no matter how many people are in the pool. He said that the income runs around \$15,000 for lessons and \$15,000 for swimming with a total of around \$34-\$35,000 a year. With ASUM's allocation of \$3000 a year, which is only a minimum contribution he cannot make it unless he raises the prices of admission for students. Kolokotronis asked if the varsity team uses the pool. Stetson said that they do but the University pays for the heat and lights and classes, etc. He added that the P.E. courses have priority over the pool and then the varsity team. He continued that the Men's Gym needs around \$25,000 to fix the pool. Nelson said the full increase in income should come from other sources in the University besides from Central Board. NELSON MOVED THAT \$3000 BE ALLOCATED TO FACILITIES USAGE FOR THE SWIMMING POOL FOR THE 1972-73 ACADEMIC YEAR. THE MOTION WAS SECONDED BY BERVEN. Sorensen said that he felt Fred Stetson was justified in asking for a \$600 increase in the Student Facilities Allocation. SORENSEN MOVED A SUBSTITUTE MOTION TO ALLOCATE \$3600 TO FACILITIES USAGE. THE SUBSTITUTE MOTION WAS SECONDED BY OWENS. Stetson said that he hopes to raise the price of student tickets in the fall. Pat Flaherty said that he would like to have a breakdown of expenses from Mr. Stetson. Bryan Flaherty asked how many students use the pool during the week. Stetson said that around 60-80. He said that University students can use the pool almost anytime but that he would have to start cutting back the hours in order to meet the rising costs if ASUM does not increase the allocation. PAT FLAHERTY MOVED TO TABLE DISCUSSION OF THIS ALLOCATION UNTIL THE FOLLOWING WEEK WHEN STETSON WILL HAVE A BREAKDOWN OF EXPENSES. THE MOTION DIED FOR LACK OF SECOND. THE SUBSTITUTE MOTION TO ALLOCATE \$3600 TO FACILITIES USAGE FOR THE SWIMMING POOL CARRIED WITH 11 IN FAVOR AND 7 OPPOSED.

STUDENTS FOR PEACE: The students for peace are requesting \$2000 to send delegates to the republican and democratic conventions. TENNIS MOVED TO TABLE ALLOCATION OF \$2000 TO THE STUDENTS FOR PEACE FOR SENDING DELEGATES TO THE REPUBLICAN AND DEMOCRATIC CONVENTIONS FOR ONE WEEK. THE MOTION WAS SECONDED BY ANDERSON. GILBERT MADE A FRIENDLY MOTION TO AMEND THE MAIN MOTION TO READ POSTPONING DISCUSSION OF THIS ALLOCATION UNTIL THE END OF THE MEETING WHEN REPRESENTATIVES ARE PRESENT TO DISCUSS THEIR PLANS. THE MOTION CARRIED.

PRESIDENT SORENSON CAME IN TO THE MEETING AND TOOK THE CHAIR.

Nelson suggested setting up an ad hoc committee so that all departments on campus will be able to submit information over the summer. President Sorensen said that this would be discussed at the next meeting of the board.

ATHLETIC BUDGET: BERVEN MOVED TO RECONSIDER THE SUBJECT OF THE FREEZE ON THE ATHLETIC BUDGET. THE MOTION WAS SECONDED BY TENNIS. THE MOTION CARRIED. BERVEN MOVED TO UNFREEZE \$147,000. THE MOTION WAS SECONDED BY PAT FLAHERTY. THE MOTION CARRIED. BERVEN MOVED TO SUSPEND THE QUESTION POINT OF CENTRAL BOARD'S BUDGETING POLICY OF TABLING THE MATTER FOR ONE WEEK. THE MOTION WAS SECONDED BY TENNIS. Owens said that the board should not stray from the budgeting policy so things won't be decided too hastily. Pat Flaherty said that the board should become the committee of the whole to make up a recommendation pertaining to the Athletic Budget. PAT FLAHERTY MOVED TO RESOLVE THE BOARD INTO A COMMITTEE OF THE WHOLE TO SUBMIT A RECOMMENDATION PERTAINING TO THE ATHLETIC BUDGET. THE MOTION WAS SECONDED BY RIDGEWAY. Flaherty said that this would enable the board to get a vote, but the vote would not be permanent or binding. THE MOTION WAS DEFEATED WITH 6 IN FAVOR, 8 OPPOSED AND KOLOKOTRONIS AND SORENSON ABSTAINING. Swarthout said that according to the poll that was conducted by ASUM winter quarter, more than half the students (50.4%) said that they did not want to cut the athletic budget more than 12%. He said that he did not want to charge students for attending the games because they should be the students' team. Central Board should represent the students and because of this poll the board knows what the students want. Nelson said that he called Montana State University this afternoon and that the student government had cut the athletic budget

