SHERIDAN TAKES LEAD FIRST DAY

HIGH SCHOOL PEOPLE NUMBERING 1,000 FLOCK TO CAMPUS FOR MEET

Incoming Trains Are Filled
With State Contestants
and Visitors.

With the opening of the Twentieth Interscholastic Track Meet yesterday, Missoula welcomed nearly 1,000 contestants and visitors. Trains from early in the morning until late at night were loaded with high school students, and crowds of university people thronged the depots to meet them.

Visitors from the more remote parts of the state were the first to arrive and were soon quartered. The west-bound trains last night carried the heaviest passenger lists for Missoula and the accommodation committee had to work overtime. Downtown streets were filled with the newcomers. Today the inflow of scholastics reached its peak and the committee was hard put to accommodate the crowds.

Missoula high school staged a pep rally down town last night. The students formed a snake dance, led by the school band in an old stage coach propelled by a Fordson tractor.

Almost every store in Missoula has co-operated with the track meet authorities in decorating show windows and welcoming the visitors. The displays are varied and highly decorative. Each fraternity and sorority house was supplied with a copper, silver and gold M. These are electric lighted and in many instances have been supplemented with original decorations to harmonize with the house.

Open Houses Held.

Open houses will be given Thursday and Friday nights and in the afternoons following the track events by most of the University organizations. All high school and University students are invited.

Those who like dancing will have plenty of opportunity to enjoy themselves. There will be nightly dances at Greenough park and at the downtown halls. For the more scholarly inclined there will be the final declamation contest Thursday night.

Friday night the University Glee club will give a concert and the Masquers club will present "The Mol-luse," a three-act comedy, at the high school auditorium. During this program the medals and cups will be presented to the winning contestants.

On Friday morning a number of the campus organizations will present stunts on Dornblaser field for the entertainment of the visitors. The stunts will be competitive for a silver cup.

It is expected that many of the high school students will remain for the Grizzly-Vandal dual meet Saturday afternoon. A meet between Montana and some university has always been a feature of the interscholastic.

CHAPTER AT IDAHO.

The local chapter of Alpha Kappa Psi was delegated to install a chapter at the University of Idaho Friday, May 11. Four of the five men in charge of the installation were on the baseball ground. They are: George Weldman, E. R. O'Neill, Perk Spencer, John Driscoll and George Whitcomb.

ELEVEN DECLAMERS IN TONIGHT'S FINALS

The eleven contestants who were chosen this morning to enter the finals of the interscholastic declamatory contests at the high school auditorium this evening at 8:15 are as follows:

Edwin Astle of Hardin, reciting White's "The Ever Glorious Fourth;" Claire Robinson of Gallatin county, reciting David Starr Jordan's "College Spirit;" and Paul Maclean of Missoula, with Noyes' "The Highwayman," won out in the boys' contest. Girl winners were: Donna Wilson of Al-berton, with Bolawn's "Minnie at the Movies;" Ruth Gonser, Great Falls, with Sir Gilbert Parker's "The Gong of the White Swan;" Margaret Carberry of Browning with "The Obstruc-tive Hat in the Pit;" Grace Gorton of Simms, with Tarkinton's "Little Sister;" Eleanor McBarron of Butte, with Tennyson's "Rizpah;" Elizabeth Barto of Thompson Falls, with "Fish Stories in Rhyme;" Elizabeth Gregg of Billings with "Peg O' My Heart;" and Lillian Crittenden of Sacred Heart Academy of Missoula, reciting O. Henry's "A la Carte."

STATE DEBATE TITLE GOES TO LEWISTOWN

John Kidneigh Wins Gold
Medal Awarded to
Best Speaker.

Lewistown won from Hardin by a decision of two to one in the debate finals held in the auditorium of Main Hall last night by successfully upholding the affirmative side of the question, "Resolved, That the several states should enact employment insurance laws." John Kidneigh, of the winning school, was chosen to receive the gold medal prize awarded to the best speaker. Helen Brodie, a team-mate, was second, with Pauline Astle and Oletha Lewis of Hardin tying for third.

