.

During the showing of the paintings, Miss Faick sketched a portrait of Estelle Hayward.

After the lecture the pledges of Delta Phi Delta served a Bohemian tea, with Miss Myrna Booth in charge of the serving.

INTER-FRAT BASEBALL SCHEDULE FINISHED

Interfraternity baseball is the subject of much enthusiastic discussion this year and prospects indicate some very good games. The games will be played on Varsity diamond by the elimination plan and the series opens Monday, May 15, at 4 o'clock, when Sigma Chi meets A. D. A. The remainder of the schedule follows:

Tuesday, May 16, 4 p. m., Iota Nu vs. Phi Delta Theta.

Saturday, May 20, 9 a. m., Karnak vs. Sigma Alpha.

Saturday, May 20, 10:30 a. m., Sigma Nu vs. Sig. Ep.

Semi-Finals.

Tuesday, May 23, 4 p. m., winners of Sigma Chi-A. D. A. and Phi Delta I. N. games.

Thursday, May 25, 4 p. m., winners Sigma Nu-Sig. Ep. and Karnak-Sig. Alpha games.

Finals.

Tuesday, May 30 (time to be set later).

The dopest finds Manager "Midge" Griffith of the Phi Deltis promising a good scrap with his Simmons-Axtell battery, backed by Phil Keene of City league fame, Grant Silvernail and Deeney. Iota Nu has a strong lineup with the veterans Barry and Bill O'Neil and "Chic" Guthrie, the Frosh catcher. Ed Madsen will probably do the pitching. Gallagher and McSpadden, pitching to Luke Denney, and supported by such stickers as Dixon and Durrant, will make Sigma Nu a formidable contender. Hudson, with his spitball, or Bue, the Frosh twirler, will take the mound for Sigma Phi Epsilon, with the veteran "Chief" Myers behind the bat. Driscoll will take care of everything that finds its way into shortstop territory. Porter will again pitch for Sigma Chi. Stowe, Baird and Kent will be other strong members of this team. Alpha Delta Alpha will depend on Maudlin and Kain in the box, with Thompson, Cogswell, Warner and Rainey filling the infield holes. Opponents of the Karnak Klub will face Baehm or Mallory, with Watson behind the bat. Sigma Alpha will also make its initial appearance in interfraternity athletics, with Burtness and Popham doing the heavy work.

McQuay and Kain Are New Senior Officers

Ruth McQuay was elected secretary and Ronald Kain treasurer at a special meeting of the senior class held last Monday afternoon in the auditorium of Main hall.

Plans for the writing of the class will and history were also discussed and another special meeting will be held next Monday afternoon at 4 o'clock in the auditorium to appoint a committee to take charge of having the class will and history ready for class day.

M CLUB TO DECORATE CITY FOR TRACK MEET

An extensive program for the decorating of the campus, the business houses in Missoula and, if possible, the fraternity and sorority houses was adopted at the meeting of the M club held yesterday afternoon.

Displays are to be placed in the windows of the stores and representatives of the M men are negotiating with the chamber of commerce, in Missoula to co-operate with them in making the Garden City live up to its country-wide reputation for the entertainment of visitors at conventions and meetings.

Large banners of welcome will be placed at each of the railroad stations. Signs showing the way to the University will be fastened to the posts along the road to the University. The lamps around the oval will be decked with Montana colors and a display of trophies and cups won by Montana teams will be placed in Simpkins hall where the visiting athletes will be able to know the record of the Montana teams.

The Bear Paws and a number of the freshmen will work under the direction of members of the M club to complete the arrangements for the biggest track meet ever held at Montana.

Members of the classes in sign writing will make the show cards needed for the windows. The fraternities and sororities will be asked to contribute pictures and trophies for the displays.

For results advertise in The Kaimin.

Colonel Falls Will Inspect R. O. T. C.

Formal inspection of the Reserve Officers' Training Corps will be conducted Monday, May 8, by Colonel Falls of the ninth corps area and will be in the nature of a competitive drill. Colonel Falls specializes in close order drill and it is probable that all officers and non-commissioned officers will be called upon to drill their units. A ranking will be made and the three colleges whose units make the best showing will be given the title of honor colleges. Members of these units will be entitled to wear a gold star on their left sleeves.

ONE BRAND- ONE QUALITY- One Size Package

All our skill, facilities, and lifelong knowledge of the finest tobaccos are concentrated on this one cigarette—**CAMEL**.

Into this **ONE BRAND**, we put the utmost quality. Nothing is too good for Camels. They are as good as it's possible to make a cigarette.

Camel **QUALITY** is always maintained at the same high, exclusive standard. You can always depend on the same mellow-mild refreshing smoothness—the taste and rich flavor of choicest tobaccos—and entire freedom from cigaretty aftertaste.

