The meeting was called to order by President John Christensen at 7:00 p.m. in the Montana Rooms of the University Center.

Corrections to minutes: Cynthia Schuster expressed disapproval of the title "Faculty Advisor" as written in the minutes under excused absence. She feels that Faculty Representative is more fitting. Tom Cannon did not volunteer to serve on Admissions, Graduation and Academic Standards Committee - he is already on it.

REPORTS OF OFFICERS AND STANDING COMMITTEES

Publications Board: Bryan Thornton said that last night, February 1, Publications Board interviewed for the position of Editor of The Montana Kaimin. Candidates are Don Larson, Lyno Sullivan, and Conrad Yunker. There will be a special meeting of PB Thursday, February 3 at 5:00 p.m. to choose one of these people for editor of The Montana Kaimin.

Study of the Dean's Office Committee: Thornton said this committee met last week Tuesday with Dean Fedore. Operation of the Dean's office was discussed in some detail this meeting. Vice President Mitchell will attend the committee next week and there will be a question and answer discussion. Thornton said that as soon as the study of the Dean's office is completed a full report will be compiled and presented to Central Board.

Van Buren Street Bridge: Jim Dana said the engineers for this project are coming this week and final decisions will be made concerning the building of an underpass under the Van Buren Street bridge. Dana says money will be no problem. President Christensen said that Morgenstern offered the island to the students for whatever amount he has in it with the idea that it could be developed into a park for the students. Christensen asked Dana to look into the possibility of buying the island and how much it would cost.

Planning Board: Berven presented CB with the Elections Calendar for 1972 as drawn up by Planning Board as follows: Petitions available for candidates February 8; Deadline for petitions (to be turned into ASUM office) March 3; Elections Committee certifies petitions (petitions turned in earlier may be certified at earlier Elections Committee meetings), decides necessity of Primary Election, makes election arrangements; First day of Spring Quarter, campaigning may begin March 27; Primary Election (if necessary) If no Primary necessary for any office, General Election will be held on this date April 5; General Election April 12. Offices to be filled: President, Vice President, Business Manager; Central Board Delegates, 11 Off-campus; 3 on-campus; 2 organized off-campus; 1 married student housing. Store Board: one two-year position and two 1-year positions. Berven said that of the Store Board candidates, the highest vote-getter would get the 2-year position. Elections Committee suggests that the fourth highest vote-getter be given first consideration to replace any members who would resign before the next election.

OWENS MOVED THAT CB APPROVE ELECTION DATES PRESENTED BY PLANNING BOARD. BERVEN SECONDED. QUESTION CALLED. MOTION CARRIED WITH ALL IN FAVOR.

Constitutional Review Board: In the ASUM Bylaws the word "spring" referring to "spring elections" is interpreted as meaning "during the spring quarter of the academic year". Thus, spring elections must be held during spring quarter.

Legal Services: President Christensen said a meeting would be held on February 8 with Dean Sullivan of the Law School concerning what position law students could take in counseling University of Montana students. Possibly a full-time lawyer will have to be hired.

(over)
Athletic Poll: President Christensen presented the results of the athletic poll regarding the question where students would like the money to go in the event the athletic program's budget was cut down: Library 45%; Environmental Studies 20%; Activity Fee Cut 12%; Program Council 9%; Intramural 9.

OLD BUSINESS

Changes in ASUM Bylaws: At the last CB meeting suggested changes in the bylaws, Divisions I through V, were presented by Berven and tabled until this week. Berven moved that the changes proposed in Division I be approved by CB. Beck seconded. Question called. Motion carried with all in favor. Berven moved CB accept proposed changes for Division II of the bylaws. Dana seconded. Question called. Motion carried with all in favor. Berven moved CB accept proposed changes in Division III of the bylaws. McKenzie seconded. Question called. Motion carried with all in favor. Berven moved CB delete Article VII from Division IV of the bylaws. Grande seconded. Paddock said Article 7 of Division IV is not in the current bylaws. Question called. Cynthia Schuster reminded that it was unconstitutional to delete anything from the constitution without making an amendment to the constitution. Beck moved previous question. Sorensen seconded. Motion carried with all in favor except 3. Berven moved that CB approve other proposed changes in Division IV of the bylaws excepting Article 7. Owens seconded. Motion carried with all in favor. Berven moved that CB accept proposed changes in Division V of the bylaws. Beck seconded. Question called. Motion carried with all in favor. Berven moved that the words "full time" be stricken from Article 4, Division II, Section 1 and also that the word "his" in the same section be changed to "their". Owens seconded and motion carried with all in favor. Paddock said that each committee should write up their own bylaws, and that the whole constitution should be thrown out as worthless and rewritten from scratch. Beck moved that CB accept proposed changes in Divisions I through V of the bylaws as presented by Planning Board. Berven seconded. Roll call vote with 9 no and 9 yes defeated the motion to accept the changes in Divisions I through V of the bylaws. 9 No: Cook, Fouty, Gilbert, Mozer, Owens, Paddock, Servheen, Sorensen, Vick 9 Yes: Anderson, Beck, Berven, Cannon, Dana, Ehrlich, Grande, McKenzie, Swenson. Flaherty abstained. The bylaws will be referred back to Planning Board for further action.

