The meeting was called to order by President Jack Green in the Montana Rooms of the University Center at 7:00 p.m.

The approval of the minutes was put off until next weeks meeting.

REPORTS OF OFFICERS AND STANDING COMMITTEES

Pete Vaughn, of the Married Students, told Central Board that the cost analysis that they had requested last Spring Quarter had been done and that the report was on President Pantzer's desk. The cost analysis was done by Dobbins and McGrew. They found that there were insufficient records to make the study in the first place. They, the married students, requested a six month postponement of the rent increase, until this matter can be studied by President Pantzer. Vaughn also said that the married students would like to recommend to Central Board have a cost analysis of all organizations on campus.

Lee McAllister, Academic Affairs, said that his commission discussed the aspects of a University-College system. They also talked about the student on the Board of Regents. They also passed a resolution wanting a form set up so that students will be able to pre-register for Fall Quarter.

NEW BUSINESS

Randy Gray, Elections Committee, said that he would like to propose some By-Laws for this coming election Wednesday, October 21, 1970. GRAY MOVED THAT THE FOLLOWING ELECTION PROCEBURES FOR ON-CAMPUS DELEGATES ELECTION OCTOBER 21, 1970. SEC. 1. PETITIPONS FOR POSITIONS SHALL BE APPROVED BY CENTRAL BOARD. ALL CANDIDATES SHALL BE STUDENTS IN GOOD STANDING AND MEMBERS OF ASUM. SEC. 2. DISPLAY OF ALL CAMPAIGN POSTERS AND BANNERS SHALL BE LIMITED TO EXISTING BULLETIN BOARDS IN ALL UNIVERSITY OF MONTANA BUILDINGS EXCEPT THE UNIVERSITY CENTER WHERE THEY MAY BE POSTED ANY WHERE EXCEPT ON DOORS, GLASS, OR WITHIN ANY OF THE UNIVERSITY CENTER ROOMS. SEC. 3. FAILURE, BY A CANDIDATE TO COMPLY WITH THE ABOVE PROVISIONS SHALL DISQUALIFY THAT CANDIDATE. CHRISTENSEN SECONDED THE MOTION. McEwen asked if these were substitution By-Laws or if they were new. Gray said that they would be in addition to those already written. McAllister said that it was usually impossible for a candidate to remove all of the posters before a campaign. There would always be an oversight. Therefore, a candidate should not be disqualified because of the oversight of a few posters. Christensen said that at this time a provision should be put in the By-Laws stating the cost of campaigning, thus eliminating any expensive campaigning. Gray said that Planning Board was looking into this, but that for this election it would be impossible to fix a ceiling. Grainey asked how this would be enforced should posters remain up during the election. Gray said that it would be up to his committee's discretion. T. Norman ssked how the candidates would be informed of this should it pass. Gray said that the majority of the candidates were at the meeting and that he was meeting with them all during the coming week anyway. Gorton asked who they felt they could put this in when they had no procedure to back up its enforcement. McAllister asked why it was being set up this way. Gray explained that last Spring there were posters all over and the campus looked a mess. Williams stated that this should be offered as a suggestion rather than as substitute By-Laws.

MURPHY MOVED TO AMEND THE MOTION BY STRICKING SECTION 3. GRAY SECONDED. THE MOTION PASSED WITH BAHR ABSTAINING AND ULVILA, BECK. LIST OPPOSED AND THE REST IN FAVOR. THE MAIN MOTION AS AMENDED PASSED WITH ALL IN FAVOR. GRAY MOVED THAT THE FOLLOWING PEOPLE BE APPROVED AS CANDIDATES FOR THE ELECTION: PHILIP COX, VICKI HAUGEN, NEAL JENSEN, RICHARD RATIGAN, TOM MOZER, CONNIE ENZWEILER, PATTY KELLY, GARY PARRY. MURPHY SECONDED. THE MOTION PASSED WITH ALL IN FAVOR. Gray said that all persons qualified for the position and were in good standing. GREEN MOVED THAT CENTRAL BOARD AUTHORIZE EXPENDITURE OF \$200 TO HELLGATE FLYING CLUB. WALTERMIRE SECONDED. Gorton asked how many special requests Green had received, and how much money was allocated for these things. Waltermire said that there was \$5000 allocated and \$1000 carried over from last year. Gray asked what the money would be used for. A member of the flying club said that with their dues they were unable to pay for the type of program they would like to be able to offer to students. The program would be an Aviation Series, open to ALL University students and faculty, without charge or membership requirement. Green said that the club themselves were contributing \$83. THE MOTION PASSED WITH ALL IN FAVOR EXCEPT GRAY, AND SCHAFFER WHO WERE OPPOSED. GREEN MOVED THAT CENTRALBOARD ALLOCATE \$40 FOR PAYMENT OF THE MSPA DUES. GRAY SECONDED. Keith Strong explained that this was a worthwhile expenditure and that it would benefit us greatly. Some of the things it was concerned with last year were the Project 19, a political organization of its own. McAllister said that it was the best bargaining power Central Board or any other Student Government Office had with the Board of Regents. THE MOTION PASSED WITH ALL IN FAVOR EXCEPT D. NORMAN AND SCHAFFER WHO WERE OPPOSED.

