A. S. U. M. CANDIDATES PRESENT PLATFORMS

Primaries Will Be Held May 17—Finals to Take Place May 19.

Candidates for A. S. U. M. offices presented their platforms this morning at a special convocation held in the auditorium of Main hall at 11 o'clock. Proposed amendments to the constitution were also discussed.

The primary election will be held tomorrow, May 17, and the final election will take place Friday, May 19. The proposed sinking fund by-law and the proposed athletic by-laws will be voted on at the final election. Those offices for which there are not more than two candidates will not be voted on until Friday at the final election.

The candidates for the various positions are: President, Harold Baird; secretary, Spencer and James Murphy; vice president, Solvay Andresen, Wyema Woolverton; secretary, Irma Wagner, Margaret Keough, Alice Hanson; manager, Harry Rooney; editor of the Kaimin, Robert Fredericks; Catherine Small, William Cogswell; bell king, Bill Hughes, Roy Allen, Jack Rice.

MASQUERS GIVE PLAY FOR STUDENT VISITORS

Glee Club Sings When Medals Are Given Winners Friday Night.

"Her Husband's Wife," a farce-comedy by A. E. Thomas, presented by the University Masquers, was a feature of the program given Friday, May 12, for track meet visitors at the high school auditorium. The University Glee Club, under the direction of De Loss Smith of the school of music, sang several songs. Team trophies and individual medals were presented to victorious contestants between acts of the play by President C. H. Clapp, assisted by Dr. M. J. Elrod.

Ray Nagle, as John Belden, uncle and fellow-conspirator of Irene Randolph, and Mary Elizabeth Doerr, in the role of the wife, worked together splendidly and received much applause from the packed house. Theodore Ramsey, as the husband, who, during the course of the play, gets drunk, brought many laughs.

The program, which officially closed the annual interscholastic track meet, was given this year in place of the usual Jollyup dance held formerly in the gymnasium after the awarding of medals.

FORESTRY KAIMIN TO BE OUT LAST WEEK IN MAY

The Forestry Kaimin will not be out until the last week in May, according to the latest information. The several delays have been due to the great difficulty in financing the magazine which is to be very elaborate this year, the editor announces.

Members of the Forestry club were assessed \$1.50 at the beginning of the year to help pay for the paper but sufficient advertising has not been secured to make a success of it. As a result the paper will be sold on the campus for 25 cents a copy.

OLD SENTINEL WARMS UP TO LUCKLESS KIDS

Patient and kindly old Mount Sentinel offered special seats to about 50 youngsters during both days of the interscholastic track meet. Some crowded close to the barbed wire fence that surrounds Dornblaser field in an effort to get a close-up on every event while others were perched as high as the big M and got a bird's eye view.

They were not lacking in their share of the cheering, either, and when some straining runner, giving his last ounce to cross the tape ahead of his closest contestant, needed support he was given full share of encouragement by the kiddies who were unable to dig up the coin for regular seats on the sidelines.

INSTALL BEAR PAWS IN NATIONAL SOCIETY

Actives and Inactives to Be Initiated Into Intercollegiate Knights.

Intercollegiate Knights, a national organization embracing honorary college police organizations, will be formally installed here next Saturday night. This information was given out last night by Roger Deeney, chief Grizzly of the Bear Paws.

Last February the Bear Paws presented a petition to the Knights to install a chapter here, and at a recent meeting of the national organization the petition was granted.

The installation festivities will commence next Friday evening, when the Bear Paws will give a dance at Union hall. All University students and faculty members are invited to attend. The following night the formal installation will take place, with a representative of the Intercollegiate Knights from the University of Washington chapter in charge. Following the ceremony a banquet will be given at a downtown hotel.

According to Chief Deeney, all active and inactive members of Bear Paw will be initiated at this time.

JUNIORS CALL FOR A PAYMENT OF DUES

"There are members of the junior class out collecting dues from all the members, and we must have that money if we are to make the Junior Prom a success. It costs a good bit of money to put across a dance like we want, and we wish to be sure of covering expenses before we get in too deep, so everybody must pay his dues and pay them in a hurry. We mustn't forget that the dance is only two weeks off." This is the plea of Bill Hughes, chairman of the committee on arrangements for the Prom.