Preliminary tryouts of the debate were held yesterday morning and afternoon to eliminate five of the seven teams competing. In the morning, Hardin defeated Anaconda, Wibaux County (Wibaux) defeated Scooby, Fergus County (Lewistown) won from Flathead County (Kalispell). Harlowton, the remaining team, drew a bye.

In the afternoon Fergus, taking the negative side of the question, won from Wibaux. Harlowton, on the affirmative, lost the second contest to Hardin.

Judges for the finals were George Witter, Clyde E. Burgee, and John Chadwell.

Russell Sweet of Miles City and Hill of Stevensville tied the state record for the 50-yard dash in the first heat of the semi-finals. Time 52.5 seconds.

Record Time Made on Wet Track

SINGING ON THE STEPS TONIGHT.

Singing on the Steps, Montana's most loved and distinctive tradition, will be observed tonight, commencing at 7:30, on Main Hall steps.

The track meet singing on the Steps is usually one of the big events of interscholastic and considered one of the most impressive ones of the year.

High school visitors, as well as University students are urged to turn out for the event tonight and take part in Montana's prettiest ceremony.

LARGEST ATTENDANCE IN HISTORY OF MEET

Dr. Rowe Well Pleased With
Support Given by
Students.

"If the weather man is good to us we will have the biggest interscholastic track meet ever held at the university," said Dr. J. P. Rowe, chairman of the interscholastic committee, yesterday.

"We have every section of the state represented by the eighty-five schools competing in the meet. Twenty or more schools were denied the privilege of entering the meet on account of the late filing of entry blanks. There are in the neighborhood of 500 contestants here and we expect a record-breaking crowd of 2,000 people to witness the meet. The railroads are putting on extra equipment for the Coeur d'Alene, Polson, Butte and Helena, and automobiles the arriving every hour loaded with contestants and visitors.

"I believe this year the students at the university are taking more interest in the meet than ever before. The committee feels very grateful to the students for the work done in selling tickets and decorating the campus and the various houses. It shows that they are all pulling together for the University of Montana. We are glad to see the students here from all over the state and glad to see the university students getting in touch with them.

"The Chamber of Commerce has sold a great number of tickets and the sale of students tickets is also going good.

"It is very gratifying to see so many former students here for the track meet. They have even come from as far as Seattle and the Dakotas. There will probably be 250 old timers here to attend the meet and we are more than glad to welcome them back.

"The members of the interscholastic committee want to thank everybody that has had a hand in getting the biggest meet in the history of the institution ready for action."

Perhaps we have a record family. Jim Charteris of Great Falls, who lowered the state record in the 880 from 2:06 to 2:04 2-5, has a brother Joe who, according to the Great Falls visitors, runs the same event in about the same time. Joe is entered in tomorrow's 880.

Charteris of Great Falls
Breaks Half-mile Record;
50-Yard Mark Tied.

Sheridan high school of Madison county jumped into the lead in the interscholastic meet when Daems placed fourth in the discus throw. The leader's total is 11 1-6 points. The other points were made when Murray and Daems placed first and second, respectively, in the shot put. Butte high school is second with 10 points, and Stevensville third with 9 points. Charteris of Great Falls broke a state record when he stepped the 880-yard run in 2:4 1-5. The record has been held by W. Jones of Missoula county since 1913, when it was made in 2:6.

A steady downpour of rain did not dampen the enthusiasm of the track meet crowds and contestants as they appeared on Dornblaser field early this afternoon to formally open the twentieth interscholastic meet. Umbrellas and raincoats made their appearance in the bleachers, but had no effect on the cheering of the various backers of the schools represented. The contestants appeared on the field clad in overcoats and heavy clothing eagerly waiting their turn to compete.

The Grizzly Band of 45 pieces added pep to the affair by tearing off some stirring marches in spite of the dampness of the occasion.

A muffled roar greeted Starter George Varnell's first pistol shot, and the crowd rose instantaneously. Sweetman of Billings smashed the tape in the first heat of the 50-yard dash, closely followed by Bertoglio of Butte. In the second heat, Sweet of Custer took first, followed by Achen of Chinook. In the third heat, Keyes, the swift sprinter of Butte Central, took first, followed by Richardson, of Lincoln county.

