He said that they are lining up speakers at the present time and that there would be four panels, one on apathy—campus and local, state and national, one on environment, one of public relations, and one on current University problems. He added that the Central Board delegates might have to pay part of their expenses. UNFINISHED BUSINESS:

MERTENS MOVED THAT CENTRAL BOARD APPROVE THE REWRITTEN STUDENT LOAN FUND PROGRAM. THE MOTION WAS SECONDED BY MCEWEN. THE MOTION PASSED UNANIMOUSLY. MCEWEN MOVED THAT THE MOTION TO MAKE AN ALLOCATION OF $482 TO THE LACROSSE CLUB BE TAKEN OFF THE TABLE. THE MOTION WAS SECONDED BY PETERSON. THE MOTION PASSED. THERE IS A MOTION TO MAKE AN ALLOCATION OF $482 TO THE LACROSSE CLUB ON THE TABLE. Munro, Commissioner of the Student Recreation, said that his commission has reviewed the requirements of the club. He said that the commission recommended that this motion be passed because LaCrosse was a recognized student organization with 25 student involved. He said that this organization would be of a good value. Mertens reported that as of March 31, ASUM is in the hole by $1066.84. He said that he predicted that ASUM would be received $2100 for registration Spring Quarter and that this surplus would be able to take care of the Administrative Costs for spring quarter. He added that he did not think that ASUM had sufficient
funds to sponsor the program. Gray asked if ASUM would have any additional income for spring quarter. Mertens said that ASUM did not. McEwen asked if this debt included the money in the Reserve Fund too. Mertens said that it did. McEwen said that there is currently $5000 in the Investment Fund that are in U.S. Treasury Bills; he asked if these Treasury Bills could be cashed. Mertens said that they could be cashed in easily and only in part if the board wanted to do this. Wicks said that ASUM should have a Reserve Fund in case of a drop in enrollment and that maybe the LaCrosse Club could be included in next year's budget. McEwen said that $500 was not too much to take out of the Treasury Bills. Mertens said that the athletics that are offered on campus are already a diverse program and that ASUM could not afford too many more. Bill Courter, President of the LaCrosse Club, asked if ASUM would have control over next year's athletic budget. Mertens said that ASUM will be able to say how much money goes to which budget. Thogersen said that ASUM should have kept track of its spending for the last two quarters so that they would not be in debt now. Mertens said that ASUM will end up at the end of the year almost even. Gray said that if ASUM starts taking money out of the Investment Fund right now, they will always have groups asking for money. Mertens asked how the team planned to store equipment and helms. The president of the club said that he has not worried about it but that Whiddeon who is the Intramural Director said that there would be no problem as to storage. Mazurek asked if the club had checked into using the old hockey uniforms. Courter said that they had not checked into the matter. Mertens said that from past experience uniforms have been lost and that nets and goals have been lost and ASUM has been asked to purchase these items for the same teams over again. He added that unless the club is administered properly these same things will continue to happen. Courter said that it would be his responsibility to see that the uniforms and equipment is taken care of. Courter asked if the motion failed tonight if they would be able to come next fall for money. Peterson added that it takes three weeks for the equipment to arrive and that would only leave a couple weeks left in the quarter so the club could wait until next year for funds. Courter said that he would like to receive the funds this quarter so that the club would be able to become established. WEBB MOVED TO THE PREVIOUS QUESTION. THE MOTION WAS SECONDED BY WICKS. THE MOTION PASSED UNANIMOUSLY. THE MOTION TO ALLOCATE $482 TO THE LACROSSE CLUB FAILED WITH MARTIN IN FAVOR. Mazurek recommended that the LaCrosse Club see the next administration about being put on the budget for next fall.

NEW BUSINESS:

MERTENS MOVED THAT CENTRAL BOARD PASS BUDGET AND FINANCE'S RECOMMENDATION TO ALLOCATE $50 TO MORTAR BOARD. THE MOTION WAS SECONDED BY MCEWEN. Mertens said that Mortar Board was a senior women's honorary group. THE MOTION WAS DEFEATED WITH MERTENS IN FAVOR. Mertens asked the board why they defeated the motion. McEwen said that he did not feel that he could vote for an allocation to one group after he defeated an allocation to another group. The board agreed.

ANNOUNCEMENTS:

Mazurek said that the Board of Regents that met on Monday, April 13th passed unanimously the there could be no earmarking of funds to any group and that it would be up to the student government leaders in regard to the Constitution where this $15 allocation would go. Mazurek also said that they granted the students
the right to have an advisory vote before a building fee was raised. Students would have a vote on what project they wanted their fees to be used for after a bond on a previous building was paid off.

Mazurek announced that Central Board members were invited to a breakfast for Senator Kennedy on Saturday morning at 8:00 a.m., in the Montana Rooms of the University Center.

The proposed Selective Service Information Center is the outcome of the efforts of Draft Education and Counseling Center which organization will terminate its activities upon ASUM's establishment of an organization of an information center. From the experience of DECC the guidelines and principles stated below, have proven to be of the greatest benefit to the counselees and counselors and will be followed by the Information Center.

The main function of a draft counselor is to apply objective information to individual situations so that the counselee can plainly see all of his choices with respect to the draft and the likely or possible consequences of his pursuing each of them. The counselor must help each counselee identify his own values and motivations and take the action which best fulfills the counselee's own inner directions.

The counselor as counselor must not attempt to impose his own values on the counselee. The counselor is forbidden to advise, incite, or, in any way, encourage a counselee to perform any action contrary to federal law governing the draft: Title I, Universal Military Training & Service Act, 1940; amended June, 1951; extended 1963; extended 1967 & retitled Military Selective Service Act of 1967.

Any person who ...evades or refused registration or service in the Armed Forces or any of the requirements of this title, or who knowingly counsels, aids, or abets another to refuse, . . or evade, registration or service in the armed forces or any of the requirements of this title ...or who in any manner shall knowingly fail or neglect or refuse to perform any duty required of him under or in extension of this title, or rules, regulations or directions made pursuant to this title, or any person or persons who shall knowingly hinder or interfere or attempt to do so in any way, by force or violence or otherwise, with the administration of this title ...shall, upon conviction in any district court of the United States ...be punished by imprisonment for not more than five years or a fine of not more than $10,000, or both such fine and imprisonment...