by 40 1/2% and allocated a sum of \$72,600 to athletics. Bryan Sharkey said that only the students can decide how the progress should go on the question of athletics. Collier asked if there were any differences in student government allocating money to shape the philosophy of the students on this campus. Sharkey said that the allocation of money does result in some behavior changes and if the students feel that the fine arts should be promoted, more money is allocated to them. Swenson said that President Pantzer had said that according to the 12% limit in cutting of the athletic budget, Central Board could cut more if they decided to. He suggested that athletics be paid for as they go basis. People who attend the games should be the ones to pay. Swarthout said that he could have submitted a budget asking for \$250,000 and with a 50% cut he could still have enough money to handle all the varsity athletics. He added that he felt that the budget he submitted was not out of line and that it was enough money to run the athletic program. Berven said that two years ago, Central Board appointed three members to Faculty Athletic Committee to negotiate a guideline on athletics on behalf of ASUM. He said that a 12-20% guideline was agreed upon with the approval of Faculty Senate. He added that in his own opinion, these guidelines were an edict from President Pantzer. Pat Flaherty said that the committee should see how each feel regarding these guidelines. Anderson asked who the athletic department answers to; the students or the administration. Swarthout said that the athletic department answers to the administration if there is a question regarding the hiring and firing of staff. He added that he hopes the athletic program is important to the students but feels that they are becoming polarized against athletics. He added that he hopes the athletic department is working for everyone; the students, faculty, administration, community and alumni. He questioned how the board could disregard the poll. Brian Flaherty asked why baseball was cut from the program. Swarthout said that Bozeman cut baseball from their budget and that travel to other conferences would be too expensive. He added that athletics could possibly do better for students and the conference in other sports. Berven said that there were several ways the athletic poll could be interpreted and that the net sentiment would be that 70% wanted the same funding and 30% of the students wanted a decrease. Nelson said that baseball should not have been dropped because 25 students participated when spring wrestling only had 4 participants. Swarthout said that wrestling will have 35-40 students participating when there are better facilities, better weather so they are able to travel. Stetson said that the board would be killing the minor sports on campus if they cut the athletic budget. He added that the biggest question was whether the U of M should be members of the Big Sky Conference and go along with the scholarships grants set-up. He said that the board should say so if they don't want to be a part of the league and not nit-pick and ruin all the sports programs on campus. Johnson agreed and said that the board voted against soccer, rugby, rifle team and the board should be consistent and make decisions accordingly. GOHRICK MOVED TO ALLOCATE THE ATHLETIC PROGRAM \$73,500 WHICH WOULD BE A 50% CUT. THE MOTION WAS SECONDED BY BERVEN. THE FOLLOWING IS THE MOTION:

\$35,733	Minor sports (to be divided as per request)
37,767	General Expenses (as per request)
\$73,500	Direct Central Board Allocation
\$17,500	Sale of student tickets to basketball and football games. (23,000 total sales @75¢)
\$91,000	Total income from student sources.

If student tickets are sold at 50¢, same number sold, income from this source is \$11,500 and total income from student sources is \$85,000.

