Income for fall quarter is \$51,803.00, which came from approximately 7,400 fee paying students. The anticipated income of \$142,800.00 is based on past enrollment trends, using the 7,400 fall quarter base.

Elections Committee--Mozar said that the results of the referendum were as follows: Total voting, 2073 students; total yes, 1766 about 86%; total no, 299 about 14%; and 30% of the student body voted. Murphy suggested that the ballots be divided among the Central Board members and that each member read the comments and give a report to Jack Green about the general idea conveyed in the ballots that they read. Christensen said that since the students have shown an interest in a Student Government we should get busy and offer alternatives. Strong said that there was already a committee working on the idea of a parity board and that any student interested in helping out was welcome.

VICE-PRESIDENT--Strong said that he checked into MSPA and that they are doing nothing. There is a meeting in Helena for the Council of University Presidents December 14, and one person from Central Board usually goes. This is usually the President or the President's delegate. Christensen said that we should show interest in going and express our disallusfonment with MSPA. Strong said that he asked Goeff Gibbs what they were doing and all they are doing is attending a national convention. Northern Montana College is pulling out of MSPA. Gray said that MSPA is our one contact with other schools in Montana and our voice with the Board of Regents. He felt that just because the other schools were not interested we should not pull out.

UNFINISHED BUSINESS

Camillia Bowl--Green said that the Motion made last week concernig the Camillia Bowl flight would now be considered. the Motion reads: STRONG MOVED THAT CENTRAL BOARD ACCEPT DAHMER'S PROPOSAL AND ALLOW HIM TO USE ASUM'S NAME ON THE CONTRACT FOR THE CAMILLIA BOWL FLIGHT. Waltermire said that the money had been set up so that we could have the down payment and there is a \$2 or \$3 margin to cover loses in case all the tickets are not sold. Mozer said that he had heard that the band was not going and asked whether this was true. Waltermire said that the band was not going but that they were reasonably sure of filling the plane. THE MOTION PASSED WITH ALL IN FAVOR.

By-Law--Waltermire said that in keeping with last weeks motion regarding tabling important motions MOVE THAT WE WRITE A BY-LAW THAT ANY MOTION CAN BE TABLED WITH A VOTE OF 1/3 (ONE THIRD) OF CENTRAL BOARD. STRONG SECONDED. TIM NORMAN MOVED TO AMEND THE MOTION TO READ THAT THE MOTION CAN BE TABLED BY 1/3 OF CENTRAL BOARD AT ONLY 2 CONSECUTIVE MEETINGS. D.NORMAN SECONDED. Waltermire said that there were things that Central Board wanted the Kaimin to do for us and if they do not do these things then we could withhold the \$2500. Schenck said that with a new editor that was just hired, Publications Board felt that he should be given a chance to prove himself and that demands should not be made of him right away. Schenck felt that Student Gvoernment was getting fair coverage u-der the new editor. THE MOTION PASSED WITH ALL IN FAVOR E&CEPT MURPHY AND WALTERMIRE WHO ABSTAINED.

Schenck said that the legal handbook was given to the printers yesterday and that it will be ready at the beginning of next week. Since next week is Thanksgiving vacation, it will be available to the students November 30, 1970 upon their return.

