The meeting was called to order at 7:05 p.m. in the Activities Room of the lodge by President Leery.

**PRESIDENT'S REPORT**

President Leery reminded all those going to Leadership Camp to be behind the Lodge between 2:00 and 4:30 for their rides, and to be sure and check out. There are four people going to the ASG Regional convention in Ellensburg, Washington. They are: Gary Thogerson, Chuck Briggs, Jere Gilles, and Bill Lry. The convention is being sponsored by Central Washington State College. Leary said that he wrote a letter to Fred McElwain of the Missoula County High School asking that they assist in a bid to bring Interscholastics back to Missoula. A possible program of dances, talent contests, tours of campus, and concerts with big name bands was suggested as activities for the week. A talk with President Panzier concerning the building of more tennis courts was held and possible funds for their construction were discussed. A committee of James Parker, Tom Whidden (tennis coach), John Barsness, Bill Schaffer, Chuck Briggs, and Roy Waters was formed and a meeting was scheduled for next week.

**VICE PRESIDENT'S REPORT**

Brown asked that the minutes of all the committee meetings be turned into him so that a file could be formed and a record kept for future reference. Concerning the Legal Pamphlet that was passed by the Old Central Board, Brown said that Ken Tolliver was heading a committee which was discussing some of the things involved in students' rights, such as: (1) demonstrations, (2) Civil Rights Bill, (3) the "dministration" basis for power and its conflicts with students' rights, (4) inquiry into dorm policies for women and freshmen (5) drinking and drug laws, (6) insurance policies with high rates for students. The committee is trying to set up copyright and royalty rights concerning the publishing of the pamphlet into a book form. A general contract has been suggested, but Brown stated that we will have to get better acquainted with what rights we have so that we can get an effective contract drawn up. Brown stated that this would be the first book of this nature published.

**ACADEMIC AFFAIRS**

Melosi reported that he had seen Dr. Lory and that he has consented to serve on the board, but will discuss only the group requirements. This coming week Melosi said they will be evaluating the English requirements. They are working on the Pass-fail system now. He plans to get together with the honoraries next week and is presently working on the Science Department to see about receiving more credit on five credit courses. Melosi said that a total pass-fail system would not be the solution to the problems with the curriculum. It would not elevate the group requirements and it would require professors to make two sets of grades in order to transfer credits. The University is not selective in its admissions and a system such as this might not work.

**ALUMNI**

Grauman said that she talked with Hugh Edwards about the Students Ambassador program and there will be a meeting next week with the old Student Ambassadors members for an evaluation.

**ATHLETICS**

Agather reported that he has had contact with the coaches and they have recruited some new football players from Helena, Washington, and Wolf Point. The "M" Club will be meeting next Tuesday night and will also be helping with the cementing of the "M".
**Auxiliary Sports**

Maxurek said that he is having trouble getting members for his board. He has only five members now. Morrison suggested that he contact boys from Aber Hall where there could be interest in his commission.

**Physical Plant and Fieldhouse**

Waters stated that he had gotten the report from last year's members, and that he has three new members for his committee. Morrison suggested that Waters give the Kaimin a full description of what the oval will look like with the additions, and the type of materials that are going to be used in the construction of walks. Briggs said that Parker has the blueprints of the oval and that a prospective plan might be printed up.

**Fine Arts**

Akin asked if Publications Board would consider a Fine Arts Editor, because they feel they have enough information to fill a permanent column in the Kaimin, rather than just an article now and then.

**Montana Affairs**

Briscoe said that not much progress had been made last year, but that he had talked with the Missoula Chamber of Commerce and organized some Task Groups. He said he would work with the Mayor and the Chamber of Commerce. The best way to meet the needs was to attend the action seminar twice a week on Sunday and Wednesday for racial problems.

**Planning Board**

Lowe moved that Dennis P. Than, Rick Applegate, and Jerome Paul Longere be approved as committee members for Planning Board. The motion was seconded by Morrison. The motion passed unanimously. There was discussion of possible amendments to the constitution concerning impeachment policies for other members of Central Board other than the officers, and wage scales for the officers set at $60 per month for a nine month period for the president, and $45 per month for a nine month period for the remaining officers. Lowe said Planning Board discussed the possibility of limiting members to one committee in an attempt to give each member only one vote instead of several.

**Publications Board**

Scanlin moved that Jack Rhein be approved as Sentinel Advisor. The motion was seconded by Schaffer. The motion passed unanimously. Scanlin moved that Ann Fellows be approved as Sentinel Editor. The motion was seconded by Brown. The motion passed unanimously. Scanlin moved that the following be approved as members of Publications Board: Freshmen: Jim Noon, Doug Davies, Elmer Plat; Sophomore: Gene Nix, Meddy Bayne, Ben Briscoe; Juniors: Barry Ormsbee, Gale Kerns, Lyle Williams and Marty Melosi. The motion was seconded by Brown. The motion passed unanimously.

**Student Services**

Leary stated that she is trying to get her commission started. Brown suggested that she place an announcement in the Kaimin stating that applications are available.
TRADITIONS BOARD

Gray said that the new cheerleaders had been chosen. He also said that
work is being done on the "M", and that one leg of it was poured on
Saturday.

NEW BUSINESS

Leary said that a reception was being held at the Sigma Phi Epsilon house
for Vance Packard after his lecture. Morrison suggested that the Central
Board members go in and talk to Tony Valach about the problems involved
with Program Council. Leary stated that he was impressed with the action
of the new Central Board thus far, and urged its continuation. LEARY
MOVED THAT THE MEETING BE ADJOURNED. THE MOTION WAS SECONDED BY MORRIS­
SON. THE MOTION PASSED UNANIMOUSLY.

THE MEETING WAS ADJOURNED.

PRESENT: MORRISON, THOGERSEN, BRIGGS,
LOVE, GORTON, SCANLIN, "WILSON", "AKIN,
GRAUMAN, HUGHES, GRAY, AGATHER, LEARY,
MAZUREK, WATERS, MCKENZIE, LEARY MELOSI,
SCHAFFER, BRISCOE, BARSNESS, BROWN,
AABERGE, Stockard, Culbertson.

Respectfully submitted,
