The meeting was called to order by President Jack Green at 7:15 p.m. in the Montana Rooms of the University Center.

The minutes were approved as read.

REPORTS OF OFFICERS AND STANDING COMMITTEES

President's Report—Green said that HB 98 is before the Senate Committee, and they are attempting to amend it to read 19 years of age for the drinking age and 19 years old for jury duty. HB 41 is up for a do-pass recommendation from the Educational Committee on the funding of the University.

Green also said that Dean Fedore would like all CB members to meet with the National Chamber of Commerce Committee, Feb. 9 & 10, to possibly elect a student representative.

Business Manager's Report: Waltermire presented the following report:

REPORTS OF STANDING COMMITTEES

Elections Committee: Mozer presented By-laws for elections procedures.

MURPHY MOVED THAT WE TABLE THIS FOR WEEK FOR CONSIDERATION. PARRY SECONDED.

MOTION PASSED UNANIMOUSLY. Wicks brought up that some consideration should be given to political parties that a certain person may want to run under.

Student Opinion Poll: Mozer brought up that this poll would concern only the Athletics, asking that each student should be given the option of paying is $8.00 per quarter to varsity, men's sport or any ASUM related program. Waltermire said that this option was not feasible, that the funding would be
unbalanced, where intermurals may receive $20,000 allocation, but needs only
$8000 to carry on the program. Wicks added that our money system would not
allow for such arbitrary funding of money. Seastedt brought up that the stu­
dent should be given option of paying money for athletics, that the $8 should
be the student's decision of paying for athletics or library, etc. Wicks
said that giving the student's option of paying the $8 would not be possible.
Mozer brought up that the poll would only be an opinion poll, and would not
be binding. Gorton thought that the poll should be reworded.

UNFINISHED BUSINESS

Selective Service: Waltermire brought up SS phone bills have been in excess
of $100 per month above the hot line that is available. He said that since
the students are given the services for draft counseling, that those
students should pay for the burden of phone calls. Jeff Miller, counseling
head, said that cases may involve lawyers, and that phone calls must be made
to them. He said that it would be unfeasible, that as a rule, they do not
make phone calls unless no other way will work. McAllister said that asking
the students to pay for calls may discourage them asking for help. Gorton
said that they may counsel a good many non-students. Green made the sugges­
tion of allocating $500 to draft counseling under the stipulation that calls
be limited to $25 per person, anything after that will have to be paid by
that person. Waltermire asked how we would control the $25 limit. STRONG
MOVED THAT WE ALLOCATE TO SELECTIVE SERVICE INFORMATION CENTER $500. SPENCER
SECONDED. Waltermire said that we shouldn't lower the request if no reason
behind it. WALTERMIRE MOVED THAT AMEND THE MOTION TO ALLOCATION $350, WITH
NO PHONE CALLS DURING THE SUMMER, AND NO MORE FOR THE REST OF THE YEAR.
MOTION DIED FOR A LACK OF SECOND. Miller said that $500 would not cover
their bills. MOZER MOVED TO AMEND THE MOTION TO ALLOCATE THE FULL $678.
MURPHY MOVED TO AMEND THE MOTION TO ALLOCATE $678, AND TO ASK EACH STUDENT IF
THEY WOULD PAY THE PHONE CALL, IF NOT, ASUM WOULD PAY. T. NORMAN SECONDED.
MOTION DEFEATED. Vote went to the main motion which reads: ALLOCATION OF
FULL AMOUNT, $678. MOTION PASSED WITH CHRISTENSEN, MURPHY, DREYER, D. NORMAN,
ULVILA, JORGENSEN, MCEWEN, MOZER, T. NORMAN, GRAINEY, AND SWARTHOUT IN FAVOR,
STRONG, WALTERMIRE, BECK, SPENCER, SORENSON, PETERSON, GORTON, PARRY OPPOSED,
AND LIST AND JOHNSON ABSTAINED.