BATTALION REVIEWED BEFORE LARGE CROWD

Veterans and Cadets Parade
as Track Meet
Event.

"The Call to the Colors," snappy march selections by the band, a well disciplined drill broken at intervals by a distinct popping or rifle slings and the presentation of the flag by the American Legion, were all features of the review given by the cadet corps of the University and the company of ex-service men on Dornblaser field, promptly at 3:45 this afternoon.

In the reviewing section were Adjutant General Charles Sheridan, Attorney General Wellington D. Rankin, Major A. F. Williams, commanding officer of the 163rd Infantry of the Montana National Guard; John W. Mahan, state commander of the Disabled American Veterans; Major Harry L. Jordan, chief of the R. O. T. C. in the Ninth corps area; C. T. Busha, sub-district manager of the Veterans' bureau; Major George L. Smith, and Captain Jack Howard of the University R. O. T. C., and President C. H. Clapp of the University.

The men in uniform standing at "present arms" and the immense crowds silent and uncovered for the first time during the day as "To the Colors" was being sounded by the bugler presented an unusual spectacle.

Eloise Baird, sponsor of the corps, uncovered the flag presented by the American Legion to the University R. O. T. C. and the Veterans' company acted as color company escorting it to its place with the battalion. The detail then passed in review. The student companies wore regular uniforms while the ex-service men were equipped with trench helmets and paraded with fixed bayonets.

'LO.

The University of Montana this spring has the opportunity of welcoming for the twentieth time the representatives of the state high schools at the annual interscholastic meet. We hope that you will enjoy each minute of it and that in going away you will take only pleasant memories. The meet offers the biggest chance of the year for clean sportsmanship, fair play and real worth. Montana stands for this from the first grade to the last, so that the memory of this meet should be that of work well done in which he who plays the game and plays it well, wins.

Montana extends a special welcome to those who are finishing high school this year. We want you not only to come and take you part in the meet—whether it be in debate, declamation or on the field—but to become acquainted with the University itself. We want you to see our buildings, meet our students and professors and to learn something of the University life for which we stand. If there is anything you wish to know about the University, ask us. If we may be of service to you in any way, let us know. We want you to take back with you the memories of the pleasantest days you have spent so far.

Here's luck to you all—a clean start and a good finish—and our hats off to the winner.

THE INTERSCHOLASTIC.

The interscholastic track meet is Montana's biggest event. From a small meet participated in by a handful of athletes some twenty years ago, it has grown to such proportions that it is characterized as being the second largest interscholastic gathering in the United States.

It is an event of which Montana University students, Montana high school students, and older people of the state can well be proud. It not only gives the various students of the state opportunity to visit the higher educational institution, and become acquainted with University people, but it helps them to form acquaintances with students from other schools, and thus paves a way for a closer relationship.

It is an event that University students and alumni are proud to help along, and we hope one which high school students are proud to participate in.

Egan Unpopular In
Aggie Village!

Bunny, the fleet Aggie trackster has one admirer, anyway; this one is his girl. It was on the first turn in the initial lap of the 880-yard run over at the Cow College last Saturday, when Bunny, seeing someone interested in him, decided to put on a little show and attempted to pass Bob Egan. Bob was too fast and Bunny, seeing that he could not make his feet function fast enough, tried to cut in ahead by the use of his elbow. It wasn't so bad for awhile, Bob carrying Bunny around on his elbow that way, but Bob could soon see that the race would be slow if he had to continue with his heavy burden, so he gently

pushed Bunny out into the middle of the track.

After the race a very angry and excited girl, accompanied by her mother, came over to Bob and in a voice filled with emotion, Bunny and Aggie dialect, said: "Oh, I just hate you!"

Failure of the blankets to arrive at the end of last year, is the reason why the older men are receiving them now.

Mr. and Mrs. James Dorsey are in Missoula this week, attending the Interscholastic track meet.