Athletic Program: Jack Swarthout, Athletic Director for the University of Montana attended this meeting to answer questions concerning athletic activities directed to him by the Board. Beck brought up the question asked on the Athletic Poll Card "Do you favor in the near future changing from the mandatory fee for football and basketball to financing of these sports by charging only those students who attend the games?" Beck asked Swarthout if this plan would be feasible. Swarthout replied that they have made a study of this and under the financing of the program, basically, if there would be a 12 1/2% cut it would amount to about $17,000. This $17,000 would have to be made up. Swarthout said his department would like to adopt the plan of not charging students but it would be difficult. He said "I think if you went down to the minimum of $100,000 base then you would have to charge the students a dollar for basketball and a couple dollars for football in order for the coach to figure that you could basically finance on the conference level that we are now. I think that these figures that we used are high if you consider the attendance we have had at the basketball games when we charged $1.00. At the Bobcat game we had 1400 and we usually have 3000 so that's about 50% and I think we cut down 25%; so I think that when we set up the study we were a little bit low on how many students would come if they had to pay a dollar. Although it's only been these last few games we've had and the weather has been bad and one thing and another, so I don't know for sure. There's no way of telling what the attendance would be, it's just a projection. If we could get money other
places as we are trying to do, because the students are paying a big share, we could possibly make it with a 12 1/2% cut. Beck said "Suppose we gave you a certain amount of money - say sixty or a hundred thousand - and then allow you to charge at football games, what kind of a figure would you have?" Swarthout said "That's what I said, if you cut to a $100,000 base and that would be a minimum because you're cutting off $47,000 and the amount appropriated last year was $173,000 and then it was cut to $147,000 and then if you cut it again to $100,000 you will see a sizable reduction of the program without cutting the quality of the program. Using a $100,000 base and charging the students at least a dollar or two dollars to even try to approach the amount we need, I think we'd have to raise money other ways. A lot more studying will have to be done." Sorenson asked if Swarthout made about $100,000 on gate receipts for basketball and football. Swarthout said, "We make about $49,000 on football but only about $13,000 on basketball because half goes to the Fieldhouse budget for financing the fieldhouse and it goes on into the Student Physical Education Center so that the ticket income between the two would approach $60,000. We have guarantees and money from Century Club so that the income for football alone is a little over $100,000 with basketball being close to $30 or $40,000. Century Club has been putting in about $60 - $65,000 a year." Sorenson asked "What do you think of the feasibility of cutting all the sports except football and basketball - taking a 100% cut in student fees down to zero dollars and a student would pay a dollar and two dollars to go to the basketball and football games and figuring a 25% drop that you could possibly generate at a dollar and two dollars all $50,000 or $55,000 with the addition of your $100,000 from the GPC's and football, the $40,000 from the basketball and another $75,000 from the Century Club - you should have around a $250,000 budget so that you should be able to compete competitively with only charging the students who actually go to the games." Swarthout said "The first difficulty that arises is that according to a rule of the Conference, we have to participate in 6 sports. This would mean the ruling would have to be changed before I could say we can drop all sports except football and basketball. The President's Council - the presidents of the Universities in the Conference have the final say on the rules. This was one of the rules they recently made - that each team will field football and basketball except Gonzaga and they made a separate ruling for them as they are a charter member and then you will have to have 4 other sports. Football and basketball are the two most expensive sports and especially football because of the number of scholarships - approximately 65. We're allowed 103 scholarships and that costs you $215,000. Recruitment this year will cost us about $15,000 for football and about $8,000 for basketball and I don't know for the rest of the sports. I agree that any way the cost of recruitment could be cut would be a good idea. We are at a bare minimum in recruiting if we are going to have a program. The most we used was $20,000 for recruiting for football. This includes