Phi Alpha Theta: Mr. MacMillan is requesting $264.00 to attend a Conference
in Seattle. He said that they were not really associated with History. He
said there would 3 graduate students and 2 undergraduates. MCEWEN MOVED THAT
WE ALLOCATE ZERO FUNDS. CHRISTENSEN SECONDED. T. NORMAN MOVED TO AMEND TO
ALLOCATE THEM $132. MOTION DIED FOR A LACK OF A SECOND. THE MAIN ALLOCATION
MOTION WAS PASSED.

Environmental Studies: WALTERMIRE MOVED THAT WE TABLE ACTION FOR ONE WEEK,
SO THAT REPRESENTATIVES FROM ENVIRONMENTAL STUDIES COULD BE AVAILABLE.
STRONG SECONDED. MOTION CARRIES WITH ALL IN FAVOR. They are asking for a
reimbursement for their trip, totaling $68.80.

Dan Norman: Murphy questioned the committees that he served on. Dan said
that he was on Athletic Committee at the present. He said that he was apply­
ing for two other committees. Waltermire said that Green stressed that all
members must serve on 2 committees, and that if he can't time, then his resign­
ignation should be considered. Dan thought his time was more meriterous in
Helena than to serve on 2 committees. Traber asked how meriterous he was to
the students, that he seemed to relate more to President Pantzer. MOTION WAS
DEFEATED WITH STRONG, WALTERMIRE, CHRISTENSEN, SORENSON, PETERSON, GORTON, IN F
FAVOR OF IT, MURPHY, SPENCER, DREYER, D. NORMAN, ULVILA, JORGENSEN, JOHNSON,
MEWEN, MOZER, T. NORMAN, GRAINEY, AND SWARTHOUT OPPOSED, AND BECK, LIST, AND
PARRY ABSTAINED.

NEW BUSINESS:

Allocation requests: Kyi-Yo Indian Club would like an allocation of $3000
for their Convention. A recommendation from Green's Office will be considered
at the meeting next week.

Women's Ski Team is also asking for funds. This will be considered next
week with a recommendation from Green.

The Silvertip Skydivers, inc. is asking for allocation of $1500. Considera-
tion of this allocation will be made next week.

By-Laws: Elections Procedures By-Laws. Wicks brought up the suggestion for
allowance for political parties to be included in the by-laws, perhaps have
the primaries by parties. MOZER MOVED THAT WE ACCEPT THE BY-LAWS AS THEY
STAND. PETERSON SECONDED. LIST MOVED THAT WE TABLE ACTION FOR ONE WEEK FOR
MEMBER CONSIDERATION. BECK SECONDED. MOTION PASSED. Any comments or recom-
mandations to be added to the by-laws should be referred to Randy Gray.

MOZER MOVED THAT TABLE ACTION ON THE STUDENT FACILITIES BY-LAWS FOR ONE WEEK.
GORTON SECONDED. MOTION PASSED.

Library Fund: BECK, LIST, AND CHRISTENSEN MOVED THAT CENTRAL BOARD, IN LIGHT
OF THE PRESSING NEED AT THIS UNIVERSITY FOR MORE LIBRARY BOOKS AND PERIODICALS,
START A FUND RAISING DRIVE TO RAISE MONEY BY SETTING UP A TABLE IN THE UNIV-
ERSITY CENTER TO ACCEPT STUDENT DONATIONS TO THE LIBRARY BOOK FUND, AND THAT
IN A SIMILAR MANNER EACH MEMBER OF THE FACULTY BE ASKED TO CONTRIBUTE TO THIS
FUND. PARRY SECONDED. Mr. George Oechsli, head of the library fund drive,
said that funds received up to date are inadequate, and that any funds that
CB may be able to bring in would be helpful. Beck thought this would be a way
to reimburse feelings with students about allocations. He said that ASUM
could back up every dollar donated with an equivalent dollar. Letters could
be written to parents, faculty and staff members for their donations. MOTION
PASSED WITH ALL IN FAVOR. Beck was assigned head of the committee to work on
it. The committee will report next week.