Murphy presented the proposal that follows: PHYSICAL POLICY MAKER OF THE UNIVERSITY OF MONTANA. TO BE SOLE DECIDED ON ALL TEMPORARY STRUCTURES ON THE UNIVERSITY OF MONTANA CAMPUS. PHYSICAL PLANT SHALL SUPPLY ASUM WITH A WEEKLY WORKSHEET OF ALL THEIR PHYSICAL ACTIVITIES FOR THE SAID WEEK. UNDESIRABLE PHYSICAL ACTIVITY DEEMED UNWANTED BY A SIMPLE MAJORITY OF CENTRAL BOARD SHALL BE DEEMED UNDESIRABLE BY THE UNIVERSITY OF MONTANA ADMINISTRATION. THE PRESIDENT OF ASUM MAY ALSO DELYA PHYSICAL PLANT ACTIVITIES BY REQUESTING THE PHYSICAL PLANT MANAGER TO DO SO. A FINAL DECISION ON THE SAID ACTIVITIES WILL BE DOME BY CENTRAL BOARD AT ITS MEXT MEETING. A UNIVERSITY OF MONTANT PRESIDENTIAL VETO SHALL OVERRIDE A CENTRAL BOARD DECISION. Murphy said that Pantzer wanted a definition of temporary structure. Strong said that he felt that Central Board should be acquainted with the resolution as written and he would like to see a committee appointed with Murphy as head. Those appointed were Allan Freeman, Christensen and Mozer. Green said that he felt that before anything was done Central Board should be consulted, and that if something is done, it should be agreeable to both sides. Murphy's committee will report to Central Board at its next meeting.

Resignations--Green read the following letters of resignation: IN due regard for the intent of every other single member of Central Board, I resign from my position as on-campus delegate in hopes that some day Central Board will be legally handed the powers which it has been led to believe that it now holds, signed KATHY WILLIAMS. THE MOTION PASSED WITH MCEWEN AND GORTON OPPOSED AND MOZER ABSTAINING.

Enzweilier asked about Bill Bahr's motion from the last meeting regarding the \$15 activity fee. Green said that his motion was out of order because Central Board does not have the power to do this just as it does not have the power to dissolve itself.

MCEWEN MOVED THAT WE ALLOCATE MONTANT MODEL UNITED NATIONS \$500. T.NORMAN SECONDED. GORTON MOVED THAT WE TABLE THE MOTION FOR ONE WEEK PENDING INVESTIGATION BY THE MEMBERS OF CENTRAL BOARD AND A RECOMMENDATION FROM THE PRESIDENTS OFFICE. WALTERMIRE SECONDED. THE MOTION PASSED.

MCEWEN MOVED TO ALLOCATE \$2,200 to the UNIVERSITY OF MONTANA MODEL UNITED NATIONS. PARRY SECONDED. MURPHY MOVED TO TABLE STRONG SECONDED. THE MOTION CARRIED. Jim Kilbourne, President of Model United Nations said that he felt that the MUN did not get a fair chance to express themselves. He said that they are having meetings this year and they are having one Thursday Evening at 7:00 p.m. in LA 106.

Mozer asked about money returned from Project 19. Green said that he called about this and that they are now in the process of making a final report and they will send it to us when it is complete.

November 18, 1970

Christensen asked how much had been spent on publicity for the referendum. Schaffer said that about \$50 as close as they could figure at the time.

CHRISTENSEN MOVED THAT CENTRAL BOARD RECOMMEND THAT THE \$15 ACTIVITY FEE BE OPTIONAL. ENZWEILER SECONDED. STRONG MOVED TO TABLE THIS AND SET UP A COMMITTEE TO CONSULT WITH PANTZER. DREYER SECONDED. Wicks said that this was a valid item and that it could get quite technical in analyzing all the aspects. He felt that it was a worthwhile recommendation to consider and since this is his field some serious thought should be given to it. the MOTION CARRIED. Strong said that a committee should be set up to look into the matter with Dr. Wicks included and McEwen as chairman. Peterson and D. Norman are also on the committee.

D. Norman said that on the Business Manager's report we had investments in Treasure Notes and asked why we had not invested in City Bonds. The Treasury notes were used in support of the Viet Nam War. Waltermire said that we had Treasury Notes because they paid 6 3/4 % and you cannot buy City Bonds for in quantities of less than \$10,000.

D. Norman said that he felt that we should have our own lobbyist in Helena as well as the one from MSPA. Waltermire said that we had a Public Relations Commission that had funds for this and that Fred Traber was the Chairman.

LIST MOVED THAT CENTRAL BOARD ADJOURN. CHRISTENSEN SECONDED. THE MOTION PASSED WITH ALL IN FAVOR.