And remember this! Camels come in one size package only—20 cigarettes—just the right size to make the greatest saving in production and packing. This saving goes straight into Camel Quality. That's one reason why you can get Camel Quality at so moderate a price.

Here's another. We put no useless frills on the Camel package. No "extra wrappers!" Nothing just for show!

Such things do not improve the smoke any more than premiums or coupons. And their added cost must go onto the price or come out of the quality.

One thing, and only one, is responsible for Camels great and growing popularity—that is **CAMEL QUALITY**.

Camel

BASEBALL SEASON TO OPEN NEXT SATURDAY

(Continued from Page 1.)

owles Blair will be the official photographer for the University. Roy Allen is in charge of the sale of programs. The programs will be similar to those of last year, containing both fast ball pitchers. Cold rather has worked a particular hardip on the boxmen, and only on rare occasions have they opened up. Coach Schreiber, however, is not worried. All them are veterans of proven ability and can be counted on to produce when the time comes.

As was the case last year, Higbee will work at short when not pitching and center will cover the initial sack during rest periods. When pitching Wieden will guard his position. O'Neil will probably be called upon the plug the hole in the infield when Higbee is pitching. He will also work as second string catcher.

Montana will face three strong opponents on the trip. Idaho has already tipped W. S. C. and Oregon; while Washington has four wins over Oregon and O. A. C. to her credit. Gonzaga recently lost to Whitman, but is reported to have a fast, hard-hitting nine.

Following is this year's schedule:
May 6—St. Charles at Missoula.
May 8 and 9—Idaho at Moscow.
May 10 and 11—Gonzaga at Spokane.
May 12 and 13—Washington at Washington.
May 16 and 17—Aggies at Missoula.
May 19 and 20—Gonzaga at Missoula.
May 25—St. Charles at Helena.
May 26 and 27—Aggies at Bozeman.
June 1, 2 and 3—Idaho at Missoula.

42 CONTESTANTS TO ENTER IN TRACKMEET

(Continued from Page 1.)

and teams of last year. The Kiwanis club of Missoula is going to award a three-year cup. The basis for the award is not yet determined.

Officials Chosen.

The officials for the track meet are as follows: Referee, James Bonner; starter, George Varnell; assistant starter, James Brown; clerk of the course, D. D. Richards; assistants, Edward Rosendorf, Shorty Whisler and Dexter; weight judges, E. C. Mulaney, A. Lucy, Dr. Nelson, T. McGowan and E. Holmes; jump judges, H. Orbis, A. Drew, M. McCullough, G. Porter, P. Brown and C. Baker; finish judges, A. L. Whitlock, F. Campbell, G. Weisel, B. Bierman, Varner, Peg Lang and J. Teevan; timers, S. Coffee, J. Higgins, F. Sterling, H. O. Bell and R. Willard; scorer, T. Swearingen; assistant scorers, L. Dennie and T. Miller; score board, W. Reely, R. Stark and K. Murphy; checking clerk, Freeman Daughters; assistant, Sargeant; chief inspector, W. E. Schreiber; assistants, Steve Sullivan, Robert Egan, Arthur Jacobson and Oscar Anderson; equipment, Chester McNair; assistant, Stanley Griffiths; announcer, Pat Healey; assistant, Wilkinson; marshals, Captain Walton, Chief Moore and officers; track attendants, K. McKoim (in charge), Charles Joy, Harvey Elliott, Arle Duffy, Charles Roberts, Gordon Anner, Ted Ramsey and Ray Murphy; field attendants, James Harris (in charge), James Dorsey, Cramer, Ted Lummer, Ralph Christie, Ernest Paralee, Harry Rooney, Alva Straw. Peg Lansing will have charge of the tickets and will be assisted by W. Ames, Sidney Cox, P. W. Graff, G. W. Howard, X. Newman, H. G. Owen, J. Suchy, Bailey, E. Finch and William Jameon.

Miss Rachel Jordan has gone to her home in Columbia Falls for two weeks.

INDIANA BASEBALL TEAM MAY PLAY HERE

A game with Indiana University, one of the best nines in the Big Ten conference last year, may be played here the latter part of May if negotiations, now under way to have them stop over on their return from the Orient, materialize.

Coach Schreiber declared yesterday that he was hopeful that the match could be arranged for some date between May 27 and June 1. During its stay in the Orient the Hoosier nine lost but two games, both by close scores; one to the University of Tokio and the other to Waseda university.

"I am anxious to meet this outfit," declared Schreiber. "We'll be in shape for the best of them by that time and a game or two would afford us a splendid chance to show what we have in the line of baseball talent."