all phone calls which usually amount to $4,000 having contacted 2 to 3,000 boys. This includes all trips for all coaches, all entertainment, the trips to conference games that I take, flying a boy in to visit the campus. When I was at the University of Texas we spent over $200,000 a year for recruiting. However, I am not making a direct comparison." Cynthia Schuster said "I would like to sneak my piece against recruiting. I'm inclined to think that the time is right for presenting the students of all the other institutions in the Big Sky Conference with a proposal that we not just cut recruiting but cut it out. I think it is the most degrading bit of open commercialism connected with sports that has arisen as one of the consequences of that odd, not to say wierd, historical accidents that connect scholarship supported athletics to American Institutions of Higher Learning. This is my personal prejudice entirely and I suppose there's no point in suggesting that we become non-competitive by cutting it out. Unilateral disarmament I'm afraid that would be From where I sit, it wouldn't hurt my feelings at all if we were non-competitive. The Academic side of the University obviously should not be mentioned." (over)
Cynthia Schuster went on to say "I mean quite seriously to ask whether you think it would be at all possible to put this as a serious proposal for next year's discussion: whether or not you could have a Big Sky conference in which the students who go to universities for some other purposes play their games and compete for the fun of it and there be no recruiting." Swarthout said he thought her opinion was a good one but he believed just the opposite - that recruiting and the scholarships for the athletes has arisen from the very club sports you wanted to put on. When they started, they were the club sports at Princeton, Harvard and Rutgers and then because of the inherited competitive spirit in us we wanted to be better. The NCAA has put regulations on to control it so that its recruited in the fall in the same way and maybe there are some things wrong with it but I think we have controlled it. I think athletics is very important to school spirit and if we don't have some traditions of the old school the alumni will have no ties." Someone asked how many of the scholarship students graduate. Swarthout said "Most go five years. We had 22 boys that transferred here from Grey's Harbor Junior College, and 20 graduated. We have had some teachers for these boys through mostly work-study funds, trying to help every boy after he is through competition to help him graduate. A few of them don't graduate and we can't do anything about this. Servheen asked if this program wasn't outrageous for this size of school. Swarthout said "No - it's well worth it. When you realize that $33,000 of state funds is what we use for the program and if you cut that out you do not get much for academics plus the fact that 103 scholarships are $215,000 every cent of that comes to the University in tuition and it is used by the Athletic program. It generates a cash flow: the students give $147,000 and it comes back to them. We are giving students an education. We are giving something to the University and to the community." Servheen asked "Couldn't you give something to the University and to the community with a program that isn't at the level it is now - both here at the University and throughout the whole conference?" Swarthout said "We won 10 games and generated so much enthusiasm that we raised $12,000 to send the band and other people to the Camilla Bowl in nothing flat and to me this means something." Servheen asked "Couldn't we cut down football and still be competitive, still win games, but not have to spend $215,000 just on scholarships for the boys? Couldn't we cut this down so academic things would have a little more money?" Swarthout answered "Where would academics get the money? That's the basic thing." Servheen said "From Central Board if we cut your budget down." Mozer asked "Where did you get the information that it is illegal to give money to the library?" Swarthout said "John Christensen and I talked about that, didn't we John?" John said "In my first discussion with President Pantzer on using student money for library books was that this would be contributing to academics and it is illegal to put the student activity fee into academics. Later in talking to President Pantzer, he said this could be done. I'm uncertain about this." Servheen asked "Are there any legal limitations either in the revised Codes of Montana or in rulings of the Board of Regents prohibiting or limiting uses of the student activity fee?" Sorenson said "It's an interpretation. There formerly was a state statute that read 'tuition shall be forever free.' What the interpreted tuition has is dealing with academics and that has been repealed and they use student fees for a variety of things, both in academic and activity