RULES OF PROCEDURE OF UNIVERSITY OF MONTANA

1. The following procedures shall govern all cases in which the University institutes disciplinary proceedings against students for misconduct.
2. Definitions.
 - a) "Dean's Office" means the Dean of Students or a person authorized to act for him.
 - b) "Disciplinary action" may include any or all of the following:
 - (1) Warning: An official written reprimand.
 - (2) Disciplinary Probation: A probationary student status imposed for a specified period of time, during which time, the student may be denied the right to participate as a representative of the University in any University sponsored or approved extracurricular activity; the right to operate an automobile on campus; the right to hold office in any University organization (denial of the right to hold office shall include removal from any office then held in any University organization); or any combination of the above.
 - (3) Suspension: A termination of student status for a definite or indefinite period of time. During the period of suspension the fact of suspension will be affixed to the student's transcript
 - (4) Restitution: Money payment to compensate for damaged or destroyed property; repair or replacement of damaged or destroyed property; renovation of disturbed, cluttered or

contaminated areas.

- (5) Parental notification: A notice to the student's parents of his probationary or suspended status. (Parental notification may be used only in the case of unmarried minors.)

3. Student Court - creation, composition, selection, and tenure. There is hereby created a Student Court. The members of the Student Court shall be selected in the following manner:

Two undergraduate students appointed by ASUM; one graduate student appointed by the President of the University from a list of five graduate students submitted by ASUM; one faculty member appointed by the Budget and Policy Committee of the Faculty Senate; and one faculty member appointed by the President of the University. A Chairman shall be selected by the Student Court from among its members. The Chairman so selected shall serve for one year. New members of the Student Court shall be selected by June 1 of each year and shall take office on September 1 of the year selected. Undergraduate and graduate students shall be appointed for one year. Faculty members shall be appointed for two years except the faculty member first appointed by the President shall serve for one year. No member shall serve more than two consecutive terms.

4. Notice of Charges.

- a) Disciplinary proceedings shall be instituted by the Dean's Office by sending by registered mail to the student's last reported Missoula address or personally delivering a notice of charges to the student against whom disciplinary proceedings are initiated. The notice shall inform the student of the rule or regulation

claimed to have been violated and a statement of the reported circumstances of the alleged violation.

b) The notice of charges shall request the student to appear in the Dean's Office and shall specify the time and place for the appearance and shall inform the student that he may bring a parent, guardian or counsel to the appearance before the Dean. The time specified shall be not less than 5 days nor more than 10 days following the mailing date or delivery of the notice. Any student may request an earlier appearance which may be granted or denied in the discretion of the Dean.

c) The notice of charges shall further advise the student that he may elect to have the case transferred directly to the Student Court by notifying the Dean's Office of such election on or before the time specified for his appearance in the Dean's Office.

5. Failure to Respond.

After receiving a notice of charges, if the student fails or refuses to appear in the Dean's Office, and if he has not requested to have the case transferred to the Student Court, the Dean's Office may dismiss the charges, impose any disciplinary action specified by this code in Section 2(b) or transfer the case to the Student Court. The Dean's Office shall notify the student of the action taken. Such action shall not be subject to appeal. To avoid unfairness, the Dean's Office may extend, or reschedule the time to enable the student to respond to the charges.

6. Response to Charges.

a) If the student appears in response to the notice of charges,

the Dean's Office shall advise him of the facts concerning the alleged charges and the names and addresses of witnesses then known to the Dean's Office. The student shall also be advised that he is not required to make any response, that any statement made by him may be used against him, that if he remains silent, his silence will not be taken as an admission against him, and that he may advise the Dean's Office of any witnesses or evidence supporting his position. A parent, guardian, or counsel of the student may be present during the discussion between the Dean's Office and the student.

b) After the discussion with the student and such further investigation as the Dean's Office deems necessary, the Dean's Office shall proceed as follows:

