# The Montana Kaimin

VOL. XXII.

STATE UNIVERSITY OF MONTANA, FRIDAY, OCTOBER 13, 1922

NO. 4

## STATE TITLE MAY BE STAKE IN DAY'S FRAY

### Grizzlies in Good Shape for Wesleyan Game—Ray Murphy Out.

This afternoon the Grizzly football team will tangle with the Panthers from Montana Wesleyan of Helena on Dornblaser field. The Preachers and the University both claim the "last year's gridiron title."

The Grizzly team is in good condition with the exception of Murphy, Montana's fighting center. He will be unable to participate in the battle owing to injuries he received in the game with the University of Washington aggregation.

The week has been a short one for the Grizzlies. They returned from Washington Sunday evening and have only had four days to correct mistakes and to work out the soreness received in that game. Coach Stewart has worked them hard and they should from all indications show up well in this afternoon's contest.

Wesleyan has what the Helena papers term the "wonder team." Its line-up numbers many veterans and the dope is that they are going strong and are going to take back the bacon to the capitol city.

The teams are about even in weight though if Murphy was in the line-up for the University, the Grizzlies would have a little edge in the poundage.

What sort of an attack the Parsons will use is a mystery, though they must have varied assortment of plays. The Grizzlies use a very simple style of play.

Coach Lemon and Captain Bailor say that the Panthers will win. The Montana leaders have nothing to say except that the team will let them know that they have been in a battle.

## MANY HOOP STARS OUT FOR FRESHMAN SQUAD

Early basketball practice up to this time consists almost entirely of first year men.

Nepstad, the speedy all-state guard from Big Timber has reported for early practice as well as McGinis from the same place. Wilson, Carney and Merrill from Billings will also try out for the squad and as soon as the football season closes, Ilman from Missoula, Tarbox from Miles City, Telin from Dillon and others will be eligible.

The squad at the present time is devoting its attention to basket shooting under the supervision of varsity captain, Tick Baird.

### HOME ECONOMICS GIRLS TO SELL CANDY AT ALL GAMES

#### Proceeds to Be Used for the Purchase of Moving-Picture Films.

Candy will be sold at all football games here this fall, proceeds going to buy moving-picture films which will be shown to all the girls of the University. This was decided at a meeting of the home economics girls Wednesday evening.

A constitutions committee consisting of the following girls was appointed at the meeting: Frances McKinnon, Theresa Pfaender, Margaret Getty and Marion Perkins. It was decided that a picnic supper would be given next Wednesday. All home economics girls are urged to attend.

## CLASSES TO BE HELD FRIDAY AFTERNOON

Classes as usual Friday afternoon, was the decision reached by the budget and policy committee of the University at a meeting held last Tuesday night.

"We have passed the stage where we should be forced to close the plant merely to blow the whistle," said Dr. Jesse, dean of men.

"The University is primarily a place to receive an education and every opportunity should be given those enrolled to do so.

President Clapp explained, "This is one instance where although a cut is justifiable, it is impossible to close the school."

## NATIONAL SECRETARY ADDRESSES Y. W. C. A.

Miss Florence G. Tyler, national Presbyterian student secretary, addressed the first meeting of the Y. W. C. A. of a strong campus Y. W. C. A. organization.

Miss Tyler spoke of the place which the Association should hold and of the place which they do hold on the other campuses throughout the country.

"The schools which have the best school spirit, which stand high in the estimation of other colleges, which are alive and active and growing, these are the schools that have the strongest Y. W. C. A. organizations, and in these schools you will find co-operation, loyalty and true spirit." She said that in other colleges the Y. W. C. A. stood on par with the W. S. G. A. and that the president of either meant equal honor.

Miss Maude Gwinn spoke to the girls about their campus association, saying that she was encouraged with the spirit which was already shown and that she knew that the girls of Montana would take the interest and form the co-operation which the organization needs to make it what it ought to mean to the University.

Abigail Graves was elected temporary secretary.

Plans were mentioned for the next meeting which will be held at five o'clock next Tuesday and which will be in charge of the Cabinet.

