The meeting was called to order at 7:00 p.m., in the Montana Rooms of the University Center, by Joe Mazurek, ASUM President.

The minutes were approved as read.

REPORTS OF OFFICERS AND STANDING COMMITTEES:

Mertens reported that the Budget and Finance Committee recommends to Central Board that Central Board approve a special request of $531.00 for the labor costs of attendants to keep the Mens Gym open for recreation use. The Committee also recommends to Central Board that Central Board approve a special request of $181.00 for Rifle Club to pay the cost of Rifle Club matches. A postal match is a sharp shooters match where the rifleman's targets are sent from the place of a match to a judging and scoring center, usually located in another city, where the rifleman's shooting can be judged against another persons shooting. Rifle Club asked for $4318.20. The Committee could not recommend that funds be appropriated for this activity primarily because the number of people who would benefit directly from the use of these funds is not sufficient to warrant the outlay of these funds for this purpose.

REPORTS OF SPECIAL COMMITTEES:

Camillia Bowl Committee-Dahmer said that the tickets were sold out by Tuesday noon and that the plane will be leaving at 3:00 p.m. instead of 4:00 p.m. Friday, December 12. He said that the students who have purchased tickets for the plane will pick up the tickets Wednesday at the Information Desk of the University Center (December 10). Their receipt will be required.
