The meeting was called to order by President Jack Green at 7:10 in the Montana Rooms of the University Center.

The minutes were approved as read.

REPORTS OF SPECIAL COMMITTEES

Athletic's Poll—Mozer presented the following:

**STUDENT OPINION POLL**

**THE POLL:** Each student should have the option of directing his $8 per quarter activity fee, which now supports varsity athletics, to either the 10 varsity men's sports or to the general ASU M budget.

**EXPLANATION:** This poll will only serve as a recommendation to the Board of Regents and is in no way binding. The $15 activity fee per quarter will still have to be paid in full. At present, about $8 of this fee per quarter is paid to the ten varsity interscholastic men's sports; the expenditure of this $8 is the subject of this poll. If this option is granted by the Board of Regents, only students who direct their fee to athletics will be permitted to attend these sports free of charge (as all students do now.) Funds not contributed to varsity athletics will be placed in a general ASU M budget which includes non-varsity, mens' and women's athletics, Program Council, fine arts, library, etc.

Waltermire asked if Central Board would still have the option of allocating money to the athletics department out of its operating budget. Mozer said that this was not covered under this poll. It was brought out that some persons might like to give more than the $8 to athletics. Wicks asked if the poll was to maneuver a vote of confidence for the athletics. He said that if the student wanted his $8 to go to athletics then he could go to the games and if he does not want the $8 to go to athletics then he can't go to the games but he doesn't get anything more either.

Off-Campus Housing—Parry said that there was nothing new to report but that he was making further plans with the law firm until funds were available. He presented the following request for funds: At the end of last quarter, Jack Green asked me to head up an ad-hoc committee to write a handbook on off-campus housing. This booklet would tell the student his rights as a tenant and the rights of the landlord. It would cover the written lease, discussing terms, amount of rent, security deposits, description of the premises, furnishings, utilities, etc. Also covered in the booklet would be laws and penalties on breach of contract if the lease is broken. Eviction procedures would be covered. Means of legal protection and agencies to turn to for this protection would be listed and described. Housing regulations to govern standards for utilities, ventilation and lights tenant laws, responsibilities of owners and operators etc.

Upon the close of legislature we would briefly add laws concerning such things as abortion laws, contraception, taxi rates, hitchhiking, bus service, air lines, parking tickets, rates, and voting. All the proceeding areas would be handled mainly by the Mulroney, Delaney, and Dalby Law Firm in coordination with Gary W. Parry. While they handled basically the legal aspects I would be concentrating on supplementary information such as telephone,
appliances, economical shopping, grocery stores, electricity and gas, and a service by which persons wanting to rent to college students could submit names and addresses to a committee who would be contacted by the students wanting to rent an apartment or house. The $500 allocation would be used to pay the fee of Mulroney, Delaney, and Dalby to do the research and writing of the legal aspects to this handbook. This is a chance to serve the majority of the students as the majority of them do or will live off campus during their college days. A number of students have complained about landlords cheating them or giving them bad deals through the lease contract. This is the chance to do something about this.

Respectfully submitted,

Gary M. Parry

Library Matching Fund—Beck said that an all out fund drive would be conducted the Week of April 12. The fund drive has basically three parts: 1) a student donation table in the University Center; 2) letters to parents concerning the library as well as letters to the faculty and staff of the University; and 3) getting the townspeople to support this. Beck said that during the break he is going to divide the town up and then ask Central Board members to canvas some of the business downtown. He asked to see Ulvila, Jorgenson, Mozzer, Parry, Dreyer, Sorenson, Murphy, Spencer, Christensen, List and Swarthout after the meeting.

Gorton said that the members had a sample letter before them. This letter was drawn up by members of Silent Sentinel. CB members were encouraged to use either this letter or one similar to this and send them to representatives of the legislature. Murphy added that if students went over to testify in favor of the Library they should be knowledgeable and not just guess.

UNFINISHED BUSINESS

The Environmental Studies request for funds of $68.80 was concerned. Green gave it a do pass recommendation and Bob Hall a law student explained what the law students did. Murphy moved to allocate $68.80 to Environmental Studies. Mozzer seconded. The motion passed with all in favor except Gorton and Waltermire who were opposed.