This year the dance is to be strictly formal as has been the custom in the years past. The only exception to the formality is to be the observance of the rule covering flowers. There are to be no flowers at the ball.

EASY VICTORY FOR GRIZZLIES IN MEET

Egan in 440 and Cates in High Jump Set New Records.

The Grizzly track team led by Captain Steve Sullivan romped to an easy victory over the Aggies Saturday afternoon on Dornblaser field. The final score was Montana 89, Aggies 28.

From the first gun, starting the 100-yard dash, until the relay which closed the meet, the Bruins were never behind. Steve Sullivan, running for the last time on Dornblaser field, won the 100 and 220-yard dashes. In the century he and Pete Thompson left the Aggie contenders far in the rear. The 220-yard run was a repetition of the 100, Sullivan first and Thompson, running the last 100 yards with only one shoe, second.

Bunney, the distance runner of the Aggie team, won the mile when he sprinted to the tape and nosed out Luke Garvin. It was Garvin's first race as a member of the varsity squad and he looks mighty good for the future meets of the Grizzly team.

Bob Egan won the 440-yard dash and the half mile. He established a new record in the 440. His time was 51.2. The old record was made by Leo Greenough in 1906, when he ran the distance in 51.3.

Tom MacGowan, with firsts in the discus, shot and broad jump, was the high point winner of the day. Tom tossed the discus 138 feet 4 inches.

Cates was the individual star of the Aggie team. He won first in the high jump, second in the shot-put and second in the broad jump. In the high jump he broke the state record of 5 feet 11 5-8 inches when he cleared the bar at 6 feet 1-10 inch.

Plummer, showing for the first time as a Grizzly hurdler, won the high hurdles with ease. He also placed first in the javelin throw with a heave of 149 feet 2 inches.

The following is the score:

100-yard dash—Sullivan, Thompson. Time, 10:1 seconds.

220-yard dash—Sullivan, Thompson. Time, 23 seconds.

440-yard dash—Egan, Fredericks. Time, 51:2 seconds, a new state record.

880-yard run—Egan, Montana; Han-noh, M. S. C. Time, 2 minutes, 7 3-5 seconds.

Mile run—Bunney, M. S. C.; Garvin, Montana. Time, 4:48 1-5.

2-mile run—Jacobson, Montana; Bunney, M. S. C. Time, 10 minutes, 34 3-5 seconds.

High hurdles—Plummer, Montana; Roberts, Montana. Time, 17 2-5 seconds.

Low Hurdles—Roberts, Montana; McCarren, M. S. C. Time, 27 4-5 seconds.

FORMER MONTANA STUDENTS ARE MARRIED IN PORTLAND

Mr. and Mrs. Frederick A. Schlick have announced the marriage of their daughter, Marion, to Jack Sterling at Portland, Ore. The marriage took place April 22. They will be at home in Spokane after May 15.

Mrs. Sterling was a junior in the university when she left with her parents to make their home in Portland about six months ago.

Jack has a position in the Old National bank in Spokane. He was known around the campus for his ability as a track athlete.

FINALS FOR VARSITY TENNIS SATURDAY

Finals of the qualifying matches for the Varsity tennis team will be held next Saturday, according to Kenneth Simmons who is in charge. All first round matches should be played off before tonight, and second, third and fourth rounds should be finished before Wednesday, Thursday and Friday nights respectively. As fast as preliminary matches are played they should be marked up on the chart in Main hall in order that succeeding matches may be arranged immediately. Nearly all the first round singles have been played, but as yet no doubles have been completed.

STATE UNIVERSITY WILL HOLD DISTRICT SCHOOL

To Have Summer Session for Teachers in Federal Indian Service.

The University of Montana has been designated by the federal government as one of eight schools in the United States to have a summer school this year for the teachers in federal Indian service. This summer school will be held for the benefit of all teachers in the Indian service of the Rocky Mountain district, which includes the states of Montana, Idaho, Wyoming and Utah under the district supervision of James H. McGregor of Helena.