### ROTARY CLUB ADDRESSED BY DRAMATIC INSTRUCTOR

#### Roger Williams Shows Benefits That are Derived from Dramatics.

Roger Williams, dramatic instructor, spoke on the place of dramatics in college life at the weekly luncheon of the Rotary club. The luncheon was given at the Tavern Wednesday noon. "The University will never be able to attract the best minds for their work until the barrier between the business man and the professional man is broken down," Williams said.

"Drama is the real democracy of literature. From gods to beggars every variety of human motive, human effort, and human suffering is shown. No other literary form presents in so few pages so just and so impressive a reflection of the pageant of human life. It is this understanding of the pageant of human life, a broadening of the sympathies for all mankind, that justifies the participation of young college men and women in dramatics.

"The drama deals with all phases of economic, social, religious, and philosophical problems. To understand the stage is to understand better the currents of society. To enact them is to live them and therefore make the impressions personal rather than abstract. Broad training in dramatics is to some degree a slight training in life."

## NORTON BRAND RELATES EXPERIENCES IN MEXICO

### Was Consul at Tehuantepec. Says the People in Southland Have High Sense of Honor.

Norton Brand, former United States consul at Tehuantepec, Mexico, addressed the students in convocation on Tuesday. The entire hour was given to his talk which dealt with the Mexican Southland, and the customs, personal appearance and outstanding traits of the people living there. President Clapp introduced the speaker.

Mr. Brand briefly told the history of this tropic land, then more in detail, described the country, its people and their customs. It is a land of remarkable beauty, he stated, because of the mountains and unceasing bloom of tropic foliage and flowers. Unlike so many tropical countries of lower altitudes, it is delightful on account of the rareness of insects and fever. Speaking of the people, he mentioned especially their high sense of honor, honesty and their extreme politeness which he said at times, was irritating to foreigners whose manners did not reflect such a high polish. To illustrate these traits Mr. Brand related several stories from his experience.

## S. O. S.

### First One Held Last Night.

The first Singing on the Steps of the year was held last night with a large, enthusiastic crowd in attendance. Yell King Hughes led a few snappy yells and called for a demonstration of their ability from Dick Crandell and Gid Boldt, who had signified their intentions of trying out for Yell Duke. Both men responded in real Montana style.

Yell King Hughes then announced that the game will be called at 3 P. M., and asked that all students equip themselves with Montana caps and megaphones. Upper-classmen will be seated in the stands on the north side of the entrance and under-classmen will be seated on the south side, men separated from women, to comply with the no-fussing rule.

Unless students present their A. S. U. M. tickets, they will be charged regular admission, but it will be possible for those who have not obtained their tickets to get them at the gate upon presentation of their receipts.

Dean Stone spoke briefly on traditions. "All the world is guided by tradition," he said. "We gather here at these old steps which stand at the head of the valley which saw the first Christian cross in Montana, the first trial by jury, the last of the desperados who sought to run this state with lawlessness, we gather here, not members of this group or that school, but as Montanans. We leave here better men and women than we were thirty minutes before."

When the clock had tolled eight the crowd sang "College Chums" and quietly disbanded.

### SENTINEL STAFF APPOINTS SCHOOL AND CLASS EDITORS

Waino Nyland and Marshall McConnell were appointed school and class editors, respectively, at a meeting of the Sentinel staff, Tuesday afternoon. These appointments make the staff complete. It is planned to have all the football, basketball, class, and fraternity pictures turned in before the first of the year. The contract for photography has not yet been let, but several bids are under consideration. Editor McKown requests all those having good snapshots to turn them in for the feature section.

## PLAN BIG PROGRAM HOMECOMING DAY

Montana State College and the University are to have a joint Homecoming day, November 10 and 11, according to Tom Spaulding, chairman of the Homecoming day celebration. It is planned to have a special train come over from Bozeman and a big program for both days.