Kyi-Yo Indian Club request for $3000 was on the floor. Jack Plumage said that what they wanted was for Central Board to underwrite the program for $3000 as the Program Council had done last year. Last year they only spent $1200 and gave the rest back. He said that they had just learned of our financial situation and they are now only asking for $300. Murphy moved to allocate $300 to the Kyi-Yo Indian Club. Mozzer seconded. Mozzer told the club members that it would be easier to get funds if they would ask for them in the Spring when CB budgets. The motion passed with all in favor with the exception of Gorton who was opposed.

Women's Ski Team requested $108.80. Strong moved to allocate the Women's Ski Team $108.80. Waltermire seconded. D. Norman asked if we were broke if we could cash in the US Treasury Bonds. Waltermire said that we could not because just a small change in the enrollment could eat up the $5000 easily and we needed this for protection. Green said that the 26-27 of February there was another MSPA meeting at which time they would give back the remaining funds from Project 19. Green said that he thought it was about $600 or $700 but he could not be sure and not to count on that money until it was received.
THE MOTION PASSED WITH ALL IN FAVOR.

Waltermire said that the balance was $100.29.

The Skydivers submitted a request for $1500. MCEWEN MOVED TO TABLE THE MATTER INDEFINITELY. PARRY SECONDED. THE MOTION PASSED WITH STRONG, WALTERMIRE, MURPHY, DREYER, SORENSON, ULVILA, JOHNSON, MCEWEN, PARRY, T. NORMAN, AND SWARTHOUT IN FAVOR AND BECK, CHRISTENSEN, PETERSON, D. NORMAN, GORTON, MOZER OPPOSED. Green said that the Skydivers had been informed that they would not be granted their request due to the lack of funds.

MOZER MOVED THAT THE FOLLOWING STUDENT FACILITIES STUDENT COMMITTEE BY-LAWS BE ACCEPTED:

Sec. 1. This committee will have a membership of at least seven students and will be chaired by the student facilities commissioner who will be a Central Board member. All student members of the Student Facilities Commission and at least one student member of the Recreational Facilities Commission will be among those student members of this committee. The chairman of this committee will call regular meeting's and no more than two unexcused absences will be permitted by any member. The chairman will also write a written report describing all action considered during each meeting.

Sec. 2. The Student Facilities Student Committee reviews and recommends policy for the dorm and married student housing and food operations at the University. These recommendations will be presented to the Student Facilities Commission for further action. Also, this committee will, if the members feel it is necessary recommend policy and action to the respective boards concerning the University Center, Traffic Board, Physical Policy, and any other related student facilities and policies.

PARRY SECONDED. THE MOTION PASSED UNANIMOUSLY.

Mozer brought up the election by-laws for discussion. He said that they still needed work and they will be left on the table until next week. It was suggested that they set up provisions for political parties if the officers would choose to run on a party. It was mentioned about setting up a certain percentage of voters that must vote in order to have any election.

Kaimin requested the $2500 for the Kaimin Special Fund. Mozer reported that the newsletter talked about last quarter has been abandoned because Gray talked to Jack Cloherty who said that he would put in what we wanted him to put in. Since he has been doing this it is no use that we print this bulletin. Mozer said that we could type up what we wanted up in the Kaimin and they would insert it for us. Green said that the Kaimin Office contacts him every Monday or Tuesday and gets the agenda for Central Board that Wednesday evening. It is printed in either the Tuesday or Wednesday edition. Gorton asked if any money had been set aside for the newsletter. None had. Waltermire asked if it would be possible if we did submit materials to have them printed. Vaughn said that it was possible if they had enough room.
MURPHY MOVED TO ALLOCATE BY SUBSTITUTE MOTION $500 TO THE KAIMIN SPECIAL FUND. WALTERMIRE SECONDED. Bird said that they had $2000 in the reserve fund. D. Norman said that since ASUM had a reserve fund of $5000 then the Kaimin should have at least $2000. Waltermire disagreed saying that our income is not fixed and that a change in enrollment could cause problems. MURPHY MOVED TO AMEND THE MOTION TO READ $750. SECONDED.

D. Norman moved to amend the amendment to allocate the Kaimin special $1500. Motion died for a lack of second. Strong moved to previous question. Waltermire seconded. The motion carried. The amendment carried. The board wanted to know what was to be done with the rest of the money that was left. Waltermire said that the $1350 was now our to spend as we wanted.

NEW BUSINESS

Green said that there were be a request for funds from the Foreign students and a recommendation from his office at the next meeting. Also the Art department has a request and the Fine Arts department will have a request and recommendations from Green’s office at the next meeting.