H. B. Pears, supervisor of education in Indian service, in a circular letter to the heads of the education departments of these eight schools states: "The purpose in designating a school or schools in each supervisor's district is to co-operate with instructors in economizing in the matter of traveling expenses and at the same time to get large enough groups of instructors together to make it possible for the district superintendent to hold round-table conferences on subjects of special interest to those employed in the Indian summer schools."

From this time on teachers in the Indian service will be expected to attend designated summer schools at least every two years.

Y. W. C. A. SONG CONTEST TO CONTINUE A WEEK

A back issue of The Kaimin carried a story of a Y. W. C. A. song contest for the composition of a song to be presented by Montana delegates at the Seabeck conference. This contest was to have closed yesterday, May 15, but as not enough songs have been turned in, the committee has decided to extend the time one week. The prize offered for the best song is five dollars. Any student may compete.

Irene Hathaway, chairman of the music committee, is especially anxious that several songs, with or without original music, be turned in to her. A competent committee will judge these songs and award the prize. The songs need not deal directly with the Y. W. C. A. but should reflect the spirit of the association. Further information concerning the type of song desired may be had from Miss Mary McGonagle, student secretary, or Ovidia Gudmun-sen.

MAY FETE WILL GIVE HISTORY OF MONTANA

Committees Are Making Plans for Pageant on May 17.

May fete for 1922 will be given the evening of May 27 on Dornblaser field, according to Miss Frances Carson, chairman. The fete will include three episodes of Montana history with dramatization and dancing.

The first episode consists of Indians and pioneers with a dance by the Indian spirits. The second episode includes a dramatization of miners with dances given by the spirits of copper, silver and gold. The last episode is a picture of present day life with a dance by Ceres and her followers. Through all the dramatization, the three figures representing art, science and brotherly love play an important part.

The dramatic work is being directed by Alexander Dean assisted by Francis Pope, Genevieve Petzoldt and Eleanor Fergus. The committee in charge of the dances consists of Dorothy Moore, Doris Gaily and Ruth Dougherty. Grace Buford is in charge of the field, Marjorie Bullock, scenery; queen and retinue, Ella May Danaher; costumes, Louisa Sponheim; properties, Irma Wagner.

Field practice will begin next Monday.

HERE'S YOUR CHANCE!

Tomorrow the A. S. U. M. primaries will be held.

Once a year there is a general campus election to determine the students who are going to be the leaders of the life of the student body for the ensuing year. This event is easily the most important of the school year from the standpoint of activities.

A school is judged by its activities. If the University of Montana is to be known throughout the state, its student life must be up to that degree of excellence to attract high school students and encourage them to attend. Only capable students should be selected to act as leaders.

It is your duty to vote. If you have the interest of the school at heart you will put an X in front of the name of the student whom you think is best qualified for the duty. You will forget all personal grievances and vote for the welfare of the University.

Get out and vote!

BASEBALL TODAY.

Today, for the first time on record, the Grizzly baseball team leaves Dornblaser field to play a home game. Whether the new arrangements will have any effect on the attendance is questionable. The city league park is easily accessible being opposite the Northern Pacific depot and the game being called for 4 o'clock leaves the students free to attend.

In the past it has been a custom for the Aggie game to be one of the hardest on the schedule despite the apparent difference in teams. This year should be no exception. There is room in the grandstand and bleachers for every student, and the game is just as much a university affair as it would be if it took place on Dornblaser field. Don't forget the time and be there.

NOTICE.

There will be an important meeting of the Y. W. C. A. this afternoon at 4 o'clock in the girls' rest room. Miss Mary McGonagle and Margaret Johnston, delegates who have recently returned from the national convention held at Hot Springs, Ark., will give their reports.

NOTICE.

Women's Auxiliary will meet with the Garden City chapter of Disabled Veterans next Tuesday night at the Legion hall. All married vocational men of the University are requested to bring their wives. The program promises a feed and a good entertainment.

EXCHANGE

University of Washington's Pacific coast championship varsity crew will take part in the Poughkeepsie regatta on the Hudson river, June 26. The trip was made possible recently when the required \$7,500 fund for expenses was pledged by Seattle and Northwest people.

It has not been definitely decided whether or not Washington will enter a match with Wisconsin on Lake Mendota, June 14.