The program has been made out as follows: Friday, November 10, arrival of the special train and former students; Friday evening, singing on the steps; fraternity and sorority feeds and open houses; Saturday at 9:30 A. M., alumni meeting; 10:45 freshmen meet; 12 A. M., Homecoming parade; 2:30, football game; 4:30 to 6 P. M., inspection of buildings and a general improvement on the campus; 6 P. M., alumni dinner; 8 P. M., reception and dance at the new gymnasium.

## FACULTY RECEPTION TO BE HELD AT GYM

### All Students Urged to Attend; Music and Dancing Will Follow.

The faculty will hold its annual reception this evening in the University gymnasium. The reception is given in order that all students on the campus may become acquainted with the members of the faculty.

Dean Harriet Sedman, chairman of arrangements, in speaking of the reception, said, "I hope all girls will be there in their prettiest dresses, because we want to make this reception one of the prettiest formal affairs of the year."

After the reception there will be music for dancing, and for entertainment. There will be several numbers by the Varsity quartet. It is especially urged that all new students, as well as the old be present this evening.

### FORESTERS WILL ENTERTAIN INTERNATIONAL ASSOCIATION

#### Convention of Forestry Clubs Here Next Spring. Plan Forestry Ball.

Preparations for the entertainment of the national convention of the International Association of Forestry Clubs, which is to be held in Missoula next spring, and preliminary plans for the Forestry ball were the subjects of discussion at a business meeting of the Forestry club Wednesday, October 4.

The dates for the convention have not been definitely set, but preparations will go ahead in order to make a big success of the convention.

Nominations of members to be elected to the executive council were also made. The elections will be held at the next meeting of the club, at which the new members will be initiated and entertained.

### HOWARD DOGGETT IS CHOSEN TO HEAD SOPHOMORE CLASS

#### Class Dance Will Be Given For the Freshmen on October 27.

Howard J. Doggett was elected president of the sophomore class at a meeting yesterday afternoon, which was attended by over 200 members. Marian Fitzpatrick was chosen vice-president; Ruth Bryson, secretary; George Oeschli, treasurer; Theodore Jakways, class representative to the central board.

The class decided to give their dance for the freshmen Friday night, October 27. The attendance at the meeting was the largest the class had ever had.

Mr. and Mrs. G. H. Carsley of Helena visited their daughter Leone at the Omega Xi house on Sunday.

## ELEVEN MEN PLEDGED BEAR PAW LAST NIGHT

### Stunt Duke Deeney Plans Novel Stunts for Bear Paws This Year.

Bear Paw chapter of Intercollegiate Knights pledged eleven freshmen last night. They are: Stanley Allen, Force Baney, Wilfred Carney, Robert Harper, John Loughrin, Karl Martinson, Byron Miller, Ronald Murphy, Evan Reynolds, Louis Stevens, and William Ostergren.

With the return of Roger Deeney from Seattle plans are being completed for Bear Paw activities for the coming year. Stunt Duke Deeney was a guest of the Washington chapter of Intercollegiate Knights while in Seattle and has returned with many new ideas. Bear Paw drills, uniform sweaters, and better handling of visiting teams are a few of the many surprises in store for Montana backers and visitors.

With the addition of eleven members of the freshman class, Bear Paw will begin this year under the system of soph-frosh members. So far this year Bear Paw has seemingly been inactive but next week will see surprising activities in the organization and under the leadership of Roger Deeney it will take its place among the best in the Northwest, according to members.

## NEW FORESTRY BOOK WRITTEN BY KIRKWOOD

"Forest Distribution in the Northern Rocky Mountains," by J. E. Kirkwood, professor of botany at the University, has recently been published. It is the second of a series of University of Montana studies dealing with Montana subjects.

The book is a general account of the forest distribution of the Rocky Mountain region and neighboring plains which are included with the state of Montana and adjacent parts of Idaho. This region comprises an area of 175,000 square miles and is marked by great diversity of topography, soil and climate, the relations and effects of which are discussed in Mr. Kirkwood's work.

