## GRIZZLIES WILL PLAY IDAHO TECH SATURDAY

### Little Is Known of Opponents' Strength—Montana in Shape.

Saturday, October 21, the Montana Grizzlies will battle the Idaho Tech Tigers of Pocatello, on Dornblaser field. Little dope can be obtained about the strength of the Tech warriors, except that they humbled the Utah Freshmen last Saturday by a score of 56 to 0 and allowed the Mormon youngsters to make only three first downs.

Eight letter men from the team that played Montana here last year are still on the squad, which has been strengthened considerably by new material that has come to the school in the past year. Lehrbas, who scored two touchdowns in the Mormon game, is a star of last year's Missouri School of Mines team. Lehrbas is playing quarterback on the Tiger team. Rousch sub-half back, hails from the University of Nebraska.

In the line for Tech are Ream and Norby at tackles, Paul and West at guards, and Bliss at center. All of these played on the team that the Grizzlies defeated 25 to 0 in an uneventful game that opened the Montana gridiron schedule last season. The Idaho team have two new ends, Rugg and Perham.

### Grizzlies in Good Shape.

The Grizzlies are in fine shape and are determined to repeat the performance of last year and add another game to the win column. Murphy, the fighting "Harp," will not be in the line-up for the game. Coach Stewart is saving him for the Gonzaga contest, October 28, at Spokane. Tanner, Kershner, Plummer or O'Neill and Johnson will make up the backfield. Coleman and Madsen will guard the wings, with MacGowan and Elliott at tackles. Maudlin, Axtel and Centerwall, at guards and Schaffer at center, complete the line-up.

After playing the Grizzlies the Idaho team will travel to Bozeman where they play the Montana Aggie Freshmen football team, October 24.

## EDUCATION IN AMERICA IS APPROVED BY SINGER

"I think that every American girl and boy should study in America," stated Cyrene Van Gordon, Chicago Opera company star and Columbia artist, yesterday afternoon. Miss Van Gordon, mezzo-contralto, who is on her semi-annual concert tour, will appear at the Liberty theatre this evening.

Miss Van Gordon was born near Cincinnati, Ohio. After completing high school she studied voice under the direction of Madam Louise Dotti, who arranged for her pupil to sing for Campanini, manager of the Chicago Grand Opera company. He immediately engaged her for three years. She was then 18 years old.

When Miss Van Gordon made her first appearance in Chicago she had never seen the scenery and had practiced but once with the orchestra. She made her debut in Aida and has never sung small parts.

"If I had it to do over again, I would not go upon the stage at the age I did. It is the very best of experience, but the mental strain is altogether too great for a person so young. The first year I sang, I began in the fall and continued until spring when I had a complete breakdown," said Miss Van Gordon.

## Four Students in Race For Rhodes Scholarship

Four students have been named to appear before the state board of selection as the candidates of the University for the Rhodes scholarship. Those named are: Ronald Kain, '22, journalism; Matt Pearce, '23, English; Burt Teats, '24, English; Clark Brown, '23, law.

The selection was made by the local board consisting of Doctor R. H. Jesse, Professor J. E. Kirkwood, and Professor W. E. Schreiber. The election of the scholar will be made at a meeting of the state board of selection on December 2, according to Professor H. G. Merriam, executive secretary of the state board.

## A. S. U. M. PRO-RATES BUDGET FOR ACTIVITIES

### Candidates For Athletic Managerships Must Have Applications in by October 25.

Candidates for application for varsity basketball, freshman basketball and freshman football managers must be turned in to Harry Rooney, manager of A. S. U. M., by Wednesday, October 5, it was decided at a meeting of A. S. U. M. Thursday evening. Applications must be written and state the candidate's qualifications and experience.

The A. S. U. M. budget for this year was approved at the same meeting.

A. S. U. M. tickets amounting to \$12,500 were sold to 1,250 students at the University from September 1 to October 16, according to Ritchey Newman, auditor of student organizations. Six of this number withdrew from college, the refunds amounting to \$52. Seven faculty members purchased tickets, the price being \$10, which includes a subscription to the Kaimin.

Last year the A. S. U. M. receipts were pro-rated to the various activities on the campus on a budget plan, each having a fixed percentage. Based on these percentages the activities will probably receive the following amounts this year:

Athletics .....	\$8,136.05	65 per cent
Debate .....	625.85	5 per cent
Kaimin .....	1,251.70	10 per cent
Band .....	375.51	3 per cent
Intercollegiate .....		
Knights .....	250.34	2 per cent
General .....	1,877.55	15 per cent

Total .....