Twenty-two men were taken recently into the secrets of the Vikings, junior honorary men's society at the University of Nebraska. The new men were chosen from the sophomore class and will become active next year.

President George E. Vincent of the Rockefeller foundation will give the commencement address at De Pauw University on June 7.

The first annual Journalism week was held recently at the University of Wisconsin in celebration of the 16th anniversary of the course in journalism at the university.

Five charters for chapters of Delta Sigma Rho, national forensic fraternity, were granted at the national convention held at the University of Iowa. The new charters granted were to Arizona University, Washington University at St. Louis, Oregon Agricultural college, Wooster college, and Hamilton college.

The athletic board at Gonzaga will award a solid gold watch to the athlete of the highest scholastic standard next year. Any student who wins a "G" in any major sport and carries 12 hours of work a week will be eligible for the prize. The token will be awarded at the 1923 commencement exercises.

The Syracuse University comic monthly, the Orange Peel, has been ordered by Chancellor Day to discontinue publication because of a liquor pun and jest about co-eds which was recently published in the magazine.

The freshman Vigilance committee at the University of Washington has decided that no freshman girl shall enter Meany hall at assemblies by the front entrance. Any violator of this rule will be escorted to the rear of the building. All students attending assemblies will be requested to sit as near the front of the room as possible.

The Nebraska state normal board has passed a rule refusing leaves of absences to instructors to attend schools where cigarette smoking is allowed among women.

The engineers at the University of Kansas have lost their right to celebrate Engineer's day because of misconduct at the annual celebration this year.

It is said the basketball court that is being constructed at the University of Ohio will be the largest in the world. The team will have a playing area 100 feet long and 60 feet wide.

The name of the University of Michigan's school publication, Wolverine, will be changed to The Summer Michigan Daily during the summer school and instead of being issued three times a week as it now is will appear every day except Monday and will carry full Associated Press news.

Kappa Psi, honorary pharmacy fraternity at the University of Washington, has been suspended until June, 1923, by the committee on Student Welfare and Discipline. This action was taken on account of misconduct on the part of the fraternity. The regent and chairman of the initiation committee have been placed on probation for the remainder of the academic year.

LENNES PRESENTS PAPERS AT MATH SOCIETY MEETING

Professor N. J. Lennes, head of the mathematics department of the University, who is now on a year's leave of absence, recently presented two papers at a meeting of the American Mathematical society which was held at the University of Chicago on April 14 and 15.

"Continuous Transformation in Analysis Situs" and "On the Foundation of the Theory of Sets" were the titles of Professor Lennes' papers.

NOTICE.

Press club will meet tomorrow night at 7:30 o'clock. Important. Be there.

Press Dispatches say that President Harding will veto the bonus bill if it passes congress and is presented to him in its present form.

Kappa Epsilon Gives Chapter to Local Here

Iota Phi Epsilon, women's local pharmaceutical fraternity, was granted a charter last week by Kappa Epsilon, women's national fraternity. The new chapter will be installed on June 1 by a delegate of Kappa Epsilon from Minneapolis.

Iota Phi Epsilon was founded in August, 1920. The present members are Alfreida H. Zinser, Hazel G. Vaughan, Ruth E. Johnson, Letha M. Williams, Leona R. Daniels, Gladys M. Lines and Ruth A. Thranum.

Youthful Hoboes Do Pilgrimage to Meet

In spite of the warnings sent out to all parts of the state by the various railroads it is estimated that about 75 loyal rooters from high schools in outlying portions of the state hit the rods into Missoula during the two days of the meet.

Several who started out early from their home towns were unfortunate and did not land here until today, the last day of the meet. Others were forced to turn back when some husky brakie discovered them and forced the home town supporters into the cinders.

Many were, also, who found every pocket bare of all but stitches, and their pilgrimage over, the excitement of the meet waning, took to the welcoming void of an open box car and wended their weary way homeward.

BASEBALL TEAM BACK FROM WESTERN TRIP

Three Games Out of Six Won by Grizzlies During Invasion.

Three games won out of six played as the result of the invasion of the Grizzly baseball team last week. A crippled pitching staff and the poor condition of the team contributed more than anything else to the three defeats suffered by the team.