Off-Campus Handbook: PARRY MOVED THAT CENTRAL BOARD ALLOCATE $500 TO MULRONEY,
DELANEY, AND DALLEY LAW FIRM TO HANDLE RESEARCHING AND LEGAL RIGHTS OF OFF-
CAMPUS HOUSING. LIST SECONDED. The Handbook will be fashioned after the
Off-Campus Housing Handbook of the Associated Students of Michigan State U.
LIST MOVED THAT WE TABLE ACTION FOR ONE WEEK. GORTON SECONDED. MOTION PASSED
WITH ALL IN FAVOR.
Kaimin Allocation: MCEWEN MOVED THAT CENTRAL BOARD ALLOCATE $2500 TO THE KAIMIN FOR WINTER QUARTER OPERATIONS. GORTON SECONDED. McEwen said that $7500 was set aside on reserve for the Kaimin, of which $2500 is allocated to them every quarter, and since their have been no major complaints about this year's Kaimin, the money should be allocated to them now. MOZER MOVED THAT WE TABLE ACTION FOR ONE WEEK. GORTON SECONDED. MOTION PASSED UNANIMOUSLY.

Information Sheet: List questioned whether action had been taken on the ASUM Information Sheet that was passed December 2, 1970, containing actions taken and Commissioners' reports. Green said that he would question Planning Board. MOZER MOVED THAT WE RE-ASSERT ALLOCATION AND TABLE ACTION FOR ONE WEEK, PENDING INFORMATION FROM PLANNING BOARD. BECK SECONDED. MOTION PASSED UNANIMOUSLY.

Green said the one vacate position on Central Board will be filled next week with recommendations from Planning Board.

PARRY MOVED TO ADJOURN. MURPHY SECONDED. MOTION PASSED UNANIMOUSLY.

ATTENDANCE: STRONG, WALTERMIRE, BECK, CHRISTENSEN, MURPHY, SPENCER, DREYER, SORENSON, PETERSON, LIST, D. NORMAN, ULVILA, JORGENSEN, JOHNSON, McEwen, GORTON, MOZER, PARRY, T. NORMAN, GRAINEY, SWARTHOUT, AND WICKS.

ABSENT: HILL

Respectfully submitted,

Gloria Wong
ASUM Assis. Secretary

Investments:

U.S. Treasury Bills (earning 6.8%) $5,022.47
We, the members of the University of Montana Women's Ski Team, wish to petition Central Board for funds so that we may attend an invitational meet to be held by Washington State University at Schweitzer Basin, Idaho on February 26-27. This year marks the first time that varsity skiing for women has been organized into a regular class in the P.E. Department. There are ten participating members in this class, four of whom we hope to send to the meet at Schweitzer Basin. The race will occur on a Friday and Saturday, and will consist of competition in slalom and giant slalom courses.

In working out the cost of the trip for four racers plus our sponsor, Miss Lorenz, we have established a figure of $108.50 which will cover the necessary expense for the two days. This figure includes a projected cost of $5 per person per day to cover both meals and lodging (a total of $50.00), as well as entry fees for the race (a total of $6.00), and lift tickets for two days @ $5.25 per person per day (a total of $52.50). Transportation to and from the race has already been provided for.

We have been working very hard this quarter to prepare for this race as it is the only intercollegiate competition organized for women this year in the Northwest. We sincerely hope that Central Board will support us by allocating the funds that are necessary for the representation of the University of Montana at this meet.
DIVISION V GENERAL

Article I

Elections Procedures

Sec. 1. An ASUM member shall vote only in that district in which he wishes to be represented for the majority of the term of office of that district's delegates.

Sec. 2. Elections Committee shall determine the necessity and procedure of a primary election in the Spring and Fall delegate elections. The Spring General election shall be held by April 31. The Fall General election shall be held by October 31. If a primary election is held, at least a week must lapse between it and the general election. Elections Committee shall hold a primary election for each ASUM officer position having more than three candidates. The two candidates for each position with the most number of votes will enter the Spring General election. Elections committee shall determine how many candidates a student may vote for in all primary and general elections.

Sec. 3. Any ASUM member as defined in Article I, Sec. 2, who is a student in good standing according to the current University catalog, is eligible to run for ASUM delegate or Officer positions. A candidate must file a petition according to Article 5, Sec. 4, with Elections Committee. Elections Committee shall establish the petition deadline.