GILBERT MADE A FRIENDLY MOTION TO AMEND THE MINOR SPORTS TO READ \$35,903. GOHRICK AND BERVEN ACCEPTED. Pat Flaherty said that the revenue for athletics is \$108,000 and the expenditures are \$206,000 and that this means that the athletics spends more than they bring in and this makes the minor sports suffer. Swarthout said that football and basketball bring in over \$200,000 in income. If progress could be continued, other sports could be developed if they had more money to work with. Gilbert said that basketball and football are not paying for themselves. Swarthout said that Century Club is allocating a great deal of money and if the athletic budget is cut, these people will have to pay more. Swenson said that tee Missoulian reported that the Century Club gave \$75,000 in 1971-72. He continued that the Century Club is predicted to give \$60,000 next year and that \$15,000 will be brought in in ticket sales. Gray said that ASUM should not be concerned with paying the careers of students through scholarships and the request to allocate \$73,500 would uphold students giving other students scholarships for football and basketball and giving it to other sports. GRAY MOVED A SUBSTITUTE MOTION TO ALLOCATE \$0 TO ATHLETICS WITH THE STIPULATION THAT THE MONEY BE REFUNDED TO THE STUDENTS. THE MOTION WAS SECONDED BY GILBERT. A student in the audience asked the board what draws more students than the athletic programs here. Kolokotronis said that education did. Stetson said that the board would have to decide if they wanted to compete in the Big Sky Conference. Morger said the majority of students wanted a small decrease or to keep the program on the same level. Gilbert said that an allocation of \$73,660 would be the most reasonable way to do it and this would only be a 12% cut. McEwen questioned the hangup the board had with the minor sports when over 5000 students attend the basketball and football games. Gray explained that he made the motion for \$0 allocation for discussion to find out what the board members felt toward the allocation to athletics. He said that it was a shame that the Americans could not compete like the Canadians who put their mind and soul into it. He continued that the athletic program at the University provides services such as entertainment; students who participate for the school, rapport between the University and the public and rapport between the students and the alumni. He added that he would vote against the allocation of \$0. THE QUESTION WAS CALLED. THE SUBSTITUTE MOTION TO ALLOCATE \$0 TO ATHLETICS FAILED WITH 7 IN FAVOR AND THIRTEEN OPPOSED. NELSON MOVED TO AMEND THE MOTION THAT FUNDING OF THE MINOR SPORTS REMAIN THE SAME, BUT THAT MONEY FOR SCHOLARSHIPS BE DIRECTED TO OTHER AREAS OF PARTICIPATION IN THE MINOR SPORTS. THE AMENDMENT WAS SECONDED BY BERVEN. Swarthout said that basketball and football get their share of money and it doesn't mean that they want to try to improve this but that if the scholarships are cut, the University won't be able to get anybody to participate. He said that they want to build up the other sports that these minor sports would be cut out if the scholarships are cut. He added that the University of Montana pays less in scholarships than any other school. Bozeman is the closest to us in the money they allocate to scholarships but that their's is a little higher. Dr. Schuster said that she would like to give a point of information. She said that John Christensen started the question of cooperative cutting out of recruitment and scholarships and Bob Sorenson and John Christensen went to Boise State College for a meeting and learned that the students are enthusiastic about the athletic program and the students don't want to cut back anything of their budgets for athletics. Swarthout pointed out that the Idaho schools are receiving twice as much as the U of M for their athletic program and the U of M would be willing to receive the same as last year. Stetson said that the Presidents of the Universities have set a level of funding for the athletic program but now the board does not want to fund and are giving the athletic program a limited amount of money for a limited program. Dr. Schuster said that the business of competition depends on the matter of athletics based on recruiting, etc. Stetson said that every department on campus recruits and the point of recruiting is not important. Tennis said that if the U of M takes the initiative to cut out scholarships maybe other schools will follow. Brian Flaherty said that all the money that is spent by the athletic department could be