INTERSCHOLASTIC TRACK STARS PERFORMERS ON GRIZZLY TEAMS

Shaffer, Stowe, Axtell, Porter, MacGowan, Former High School Winners.

It might be well at this time, when everyone is hopped up over the present interscholastic track meet to turn back the pages of track history and glimpse what was done in interscholastic meets of the past by stars who are now wearing the colors of old Montana.

Do you remember back in '19 how "Buck" Stowe, who won the low hurdles in the recent Aggie meet, sped down the track in the 220 and clipped a second from the state record, making it in 22 4-5 seconds?

In the same year that Buck broke the 220 record, Leo Dwyer, now one of the most promising track men at the University, hopped over the bar at 5 feet 8 inches, winning first in the high jump. He also took first in the broad jump and fourth in the pole vault. Not so dusty, what?

Then there was Earle Duffy, who for the past three years has been one of Montana's track men. Earle broke the tape in the fifty at 5 3-5 seconds in 1919, which has not been equaled since.

Big John Shaffer did some good work back in 1918. He tossed the discus 114.4 feet, breaking the state records and also placed in the shotput and high jump. John is now Montana's best bet in the discus. In the same year, Ted Plummer, the University's premier high hurdler, placed second in this event.

In 1921 George Axtell shoved the shot out for 44 feet 10 inches, breaking Tom McGowan's record. "Duke" Johnson won the pole vault that year, hurling himself over the bar at 10 feet 3 inches. Johnson also took second in the high hurdles.

Axtell also took a first in the shot in 1920. The distance was 42 feet, 4 inches. "Ax" won first in the discus also that year. "Wee" Maudlin, who plays tackle on the Grizzly football team and also hurls the discus, took second in the event that year.

Erickson, of Butte, one of the most likely of freshmen track men, took a hair-raising 440 dash from Demetrovich, famous Anaconda sprinter, in 1921. Erickson's spurt in the final seconds of the race will go down in the history of the interscholastic meet.

Gil Porter won his spurs in the interscholastic pole vault. Thomas MacGowan, one time holder of the shot put record, has closed his athletic career at Montana as a football and track man. Herman Stark, winner of the 440 last year is doing creditable work on the frosh team.

DAYLIS OF BILLINGS ARRIVES WITH TEAM

"Cubs" Daylis, former Grizzly football and baseball star, made his appearance in Missoula Tuesday night when he stepped off the train with his track team representing Billings high school.

"Hullo," quoth the Yellowstone county mentor, as he shifted his chew of snus and shook hands with the gang.

The chew of snus made "Cubs" famous while a member of the Varsity baseball nine last year. It will be a year ago Saturday, when the Grizzlies were battling the Gonzaga nine in Spokane. The Washington boys were leading in the seventh inning but Montana had staged a rally. Three men were perched on the sacks and Daylis up. The pitcher zipped a couple over on our hero and then he shifted his snus. A three-base wallop and Cubs perched on third. The game was won.

Then Billings got him.

Robert E. Carson, a vocational student, is ill in the St. Patrick's hospital with the flu.

Sigma Nu—Albert Palmer, David MacDowell, Elmer Wendt, and Charles Pythian.

Delta Sigma Chi—Miss Fay Collins of the class of '21 is a guest at the Delta Sigma Chi house during track meet.

JOLLY-UP ELIMINATED FROM MEET PROGRAM

There will be no Jolly-up dance as a closing event of the interscholastic meet. Since the dance seemed to conflict with awarding of medals, glee club conceit, presentation of "The Mollusc," dances down town and at fraternity houses, it was decided by the committee in charge to dispense with the Jolly-up.

The glee club will appear in its only concert at the high school Friday night before the presentation of "Mollusc."

Gene McGregor of Butte, Helen Cloy of Helena, and Elvera Kaa are guests at the Beta Zeta house.

GONZAGA VICTORIOUS OVER MONTANA NINE

Game Is Pitchers' Duel; Featured by Six Double Plays.