BECK MOVED THAT CENTRAL BOARD GIVE $600 OF THE KAIMIN SPECIAL FUND PLUS THE REMAINDER OF THE PROJECT 19 FUNDS TO THE LIBRARY MATCHING FUND. STRONG SECONDED. Sorenson said that by taking the $1300 from the Kaimin we are opening ourselves to a multitude of requests from organizations for funding. He said that whether or not they are valid he felt that the Library was a valid cause. SORENSON MOVED BY SUBSTITUTE MOTION TO ALLOCATE $1800 PLUS THE PROJECT 19 FUNDS THAT WILL BE RETURNED TO THE MATCHING LIBRARY FUND. GORTON SECONDED. THE MOTION PASSED WITH STRONG, BECK, MURPHY, SORENSON, PETERSON, JOHNSON, GORTON, MOZER, PARRY, AND SWARTHOUT IN FAVOR AND WALTERMIRE, CHRISTENSEN, DREYER, D. NORMAN, ULVILA, MCEWEN, AND T. NORMAN OPPOSED.

Murphy presented the following Parity Board draft: THE PRINCIPAL PURPOSE OF THE BOARD WOULD BE TO OPEN A NEW CHANNEL AND PROVIDE A HIGHER DEGREE OF MEANINGFUL COMMUNICATION BETWEEN THE THREE ELEMENTS OF CAMPUS INTEREST—ADMINISTRATION, FACULTY, AND STUDENTS. SUCH A BOARD WOULD ATTEMPT TO SERVE THE BEST INTERESTS OF THE UNIVERSITY AND HENCE THE UNIVERSITY COMMUNITY, BY PROVIDING IDEAS, OPINIONS, AND RECOMMENDATIONS WHICH WOULD REFLECT A TOTAL INTEGRATION OF INTERESTS.

THE BOARD WOULD BE CONCERNED WITH THOSE ISSUES AND PROBLEMS WHICH ARISE FROM DISSATISFACTIONS WITHIN THE UNIVERSITY AND WHICH DID NOT ACHIEVE SATISFACTORY ACTION THROUGH TRADITIONAL CAMPUS CHANNELS. THE BOARD WOULD NOT BE RESPONSIBLE FOR DISSATISFACTIONS WHICH WOULD FALL UNDER THE JURISDICTION OF THE JUDICIAL BOARD. SINCE THE BOARD’S CHIEF CONCERN IS WITH FACILITATING INTER-CAMPUS COMMUNICATION, IT SHOULD NOT THROUGH ITS ACTIONS OR ATTITUDES INHIBIT OR INHIBIT ATTEMPTS TO COMMUNICATE. THE BOARD THEN IS FREE TO REFER PROBLEMS TO LOWER CHANNELS (IF PREVIOUSLY UNUSED) PRIOR TO REVIEW. THE BOARD MAY ALSO INSTITUTE INQUIRIES WHEN IT FEELS THAT IT IS IN A POSITION TO ANTICIPATE A PROBLEM. THEREFORE, IT WOULD BE DEEMED UNWISE TO FULLY OUTLINE THE PURPOSES OR TOO CAREFULLY DELINEATE SPECIFIC FUNCTIONS AS THIS MIGHT CRIPPLE THE FULL POTENTIAL OF THE BOARD.
THE BOARD WOULD CONSIST OF NINE MEMBERS, AN EQUAL NUMBER FROM EACH OF THE THREE PARTS OF THE CAMPUS. ADMINISTRATIVE REPRESENTATIVES APPOINTED BY THE PRESIDENT WOULD REPRESENT BOTH THE PRESIDENT'S OFFICE AND THE DEAN OF STUDENTS OFFICE. STUDENT REPRESENTATIVES WOULD BE APPOINTED BY CENTRAL BOARD. FACULTY REPRESENTATIVES WOULD BE APPOINTED BY THE BUDGET AND POLICY COMMITTEE.

MAJORITY AND MINORITY OPINIONS AND RECOMMENDATIONS WILL BE PREPARED AND PRESENTED BY THE BOARD.

THE POTENTIAL EFFECTIVENESS OF THE BOARD RESTS WITH THE REVIEW OF ITS ACTIONS. THE ACTIONS SHOULD CREATE INTER- AND INTRA-CAMPUS RESPECT, HENCE POWER THROUGH PERFORMANCE.

