The meeting was called to order by President John Nockleby at 7:10 p.m.

Folk Dance Club—Sue Guthrie of the Folk Dance Group requested that ASUM sponsor the All Montana Folk Dance Festival. The Folk Dance Group has asked for a grant, but cannot receive it unless they are a non-profit organization, and file income tax forms every year. JIM MURRAY MOVED THAT ASUM APPROVE OF THE FESTIVAL AND HELP SPONSOR THE ACTIVITIES THE FOLK DANCE GROUP IS ENGAGED IN, SO THEY CAN RECEIVE THE MONEY FROM THE GRANT. ELLIOTT SECONDED. MOTION CARRIED.

Montana Kaimin Legal Fees—John Steffens, Kaimin Business Manager, said that there was some confusion about where the money to pay legal fees would be taken from. He said the Kaimin did not budget their money to pay legal fees; he had thought that they would be using ASUM Legal Fee funds. So he was asking Central Board for $2,000 to settle the legal defenses for next year. A letter was introduced from Nils Ribi, ASUM Business Manager, with four options for getting this money. Steffens said that there was one more option to consider, and that would be for ASUM to allow the Kaimin to receive and spend the money received after June 30. All the money coming in after June 30 was frozen as part of the Kaimin surplus, which was frozen during the budgeting session as of June 30. Steffens asked Central Board of their interpretation of what should be done with this money received after June 30. Jim Banks asked if they had collected over $2,000 since June 30 to cover the legal fees. Steffens said they had collected about $3,000 and the total would come to about $6,000 by next fall. MARK PARKER MOVED TO RELEASE ALL FUNDS COLLECTED AFTER JUNE 30, WHICH WOULD BE $6,000. SECONDED. O'GRADY MOVED TO AMEND THE MAIN MOTION TO SAY THAT THE SURPLUS BE GIVEN TO THE KAIMIN TO BE USED AT THEIR DISCRETION, BUT $2,000 WOULD BE EARMARKED FOR LEGAL FEES.

Ed Beaudette asked if Publications Board controls the Kaimin budget, and suggested CB give the money to Publications Board and have them decide on where the money should be spent. Randy Hills, a member of Publications Board, said he questioned the autonomy that Central Board gave Publications Board. VOTE ON AMENDED MOTION: MOTION CARRIED.

Regents vs Judge--Jim Murray, Vice President of ASUM, said he had several clippings from the newspaper about this case, and they were available for anyone who wanted to see them. Murray received a memo from Sid Thomas, a member of the Board of Regents, explaining HB 271 and trying to define the role of student government and the control of student activities monies. President Nockleby said that the radio had reported a Supreme Court decision, so the members of Central Board went down to the Conference Room to check out the radio report. It turned out that the Legislatures will meet soon to discuss the constitutionality of using state monies. O'Grady suggested Central Board look into corporation and find out the rights of students, if they did.

United Way--Mark Parker reported that the meeting at noon, July 23 was to ask students to give “one hour's wages per month” to this group. Parker said that ASUM could not help them, but he gave them
a list of organizations and their chairpeople who might be able to help the United Way.

Board of Regents—Murray gave a brief outline of the agenda on Monday, July 28: University Center labor cost increase, Health Center fee, and authorization to pay legal fees of Panzer and Murphy from the General Fund. He also said the main topic of discussion on Sunday will be dorm requirements for freshmen. Nockleby, Murray and O'Grady plan on attending the meeting on Monday.

Meeting adjourned at 3:00 p.m.