Gonzaga university defeated the Grizzlies 3 to 0, in the first game of the western trip Wednesday. The game was a pitchers' duel, Centerwall hurling for Montana. The feature of the game was the completion of six double plays by the two teams.

Coach Park Spencer took twelve men on the trip. Captain Bill Johnson, Gil Porter and Bill Centerwall will do the hurling for the Grizzlies, while old King Tut Burtness may be called upon to take the mound in a pinch. Other members of the squad are: Simmons, Dickson, Bill O'Neill, Buck Stowe, Weideman, J. Driscoll, Baird. It is expected that Bill Johnson will play second, while not called upon to pitch. When Johnson is on the mound O'Neill will guard the key-stone sack.

The Grizzlies will tackle Mount St. Charles at Helena on May 24. The next home games will be with Washington State College on May 29 and 30. Games were scheduled with the Aggies in Missoula on May 18 and 19, and in Bozeman on May 25 and 26, but as the College will not have a ball team this spring, these dates are still open.

GRIZZLY AND VANDAL TO CLASH SATURDAY

Idaho Track Team Strong in Distance Runs and Hurdles.

The dual meet between the Grizzlies and the Idaho Vandals Saturday will come as a climax to the interscholastic meet. Little is known of the Vandals, although they took a severe drubbing at the hands of Washington State last Friday.

In the Cougar meet, however, Idaho showed better in the distances and hurdles which are weak points on the Grizzly squad. Penwell, one of the best half-milers in the northwest, is still running for the Gem State school. The Grizzlies' best bets are in the field events and the sprints.

Montana will be handicapped by the absence of Buck Stowe and Gil Porter who are with the baseball team on its western trip, and McAlear, who has been making good time in the mile. McAlear has a bad foot. Rutherford may not be able to enter, and his loss would be noticed.

The squad has not been picked, but Coach J. W. Stewart announced that the entries will be made from the following list:

100-yard dash—Andrus, Rutherford, Anderson.

220-yard dash—Andrus, Rutherford, Anderson.

440-yard dash—Egan, Closs.

Half-mile—Matthews, Egan.

Mile—Duffy.

Two-mile—Blackburn.

Pole vault—Shaffer.

High jump—Rule, Shaffer.

Broad jump—Badgley, Shaffer.

Shot—Axtell, Plummer.

HIGH SCHOOL EDITORS MEET THIS MORNING

A discussion of advertising and questions of business management and the opening of the discussion of the news exchange took up the first meeting of the High School Editorial association. Twenty-four high school students attended the meeting.

James McNulty of Anaconda took charge of the meeting until the arrival of Ethelyn Culbertson, president of the association. Dean A. L. Stone welcomed the visitors in the name of the school of journalism and congratulated the delegates on the remarkable progress made by the papers in the last year. He outlined some of the questions which were to be discussed in the meetings. Earle Duffy, in behalf of Sigma Delta Chi, men's journalism fraternity, and Wynema Woolverton, in behalf of Theta Sigma Phi, women's journalism fraternity, extended greetings to the visitors.

The discussion of advertising and management was opened by Norvald Ulvestad of The Konah of Missoula. He outlined the problems which he had met in the work he had been doing. He was followed by Grant Elderkin of The Mountaineer of Butte High, who presented some new problems. A round table discussion followed in which the following took part: Miriam Randall of the Flathead Arrow, Martha Dunlap of The Torch of Thompson Falls, James McNulty of The Copper Glow of Anaconda, Edwin Whitworth of The Beaverhead High School News, Yule Rees of The Sheepherder of Big Timber, Keith Haines of The Passamair of Sheridan, Hugh Mosier of The Whitelight of Whitehall, and Art Burns of The Nugget of Helena.

Miss Margaret Ronan, sponsor of The Konah, told the delegates of the organization of the staff of the paper. She explained the system used for gathering news, jokes, personals and other work.

Miss Ronan opened the discussion on the news exchange which may be organized by the high schools of the state. The discussion was taken up by Albert Lahr of The Passamair of Sheridan. The meeting closed at the end of his talk to start again at 9 o'clock tomorrow morning.
