BIG SKY CAREER FAIR BRINGS EMPLOYERS TO UM CAMPUS

University of Montana students will have the opportunity to meet with company recruiters from across the nation at the 12th annual Big Sky Career Fair.

The career fair will take place from 10 a.m. to 4 p.m. Wednesday, Oct. 4, on the newly renovated third floor of the University Center. Students, alumni and local residents are invited to attend at no charge.

Fair-goers can search for permanent employment, internships, summer and part-time job opportunities and volunteer positions, while gathering information about companies and networking with employers.

A series of 50-minute workshops is scheduled on topics including career development, industry trends and international employment and internships. The presentations will take place in UC rooms 326 and 327.

More than 100 employers already are registered for the fair, and more than 1,500 students are expected to attend. The fair, hosted by UM’s Office of Career Services, is designed to offer career development information to students of all academic levels and majors.

For more information, visit the Big Sky Career Fair Web site at www.umt.edu/career/bigsky.htm. The site offers a list of companies that will attend, as well as online registration for UM’s resume database, CareerConnections.