Sec. 4. Write-in votes shall be counted in both and primary and general elections.

Sec. 5. Failure by the incumbent of any position of the Association to comply with the qualifications for active membership set forth in Article I Sec. 2, or who loses his good standing status shall be deemed to create a vacancy in that position.

Sec. 6. If a vacancy occurs in any of the official positions as defined in Article II of the Constitution, between Spring and Fall elections of the same year, then this vacancy shall be filled in the Fall ASUM election. If a vacancy occurs between the Fall election of one year and the Spring election of the next year, then the vacancy shall be filled by Presidential appointment with the consent of Central Board by a 2/3 vote. The appointee shall serve only until the Spring election following his appointment.

Sec. 7. Elections Committee shall establish procedures providing for absentee voting in both the general and primary elections.
Sec. 8. The counting of the ballots shall take place in the presence of the Elections Chairman and either a faculty representative or the administration representative, in addition to those students appointed by the Elections Committee Chairman.

Sec. 9. The names of all candidates shall be published in the Kaimin immediately after the validation of petitions by Central Board and the names of all nominees shall be published immediately after the primary election. Notice of all closings, filing dates and election dates shall be conspicuously given in the Kaimin. Notice of special elections shall be given at least twice.

Sec. 10. Elections Committee shall determine subject to approval of Central Board the number of candidates to be nominated by the primary election for the positions to be filled in the general election.

Sec. 11. A tie vote in a primary election shall cause the names of those candidates involved to be included on the general election ballot, provided the number of votes cast would qualify each tying candidate in the absence of a tie. No candidate shall qualify for a general election as the result of a tie between other candidates receiving a greater number of votes.

Sec. 12. Central Board shall provide for a special election to determine a general election winner, in event of a tie vote.

Sec. 13. It shall require a plurality of the votes cast for all eligible candidates for a given position to effect the election of any candidate.

Sec. 14. Officers and delegates shall be installed at the first Central Board meeting following their election and shall hold office until their successors are installed.

Sec. 15. No electioneering shall take place in the building(s) in which an election is taking place on the day of that election.

Sec. 16. Campaigning.

A. No signs, handbills, posters, or related material shall be posted on University trees or shrubbery. There shall be no defacing of University property or sidewalks by the application of any kind of paint. All signs shall be removed from authorized space by the organizations or individuals erecting them by 12:00 midnight before the election, or the candidate(s) shall be disqualified subject to an elections committee recommendation to Central Board. Elections committee shall determine whether such a recommendation should be made. Authorized space shall be defined each year by elections committee in agreement with the food service director, U.C. Director, Resident Halls Office, Married Student Housing Director, and Physical Plant Director.
B. Special booth setups on campus grounds must be arranged through the maintenance department and must be kept free from ground litter.

C. All signs must be printed on paper, posterboard, or some other medium. Masking tape only is allowed for the fixation of signs, except in the case of bulletin boards where tacks may be used.

D. Each candidate for official ASUM positions shall submit a campaign expense statement to include all personal organizational and donation expenditures to Elections committee by or on the day of the general election. Expenditures for all primary and general elections campaign expenses by Central Board delegates candidates shall not exceed $25. Expenditures for each ASUM Officer position shall not exceed $75. The candidate(s) charged with violations shall be disqualified subject to an elections committee ruling and Central Board decision.

Sec. 17. Each candidate for student office shall have the right to demand and receive one recount; the need for additional recounts shall be determined by the election committee chairman. Recount requests must be made within 24 hours after the candidates have been notified by the posting of the results outside the ASUM Office.

Sec. 18. The signatures of the elections committee chairman, the ASUM President and the faculty or administration representative present are required to make the ballot count official.

Sec. 19. Ballots shall be destroyed two weeks after each ASUM Election. The ballots shall be stored in the ASUM office. The elections chairman shall give the official report on the final results of ASUM and ASUM delegated elections.
STUDENT OPINION POLL

EXPLANATION: This poll will only serve as a recommendation to the Board of Regents and is in no way binding. Also, the $15.00 fee per quarter will still have to be paid in full to ASUM in the event that the Board of Regents form this as policy. At present $8.00 of this fee per quarter is paid to varsity, interscholastic, men's sports and this alone is the subject of this poll. Finally, if this poll is accepted as policy, only students who pay this fee to athletics will be permitted to attend these sports free of charge (as all students now do). Possible alternatives for the use of this fee include the library, Program Council, and certain environmental programs which not exist on campus.