RESPECTFULLY, DR. K. ROSS TOOLE, DR. HOWARD, E. REINHARDT, VICE PRESIDENT NORMAN TAYLOR, DEAN ROBERT BEDORE, DEE DIE THOMAS, JOHN MURPHY.

BECK MOVED ACCEPTANCE OF THE ABOVE PARITY BOARD DRAFT. CHRISTENSEN SECONDED. Waltermire asked if Central Board or Faculty Senate were having problems if the could be brought to this board. Thomas said that they could. BECK MOVED TO PREVIOUS QUESTION. CHRISTENSEN SECONDED. THE MOTION PASSED UNANIMOUSLY.

D. Norman asked about the appointments to Judicial Board. Green said that the Kaimin received word of this before Central Board had a chance to confirm the appointments. Green said that there were 2 persons appointed from ASUM, 2 faculty representatives, 1 appointed by Budget and Policy and the other appointed by President pantzer himself, and 1 graduate student in law selected from names submitted by Green to Pantzer. Bob Sorenson and Dick Spall have been appointed to represent ASUM GREEN MOVED ACCEPTANCE OF THIS.

BECK SECONDED. THE MOTION PASSED WITH T. & D. NORMAN ABSTAINING AND THE REST IN FAVOR.

Green said that the Library Committee should have persons ready to testify in Helena any time. They should be ready to go at a moments notice.

Green told Mozer to start thinking about Spring Elections and when they were to be held.

MOZER MOVED TO RECONSIDER THE $250 SET ASIDE TO THE NEWSLETTER. SECONDED. THE MOTION PASSED WITH WALTERMIRE OPPOSED.

MURPHY MOVED TO TURN DOWN THE $250 FOR THE CENTRAL BOARD NEWSLETTER. SECONDED. BY CHRISTENSEN. THE MOTION CARRIED.

MOZER MOVED TO AMEND THE ATHLETIC POLL BY ADDING: IN ADDITION THE STUDENT, AT HIS OWN DISCRETION MAY DIRECT THE FULL $15 TO THE VARSITY ATHLETICS. IF THE STUDENT ALLOCATES THE FULL $15 TO THE ATHLETICS PROGRAM WILL BE EXCLUDED FROM SUCH PROGRAMS AS INTRAMURALS AND PROGRAM COUNCIL. CHRISTENSEN SECONDED. BECK MOVED TO PREVIOUS QUESTION. D.NORMAN SECONDED. THE MOTION WAS DEFEATED. Waltermire asked how Mozer proposed to implement the program. Mozer said he didnot know. BECK MOVED TO TABLE FOR ONE WEEK. PARRY SECONDED. THE MOTION PASSED UNANIMOUSLY.
The following was read from Central Board Member List: TO THE MEMBERS OF CENTRAL BOARD: THERE IS AN URGENT NEED FOR FULL TIME HELP IN THE DIRECTION OF A NEW LIBRARY. THE TIME IS NOW TO DO SOMETHING WORTH REMEMBERING. I FIND FRUSTRATION AS A C.B. MEMBER AND THE ONLY WAY TO SOLVE IT IS TO STOP AND START IN ANOTHER DIRECTION---ONE THAT WILL BENEFIT ALL STUDENTS AND NOT SIMPLY A FACTION.

IN VIEW OF THE MAJORITY OF THIS BOARD BEING DEVIANTLY LED BY THE PRESENT ADMINISTRATION AND HENCE BEING UNABLE OR UNWILLING TO REPRESENT THE STUDENT BODY IN A RATIONAL WAY, AND PERSONALLY NOT WANTING TO BE TIED UP WEDNESDAY NIGHTS BY SO MANY PERSONAL BIASES AND IRRATIONAL JUSTIFICATIONS I FIND I CAN BETTER UPHOLD MY CAMPAIGN PROMISES ALONE THAN SURROUNDED BY INDIVIDUALS WHO IGNORE THEIRS. WITH ALL DUE RESPECT, I RESIGN. THE YES MEN CAN, IN GOOD CONSCIENCE VOTE YES ON THIS RESIGNATION.

BOY LIST.

MCEWEN MOVED TO ACCEPT THIS RESIGNATION. D. NORMAN SECONDED. THE MOTION PASSED UNANIMOUSLY.