areas. Therefore, it legally comes out that we could use part of the activity fee in the library." Mozer said "Since I don't think it would be fair for us to make a decision on the athletic budget, I would like to introduce a resolution as an opinion for the next Central Board: MOZER MOVED THAT "THE COALITION, AFTER MEETING IN CAUCUS, HAS DECIDED TO INTRODUCE THE FOLLOWING RESOLUTION: WHEREAS THE STUDENT FOLL HAS INDICATED AN OVERWHELMING DESIRE TO PLACE THE VARSITY FOOTBALL AND BASKETBALL PROGRAMS ON A SELF-FINANCING BASIS, AND WHEREAS THE PRESENT SYSTEM OF FINANCING HAS PROVED TO BE UNFAIR AND INADEQUATE, AND WHEREAS THE ECONOMIC UNVIABILITY OF THE PRESENT FINANCING SYSTEM HAS THE POTENTIAL FOR CORRUPTION, AND WHEREAS THERE ARE STARVING NEEDS, MORE WORTHY, ON CAMPUS BE IT HEREBY RESOLVED THAT CENTRAL BOARD OF THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF MONTANA GIVE ITS STRONGEST SUPPORT (more)
TO THE FOLLOWING CHANGES: I. VARSITY FOOTBALL AND BASKETBALL BE PUT ON A SELF-SUPPORTING BASIS WITHOUT FINANCIAL SUPPORT FROM ASUM OR THE GENERAL UNIVERSITY BUDGET. II. SHOULD EITHER OF THE ABOVE SPORTS BE UNABLE TO FUNCTION PROPERLY UNDER THIS TYPE OF FINANCING, THEY BE ELIMINATED IN THE BEST INTEREST OF THE UNIVERSITY OF MONTANA. III. THE OTHER VARSITY SPORTS BE CONTINUED, BUT PARTICIPA TION BE ENTIRELY VOLUNTARY WITH NO PERSONAL FINANCIAL GAIN BY PARTICIPANTS. IV. A SPECIAL ASUM COMMITTEE BE APPOINTED TO PURSUE ATTAINMENT OF THE ABOVE CHANGES. THIS RESOLUTION WAS SIGNED BY MOZER, ANDERSON, EHRLICH, GRANDE, SERVHEEN, PADDOCK, DANA, COOK, FLAHERTY, SWENSON, GILBERT, BERVEN, SMITH, FOUTY, McKENZIE & VICK. BERVEN SECONDED. John Christensen passed the resolution around the table. Discussion followed. Sorenson said that a far more feasible proposal would be the elimination of all but 4 minor sports and then maintain them only on a voluntary basis and have no scholarships, no recruiting. The only ones involved would be the people who wanted to participate in the sports and then put the money saved from eliminated sports into an intramural program and emphasize the deletion of certain sports on this campus and also start a trend toward emphasis of intramural programs versus the collegiate and intercollegiate competition. Beck said "If ASUM gave you zero dollars with the permission to charge any amount to the people who go to the games, could you function this way and what would you have to charge?" Swarthout said "Yes, if we charged $5.00 to $10.00 per ball game but we're not going to get that." Beck asked "If we pass on our budgetary decision to the next Central Board what would happen?" Swarthout said "The budget doesn't go into effect until July. We'd have to collect from other areas. I suppose it could be done." Sorenson said "Vice President Mitchell got together with Swarthout and myself and agreed on the feasibility of a pay as you go system. The only real problem is the uncertainty of the attendance you will get. I think it can be overcome. With a $1.00 and a $2.00 ($1.00 for basketball and $2.00 for football) taking a 25% drop and the $1.00 and the $2.00 as compared to the $1.00 and $1.50 which the administration originally planned on, you can generate $58,000 with the student money coming from ball game receipts. The other attendance that football games bring in plus your guarantees gives another $100,000; basketball with their guarantees and their gate receipts another $40,000. You take $75,000 from the Century Club and that could be added up with the other plan President Pantzer had. Add another $30,000 from the legislature and come up with a round figure of around $300,000. You cut out your minor sports down to 4 and keep them at a minimum cost because you don't have to hire coaches, etc., you more or less make it up in intercollegiate intramural functions so that we can stay within the Big Sky conference. You cut costs on the overall budget of around $70,000 or $75,000. If the attendance at the football and basketball games drops more than 25% of last year's attendance, it's the only feasible way we can work it and continue to run within the Big Sky." Swarthout said "It certainly sounds workable if the attendance is in good proportion." Dana felt that athletics should be put on a personal interest basis so that whoever went out for sports would be doing it for the fun of it only. Mozler said that students are now paying for other students going to the games. He feels that only those who attend should pay and that if the athletic program can't hold its own then it should flop. Swarthout feels the money is well spent on the athletic program. QUESTION CALLED. Owens said the next CB would be making the decision on the athletic program. Swenson said that on the athletic poll students voted 2 to 1 in favor of charging only the students who attend the games. PREVIOUS QUESTION CALLED. MAIN MOTION TO APPROVE RESOLUTION BY MOZER CARRIED WITH ALL IN FAVOR EXCEPT OWENS AND CANNON.