Montana easily won the first game of the trip, played with Idaho. Higbee pitched a masterful game, allowing the Grizzlies but four hits. The Gem State aggregation won the second game of the series, Spencer being unable to stand more than two innings on his strained ankle, while the team fielded ably. Perk was in wonderful form in the first game with Gonzaga, however, allowing only four hits and facing but 30 batters, and the Grizzlies won a 4 to 3 victory. Higbee was, as usual, effective the next day, and the team won both games of the series with the Bulldogs. But the Sundodgers mothered the Grizzlies, who piled up large numbers of errors in both games played at Seattle. Bill Johnston pitched the first game. Perk started the second game, whiffing the first five men to face him. But the strain was too great, and by the time the third inning came around he was hardly able to throw the ball to the plate. Joe Kershner relieved him, and occupied the box during the remainder of the game. The score of the game was 14 to 4, and of the second game 16 to 3.

The Aggies will be the opponents of the Grizzlies this afternoon on the City league diamond. Centerwall will probably do the twirling for the Varsity, with Zuck in the box for the Aggies. The same teams play tomorrow, and on Friday and Saturday the Bulldogs will try to avenge their two defeats of last week.

CO-ED TRACK MEET WILL BE HELD SOON

Entrants Must Qualify in at Least Two Events; Basketball Throw Eliminated.

The womens track and field meet will be held the week of June fifth, according to Rhoda Baxter, director of women's athletics. The events will be the same as in former meets with the exception of the basketball throw. This event has been eliminated.

To enter the meet this year all girls must qualify in at least two events. Standards have been set and these must be passed. Those who fail to qualify in any event will take part in a game to be decided on later.

The standards for the events are as follows:

- 50-yd. dash..... 9 seconds
- 75 yd. dash..... 12 seconds
- 50-yd. low hurdles.....12 seconds
- 75-yd. high hurdles.....16 seconds
- High jump3 ft. 3 in.
- Broad jump10 ft. 6 in.
- Javelin throw40 ft.
- Shot put22 ft.
- Baseball throw.....100 ft.

Records set up in these events both at Montana and at intercollegiate meets are:

50-yd. dash—Montana, 7 1-5; holder, Hazel McHaffie; world record, 6 seconds, New Haven School of P. E.

75-yd. dash—World record, 8 3-5.

High jump—Montana, 4 ft. 1 in.; holder, Sol Andresen; world record, 4 ft. 9 in., Vassar.

Broad jump—Montana, 14 ft. 6 in.;

holder, Amanda Velikanje; world record, 16 ft. 5 in., Skidmore.
Javelin—59 ft. 5 in.; holder, Esther Nelson; world record, 85 ft. 3 in., Sargent.
Shot put—Montana, 32 ft. 8 in.; holder, Sol Andresen; world record, 37 ft. 6 1/2 in., California.
Baseball throw—Montana, 173 ft.; holder, Sol Andresen; world record, 217 ft. 3 in., Vassar.

Article By A. S. Merrill Translated Into Japanese

An article entitled "The Danger Area Curve," written by Professor A. S. Merrill of the department of mathematics, has been translated into Japanese, and appears in the April issue of The Journal of the Mathematical Association of Japan for Secondary Education.

This article was based on the work Professor Merrill was engaged in during the war at Queenstown, Ireland, in connection with anti-submarine warfare. It first appeared in The American Mathematical Monthly in November, 1920.

DELTA SIGMA CHI GIVES ANNUAL SPRING FORMAL

Delta Sigma Chi gave its annual spring formal dance at the Country club Saturday evening. Balloons and crepe paper festoons, with a large rainbow and the pots of gold at one end of the room, decorated the club. Guests of honor were track meet visitors, some local high school girls and Pi Phi friends. About fifty couples attended.

Patrons and patronesses for the dance were Dr. and Mrs. C. H. Clapp, Dr. and Mrs. R. H. Jesse, Mrs. Harriet Sedman and Archibald Merrill.

Henry P. Davidson, banker and former head of the American Red Cross, left an estate of more than four million dollars to his son.