However, this year the budget plan has been changed, since the various percentages have been adjusted to take care of the Bear Paws and additional money needed on the Kaimin.

The receipts on the two football games played so far this year show a net gain of \$479.15, according to Mr. Newman. The following information gives the students an idea of the money necessary to be paid out by the

### LIBRARY RECEIVES BOOKS IMPORTED FROM FRANCE

One hundred and fifty French books imported from France have recently been received at the library. These will complete the set which was started several years ago. The shipment contains novels, advanced dictionaries, and books upon the history and criticism of French literature, according to Miss Winifred Feighner, assistant librarian.

Among other new books which have been received are 200 volumes of history books. These are all for supplementary reading.

## PRIZES TO BE GIVEN FOR PARADE FLOATS

### Student Committee Organizes Plans for Letter-Writing.

A prize of \$25 will be offered for the best float or exhibit put on by either individuals, fraternities or organizations on the campus for the Homecoming parade. A second prize of \$15 and a third prize of \$10 will also be offered, according to Tom Spaulding, chairman of the Homecoming committee.

The committee which has been appointed to take charge of letter writing is as follows: Eugene O'Neil and Doris Gally, social fraternities; Clyde Murphy and Florence Sanden, sororities; honorary fraternities and campus groups, Gilbert Porter and Wynema Wolverton. Kendall Dexter will have charge of the county clubs and will appoint county chairmen. County chairmen will have charge of the visitors from their respective counties.

The different organizations on the campus are asked to write letters during the next week in order that graduates and former students may have two weeks to think over Homecoming.

The Homecoming committee will meet next Wednesday at 7:30 p. m. to appoint committees for entertainments and decorations.

## GIRLS' RIFLE CLUB WILL PRACTICE TWICE A WEEK

The first meeting of the Girls' Rifle Club was held yesterday afternoon at 5 P. M. in the gymnasium.

The membership of the club is limited to 30 persons. This number has been divided into 3 squads of 10 each that certain practice hours in the R. O. T. C. building could be assigned. Squads practice at 11, Wednesday, 4 to 5, Wednesday, and 5 to 6, Friday. Besides this weekly squad practice each individual is to get in one hour a week private drilling, making two hours' drill for each person.

### RITA JAHREISS SELECTED FOR HEAD OF CO-ED PROM

### More Elaborate Plans Are to be Used This Year.

Rita Jahreiss has been selected chairman of the Co-ed Prom committee by Mary McCarthy, president of the Women's Self Government Association. The Prom will be held November 3.

More elaborate plans will be made for the Prom this year than has been customary. The dance will not be the burlesque that it usually has been, according to Miss McCarthy.

The members of the committee that will work under Miss Jahreiss are: Helen Carson, Aileen Larue, Florence Roetke, Margaret Anderson, Helen Newman, Mary Blaisdell, Marian Fitzpatrick, Marian Aiken, Marjorie Wilkinson, Ruth Houck, Helen Ramsey, and Lorena Black.

### FIRST PRESS CLUB MEETING WILL BE HELD NOVEMBER 1

The first meeting of the Press Club will be held in the Shack, November 1 to elect officers for the coming year. Plans will be made for a carnival in which the various classes in the school of journalism will compete for the best booths.

Freshmen journalists are especially asked to attend the meeting.

## Pre-med Students Meet to Form Club

Pre-med students of the University met Thursday night in the Natural Science auditorium to discuss matters pertaining to the medical profession and to forming a club. L. N. Claiborn was chosen temporary chairman.

Professor J. X. Neuman, sponsor of the meeting, said that most of the pre-medics came to the University without a clear idea of what the work meant, of how the medical schools are conducted, of their requirements and of what they expected of their students. It is the purpose of the meeting to form a club that these matters might be discussed and the students given some idea of the ethics of the profession, he said.

Preliminary steps for the organization were taken and a committee appointed to draw up a constitution.

New faculty members who arrived since the last faculty meeting were introduced also.

### PHYSICAL EXAMINATIONS EXCUSE FEW FROM CLASS

"Eighteen girls have been excused from gymnasium work because of physical inability," stated Miss Rhoda Baxter yesterday.

Physical examinations for the members of the freshman and sophomore gymnasium classes will be completed next week. These examinations are given each year before the regular gymnasium work is begun. Miss Rhoda Baxter of the physical education department, her assistant, Miss Marjorie Armour, and Eleanor Fergus have given the examinations this year.