NEW BUSINESS

Con-Con Education Committee: President Christensen received a memo from Robert D. Watt, MSPA Lobbyist saying that "On Friday, February 4 the Con-Con Education Committee will hold a special hearing at which each and every student who wishes to testify on any subject relative to the EDUCATION ARTICLE in the new Constitu-
tion is invited to testify. Written statements may be handed in either with or without oral testimony, or oral testimony alone will be heard. If any student who cannot attend wishes to send me a written statement of his or her views I will see that it is properly presented." Cynthia Schuster said that she could get donations to help defray expenses in the event the students wish to remain overnight.

National Student Lobby: President Christensen appointed Bruce Swenson to find out if it would be beneficial to join the National Student Lobby at $50.00 a year.

ASUM Officers staying on campus during summer: President Christensen said he would like to see the ASUM officers stay on campus during the summer months, making it a 12 month full-time job. It would cost about $1500 for the summer months, with ASUM paying 1/3 and the other 2/3 coming from employing offices. BERVEN MOVED THAT CB SUPPORT THE 12 MONTH TERM FOR ASUM OFFICERS. OWENS SECONDED AND MOTION CARRIED WITH ALL IN FAVOR.

Budget and Policy Committees: President Christensen received a newsletter from John Van de Wetering, President of Faculty Senate. Van de Watering said that Budget and Policy Committee has appointed two ad hoc committees to report directly to the Senate at the body's first meeting spring quarter. The first committee titled "Academic Welfare of Student Athletes" is to investigate the grading of athletes in course work. The second committee "Sports Policy Committee" will develop faculty recommendations for a long-range sports program, with its primary concern being to respond to the general needs and purposes of the University.

Appointments to Academic Welfare of Student Athletes ad hoc committee: President Christensen appointed Tom Cannon and Chris Servheen to this committee.

Appointments to Sports Policy ad hoc committee: Christensen appointed Greg Beck and Ray Grande to this ad hoc committee.

Overseas study program: Dr. Van de Wetering discussed the overseas study program with President Christensen. The cost of this program is $400 to $500 to study overseas for one quarter. Christensen felt that CB might set up a scholarship or loan for students interested in this program. Christensen appointed Paddock as chairman of a committee with Flaherty and Thornton to meet with Van de Wetering to discuss the overseas study program more thoroughly.

Nationwide investigation of the work-study program: President Christensen received a telegram from Senator Lee Metcalf saying that he will "insist on nationwide investigation of the work-study program." Metcalf's message read "I will insist on nationwide investigation of the work-study program. However, this important chain of events should not be allowed to jeopardize this very worthwhile program, meaningful to countless students thus enabled to continue their education. I regret the alleged abuses, particularly as the Higher Education Bill moves up for Senate action. Best wishes during the trying times."

Jerry Schuster's resignation: Schuster submitted his resignation to CB for approval. He has been elected Vice Commander of Sigma Nu fraternity and will not be able to continue with his membership on CB. BECK MOVED CB ACCEPT SCHUSTER'S RESIGNATION. BERVEN SECONDED. QUESTION CALLED. MOTION CARRIED WITH ALL IN FAVOR.

Students registered in Precinct 52: President Christensen obtained a number of printouts of all people registered in Precinct 52. If a person's name appears in this printout and he has moved to another precinct, he will not be able to vote under this precinct. These printouts will be posted in all the dorms, at the U.C., the Lodge, LA Building and Main Hall. President Christensen appointed the following people to distribute the printouts: Aber - Bob Sorenson; Miller - Pat (more)
Flaherty; Brantley - Christine Anderson; Craig - Judy Gilbert; Knowles - Barb Ehrlich; Jesse - Jane Fouty; U.C. - Leroy Berven; Lodge - Tom Cannon; Main Hall - Greg Beck; L. A. Building - John Christensen.