MCEWEN MOVED THAT THE FOLLOWING PEOPLE BE APPROVED AS THE BOOK ASSOCIATE EDITORS: JOHN FAUGN, PAT HAUCK, JULIES BRADIE, DIANE DAVIS, JAMES RUSSEL AND DAVE BAKER. THE MOTION WAS SECONDED BY KEITH STRONG. Gorton asked if they all met the qualifications. Schenck, Publications Board Commissioner, said that the Editor and Business Manager are hired by Publications Board and they in turn hire their staff. These are usually those with whom they have already worked. THE MOTION PASSED WITH ALL IN FAVOR. WALTERMIRE MOVED THAT CENTRAL BOARD ACCEPT THE RESIGNATION OF T. J. GILLES AS EDITOR OF THE KAIMIN. GORTON SECONDED. Strong asked if the Kaimin had received a written statement. Schenck said that it was a verbal resignation relayed by Bill Vaughn, Senior Associate Editor. Bahr asked why Gilles had resigned. Vaughn said that as far as anyone knew it was just the pressure of school and the kaimin editorship. D. Norman asked how this would effect the rest of the staff and who was presently editor. Schenck said that Vaughn would serve as the Editor for the remainder of the week and starting next week they would have to hire someone else. Applications would be open if the motion passed. THE MOTION PASSED WITH ALL IN FAVOR.

Green said that he would have a recommendation next week for Central Board concerning the Selective Service Information Center's budget request. Gray asked if the unusual expenditures had been discussed. Waltermire said that they should go through the report before anything else was discussed. Mike Wisocki, Business Manager for the Selective Service Information Center said that the Center does not stop during the summer months, therefore they had to request additional funds.

October 14, 1970

Waltermire asked why the Center was not using the Hot Line. Wisocki said that the best time to get through on the Hot Line was not always the times that were urgently necessary in some situations. He said that some times he had to cancel induction orders and he could not just tell the person no because he could not get on the Hot Line. McAllister asked how many students were counseled per week. Wisocki said that it was about 45 to 55 students a week and a total of 1500 to 2000 students last year. List asked if there were funds from other schools across the state. Yes we helped the others get started and established across the state with connections on the coast. Williams asked about the hiring of the staff. Central Board approves those that have been trained. Each staff member has to attend at least one seminar, do extensive reading in Selective Service regulations, and read in Selective Service case law. Gorton said that the Center should be complimented on its availability to the students. Gorton said that when this was first discussed last spring, there was talk about its being put under the Dean's Office. He wondered if any steps had been taken in this direction. Wisocki said that he talked with Dean Fedore and that the Dean felt that it was a student problem and should rest with the students. Work-Study students would help in staffing the office. Beck asked how many non-students were being counseled. Wisocki said that about one or two a week. Peterson explained to the new members how the program was set up. Green again reminded the Board that he would make a recommendation next week on this matter and this was just a discussion. McEwen asked why there had not been much advertizing on campus. Wisocki said that it was because he felt that they should establish themselves before making themselves obvious. Waltermire said that in his routine work of auditing, he found items that were unnecessary for Selective Services charged to that account. He talked to Wisocki about these and was reimbursed for some of them. All expenditures of Selective Services Information Center, as of tomorrow October 15, 1970, will go through Waltermire's Office. He said that it was very hard to explain to the state auditors who came in what the cigarets were doing on the bills. Williams asked how far we could go in taking over others finances. Grainey said that they should be honest enough to handle the funds themselves. Strong said that the office had as much power for as far as anyone wanted to push it. He felt that Waltermire was doing a fine job.

STRONG MOVED BE IT RESOLVED THAT ASUM CENTRAL BOARD REQUESTS THE MISSOULA POLICE DEPARTMENT TO USE THE FULL FORCE OF THE LAW IN DEALING WITH ANYONE, STUDENT OR NOT, THROWING BOTTLES OR OTHERWISE ENDANGERING OTHER PEOPLE AT THE FOOTBALL GAMES. GORTON SECONDED. Jorgenson asked if this was strictly for football games or at all University activities where the police are involved. Strong said that this would be strictly at the football games. THE MOTION PASSED WITH ALL IN FAVOR EXCEPT WILLIAMS WHO WAS OPPOSED AND D. NORMAN WHO ABSTAINED. A copy of this will be sent to the Chief of Police and the Kaimin for publication.