## CUBS AND BOBKITTENS TO SCRAP IN BOZEMAN

### Three States Contribute Men for Aggie Yearling Eleven.

Coach Harry F. Adams' Grizzly Cubs play the M. S. C. Bobkittens at Bozeman this afternoon. Twenty-one men, accompanied by Coach Adams and Manager Jim Powell, left for Bozeman yesterday morning. The squad that left is composed entirely of Montana men. Outclassed in experience only, the Grizzly Cubs will battle with a collection of star men from three states when they meet the North Dakota, Utah, Montana combination at Gatton field.

A tentative line-up given out by Coach Adams yesterday was as follows:

Ends, Hyde and W. Crowley; tackles, Quinlan and Meagher; guards, McIvor and Wilcox; center, Plummer; quarterback, Sugrue; left half, McKenzie and Griffin; fullback, Iilman; right half, Tarbox. Substitutes include G. Crowley, McSpadden and Johnston, ends; Martinson, tackle; Estey and Tefin, guards; Van Horn, center; and Brewster and Carney in the backfield.

The team is in fair condition, having only a few minor injuries. A line of 168 pounds and a 154 pound fast-charging backfield will be sent in by Coach Adams against the Bobkittens.

The State College freshmen are composed of high school stars from North Dakota, Utah and Montana. At right end is Rivers, the Deer Lodge star. On the other wing is R. Meyer of Salt Lake East High and Harma of Billings as a substitute. Dobeus, the big Lewistown boy; Pitt, a giant from Salt Lake East High and Hornbeck of Culbertson are in the lead for the tackle positions. Kump, all-state guard for three years from Salt Lake East high and Ario, 200-pound lineman from Great Falls high will take care of the guard positions. Big Lincke from North Dakota will play center. Several others, including Cottam of Lewistown and Ryburn of Dillon will be available for the line positions.

F. Meyer of Salt Lake East high plays quarterback. Floyd Romney, a former freshman from Utah university, Dewald, another Salt Lake star, and R. Romney, a cousin of the Aggie coach, will be used at the half back positions. Shorthill of Livingston plays full back.

## RAILROAD STRIKE STOPS COMPLETION OF DITCHES

Pipe fittings, necessary for the completion of the pine line, have delayed filling the network of ditches on the campus, according to Tom Swearingen, maintenance engineer. The cars in which the fittings were shipped, he said, were back ordered at several railroad terminals and due to the strike which made a shortage of carmen. They had been on the road from August 29 until October 2, when they arrived here. With the exception of some of the heavier joints, the fittings are all here and are being installed as rapidly as possible. It will be only a short time until the disagreeable detouring to get around the trenches will be at an end, according to Mr. Swearingen.

### ONE WAY OF MEETING THEM.

We were invited recently to meet a group of freshmen girls who make up one of the composition classes of the University in an attempt, according to our hostess, to bring the new students into closer and more intimate relationship with older students of the institution.

It struck us as something new in our collegiate experience to be able to meet thus informally a group representing so nearly all the types of personality which comprise the personnel of a freshman class. We are, indeed, given few opportunities to meet them at all, save in an isolated way. We are too prone to regard them as freshmen who must be met in the course of duty rather than as individuals with whom it is interesting and possibly helpful to share our campus experience.

The formalities were dispensed with. There was music, the reading of a play, pictures, discussion, eats. We cannot help thinking that other attempts of a similar nature might help solve the annual "get acquainted" problem among the freshmen.

### AND SOMETIMES THEY JUST SIT.

Almost every hour there are several students who are unable to obtain seats in the library. Many of these students need library books which are on reserve for their particular use.

Every day there are students who sit in the library studying a text-book. They do not really need to study in the already over-crowded library. They have the books they need and could study in a vacant class room.

It will not be long until the new library is finished where there will be plenty of room. Wouldn't it be better if the students would voluntarily make use of the present library only when they need library books?

How many letters have you written to your alumni?

Remember Homecoming is not very far away, and the letters should be written and mailed by tomorrow. The first of next week by the very latest.

### FIFTY-ONE HIGH SCHOOLS ARE IN DEBATE LEAGUE

Fifty-one high schools of the state have enrolled in the Montana High School Debate League, according to E. E. Ericson, president of the league. The organization is supported by the principals of state schools in co-operation with the University. District debates will be held during the winter, and the final contest at Missoula during the track meet in May.

### FIRST ISSUE OF FRONTIER OUT DURING HOMECOMING

The first issue of The Frontier, literary magazine of the University, will appear during Homecoming Week, according to the official staff. The board of editors will receive for examination student or faculty contributions up to October 26. Verse, essay, drama or any other literary productions are solicited. Manuscripts will be received in the English office.