### FRESHMEN WHITEWASH "M"; FEW MEN THERE TO HELP

#### Grass and Weeds Burned to Give a Good Background.

Tuesday afternoon, in accordance with traditions and the Soph proclamation, the Frosh climbed Mt. Sentinel and painted the M. Football men were excused but the numerous French leaves left only about half of the men of the class present.

Lime was carried from the bottom in sacks, and the water necessary for the whitewash was brought from the old mine shaft. A miscalculation in the amount of lime required made necessary a loan of four sacks from one of the building contractors.

To give the letter a good background, the weeds were pulled and the grass burned for several feet around.

#### NOTICE!

A meeting of the Y. W. C. A. will be held in the auditorium next Tuesday at five o'clock. It will be in charge of the Cabinet. Don't forget!

Pike Wilson, a forestry student, returned to school Wednesday and has reported for football practice.

### PUT THIS UNDER YOUR HAT.

The Homecoming celebration which is to take place early next month is an event that all University students should become interested in and work to make a success.

Never in the history of the state has such an elaborate program been planned for a like event. This year alumni and former students of the institution will be welcomed and entertained in a fashion which will not only impress them with the University's development but will awaken an interest in their Alma Mater which at the present time seems rather lax. Nobody is to blame for this laxness other than ourselves. It is our duty to keep our alumni informed as to the progress of the University, and show as much of an interest in their welfare, as we do in our own.

In order to put this celebration over, the students who are now in attendance at the University, must make all possible effort to do their part. The affair will not be the usual cut-and-dried handshaking bee but an entertainment which will rival any carnival, festival, or anything-else-you-may-think-of, ever put on in the state. Preparations are being made for an event which will rival the annual inter-scholastic track meet for honors.

With new campus buildings on the verge of completion, with a larger attendance, and with a brilliant athletic future insured, surely it will not be a hard task to throw ourselves into the spirit of the thing, and "show off" the University to the returning graduates. It will take work, but it is for our own good, and will be worth any effort that we may put into it.

The plans will be laid before the students at a student convocation next Tuesday morning. Those in charge will be there to explain anything that there may be any doubt about, and the ball will be started rolling. A feature program will be held in connection with the discussion, and every student should make it a point to be there.

Let's co-operate to make the 1922 Homecoming the best event ever held on Montana campus!

### A DISAPPOINTMENT.

University students will no doubt share the disappointment which is being experienced by the Kaimin staff regarding the publication of the paper.

It was our plan this year to give to the student body a bigger and better Kaimin which we thought was absolutely necessary, due to the physical development of the school, and the greatly increased attendance. Plans were laid for a bigger paper, and the first three issues appeared in accordance with the plan.

A sudden rise in the cost of publication has made it impossible to enlarge the Kaimin under its present revenue. Accordingly, we will have to continue under the same status as that of past years.

We will endeavor to present as much of the campus news as is possible in the reduced size. This will necessitate a conciseness in news writing that may in some cases eliminate certain details. We feel we have no apologies to make, as we have done all possible to make the Kaimin worthy of the larger University.

In the meantime, while attempting to make the Kaimin conform to the changing conditions, we will at all times work to carry out our original plan.

### GRIZZLY BAND WILL MAKE FIRST APPEARANCE TODAY

The Grizzly band will be out today with lots of pep, the band members declared last night. Several of the old favorite marches and one or two new ones will be used. Music will be furnished before the game and between halves. The band will also lead the snake-dance around the field.

The school songs have not returned from the arrangers but will be here in time to be used at the next game, according to word which has been received. Some of the other new music may also be used at that game.

The band is indebted to Joe Deschamps of the Missoula band, for the loan of his tuba until the arrival of the new Helicon bass horn which the band has ordered.

### NOTICE!

All Masons and members of the Eastern Star are requested to leave their names and addresses at the telephone booth.

### NOTICE!

All Masons on the campus are urged to attend a smoker given by the Trowel club at the Masonic Temple, Saturday evening, October 14, at eight o'clock.

Committee.

### NOTICE!

All Pre-med students are asked to assemble in Natural Science Auditorium, Tuesday—4 p. m.

