UM ACHIEVES RECORD ENROLLMENT FOR SPRING SEMESTER

MISSOULA—

The University of Montana has reached its highest spring-semester enrollment ever, according to new figures from the Registrar's Office.

UM's spring 2002 head count is 12,414, up 470 students from last spring when 11,944 students attended the University. Full-time equivalents (FTEs) jumped from 10,565.23 in spring 2001 to 10,772.68 this spring.

"This enrollment report indicates that we have kept our focus on serving student needs," UM President George Dennison said. "Because of the good and hard work of a large number of people, the University continues to do well."

Enrollment this semester is down from UM's all-time-high of 12,668 students in fall 2001. Associate Registrar Laura Carlyon said an enrollment drop is typical between the fall and spring semesters.
