STATEMENT OF SENATOR MIKE MANSFIELD (D-MONT)

"CROWD CONTROL FOR A SMALL COMMUNITY"

In the past several years a great deal of attention has been given to the effect and control of large gatherings of people, whether it be for spectator sports, peaceful demonstrations, or riots. It has just come to my attention that one of the most effective programs of crowd control in small communities has been developed and put into operation in Bozeman, Montana.

The plan may not be suitable for our large, metropolitan areas but it is something that I think should be brought to the attention of the other areas of the Nation.

I ask unanimous consent to have the article written by C. Ron Cutting, Chief of Police in Bozeman, Montana, printed at the conclusion of my remarks in the Congressional Record.