Walt Whitworth.

## The Grist

"The mills of the gods grind slowly, but they grind exceedingly fine."

Galileo Sez:

We differ with the economic profs as we find they ain't no source of income.

### Just a Line or Two.

Over the hills and far away, where all is play on a summer day.  
 Like a three-volume novel of long ago, where pleasures stand all row on row.

Where the mere existence is light and gay, and all the people to fairies pray.

No worry of eating, it's all so so, and only the softest of breezes blow.

No lessons to learn, no dean to watch, and all you drink is bottled scotch.

And sleep is something you never need, to old dull care you pay no heed.

A lot of good fun, no despair, you ride on a car, and pay no fare.

You think, my friend, that would be good fun, to know that all your work was done.

But what's the use, it's just bull con, you'd last one week, and the war'd be on.

Some of the boys chew tobacco and the rest merely wipe it off their chins.

**The Royal Order of Kerosene Burners.**  
 He has only been here two weeks, and he has it all figured out how to keep from going broke.

The boys will dance though the landlady weep, and tears will never buy bread.

Let's spend her "flat," we've a furnace to clean in the morning.

### Our Girl.

She can't connect the similarity of "preachers and Panthers" in referring to the Wesleyan team, but she figures that maybe it will turn out to be a "Blind Tiger."

Free lancing may be better than finding a steady job, but a guy's got to keep moving or get stuck on the lance.

Some of the sisters carry pomade when their lips are chapped, but who is the chap?

Insomnia is something that afflicts landlords, about the time the rent is due.

Pinkerton has a lot of good material going to waste in this western country.

### NOTICE!

Reception for new Catholic students at St. Anthony's church Saturday evening, October 14th. All Catholic students come. Dancing at 9 o'clock.

## COMMITTEE APPOINTED TO PLAN HOMECOMING

A committee headed by Raymond Nagle was appointed to take charge of plans for Homecoming at a meeting of central board held at Main hall last night. George Boldt was selected yell luke at the same meeting.

The other members of the Homecoming committee are Roger Deeney, Clyde Murphy, Delbert Cawley, Mary X. McCarthy, Eugene O'Neil, Solvay Andersen, Florence Sanden, Doris Galley and Wynema Woolverton. The committee will have charge of the student arrangements and publicity for the Homecoming, November 10 and 11.

A committee was appointed to prepare the program for the students convocation to be held next Thursday morning. At this convocation Homecoming plans will be submitted to the student body. The band will be on hand and other features will be placed on the program.

## Sport Sparks

"The Montana State College at Missoula," says one of the Helena papers. Seems kinda funny that anyone in the state should think we're Aggies—seems kinda funny.

"Coach Stewart will use second team men against Washington," says the same paper. Golly, but a study of the cranial cavities of some man would be interesting.

The frosh have several mean-looking elevens. Two with 200-pound lines and backfield and ends, almost all of them are all-state variety.

Park Spencer, captain of the varsity all club last spring, is out for a place in the varsity football team and he may get into action today.

Mr. N. Webster describes the Panther (not one that breathes loudly) in his popular "novel." A panther, he informs us, is a member of the cat family—a leopard—esp. of a supposed robust and seemingly fierce variety. Montana version—Chesty and seemingly fierce variety roaming over the vast prairies of the state seeking whom he may devour.....Chase him home, Grizzly.....chase 'em home, minus a little fur about the vicinity of the old cat's tail.

The Sky Pilot's battle cry—"Hold Er, Deacon.....Quo.....Vadis.

Classes meet as usual—but—we are allowed eleven cuts.

## Social Science Classes Have New Instructors

C. W. Hayes and Leo Horst have taken over Dr. Underwood's classes in sociology and economics. The enrollment in principles of economics was so heavy that a fourth section had to be made.

The history and economics departments are offering jointly a course in economic and political progress. Lectures are delivered by J. E. Miller and J. E. Burgee in Main hall three times a week. Twice a week the class is divided into nine quiz sections under the supervision of H. G. Deutsch.