channeled for new faculty members. Nelson said that he can not see Central Board giving money to athletics for scholarship but can see giving academic scholarships but knows that this would be voted down by the board. He added that he would like to see the money used for higher learning. Owens said that the purpose of this institute is for higher learning but that the student activity fee is for student activities. Brian Flaherty suggested cutting out the money for the scholarships but to leave the money in the program to be used for other areas. Stetson suggested that Central Board take a straw vote on staying in the Big Sky Conference. OWENS MOVED THAT CENTRAL BOARD TAKE A STRAW VOTE ON WHETHER THE UNIVERSITY OF MONTANA SHOULD REMAIN IN THE BIG SKY CONFERENCE. THE MOTION WAS SECONDED BY BERVEN. Gilbert said that she did not agree with this idea and that it had nothing to do with the main motion. Ragen agreed and she that it was not the issue. Owens said that the idea of the straw vote would be to get a rough approximation on whether the athletic program should be funded at the level of the Big Sky Conference. Johnson said that the board should consider whether the athletic program could be able to continue on that level of funding. OWENS CALLED FOR THE QUESTION. THE MOTION FOR THE STRAW VOTE WAS DEFEATED. THE AMENDMENT THAT MINOR SPORTS REMAIN THE SAME BUT THAT THE MONEY FOR SCHOLARSHIPS BE DIRECTED TO OTHER AREAS OF PARTICIPATION IN THE MINOR SPORTS WAS DEFEATED WITH ANDERSON, PAT FLAHERTY, GILBERT, JOHNSON, NELSON AND SWENSON IN FAVOR-- COLLIER, BRIAN FLAHERTY, GALT, GRAY, KOLOKOTRONES, MADISON, MADSEN, OWENS, RAGEN, RIDGEWAY, SORENSEN AND TENNIS OPPOSED--AND HANSON AND KIGAME ABSTAINING. Johnson said that the board needed to be consistent and that groups such as soccer team, rugby club, rifle team and rodeo club should be reconsidered for an allocation if the money is allocated to athletics. ANDERSON MOVED THAT THE FINAL DECISION BE TABLED UNTIL NEXT WEEK BECAUSE JACK SWARTHOUT SAID THAT THESE SMALLER GROUPS MIGHT BE ABLE TO BE WORKED INTO THE ATHLETIC BUDGET. THE MOTION WAS SECONDED BY MADISON. MOTION WAS WITHDRAWN BECAUSE PRESIDENT SORENSON SAID THAT THIS WOULD AUTOMATICALLY BE TABLED. QUESTION WAS CALLED ON THE MAIN MOTION TO ALLOCATE \$73,660 TO ATHLETICS. ROLL CALL WAS TAKEN. THE MOTION TO ALLOAAATE \$73,660 TO ATHLETICS FAILED WITH ANDERSON, BRIAN FLAHERTY, GILBERT, NELSON, AND SWENSON IN FAVOR -- COLLIER PAT FLAHERTY, GALT, GOHRICK, GRAY, JOHNSON, KOLOKOTRONES, MAIDONN, MADSEN, OWENS, RAGEN, IIDGEWAY, SORENSEN, AND TENNIS OPPOSED. COLLIER MOVED THAT CENTRAL BOARD ALLOCATE \$105,070.00 TO VARSITY ATHLETICS WITH A 25% CUT. THE MOTION WAS SECONDED BY GOHRICK. Collier said that on a pay as you go basis with 50¢ for tickets at football and basketball games would give them around \$18,000 in gate receipts. This would help continue varsity athletics. Collier continued that ASUM could not continue to support the program on the level that they had been asked. COLLIER STIPULATED THAT \$35,903 BE USED FOR MINOR SPORTS AND THAT \$37,767 BE USED FOR THE GENERAL BUDGET OUT OF THE TOTAL \$73,660. BRIAN FLAHERTY MADE A FRIENDLY MOTION THAT THIS BE ALLOCATED IF THE UNIVERSITY IS IN THE BIG SKY CONFERENCE NEXT YEAR. Swarthout said that the University would be. Collier said that the students who participate in the sports should subsidize these more than the students who do not. Swarthout said that the Century Club will have to take up the funding that is being cut by ASUM. Stetson pointed out that by cutting back the allocation to football and basketball this will not be the stabilizing factor needed to bring the minor sports up to the level to keep them in the Big Sky Conference. Collier said that in lieu of studies, the varsity athletics can sustain themselves on the Big Sky Conference level, he said that the board should not allow an expansion because the students cannot afford it, and that the previous motion allows a little expansion for minor sports. Pat Flaherty said that the question of the teams winning or losing was not the purpose of allocating money. Gray asked why the budget did not mention work study money. Swarthout said that this was not included because the department was not applying for any. THE MOTION TO ALLOCATE \$105,070 TO VARSITY ATHLETICS WITH THE STIPULATION THAT \$35,903 BE USED FOR MINOR SPORTS AND THAT \$37,767 BE USED FOR THE GENERAL BUDGET PASSED WITH

COLLIER, BRIAN FLAHERTY, GALT, GOHRICK, GRAY, MADSEN, RIDGEWAY, SORENSON, AND TENNIS IN FAVOR--ANDERSON, PAT FLAHERTY, JUDY GILBERT, JOHNSON, KOLOKOTRONES, MADISON, OWENS RAGEN OPPOSED-- AND NELSON AND SWENSON ABSTAINING. ANDERSON MOVED TO TABLE THE MOTION FOR ONE WEEK. THE MOTION WAS SECONDED BY SORENSON. THE MOTION CARRIED.