No Smoking Signs: Servheen complained that nothing has been done to enforce the no smoking signs in the classrooms. He would be in favor of CB sending a letter to faculty members asking them to enforce the no smoking signs.

Proposed changes in Bylaws, Divisions VI and VII: Divisions VI and VII of the ASUM Bylaws were referred back to Planning Board for proposed changes.

Kaimin Funding Committee: President Christensen appointed a committee to investigate methods of funding the Kaimin. They are Chris Servheen, Bob Sorenson, Greg Beck, Leroy Berven, Bill Paddock, and ex officio member Bryan Thornton. They will hold a meeting sometime next week. BECK MOVED THAT CB ACCEPT THESE PEOPLE TO WORK ON THE KAIMIN FUNDING COMMITTEE. BERVEN SECONDED. MOTION CARRIED WITH ALL IN FAVOR.

Constitutional Review Board: Steve Owens asked President Christensen to refer Article VI A, Section 3 of the Constitution about the Constitutional Review Board, to have them clarify it and set up procedures for petitioning the board, to make it more accessible to students.

Vending Machine Company: Sorenson said that Greg's Vending Machine Company got the contract with the University of Montana. (It is a Missoula company)

Meeting adjourned at 9:30 p.m.

Respectfully submitted,

Ruby Biordich
ASUM Secretary

PRESENT: ANDERSON, BECK, BERVEN, CANNON, COOK, DANA, EHRlich, FLAHERTY, FOUTY, GILBERT, GRANDE, MCKENZIE, MOZER, OWENS, Paddock, Servheen, Swenson, Sorenson, Smith and Vick.

SUGGESTED CHANGES IN PROPOSED ASUM BYLAWS

NOTE: These suggested changes are introduced by myself as a member of Central Board, not as Planning Board Commissioner. However, I have discussed most of the proposed changes with Planning Board, and the board generally agrees with me on most of these.

ARTICLE V. Delete "full-time" in the one place it appears.

DIVISION II -- QUALIFICATIONS AND DUTIES OF OFFICERS AND CENTRAL BOARD DELEGATES

ARTICLE I. The President.
Section 1. Delete the phrases "full-time," "at the time of his election," "and must have at least 60 credits at the time of his election."
Section 2. Change to read "...and shall may sit as a non-voting..."
ARTICLE II. The Vice-President.
Section 2. Change to read, "the vice-president shall may sit as a non-voting..."
ADD NEW ARTICLE:
ARTICLE V. In the absence of all officers, the senior faculty representative shall preside over Central Board until Central Board shall select a temporary chairman from its membership.

DIVISION III -- ASUM PROCEDURES

Section 3. ASUM shall cooperate with the Associated Students Store and with its Board of Directors to the benefit of the membership of the Associated Students Store, as that membership is defined in the Articles of Incorporation of the Associated Students Store.
RENUMBER ARTICLES VII, VIII AND IX AS ARTICLES VIII, IX AND X RESPECTIVELY.
Several of the above suggested changes are necessary to prevent conflict between the Constitution and Bylaws. Others are added as additional conveniences for effective functioning of ASUM.

NOTE: Where a change is denoted by some words being crossed out and the following words underlined, the words which are crossed out are the present version, to be deleted. The underlined words are the new version, to be added or inserted. (The underlining is not a part of the final version, should the changes be adopted.)

THE COALITION, after meeting in caucus, has decided to introduce the following resolution:

WHEREAS the Student Poll has indicated an overwhelming desire to place the varsity football and basketball programs on a self-financing basis, and

WHEREAS the present system of financing has proved to be unfair and inadequate, and

WHEREAS the economic unviability of the present financing system has the potential for corruption, and

WHEREAS there are starving needs, more worthy, on campus

BE IT HEREBY RESOLVED that Central Board of the Associated Students of the University of Montana give its strongest support to the following changes:

I. Varsity football and basketball be put on a self-supporting basis without financial support from ASUM or the general University budget.

II. Should either of the above sports be unable to function properly under this type of financing, they be eliminated in the best interest of the University of Montana.

III. The other varsity sports be continued, but participation be entirely voluntary with no personal financial gain by participants.

IV. A special ASUM committee be appointed to pursue attainment of the above changes.