THE POLL: Each student should have the option of paying his $8.00 per quarter fee which now is contributed to varsity, interscholastic, men's sports to some other university or ASUM related program.

☐ YES
☐ NO
STUDENT FACILITIES STUDENT COMMITTEES

Sec. 1. This committee will have a membership of at least seven students and will be chaired by the student facilities commissioner who will be a Central Board member. All members of the Student Facilities Commission and at least one member of the Recreational Facilities Commission will be among those student members of this committee. The chairman of this committee will call regular meetings and no more than two unexcused absences will be permitted by any member. The chairman will also write a written report describing all action considered during each meeting.

Sec. 2. The Student Facilities Student Committee reviews and recommends policy for the dorm and married student housing and food operations at the University. These recommendations will be presented to the Student Facilities Commission for further action. Also, this committee will, if the members feel it is necessary, recommend policy and action to the respective boards concerning the University Center, Traffic Board, Physical Policy, and any other related student facilities and policies.
The SILVERTIP SKYDIVERS, INC., organized in 1958, is the oldest organized jumping club of the collegiate sphere in the United States. At the present time, we are also the largest collegiate club in the United States. Our unusually large enrollment during fall quarter was acknowledged nationally by the UNITED STATES PARACHUTE ASSOCIATION.

This fall quarter, we received approximately 52 new members, of which 48 actually made their first jump. Of those 48, we retained nearly 50% to become frequent jumpers. The average amount of members who stick with the sport has doubled since only one year ago this fall.

As you well know, the club succumbed to the tragic loss of four lives and its privately owned plane on November 1, 1970. This tragedy struck the club during its first financial uplift since the club originated. The club was considerably stable financially before the accident occurred and was on a path to wide recognition and acknowledgement by both public and collegiate spheres.

Now, our position is reversed, after losing nearly $6000 in the mid-air as well as the loss of those four lives. The club has received very little from University funds in the past, even though we have promoted for and competed in the name of the University for the past several years. Now, we are in deep financial trouble and request the aid of the University to an at least reasonable extent.

Aid from the University would be in reciprocal fashion at any rate. With 65 current members, we remain one of, if not the largest University club on campus. The University uses our club annually as a promotional attraction in its catalog. Each year in the spring, the Silvertip Skydivers host the Montana Invitational Meet held in Missoula, as well as bearing the University's name at various other meets during the school year. We have in the past sent representatives to the Collegiate Nationals, televised on ABC's Wide World of Sports, and places third and fourth in that competition. Recently, however, lack of adequate funds has made it impossible to participate on the national scene. As an auxiliary sport of the University, we have broken two state records: the high altitude record in the state of Montana, and the record for the largest combined contact effort in the air, both of which were set in the last year and both of which saw little publicity or promotion from the University.........The point being that, "We support the University, let them support us."

Following is our financial report and request for allocation.
This is just a brief outline of the club's financial status.

EMPHASIS

The Silvertip Skydivers are in a $7000 deficit. It is a large financial burden for such a small club and a club with so many young substantial members. The club probably could stumble over this burden in about 5 years, but promotionally the club cannot stand the strain. It needs help and we believe the University owes us some recognition and should feel obligated to aid us financially as best they can. It is essential to the preservation of the club and it is good business for the University. We have honored the University's name so much in the past, that now, we expect the University will respect our request for aid in a reciprocal fashion.

We realize of course, that the University cannot fully compensate for our loss. And we realize also that it has many other obligations to other organizations. The amount we request is small in relation to our deficit and we cannot fully exhume in our plea the importance of the requested allocation. It is minimal, but nevertheless, would help the club back on its feet.

We believe an allocation of $1500 is necessary and we hope the University can see the reason for this amount of request. Once again, we cannot stress the importance of this allocation.
