If no written request is received by the Dean's Office within the 10-day period, the disciplinary action imposed by the Dean's Office shall become effective and such action shall be final and not subject to further hearing and appeal. If the student makes a timely request for appeal, the Dean's Office shall transfer the case for hearing.

disciplinary action imposed, if any, shall be furnished promptly
to the student, the President of the University, and the Dean's
Office.

ARTICLE VIII. Failure to Appear. A student who fails or re-
fuses to appear at a hearing before the Student Court at the time
and place scheduled shall be considered to have waived his right
to be heard by the Student Court. However, the Student Court is
authorized to hear the evidence from those present, to review the
charges, and to make such investigations as it may deem necessary.
In such cases of failure or refusal to appear, the Student Court
is further authorized to decide the guilt or innocence of the stu-
dent and upon a finding of guilt to impose any disciplinary action
specified by this code in Section 2 (b). Such decision shall not
be subject to appeal. However, for good cause, the Student Court may extend the time and reschedule the hearing to enable the student to respond to the charges.

Section 5. Upon a finding of guilt, the living unit court may issue a written reprimand; may deny the student specified privileges within the living unit; may order termination of the student's University housing contract and require him to move out of the living unit within 30 days; or order restitution as defined in Article II, Section 2(d). The above sanctions may be imposed by the administrative officer in charge of the living unit if the student elects to have his case handled by the living unit administrative officer.
Section 6. Any decision of the living unit court or the administrative officer of a living unit resulting in the denial of privileges, termination of the student's University housing contract, or an order of restitution may be appealed to the University Student Court by a written, signed request for a hearing in accordance with the procedure provided in Article VI, Section 2(b) of this code.
1. I propose continuing the present process of collection but with some minor changes.

a. I suggest the co-signer requirement of the Loan Fund be eliminated. It doesn't show itself that effective in collecting money and proves to be a hardship on students applying for a loan. The ASUN Loan Fund is the only Loan Fund on campus that requires a co-signer.

b. In place of the co-signer, I suggest the careful examination of all information on the application i.e. address, etc. I also suggest the use of the University of Montana Business Office on a random or regular basis for credit references. The Business Office deals with students quite regularly and would be of aid in this area. The administration would then not be loaning money completely in the dark, and would probable defaults.

ASUil STUDENT LOAN FUND

Current Regulations Governing Use

An ASUil Student Loan Committee composed of the ASUil Business Manager, as chairman of the Student Loan Offices, the Dean of Students or his representative, and one student appointed by Central Board, shall be responsible for approving student loans. Three members constitute a quorum; a unanimous vote of those present is needed for loan approval.

Responsibility of the Members of the Committee to ASUil

These funds are for short term loans to students. The maximum of funds loaned to each student must be small in relation to the total funds available for loans. ASUil places time and money limits on each loan, so that the service can be available to many students. The responsibilities of the committee members are as follows:

Develop a lending policy that insures that each loan will be paid within time limits outlined for the loans. The policy should be consistent with the qualifications of borrowers given below.

Change the maximum amount of money each student can borrow to reflect the demand of funds. The volume of applicants for loans and the amount of funds available for loans should be the criteria.

The provisions are outlined to the University and the procedure it may use to aid them in collections.

The Director of Financial Aids shall have the authority to stop registration to the University of any student who is past due on his loan. A student may make arrangements with the University outside the guidelines for loans presented here to pay the balance of the loan. The Controller of the University may allow the student to complete registration if he believes the arrangements he makes with the student, who has a past due loan, will insure payment of the loan.

The University shall have the authority to hold the transcript of any student who is past due on his loan. A student may make arrangements with the University, outside the guidelines for loans presented here, to pay the balance of the loan. The University may complete and forward the student's transcripts if the University believes the arrangements made with a student, who has a loan past due, will insure payment of the loan.

Authority to withhold registration or transcript (point of infor-

mation
Loan funds are an accumulation of contribution of student activity fees contributed to the fund by ASUM. Attorney General Woolnough interprets the student activity fee as University Funds. The University of Montana may withhold registration or transcripts of students, who are in debt to the University.

General Rules Governing Loans

1. To be eligible to borrow, a student must have paid the student activity fee in the quarter he is applying for a loan, or have paid the fees as an undergraduate student if he is now a graduate student, and he must not be on probation.

2. The following personal qualifications of the student will be gathered by the Financial Aid Officer and considered by the committee before approving any application:
   a. need of aid
   b. amount of present indebtedness and past credit record
   c. effort which applicant has made to assist himself
   d. scholastic record

3. Applications for ASUM loans will be made through the Financial Aids Office.

4. Upon approval of the loan by the Committee, the Financial Aids Officer will issue a pay-out to the student. The Controller's Office will be responsible for collection of loans from this fund. Loans will fall due one year or less from the date granted.

5. Renewals are processed the same manner as new loans. Any interest due must be paid before loan renewal will be considered.

Special Regulations Governing Loans—Regular Loans

1. Every loan shall be countersigned by a non-student (preferably a parent or guardian), legally of age, who shall be responsible for the loan in case of default of the applicant.

2. Each individual loan shall not exceed $200.00. The interest rate on the unpaid balance shall be 3% per annum, effective upon receipt of the loan until maturity, and 6% per annum after maturity until paid. The interest rates will be reviewed by the Committee at the start of each Fall Quarter. The purpose of this review is to help the penalty rate of interest equal to the market (prime) rate.
3. The note may be paid at any time prior to maturity. Payment of loans in monthly installments is recommended.

Special Regulations Governing Loans—Emergency Loans

1. The signature of the applicant is all that is required for this note.

2. There shall be a $25.00 limit per loan, and these loans shall not exceed one calendar month. No interest shall be charged until maturity.

3. The interest rate on the unpaid balance shall be 10% per annum, charged from maturity date until paid.

4. The approval of the Dean of Students and the Financial Aids Officer will be sufficient for this loan if there is insufficient time to gain approval of the loan from the committee as a whole.

Collection of Overdue Loans

If loans are not paid when due, six months will be allowed to elapse before legal action is taken to collect. If action cannot be brought against the applicant, the co-signer will be held responsible. Attorney's fees and court costs shall be assessed to the defendant if legal action is necessary.
