ANNUAL MANSFIELD RECEPTION HONORS UM FACULTY AUTHORS

MISSOULA -

The Maureen and Mike Mansfield Library, with the support of the Friends of the Mansfield Library, will host the 11th annual Mansfield reception honoring University of Montana faculty authors whose works were published in 2000.

The reception will be held from 4 to 6 p.m. on Tuesday, March 6, at UM's Davidson Honors College lounge. The public is welcome, and refreshments will be available.

The event also notes the March birthdays of Mike Mansfield and the late Maureen Mansfield, the library's namesakes. Mike Mansfield served in the U.S. House of Representatives and Senate and as U.S. ambassador to Japan.

Sharon Eldred Alexander, dean of Continuing Education, will speak during the reception. Honored faculty authors will receive a list of libraries in the country that have acquired and catalogued their publications. Authors' works will be displayed at the reception.

"This event is important not only to underscore the relationship between the library and the faculty authors, but also to recognize those members of the faculty who continue the tradition of giving back to the academy by publishing," said Frank D'Andraia,