STUDENTS FOR PEACE: The University of Montana Students for Peace request the allocation of \$2,000 for the purpose of helping to send a student lobby delegation to the Republican and Democratic national political conventions at Miami Beach, Florida. The Democratic convention begins July 10, 1972 and the Republican convention begins August 21, 1972. An election of delegates will be held on campus if the allocation is given. Sorensen said that this idea was noble but that it would be more feasible to find someone who lives in the area who will be there for the summer. Gilbert said that that would be ideal but they need people who are articulate and politically aware. Nelson said that he had qualms about giving money to these people and that the board should wait to see what kind of turnout the elections for the primary would bring. President Sorensen said that this allocation might have a problem with legality. He continued that the board could not use money to support the Project 19 question and did not know whether this would be allowed. Sorensen said that in addition to this legality, he questioned the way this could be coordinated with other Universities. Gilbert said that this project was being supported by the National Organization for Peace. Tennis said that it would be more important to send the delegates to Helena for the Montana convention. Gray said that everything is decided before going to Helena. GRAY MOVED TO ALLOCATE \$0 TO THE STUDENTS FOR PEACE. THE MOTION WAS SECONDED BY KOLOKOTRONES. GILBERT MOVED A SUBSTITUTE MOTION TO ALLOCATE \$2000 TO THE STUDENTS FOR PEACE. THE SUBSTITUTE MOTION WAS SECONDED BY COLLIER. Turkiewicz suggested working on the state level and not on the national level. Cote could not see the logic between denying the soccer team money and sending four delegates to the national conventions. THE MOTION TO ALLOCATE \$2000 TO THE STUDENTS FOR PEACE WAS DEFEATED. JOHNSON MOVED TO TABLE THE MOTION TO ALLOCATE \$0 FOR ONE WEEK. THE MOTION WAS SECONDED BY COLLIER. JOHNSON WITHDREW HIS MOTION BECAUSE PRESIDENT SORENSON POINTED OUT THAT THE MOTION HAD BEEN TABLED LAST WEEK. THE MOTION TO ALLOCATE \$0 PASSED.

GRAY MOVED THAT CENTRAL BOARD ACCEPT THE FOLLOWING RESOLUTION: WHEREAS, WE, THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF MONTANA AS PRESENT AND FUTURE SUBJECTS OF THE JURISDICTION OF THE STATE OF MONTANA, ARE DEEPLY CONCERNED WITH THE FORM AND SPIRIT OF MONTANA'S GOVERNMENTAL STRUCTURE AS IT AFFECTS US AND ALL PEOPLE IN MONTANA; AND WHEREAS: IN OUR CONCERN FOR THE OPERATIONS OF MONTANA'S GOVERNMENT, WE HAVE CAREFULLY FOLLOWED THE RESEARCH, STUDIES, INFORMATION, PROPOSITIONS AND ARGUMENTS RESULTING FROM THE CONSTITUTIONAL CONVENTION ABOUT PRESENT STRUCTURE AND PROPOSED REVISIONS; AND WHEREAS: WE STRONGLY FEEL THAT THE PROPOSED NEW CONSTITUTION WILL PROVIDE THE TYPE OF GOVERNMENTAL STRUCTURE NECESSARY TO PROMOTE THE GENERAL GOOD FOR ALL MONTANANS, BOTH PRESENT AND FUTURE, AND TO PROVIDE FOR THE GREATEST RESPECT FOR HARMONIOUS LIVING WITH OUR UNIQUE STATE: THEREFORE BE IT RESOLVED: THAT WE RECOMMEND TO OUR FELLOW STUDENTS, OUR PARENTS, AND OUR FELLOW MONTANANS THROUGHOUT THE STATE TO 1) CLOSELY EXAMINE FACTUAL INFORMATION CONCERNING THE CONSTITUTION; 2) BEWARE OF UNSUBSTANTIATED ACCOUNTS OF WHAT THE PROPOSED CONSTITUTION WILL OR WILL NOT DO; AND 3) VOTE FOR THE NEW DOCUMENT. THE MOTION WAS SECONDED BY OWENS. THE MOTION PASSED.

