7. A report from a special committee on Cooperation between Faculty and Administration, appointed in accordance with the action of the faculty on April 28 (paragraph #7) (consisting of W. F. Clark, chairman, Arnoldson, Erowman, Crowder, Merriam, Flatt, Waters) was presented in mimeographed form by Frofessor W. F. Clark, chairman. After brief explanations by Professor Clark, a motion by Severy, seconded by Rowe, that the report be laid on the table for discussion at a special meeting of the faculty was unanimously adopted. 8. A report was made by Frofessor Atkinson, member of the Fublic Relations committee, concerning preliminary plans for a community dinner in honor of Fresident Melby, to be sponsored by the Missoula Chamber of Commerce, officers of the Alumni Association and the Faculty. Atkinson moved, seconded by Rowe, that Vice Fresident Leaphart appoint a committee of three members of the faculty to cooperate in sponsoring the proposal. (The following were subsequently appointed: Line (chairman), Atkinson, Crowder.)

9. Dean Leaphart called the attention of the faculty to the circulars of the National Committee for Defense of Democracy Through Education relative to the Hatch Act, the dangers of attacks on education provided and supported at public expense, and the need of bringing these matters to the attention of members of Congress.

10. The President announced that (1) the Acting Executive Secretary of the University of Montana (Miss Green) had re-appointed Professor D. M. Hetler as a member of the Service Committee, (2) Frofessor W. E. Maddock was the Iresident's appointee to the Service Committee, (3) that the next order of business was the election of the faculty representative to the Service Committee, and (4) appointed as tellers Parkley, Coad, Diettert. The secre-flect tary presented to the tellers one absent voter's ballot.

On the nominating ballot Frofessor W. P. Clark and Frofessor Mason received the highest number of votes cast, and, on motion, a ballot was then taken on these two candidates, which resulted in Frofessor W. F. Clark receiving the highest number of votes cast and he was therefore declared by the chairman as elected as the faculty representative on the Service Committee.

11. The Fresident then stated that the next order of business was the election of the Chairman of the Faculty Pudget and Policy Committee. The Fresident appointed Chatland and Turner as additional tellers; a nominating ballot was taken which resulted in Frofessor Freeman and Merrill receiving the highest number of votes cast, whereas on motion, the faculty proceeded to cast a ballot on these two candidates. The tellers reported a tie vote. On motion of Severy, the faculty voted to postpone the election to a meeting to be held during the first week of the Winter Cuarter.

(The Frofessional Schools group subsequently reported to the Secretary the re-election of Dean Spaulding as representing the professional schools as a member of the Eudget and Folicy Committee.)

12. There being no further business before the faculty the meeting adjourned.
