CENTRAL BOARD

May 28, 1969

The meeting was called to order by President Ben Briscoe at 7:15 p.m., in the Montana Rooms of the University Center.

The minutes were approved as read.

A letter was read from Governor Forrest H. Anderson thanking Central Board for the recommendation of Mr. Severy for the appointment to the Commission on Alcohol and Drug Prevention.

REPORTS OF OFFICERS AND SPECIAL COMMITTEES

Briscoe said that the Constitution Committee would be given an extension of another week.

Martin said that his committee recommends approval of Aber Hall to be co-ed.

Meyers reported that the Sound System Committee is waiting for correspondence on a new sound system. He said that the James P. Landing Inc. system was recommended to Program Council for \$3600 but that the committee is waiting to hear from other sources before bringing a recommendation to Central Board.

OLD BUSINESS

MARTIN MOVED THAT ABER HALL BE CO-ED; 200 MEN, 200 WOMEN ON ALTERNATING FLOORS. THE MOTION WAS SECONDED BY BAHR. Foster said that Student Facilities Council didn't know if the dorm would be alternating floors or if the top half would be for women and the bottom half for men. HANSON MOVED TO AMEND THE MOTION BY STRIKING OUT THE WORDS ALTERNATING FLOORS. THE MOTION DIED FOR LACK OF A SECOND. Mertens questioned why the resolution was proposed. Foster said that the other dorms had originally been planned to be co-ed and that this way all the Freshmen women could be housed in one dorm. She went on to say that according to the questionnaire that was completed by the women students on this campus that the co-ed dorm was in the majority approval. Mertens said that he did not know how this proposal could pass if Central Board did not know how all the students felt about this idea. Bahr said that an option would be given to students who want to live in Aber Hall. THE MOTION PASSED WITH WICKS, MARTIN, GRAY, HANSON, APPLGATE, AND BAHR IN FAVOR; AND MERTENS AND STRONG OPPOSED.

NEW BUSINESS

The following recommendation was read: I recommend for Central Board; consideration for a four man advisory committee to aid Budget and Policy Committee of Faculty Senate which it feels will affect the students enough as to warrant student advice.

The following students have been recommended to serve in this capacity: Keith Strong, Larry Cromwell, Arnold Swanberg, and Bob Weir. Briscoe said that this committee would not have voting rights but that they could be at meetings when students air their opinions. He said that if

students show interest in the faculty committee, the faculty and administrators eventually may allow students to become voting members on the Faculty Senate. Wicks asked if the students would be allowed to attend any of the meetings. Green said that they would if the meeting pertained to students. MERTENS MOVED THAT THE OFGUR MAN ADVISORY COMMITTEE TO AID BUDGET AND POLICY COMMITTEE OF FACULTY SENATE BE APPROVED. THE MOTION WAS SECONDED BY GRAY. THE MOTION PASSED UNANIMOUSLY.

Briscoe said that the resolution to increase the salaries of the Sentinel staff would be sent back to Publications Board because these increases have not been investigated. He said that before Central Board could act, they would need to know the hourly wage and rate. He also said that this proposal would go to Budget and Finance before it came back to Central Board because Sentinel would need a special appropriation to cover this increase in salaries.

STRONG MOVED THAT ANITA SCHROEBER BE APPROVED AS SENTINEL EDITOR. THE MOTION WAS SECONDED BY HANSON. Bahr said that she has put in a great deal of work this year on the Sentinel. THE MOTION PASSED UNANIMOUSLY.

Briscoe urged all members to attend the last meeting of the school year next week.

The meeting was adjourned.