GRAY MOVED THAT CENTRAL BOARD ACCEPT THE FOLLOWING RESOLUTION: BE IT RESOLVED THAT THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF MONTANA ENDORSE THE MISSOULA CITY WIDE CONSTITUTIONAL FORUM, TUESDAY, MAY 30, FROM 5:30 P.M. TO 8:00 P.M. IN BONNER PARK. BE IT FURTHER RESOLVED: THAT WE RECOMMEND THAT ALL STUDENTS, FACULTY, AND STAFF PARTICIPATE IN THIS FORUM BY LISTENING TO AND QUESTIONING SPEAKERS AND ONE ANOTHER ABOUT THE PROPOSED CONSTITUTION. THE MOTION WAS SECONDED BY OWENS. Sorensen said that he planned to have new releases on this area endorsing it.

THE MOTION CARRIED.

GILBERT MOVED TO ADJOURN THE MEETING. THE MOTION DIED FOR LACK OF SECOND.

TENNIS MOVED THAT CENTRAL BOARD ACCEPT THE FOLLOWING RESOLUTION: WHEREAS: THE TABLE IN THE ASUM OFFICE KNOWN AS "VERVEN'S CORNER" HAS BEEN DESCRIBED AS UNTIDY, AND ALSO WHEREAS: IT IS A POOR PUBLIC SPECTACLE FOR PEOPLE TO SEE APPROXIMATELY NINE (9) INCHES OF WASTE MATERIAL, SCIENCE FICTION BOOKS, FOOD STUFFS, BOTTLES, AND VARIOUS OTHER AND SUNDRY ITEMS TOO NUMEROUS TO MENTION, AND ALSO WHEREAS: THIS MOTLEY COLLECTION HAS BEEN GETTING LARGER AND HAS BEEN SPILLING ON THE FLOOR, THEREFORE, BE IT HEREBY RESOLVED THAT LEROY BERVEN BE ORDERED BY THE PRESIDENT OF ASUM TO CLEAN THE AREA KNOWN AS "BERVEN'S CORNER" INCLUDING THE TABLE AND SURROUNDING FLOOR, AND BE IT FURTHER RESOLVED THAT LEROY BERVEN BE CENSORED AT ALL CENTRAL BOARD MEETINGS UNTIL TASK IS COMPLETED. THE MOTION WAS SECONDED BY RIDGEWAY. RIDGEWAY MOVED A FRIENDLY MOTION TO STRIKE THE PHRASE TO CENSURE BERVEN FROM THE CENTRAL BOARD MEETINGS. TENNIS AGREED. THE MOTION CARRIED.

SORENSEN MOVED TO ADJOURN THE MEETING.

The University of Montana Students for Peace request the allocation of \$2,000 for the purpose of helping to send a student lobby delegation to the Republican and Democratic national political conventions at Miami Beach, Florida. The Democratic convention begins July 10, 1972, and the Republican convention begins August 21, 1972.

In light of newly enacted U.S. voting rights, enabling all persons 18 years of age and older to vote in federal elections, we believe that the university community has a responsibility to foster and encourage student participation in the U.S. political system. To this end, we believe that it is in the interests of the university to help make it possible for a small group of interested, active students to attend the national political conventions. Such a group would be in a position to meet with state convention delegates and to lobby for student interests as convention delegates draft national party platforms for the November federal elections. Such a group would also be able to observe the activities of the so-called counter-convention, which is being organized by activist groups of the U.S. counter-culture and which is one of the most important political events of our time.

In the event this request is granted, the following actions are proposed:

1. an election of delegates, to be held on campus Friday May 26, 1972. Prospective delegates will file for the special election not later than noon, Tuesday, May 23. Campaigning will take place Wednesday and Thursday May 24 and 25 and will include a public forum to be held at noon Thursday May 25 in the oval (or in the UC Mall, in the event of inclement weather):
 - a. prospective delegates should be articulate, politically aware and willing to meet with various campus groups, in order to receive the thoughts and proposals of students and faculty, so as to be in a position to lobby effectively at the conventions.
 - b. prospective delegates must be willing and able to devote most of their summer to the political conventions. In particular, they should be in a position to help to finance their own stay in Miami Beach.
2. The \$2,000 allocation, if approved, will be used to furnish four grants of \$500 to a total of four authorized delegates, who will be determined by popular vote in the special election proposed for May 26. Costs of the trip to Miami Beach are estimated as follows:
 - a. transportation: \$274 to and from Miami by air, based on rates for students under 22 years of age. Or, \$348 to and from Miami by car, based on one-way mileage from Missoula to Miami of 2,900 miles, at \$.06 per mile.
 - b. cost of spending two months in Miami Beach estimated at an absolute minimum of \$200 per month, or a total of \$400.