D. NORMAN MOVED TO ADJOURN. MCEWEN SECONDED.

ATTENDANCE: GREEN, STRONG, WALTERMIRE, BECK, CHRISTENSEN, MURPHY, DREYER, SORENSON, PETERSON, D. NORMAN, ULVILA, JOHNSON, MCEWEN, GORTON, MOZER, PARRY, T. NORMAN, SWARTHOUT, HILL, WIEKS.

PARITY BOARD

(This is a working definition, not a final draft.)

The principal purpose of the board would be to open a new channel and provide a higher degree of meaningful communication between the three elements of campus interest—administration, faculty, and students. Such a board would attempt to serve the best interests of the university, and hence the university community, by providing ideas, opinions, and recommendations which would reflect a total integration of interests.

The board would be concerned with those issues and problems which arise from dissatisfactions within the university and which did not achieve satisfactory action through traditional campus channels. The board would not be responsible for dissatisfactions which would fall under the jurisdiction of the Judicial Board. Since the board's chief concern is with facilitating inter-campus communication, it should not through its actions or attitudes impede or inhibit attempts to communicate. The board then is free to refer problems to lower channels (if previously unused) prior to review. The board may also initiate its own inquiries when it feels that it is in a position to anticipate a problem. Therefore, it would be deemed unwise to fully outline the purposes or too carefully delineate specific functions as this might cripple the full potential of the board.

The board would consist of nine members, an equal number from each of the three parts of the campus. Administrative representatives appointed by the President would represent both the President’s Office and the Dean of Students Office. Student representatives would be appointed by Central Board. Faculty representatives would be appointed by the Budget and Policy Committee.

Majority and minority opinions and recommendations will be prepared and presented by the Board.

The potential effectiveness of the board rests with the review of its actions. The actions should create inter- and intra-campus respect, hence power through performance.

Respectfully,

Back in 1961, there were only six Indian students enrolled at this University. Back in 1969 during spring quarter, twenty active students out of the club roster of 45 members decided to host what they officially called the UM Kyi-Yo Indian Youth Conference. This three day conference was certainly this infant organization's first campus activity. Now is 1971, again a spring quarter, 110 Indian students are extremely interested in hosting another Youth Conference. The interest is so high that already 15 Committees have been established so the club members could offset the effort that 20 students put forth in 1969.

Think of what is relayed in this opening paragraph. In ten years, the University of Montana has seen a 1000% increased enrollment of Indian students. It is quite prevalent that one of the basic reasons why "the newcomers" chose the University is simply because of what the Kyi-Yo Indian Club has done both for itself as an organization and let's fact it, for the University as their locale of higher learning. Parallel to the above illustration exists an American ill today --- "IT TAKES MONEY!" This is where the stage is set. The value of this resume derives from ten years of first-hand club experience.

------ Gerald J. Stiffarm
Finance Chairman

The Kyi-Yo Indian Club, University of Montana, submits a request of $3000 to the Central Board, ASUM, for the purpose of helping subsidize their 3rd Annual Kyi-Yo Indian Youth Conference which will again be held on the University campus on April 8, 9, & 10, 1971.

The Kyi-Yo Indian Club is an University organization and currently has a membership of 110 students. The Club is very active in Indian affairs not only on this campus but also in the State and the rest of this Nation.

This year's Conference will again involve high-school-age students from primarily a six-state area and Canada. As in past years, the Conference will be focused on current political and social issues facing the Indian people today.

The theme of this year's Conference is "Awareness". The Club will present several panels that will be directed to provoke thought and discussions on current Indian issues. The Club feels that if there is even to be such a thing as "Self-Determination" for the Indian people, it is going to rest primarily upon the shoulders of these youth who will be participating in the Conference.

Expenditures for the Conference will run far above the $3000 which we are asking of the ASUM. As enrolled students of this University as well as "A contingency of the ASUM student body," we feel that our request serves a very justifiable purpose. What arguments could possibly arise against such CONSTRUCTIVEMESS?

PROGRAMS

Chairman: Diana Christopher
Member: Gabe Grant

The Clerical Service on campus will take a picture of a prepared program in rough draft form. The program will be 5" x 8" with approximately 40 pages - (20 single pages doubled) inclusive of the cover. There may be less pages if necessary but it has to be divisible by 4.

This rough draft must be typed errorless and then a picture in offset form will be photographed. The pages may have black and white drawings; no additional cost will be levied but if there are any snapshots it will cost an extra $2.50 per page. The $2.50 is the standard list price.

