The meeting was called to order by Vice President Lynne Huffman in the Montana Rooms at 7:00 p.m. Minutes; Approved as presented.

Huffman announced that two of the Board members had not yet paid their fees but that this would be taken care of by Monday.

Fees - Business Manager John Nockleby, reported to CB that Stockburger had requested the Office of Admissions and Records to check the registration status of all CB members. The results showed that Huffman and Berven had not registered as of 1/15/75. Harris stated that he would like to see the members continue to serve with the understanding that they would be registered. Dr. Wicks read a section of the Constitution that stated "All registered students of the University of Montana who have paid the activity fee... or have arranged for temporary deferment are active members of the association." Berven said the reason he had not registered was because of personal and financial problems that he would not care to discuss. He said he had spoken to the Registrar's Office regarding later registration. Nockleby stated that according to the persons responsible for handling late registration, neither of the CB members had checked into registration.