- (1) If the Dean's Office determines that the violation alleged is not supported by the evidence, the charges shall be dismissed and the student notified.
- (2) If the Dean's Office determines that the violation occurred as alleged, it may impose any disciplinary action specified by this code in Section 2(b). The Dean's Office shall notify the student of its determination including the disciplinary action to be imposed. The student may appeal the determination made by the Dean's Office by requesting a hearing before the Student Court. The request shall be made in writing and signed by the student. It shall be delivered to the Dean's Office no later than the 10th day following the date on which the notice of the determination and disciplinary action was received by the student, as

determined by the date on the registration receipt, if mailed, or the date delivered to the student, if personally delivered. If no written request is received by the Dean's Office within the 10-day period, the disciplinary action imposed by the Dean's Office shall become effective and such action shall be final and not subject to further hearing or appeal. If the student makes a timely request for appeal, the Dean's Office shall transfer the case for hearing.

7. Student Court Hearing.

- a) Whenever a case is transferred for hearing, the Dean's Office shall notify the Student Court of the transfer and transmit to the Chairman of the Court a copy of the notice of charges. The Chairman of the Court shall promptly give notice to the student of the time, date, and place of the hearing, which shall be held not less than five days and, whenever practicable, not more than ten days after the date of such notice.

The notice shall advise the student that if he intends to be represented by counsel he must file a statement of such intention with the Dean's Office at least 72 hours before the time scheduled for the hearing. The notice shall advise the student that the University may be represented by legal counsel.

The Notice shall advise the student that the hearing will be closed to the public unless he files with the Dean's Office a written, signed request at least 72 hours before the hearing, requesting the hearing be open to the public.

- b) Conduct of hearing. The student is entitled to be present at the hearing and to be accompanied by advisors of his choice, including legal counsel. The University shall be

represented by the Dean's Office, or by counsel appointed by the Dean's Office. The University, through its authorized representative, shall state the case against the student and may present evidence and witnesses in support thereof. The student shall have the right to confront and cross-examine witnesses, and to present witnesses and evidence in his behalf. At the hearing, the burden of proving the student guilty of the alleged violation shall be on the University. The hearing shall be closed to the public unless the student shall request that the hearing be open to the public. Such request shall be made in writing, signed and delivered to the Dean's Office no later than 72 hours before the time scheduled for the hearing.

An official verbatim record shall be made by means of tape recording or stenographic report. The Dean's Office shall keep the official record or a transcription thereof for at least one year from the date of final disposition of the case. Upon request by the student the official record shall be transcribed and a copy furnished to him. If the student requests a copy of the official record, he shall pay the cost of transcription.

The Student Court may prescribe additional rules covering the conduct of hearings not inconsistent with this code.

Within five days after the conclusion of the hearing, the Court shall render its decision. The decision shall be based solely on matters introduced at the hearing. The decision shall be made by majority vote and the Chairman shall have a vote in all cases. The decision shall contain a finding as to guilt or innocence and a brief statement of the reasons for the decision. Upon a finding of guilt the Court may impose any disciplinary action specified by this code in Section 2(b).

Copies of the Court's findings, decision and the disciplinary action imposed, if any, shall be furnished promptly to the student, the President of the University, and the Dean's Office.

8. Failure to Appear:

A student who fails or refuses to appear at a hearing before the Student Court at the time and place scheduled shall be considered to have waived his right to be heard by the Student Court. However, the Student Court is authorized to hear the evidence from those present, to review the charges, and to make such investigation as it may deem necessary. In such cases of failure or refusal to appear, the Student Court is further authorized to decide the guilt or innocence of the student and upon a finding of guilt to impose any disciplinary action specified by this code in Section 2(b). Such decision shall not be subject to appeal. However, for good cause, the Student Court may extend the time and reschedule the hearing to enable the student to respond to the charges.

9. Living Unit Courts:

- a) Each living unit may establish a court.
- b) The members of the living unit court shall be selected according to procedures established by the living unit's constitution or by-laws.
- c) Living unit courts shall have authority to hear and decide all cases involving charges of student violation of living unit regulations. Cases may be referred to the living unit by the living unit administrative office or by the Dean of Students.