Since it has been estimated by the Finance Committee that a need for 600 copies exists, the cost of the program will be $240.00. With snapshots at a rate of $2.50 per page, ten pages will cost an additional $25.00. This is only a projected program plan.

It has been suggested that drawings done by Bobby Tailfeathers and others may be utilized if desired. Snapshots can be easily mounted.

Suggestions: Consider the possibility of selling the program as a souvenir, maybe at a cost of $.35 to $.50. Of course, this would greatly alter your program cover.

Suggestions:

First of all, repeal the club's motion of having it in the UC Ballroom. Suggest we have the Pow Wow in the Fieldhouse.

Consider the possibility of sponsoring window displays in downtown Missoula. Maybe at the Missoula Mercantile, Western Bank, etc. This would help our solicitation drives.

Consider the expenses for exhibition dancers.

A Note of Interest: Last year's total expenditures for the Conference held in the area of the University Center were $3,232.30.
THE POLL: Each student should have the option of directing his $8.00 per quarter activity fee, which now supports varsity athletics, to either the ten varsity men's sports or to the general ASUM budget.

EXPLANATION: This poll will only serve as a recommendation to the Board of Regents and is in no way binding. The $15.00 activity fee per quarter will still have to be paid in full. As present, about $8.00 of this fee per quarter is paid to the ten varsity interscholastic men's sports; the expenditure of this $8.00 is the subject of this poll. If this option is granted by the Board of Regents, only students who direct their fee to athletics will be permitted to attend these sports free of charge (as all students do now.) Funds not contributed to varsity athletics will be placed in a general ASUM budget which includes non-varsity, men's and women's athletics, program council, fine arts, library, etc.
The Foreign Students of the University of Montana respectfully ask ASUM's financial support of the U. of M. International Association. For several years, the foreign students have had clubs of varying durations and involvement but, for lack of organization and finances, these clubs have not fulfilled their potential for a real contribution to either the students themselves or to the campus community. Today we have leadership in the form of a foreign student adviser and a group of committed faculty and community members. We have a core of dedicated students who are willing to devote time and energy to programming and organization. There are presently 50 international students on our campus plus 80 Canadians, and I foresee a larger number of both groups on our campus in future years.

For the month of February, the foreign students have planned a community visit to Corvallis, Montana, where they are invited to stay in a rural American home, a visit to the Montana State Legislature in Helena, with a prior briefing on the legislative process, Montana and U.S. government; and a ski day at Snowbowl, to expose the students to part of Montana's "active" out-of-doors.

Each of the above activities is representative of the kinds of things the foreign students will be doing in future months. The events are aimed at furthering the students' understanding of not only Montana but also the United States, and facilitating a cross-cultural exchange between the residents of Montana and the students.

The effect of such an organization is far greater than that on just its own members. The entire campus community, as well as the city of Missoula, has much to gain from an active, vital association with students of different cultural backgrounds and value-orientations. Already, the students participate in a Speaker's Bureau in the community, and we look forward to greater involvement by them in the classrooms as they contribute first-hand knowledge on special topics regarding their home country. Ultimately, interaction and understanding of this type lead to peace among nations.

With financial support, we hope to make this a truly "international association", with American students participating as well. We look forward to the day when we might have an ASUM International Committee, where American and foreign students would plan together campus-wide activities.

FINANCIAL NEEDS:
1. We plan on taking at least one trip a month to areas of interest in Montana, such as the trip to Helena in February. These trips may cost as much as $50.00 for transportation if we use school cars, or as much as $150.00 if we charter a bus. We will also need transportation on shorter trips in the Missoula area. Our immediate need, presently, is for transportation for the February events. We can assess the students a percentage of the cost of each activity, but in some cases such a cost would be prohibitive and would eliminate many students from participation.

2. The students plan to sponsor an International Dinner in April or May, which will require an initial investment of $150-200 for food which the students themselves will prepare, plus tickets and publicity.

We therefore request the sum of $500.00 for the remainder of this quarter, spring and summer programming and for such special campus and community-wide events as the International Dinner. We have no money for programming and are much in need of finances, immediately for those activities outlined above, beginning next weekend, and feel that $500.00 is necessary to carry us through this month and the ensuing months. In requesting this money, we are asking for the moral and financial support of the ASUM for the potential international understanding and cross-cultural sharing that can be realized on our campus only with your assistance.

Most sincerely submitted February 8, 1971.