ALPHA DELTA ALPHA LOSES TO SIGMA CHI

Sigma Chi won from the Alpha Delta Alpha baseball team in the first game of the interfraternity series last evening. The game was closely contested until the last inning, when Ronny Kain yanked himself from the box, the Chi's pounding Maudlin for eight runs. At the beginning of the seventh and last inning the score stood 2 to 1.

Gil Porter pitched an excellent game, allowing but four hits and striking out 14 batters. Badgley, playing left field for the A. D. A.'s, caused a ripple of excitement during the last few minutes of play by slamming out a two-bagger, then stealing third base, after which he stole home.

The box score:	R.	H.	E.
Sigma Chi	10	7	1
Alpha Delta Alpha.....	2	4	6

Two-base hits—Onstad, Badgley, Anderson, Tanner. Three-base hit—Anderson. Bases on balls—Off Porter, 3; off Kain, 5; off Maudlin, 3. Balks—Maudlin (2). Wild pitch, Maudlin. Umpire, Bill Johnston.

The THREE MUSKETEERS
Adaption, Cartuming, Research under Edward Knoblock
Direction under Fred Niblo
Photography under Arthur Edaran
This newest of "Doug's" productions, this most enchanting of all Dumas' vivid stories, this marvelous visualization of "The Three Musketeers" is truly a picture for everyone—for your family and every family. From it, the young can learn frankness, kindness, valor and generosity. The old can find forgetfulness of trouble and taste its antidote for sorrow. And all of us who believe in Life's drama, with its chapters of gaiety and wit, owe to Dumas a debt of gratitude.

FACULTY APPEAL BOARD DECIDES FOR COUNCIL

Sigma Chi Must Forfeit Basketball Cup as Ruled by Inter-Fraternity Council.

The faculty board of appeal in the case of the recent interfraternity discussion decided that, in view of the interpretation of the "letter man" rule, Sigma Chi fraternity must abide by the decision of the council and forfeit the basketball cup. This legislation was brought about because Sigma Chi played Lawrence Meyers, a George Washington letter man, on its 1921-22 basketball team.

The following is a brief statement of fact of the recent disputation in the Inter-fraternity council concerning the interpretation of the eligibility of letter men as regards interfraternity athletics:

Section d of article II, under rules governing awards of inter-fraternity contests states that all letter men are barred from inter-fraternity contests in the respective sports in which they have earned their letter.

Sigma Chi fraternity called for an interpretation of this rule as applicable to Kenneth Simmons, a member of the Phi Delta Theta fraternity and who has won his letter in tennis at Yale. The inter-fraternity council, by a vote of five to three, ruled Kenneth Simmons ineligible to play in the interfraternity tennis tournament.

Phi Delta Theta fraternity then filed a claim to the interfraternity council to the effect that Lawrence Meyers, a member of Sigma Chi fraternity and a member of the team which won the basketball cup who has won a letter in basketball at George Washington University, was therefore ineligible to play in interfraternity basketball contests, and that last fall's cup should be forfeited. The vote of the inter-fraternity council stood seven to one in favor of the forfeiture.

Sigma Chi fraternity then asked for a special meeting for the purpose of providing for an appeal to a faculty board. The meeting was called and the faculty board was authorized.

MEET IS TOO MUCH FOR WEARY STUDENTS

The average student emerged from Main hall on Monday last and leaned wearily against a car. The owner hove into sight.

"Don't move your car," the average student warned, and once again fell into an attitude of utter dejection and lassitude. He was so tired he could feel his elbows give. The spring sunshine made him want only to rest and get the back of his neck sun-burned. If someone had yelled "Stop thief," he would have wondered where the thief got the energy to run. Better far to get a nice rest in the booby-hatch. With a bleared eye he surveyed the oval. A good place to recuperate, he decided, and negotiated the distance with a gait not unlike that of the cyclist after a six-day bike hike. He lay down and promptly cerebral activity ceased. He was merely solid matter occupying space—a derelict of human hope.

Forgive him, dear reader. It was the Monday after track meet.

Miss Katherine Keown and Miss Genevieve Cooley, students from M. S. C. and members of Pi Beta Phi fraternity, came over to the Montana-Aggie track meet Saturday.