ALPHA PHI AND D. G. ARE EASY WINNERS

Alpha Phi won from Theta and Delta Gamma defeated the Chelys club in the second series of games in the girls' baseball tournament Wednesday.

The Theta-Alpha Phi game was a one-sided affair, the score being 37 to 4. The winning team has an exceptional pitcher in Sol Andresen who displayed real baseball sense in the fielding of her position and also contributed homeruns, triples and doubles to her team's benefit. The Theta team fielded poorly and did not seem able to connect with Sol's offerings. Rosalind Reynolds and Irma Wagner did the best work for Theta.

The Delta Gamma-Chelys game was more interesting, the score being 25 to 16. The D. G. team was consistently good at bat and in the field. Doris Haviland and Audrey Burt, batteries for Delta Gamma, played well. Isabel Sutherland, catcher for the Chelys club, put up a good game.

BEAR PAWS TO GET NATIONAL CHAPTER

The University Bear Paws have received word that they will be installed this month as a chapter of Intercollegiate Knights. A petition was sent in for a chapter during the winter quarter.

The Bear Paws were organized the fall of 1920 to take care of visiting teams and to support all University traditions. The organization which they petitioned is made up of similar organizations in other universities and colleges. Jack Fields, president of the Knights of the Hook chapter of the University of Washington, will install the chapter here. The local chapter will be known as the Bear Paw chapter.

The installation is to take place May 19 and 20. A banquet will follow the installation.

INTERFRATERNITY RELAY IS EXCITING UNUSUAL INTEREST

The Interfraternity relay which will be run next Saturday after the Interclass track meet, has been attended by more than the usual interest and rather more than the usual amount of training. There will probably be seven entries and the race will be run in one heat. Places will be drawn before the race and the runners in the outside lanes will be given the usual handicap. The first 220 yards will be run in lanes, but thereafter the runners may choose their track, required only to pass the baton in their own lanes to avoid confusion.

SPORT SPARKS

Next week we all will have an opportunity to make the records of Grizzly team mean much to the high school students that are coming to the track meet. Boost the varsity, it is your school.

Steve Sullivan won his eleventh letter at Seattle Saturday when he placed in the special hundred-yard dash. No one will ever be able to equal the "Fightin' Harps" record, because of the three-year playing rule.

A press dispatch says, "Washington University finally loses a game." With reasonable luck the dispatches at the end of next week should say, "Grizzly Gang Gallops to Win Over the Webfoots at Washington University."

The Montana pentahaion men, MacGowan and Schaffer, who competed at the Relay Carnival, said that the field was a sea of mud. Even so they placed first and second in the discus hurl.

Even though the Grizzlies didn't win first at Seattle, they left schools like Washington State, Idaho and Oregon in the rear.

Sunday morning the varsity baseball team leaves for its western trip. Good luck, you wrecking crew, every student at the University is pulling like H—I for your success.

The Vandals at Moscow are mighty cocky over their baseball victories this year. We know that if fight will win the members of the Montana team are due to make the Idaho gang think long of their early season victories.

Miles Romney, a member of the famous relay team of two years ago, is out working to get in shape to run the low hurdles in the meets to be run later in the year.

Miss Helen McCloud of Craig Hall is spending the week-end at her home in Butte.

PHI DELTA THETA WINS FIRST GAME OF SERIES

Bests Sigma Chi Team in One-Sided Contests; More Games Today.

Phi Delta Theta was victorious in the opening matches of the interfraternity tennis matches, played yesterday afternoon on the city courts against representatives of the Sigma Chi fraternity. Preliminary matches between A. D. A. and Iota Nu, Sigma Alpha and Sigma Nu and S. P. E. and the Karnak Klub will be played today and Saturday on the Greenough courts.

Kenneth Simmons, playing number one on the winning team, had little trouble in defeating Neil Wilson, 6-1 and 6-3, while his teammate, Richard Keene, won over Roy Allan, 6-4 and 6-1. With the exception of the first match of the latter set, the games were all one-sided. Simmons is one of the greatest net artists in the United States and Rocky Mountain singles champion. In his match with Wilson he led all the way, though the latter made some pretty shots.

The doubles between these two organizations will be played at 4 p. m. today on the Greenough courts.

The interfraternity championship will be decided by elimination, it was decided at a meeting yesterday between managers of the various teams. From among the winners in the preliminary matches four teams, scoring the highest number of points will play the semifinals. The final winner will be decided by elimination.

A MASTERPIECE IN ARCHITECTURE

NEW GYM WILL BE ONE OF BEST IN WEST; TO BE FINISHED IN FALL

A new gymnasium, facing one of the largest athletic fields in the west, situated at the foot of Mount Sentinel, will house Montana's future athletes. The new structure, from the Grecian sculpture on the exterior walls to the flood-lighted halls with terra cotta floors and marble wainscoting leading to the athletic rooms and a plunge will be a distinct achievement in the largest athletic fields in the leading to the athletic rooms and its gymnasium construction.