A new three-credit course under Mr. Hayes of the sociology department is "Crime and Its Treatment." During the winter quarter, "Social Legislation" will be given and in the spring quarter "Rural Community Life" and "Problems of Child Welfare."

A course in the modern trust movement will be given by the economics department in the winter and spring quarters.

Dorothy Dixon is in Missoula, a guest at the Kappa house. She is on her way home from Portland where she has been spending the past month with her mother.

## CALL FOR TRACK MEN ISSUED BY BOB EGAN

"I want every man who is interested in track to turn out for the workouts as fall training is absolutely necessary if we are to have a real track team next spring," said Bob Egan, captain of this year's track team.

There are a number of men working out every Monday, Wednesday, and Friday. In the squad are Bob Egan and Eddie Closs, quarter-milers from last year's squad; White, Rutherford, Wiley and Andrus, sprint men from last year's frosh squad; Mitchell, a middle distance man and Blackburn, a two-miler. Captain Egan stated that he would like to see the squad increased to 30 men.

The outside work will continue until cold weather, then the workouts will be held in the new gymnasium. The

frosh track team already has a large amount of good material out with Johnson and Stark from the Bitter Root, the most promising sprinters. Blumental, holder of the interscholastic records for shot and discus and who placed second in those events at the national meet at Chicago is also out. There are a number of men on the football team who will turn out for track at the end of the football season; they are: Tanner, sprinter; Porter, pole vaulter; Plummer, hurdler; Shaffer in the discus and jumps, and Axtell in the weights.

Luke D. Garvin, a pharmacy student last year, is in Missoula on a short visit. Garvin bummed over from Butte.

New patent mechanical apparatus is being installed in the Craig hall kitchen. An electric dish-washer and a steam-cooker are part of the equipment.

## DEBATE ON INTER-FRAT ATHLETICS HELD SOON

Resolved: That interfraternity athletic contests at the State University of Montana should be discontinued will be the subject of a debate and general discussion to be held in Main hall auditorium, October 26.

Every person interested in the question or interested in debate is urged by Mr. Chadwell, the new debate coach, to be present. The subject of the debate will be introduced and discussed by four speakers, after which those present may debate, criticize, or talk on the subject.

This is the first time such a discussion has been held in this University,

and it is intended to create in the students and faculty an interest in the present-day problems and debate.

## EASTERN STAR WILL GIVE DANCE AT PARISH HOUSE

Emmanuel chapter of O. E. S. will entertain all University Eastern Stars and Masons at a dance at the Parish house Saturday evening, October 21.

In order that it may be known to whom to send invitations, all members of the Eastern Stars and of the Masonic Lodges are asked to hand their names into the telephone booth not later than Monday morning.

This dance will be the first of a series of dances which are given throughout the year for Masonic members.

Mr. and Mrs. Skulason, of Thompson Falls, have been visiting their daughter, Anna, at Craig hall during the week.

## UNIVERSITY MASQUERS PLAN RE-ORGANIZATION

A new plan for organizing and carrying on the dramatic work of the University Masquers was presented to a meeting of about 175 students interested in the work, at Main hall, Tuesday night. The plan was presented by Russell Niles who presided at the meeting.

The new organization will have three sections. The first section will be composed of all those who are interested in dramatic work, whether from the standpoint of acting, producing or stage managing. This group will be termed the "audience." The members of the audience will be tried out in one-act plays and from the number a "stock company" will be selected to put on the larger plays of the year.

The stock company will be the real working unit of the organization. The members will be chosen according to the work they do on the short plays in which they are tried out. The head actors, producers and stage hands will become this group.

The final section of the Masquers will be the executive staff which will include the heads of the various departments of the work.

Roger Williams, director of dramatics, spoke to the students about the work of the year. He said that he was here as a fellow worker and not as a director. His work here is in the nature of an experiment which has been started in the 47 Workshop at Harvard. He wishes to help form an organization which will not be dependent on any one personality and will give the people of Montana a chance to have their plays tried out by a producing company. Once every year he wishes to produce a play written by a Montana student.