- d) If a violation of a living unit regulation is also a violation of a University regulation, the living unit court may refer the case to the Dean of Students to be handled in accordance with the procedures described in this code.
- e) Upon a finding of guilt, the living unit court may issue a written reprimand; may deny the student specified privileges within the living unit; may order termination of the student's University housing contract and require him to move out of the living unit within 30 days; or order restitution as defined in Section 2(b)(4) of this code.

The above sanctions may be imposed by the administrative officer in charge of the living unit if the student elects to have his case handled by the living unit administrative officer.

- f) Any decision of the living unit court or the administrative officer of a living unit resulting in the denial of privileges, termination of the student's University housing contract, or an order of restitution may be appealed to the University Student Court by a written, signed request for a hearing in accordance with the procedure provided in Section 6(b)(2) of this code.

Attention: Mr. Jack Green, ASUM President

Gentlemen:

Subject: Karate Club Funds Appropriation

Last year ~~\$540~~ was appropriated during winter quater for the following year ~~for the~~ Karate Club. We used \$180 in the Spring before that appropriation was revoked for reasons unexplained.

We would at this time like to request another appropriation, needed mainly for trips to tournaments, on the following basis:

1. We are a club with more than 50 active members, open to anyone in the University who wishes to participate.
2. Anyone after a quarter of practice, is allowed to compete in tournaments. We do not select anyone with special ability and exclude the rest. Also, contrary to the assertion of a Kaimin editorial last spring, we are not interested in becoming a varsity team. The very nature of Karate as an art precludes that.
3. Further, we charge a very nominal club due, (even the instructors pay this), making access to participation in the club easily within the range of a great number of students. We use this money to help pay the costs of attending tournaments, and buy equipment for the club.

Thus, on the basis of maintaining the accessibility of the Activity for the students, we would like to request \$540 to be used over three quarters to supplement our dues, and to avoid putting the cost of travel and tournament fee expenses on the students.

Thank you for your consideration.

Very respectfully,

Montana Model United Nations has held five sessions on this campus. Last year approximately 450 students and advisors participated in the V Session.

The University of Montana has, because of past superior performance and because of financial backing, repeatedly received preference over Montana State University as host of the proceedings. The Montana Model United Nations program brings favorable recognition to the University and its students statewide.

The program costs the university students virtually nothing. Nearly all of the program's money is spent at the University Center. \$600 is spent for rental of facilities at the UC, \$550 for the banquet, and \$220 for office supplies bought at the bookstore. Thus, \$1370 is spent at a student institution for an initial expenditure of only \$500. This does not take into consideration the amount of money spent by the high school students themselves at the UC. We would estimate that each student spends at least \$2, for he has to buy at least three of his meals at the UC during the session. The UC grosses another \$800-plus dollars here.

Thus, the Montana Model United Nations is easily financially feasible, has good public relations for ASUM and the University. Most important of all it is an important and excellent educational program for all students, both high school and college. The importance of international affairs cannot be stressed enough in world in which to survive, we must get along with each other. Montana Model United Nations does its part in accomplishing this.

REQUEST FOR ALLOCATION OF FUNDS

TO: Central Board, Jack Green, President

FROM: University of Montana, Model United Nations

AMOUNT OF REQUEST: \$2,200

REASONS FOR ALLOCATION:

1. Model United Nations has increased its membership over the last year. More students are becoming interested in joining the program, and as more students join, more money will be needed to keep the organization going.

2. Model United Nations is unique on campus in that there is no other program offered that is similar to it. Model United Nations gives a student the chance to learn how the United Nations functions, to study current issues facing nations today, to analyze diplomacy in international politics, and then to put to use what he has learned.

3. Continued participation in the Model United Nations program brings recognition to the University of Montana by its outstanding performances at the MUN conferences. As the University receives recognition for its work, it will be able to assume more responsible roles in the leadership of the Model United Nations organization.