The building will face the new athletic field. It will be adorned with Grecian facing and figures. A granite approach to the entrance with a cluster of lights on either side will lead to the swinging doors of the entrance.

Face Oval Drive.

The main entrance will face the oval drive. An immense window, 23 feet wide and 21 feet high, rising just above the doors, will shed light into the large reception hall on the first floor and into the corridors of the entire building. The windows will be divided into small squares similar to those in French windows and will be cut into three sections by large attributes running from top to bottom.

Pool.

The pool will measure 9 feet 6 inches at its deepest point. At the shallowest it will be four feet and immediately under the diving board seven feet deep. The pool will be 60 feet long and 25 feet wide. A continual flow of water will keep it clean at all times. Extra ventilating pipes will keep the air changing constantly, and windows will be set high in the walls to avoid draft. The interior will be decorated with Grecian images.

Adjacent to the pool and leading into the gymnasium proper two shower rooms will be located. Each will be sufficiently large to accommodate gym classes with hot or cold water at all hours of the day.

Rest Room.

Meeting the need for a rest room for girl students at the University and replacing the one in Main hall will be a room opening at the rear of the women's locker room, filled with leather couches and reclining chairs. Along the walls of this room will be bookcases and mirrors for the convenience of the feminine students at the University.

Large Basketball Floor.

The first floor of the building will be given over almost entirely to the main gymnasium floor and basketball court, which will be the largest in Montana, ranking with the best in the United States. The floor will cover a space 138 feet long and 75 feet wide, surfaced with 9,216 cubic feet of hard maple.

A basketball court 90 feet long and 50 feet wide will be marked out on the surface. At either end will be overhanging baskets with glass backboards. This court, for size, will put the university's basketball in the same class with that of the best northwest conference floors.

Too much cannot be said of the equip-

ment that will be installed in the gymnasium proper. All athletic traps necessary will be provided for exercises. Nothing in this line will be omitted.

The walls will contain enough weights and pulleys to accommodate large classes. There will be an exercise rack at one end of the hall. Horses, horizontal bars, horizontal ladder, parallel bars, exercise bars, and Indian clubs will be arranged about the edge of the floor. From the ceiling will hang a swinging ladder, swinging rings, scaling ropes, swinging bars, and a trapeze. All minor details along lines of athletic traps such as medicine balls will be numbered among the necessary equipment.

An inside track will overhang the gymnasium floor. Plenty of space will be left between the foul lines of the basketball court and the walls for apparatus.

4000 Seating Capacity.

The gymnasium will seat approximately 3,000 people without crowding. Bleachers will line the sides of the court for the game and in case of emergency the overhanging track may be utilized and will raise the seating capacity to about 4,000.

It is here the gym classes will work out and the varsity will train for various sports.

Over the shower rooms a special space will be set aside for classes in boxing. This will be complete with all necessary equipment for this sport and will be called the boxing room.

A class room and a store room will occupy the remaining space on the first floor. The second floor will also have two class rooms, the largest space will be the balcony and running track.

Indoor Track.

The running track will be 17 laps to the mile. It will be banked and will have a thick flooring of rubber linoleum. In inclement weather, inside racing and practice will be held here.

Not alone is the institution to have one of the best and most modern gymnasiums in the west but the old athletic field, the scene of state interscholastic track meets, will be torn up and replaced with a new field, the plans of which are now completed, and include the construction of a grandstand which will hold 5,000 people.

New Athletic Field.

The new field will be located directly at the foot of Mount Sentinel. The track at the north end cutting the old field in half and at the west end running close to the entrance to the new gymnasium. It will be standard size, being a quarter of a mile around. Cinders will cover the top to a depth of 18 inches.

A regular straightaway of 342 feet with a 220-yard straightaway on one side will eliminate a handicap of the former track. The new field will be narrower and longer than the former. There will be two 10-foot square jumps for the pole vault and high jump events, and a jumping pit five feet wide by 20 feet long will be added for the broad jump.

The football field will be in the cen-

ter of the track. Sod will be planted over the field, which will have a gravel substratum and proper drainage to keep it from becoming soggy in wet weather.

The entire field will be inclosed with an eight-foot woven fire fence. No place will be provided for parking of automobiles and the stables will accommodate spectators, with the exception of the space for teams and the press.

The combination of new gym and ath-

letic field coupled with the ideal altitude, will give the University of Montana distinct advantage in both setting and adaptation for her athletes of the future.

NOTICE.

A meeting of the Episcopal club will be held at the Parish House Sunday May 7. Supper, 25 cents.