# LET'S DANCE

Sigma Delta Chi to Spring  
New Ones Tonight.

Unusual features will predominate at the annual Sigma Delta Chi journalistic dime jazz which will be held in the gymnasium this evening.

Probably the most conspicuous of the features will be the prize fox trot. During the evening the most sublime female fox trotter will be given an appropriate award for her skill and efforts. This award will be in charge of three competent judges.

In order to show the appreciation of the journalists for the student body the gymnasium will be tastefully decorated in colors of the season. Overhead beautiful ropes of trapezia and apparatti will mingle and intermingle. Columbine will also hang from the ceiling. At each end of the room two lovely baskets, delightfully draped, will be suspended.

Invitations were to have been mailed to the entire student body but the committee in charge committed an error. The invitations read formal (with a dress suit and party dresses) instead of informal (without party dresses and dress suits). The committee wishes to emphasize the informality of the affair.

An orchestra has also been engaged. Bezanson's Melody Phiends will assist Durrant's University orchestra.

The presence of a bouncer will add the down-town dance hall color. All co-eds wishing to see this color are cordially invited to attend.

## Annual Forester Ball Coming Next February

Charter Day eve, which will be Friday, February 16, was set as the date for the Foresters' ball at a business meeting of the Forestry club Wednesday night. Steps were taken to push the club's petition for a chapter of the national Forestry fraternity, Xi Sigma Pi, and to prepare a float for the Homecoming Day parade.

The eve of Charter Day was chosen for the Foresters' ball in accordance with a long-established custom. A committee will be appointed at the next meeting to take charge of the arrangements.

The following men were elected to the executive council of the club: the freshman representative, James DeJannette; sophomore, Cullen Waldo; junior, Donald Graham; senior, B. F. Thomas; specials, George Dally. Last year's Forestry Kiamin came up for discussion and it was brought out that there was a deficit of \$200. Means of paying this debt will be taken up at the next meeting. Dean Skeels' suggestion that a faculty member be chosen to act with the treasurer in the capacity of auditor was adopted.

The business session ended with the club voting to co-operate with the other organizations on the campus in sending letters on Homecoming to old members.

The remainder of the meeting was devoted to a social program. Music was furnished by the foresters' quartet. Professor Clark on the mandolin and Professors Ramskill and Pritchard as vocalists were called upon to entertain. Olaf Bue caused an uproar with several of his well-known Swede character sketches, and Raymond Bowers put on a juggling act. Dally gave a short talk welcoming the freshmen and Tom Spaulding spoke on the ideals of the forestry club. The club adjourned to serenade Craig hall following their time-honored custom.

### BEAR PAWS WILL APPEAR IN WHITE SWEATERS SOON

White sweaters and caps decorated with copper, silver and gold stripes, will be worn by Bear Paws in the future. The Bear Paw insignia will also appear on the sweater.

The wearing of these sweaters was decided at a meeting of the organization Tuesday evening. The sweaters have been ordered and should arrive Saturday.

The Bear Paw constitution was read and discussed at the meeting for the benefit of Freshmen members. The Bear Paws decided to take over the Sophomore dance which will be held September 28.

Last year the Grizzly Cubs trounced the Bobkittens 20 to 0, out-foxed the Farmers with a number of criss-cross plays and sent them home with the idea that they would turn the tables on Coach Adams' team this year.

The yearlings from the University have a strong club this season and are in a panic to get at the Farm boys.

The female of the species is more deadly than the male. Bet the Panthers are glad that they didn't play the girls' team.

What happened to the good, old rallies down through the streets, the old pep producers that used to let all the people in the town know that there was to be a game in town the next day?

We observe that the Utah Aggies had considerable trouble beating the Panthers 6 to 0 the other day. When we recall that the Utah farmers were the Rocky Mountain Conference champions last year, we wonder what rating that gives US.

Competition is a big word and it has a broad meaning but it doesn't begin to express what Montana will run up against when she meets Idaho, Whitman and Gonzaga.

# UNIVERSITY MEN

We're glad you're going to the "U" this fall.

That shows good judgment; you'll never regret the act. It's a great school; the faculty "with you," and the students—well, you'll find out what an ace high bunch they are when you meet them.

We have what the University man is wearing this fall. Come right in, give us the "once over." Get a Hart Schaffner & Marx suit and be sure that you're "in right."

We want to tell you now what you'll find out later on—that Hart Schaffner & Marx Clothes for University Men are the standard for quality and style.

If you aren't ready to buy come in anyway; let's get acquainted. You'll be here several years and you'll want to know the merchants. It's to your advantage, as well as ours.