In speaking of the dramatic work, Mr. Williams said that acting developed character and resourcefulness.

"Any young man or young woman who plays the part of person of high character without enlarging his horizon and broadening his character has not correctly interpreted the part," he said.

He also gave a number of illustrations or incidents in his experience that have demanded the utmost resourcefulness.

Work on the one-act plays which will be given as try-outs will not start until Mr. Williams has interviewed some of those who reported for the meeting with regard to their work.

### JOURNALISTS PLAN DANCE.

The local chapter of Sigma Delta Chi, national journalism fraternity, plans to give a dance for University students, Friday evening, October 20, in the gymnasium. The committee in charge is formulating plans to make the affair a success and announces that Sheridan's orchestra will play the symphonic melodies at a dime a dance.

### ROOTERS' LIDS 'N EVERYTHING.

A complete stock of rooters' arm-bands, caps, megaphones, pillow tops, watch fobs, table runners and copper, silver, gold emblems have been put in at the student store by manager Art Redding. "I expect every student on this campus to buy a rooter's emblem and wear it to Friday's game," he stated.

### UNIVERSITY CHURCH TO OPEN

The University church and Community House will hold its first public service in the new church on the corner of University and Hilda Avenues, Sunday morning at 11 o'clock. Dr. Harrison will speak on "The Church that is a Community House."

Dr. Harrison says the church will have no creedal test and will be non-sectarian and conducted on a broad community basis.

Kenneth McDermid, a student in the school of forestry, returned Wednesday. McDermid has spent the summer in California, where he has been working in the forest service.

## French Club Postpones Election Until Tuesday

Isabell Skelton, Louis Androski, and Ovidia Gundmunson were appointed as a committee to urge old members, new French students, and any one who is interested in keeping up their conversational French to come to meetings, at a French club meeting Tuesday night.

It was decided to postpone the election of officers until the meeting next Tuesday, at which it is hoped, there will be a larger attendance.

The name "Le Chevalier De Verendrye" was suggested for the club by Frank Linderman, the poet. Verendrye was the first Frenchman to explore the Rocky Mountain region. The club will be a branch of the national "Alliance Francaise," whose headquarters are situated in Butte. It is possible that some of the lecturer who will speak in Butte will also be sent to Missoula to speak to the club.

### PROCTORS MEET WITH DEAN SEDMAN MONDAY AFTERNOON

Receive Instructions For Year's Work.

Mrs. Harriet R. Sedman, dean of women, spoke to about 38 proctors of the Women's Self Government Association on the value of their office and the necessity for cooperation. The meeting was held in Main hall Monday afternoon.

After reading the rules, Mrs. Sedman asked that the proctors be especially careful about giving late permission to underclassmen during week nights. She also explained the value of a study hour every week night.

Emphasis was placed upon the request that every change of address be reported to the dean's office as well as the name of any girl who leaves town regardless of the length of time.

### MORE AMMUNITION ORDERED FOR LOCAL R. O. T. C. UNIT

The University unit of the R. O. T. C. yesterday placed a requisition for 150,000 rounds of .30 calibre ammunition, 74,000 rounds of .22, and 5,000 rounds of .45 calibre Colt automatic ammunition. Practice ammunition was also ordered for the Stokes mortar and the 37 mm. guns.

Outdoor rifle practice is now being held at Fort Missoula each Saturday morning under the supervision of sergeants Brown and Truman.

"We leave Marcus Cook hall at 9 a. m.," said Sergeant Truman. "Everybody is welcome as long as our transportation facilities last."

### CATHOLIC STUDENTS WILL GIVE DANCE SATURDAY

A reception and dance will be given by the Catholic Students Association Saturday evening in the basement of St. Anthony's church for the new Catholic students at the University.

A committee consisting of Margaret Keough, chairman, Ellen Garvin, Thelma Hetlund, George Oechsli and William O'Neill, has charge of the dance. They urge all Catholic students to come and get acquainted. Dancing will start at 9 o'clock.
