BUDGET AND FINANCE
Teel moved from Budget and Finance that an ASUM Travel Coordination Fund
be allowed on the 1967-68 Budget. Secended by Tate. Eggensperger asked
what amount would be allocated. Teel said this would be determined later.
Motion passed with Penland, Kitzenberg and Barnard opposed and Leary and
Schaffer abstaining. Teel requested discussion on whether ASUM should
continue support of Model United Nations and Montana Model United Nations. Barnard said he felt that MMUN was good for public relations and since
there is a lack of other activities to bring high school students to the
campus, it should be continued. Kitzenberg moved that Budget and Finance
consider and tentatively approve the requested budget of MUN and MMUN. Se­
conded by Barnard. Schaffer opposed the motion saying he could not see
that much difference from the request of the Forestry Club. Barnard point­
ed out that MUN was open to all students and not to a specific department.
Barber asked if MUN was solely dependent on finances from ASUM. Teel said
yes. Penland pointed out that this was a strong group and if we did away
with MUN we would have very little basis for having a strong MMUN, which
is a good selling point for the University. Stocke, from Forestry Club,
stated that he thought Central Board should either support all of none of
the various groups on campus. Davis questioned the prestige of MUN and said
he favored a cut in the allocation made to the group. Barnard said that
the group of students sent every year was gaining prestige in that they
were listed on the Security Council. Davis asked exactly what was accom­
plished at such conventions. Barnard said that the students were informed
and enlightened as to the problems of the world. Moore moved the question.
Tate moved the previous question. Secended by Moore. Motion passed with
Kitzenberg and Leary opposed. The main motion passed with Noreen opposed
and Leary abstaining.
Teel handed out a policy statement on the student loan policy and stated
that only fee paying undergraduates are eligible. TEEL MOVED ACCEPTANCE
OF THE POLICY. TEEL MOVED TO TABLE THE MOTION. SECONDED BY PENLAND.
MOTION PASSED UNANIMOUSLY. DYE MOVED THAT BUDGET AND FINANCE LOOK INTO
THE POSSIBILITY OF SETTING UP A CRITERIA FOR AID FOR DIFFERENT STUDENT
ACTIVITIES AND SPECIAL PROJECTS. SECONDED BY NOREEN. Dye explained that
he felt that some sort of an outline was necessary to determine whether
certain groups were eligible for aid. Tate said it would be nice if ther
could be such a policy statement but felt that it would be useless in that
each request could not be treated automatically, but would be handled sepa­
ratey. Dye said that such an outline would allow for policy guideline
rather than personal opinion. Behan read the Fiscal Policy Statement of
last year and asked Dye if this was what he had in mind? DYE WITHDRAW HIS
MOTION. NOREEN WITHDREW HIS SECOND.

PROGRAM COUNCIL
Tickell outlined the schedule for the "Up With People" and reported that
about half of the reserved seats had been sold out and that they expected
a large turn out at the door. About one third of the seats for the Houston
symphony have been sold. Tickets for Peter Nero go on sale February 22nd
and there will be two shows, 8:00 and 10:30, March 4th. Friday at For­
is being scheduled for every week. Tickell reported that block sales con­
sist of ten or more tickets sold to one person. He said they must be re­
turned within 28 hours after they go on sale, and that only 15% of the
tickets may be returned at all. Groenhout asked if seating for Friday at
four could be improved, he said that popularity of the program demands more
seating. Tickell said he would check into the matter. Kitzenberg asked
if a full page ad for last weeks Friday at Four featuring the Chosen Few
wasn't a little extravagant? Tickell said the group usually charged $500
for an appearance and that this was actually a compromise. Groenhout said
that he was under the impression that you should not spend more than 3% of
gross gate for advertising and asked Tickell if he was going over this.
Tickell said it was hard to determine the gate before-hand considering the
variety of entertainment and when breaking even was often the goal. Tickell
handed out a detailed budget of Program Council for 1967-68.

ELECTIONS
Leary explained that the first call for major ASUM offices would be next
week and the deadline would be March 8th for all applications. There will
be a watch dance April 14th to announce the results. Davis asked if any
changes in qualifications for offices had been looked into. Leary said
he would be meeting soon with Planning Board to discuss these and other matters.

PLANNING BOARD
HAARR MOVED DIVISION 4, ARTICLE 4 BE REMOVED FROM THE TABLE AND APPROVED.
SECONDED BY COLE. MOTION PASSED UNANIMOUSLY.

FIELDHOUSE AND PHYSICAL PLANT
Tate looked into the possibility of having garbage cans placed on campus and
reported that Mr. Parker is waiting until his budget will allow his purchase
of four or five containers that will be permanent. They cost approximately
$70 each. Behan reported that the Yellowstone Room was open Monday through
Thursday but closed on the weekends as it was not needed.
FINE ARTS
Groenhout again stated he felt it was sound business practice not to exceed 3% of the proposed gross on advertising and requested that Tickell look into the matter.

FINANCE
James requested to leave tabled the motion concerning the registration fee of vehicles. He reported that in fact the incidental fee is tuition and all money goes into a general fund. Behan requested a break down of just what that money is spent for.

MISSOULA AFFAIRS
Dye reported that the soonest there will be paved lots for parking will be in 1967-68. With that in mind he has written to Mayor Dix concerning the parking problem on McLeod and Keith asking how it will be enforced, what constitutes overnight parking and so on. Behan suggested that Dye also check into city council’s proposed property tax for sorority and fraternity houses.

PUBLICATIONS BOARD
BARBER MOVED FOR MORTON THAT CENTRAL BOARD ACCEPT PUBLICATIONS RECOMMENDATION OF MERILLEE PINGER, JANET MAUER, TROY HOLTER AND ANITA WILFORD AS ASSOCIATE EDITORS FOR THE KAIMIN. SECONDED BY BARNARD. MOTION PASSED UNANIMOUSLY.

CURRICULUM
Barber reporting for Holmquist stated that Dr. Gale (advisor) took the proposal of a visiting professor to the Academic Committee of the Faculty Senate who didn't favor the idea stating that student fees shouldn't be used for this purpose. Dye suggested that we could still have something similar to Mr. Davis, actor in residence. Tickell said that $6000 has been proposed for something like this although it need not be limited to fine arts. He stated that his committee will be in contact with Curriculum for suggestions.

NEW BUSINESS
MOORE MOVED CENTRAL BOARD OPPOSE CONCRETING THE "M". SECONDED BY SCHAFFER. Moore said that it was traditional that the Bear Paws and Spurs paint the "M" and she questioned the stability and cost of the project. Stocke stated that the "M" would still need to be whitewashed. MOORE WITHDREW HER MOTION. SCHAFFER WITHDREW HIS SECOND. Teel announced that there will be a store board meeting next Wednesday. Groenhout stated that he felt the Kaimin report of last week's Central Board meeting put the board and the chair in a bad light. He said that since it was the duty of the reporter to be factual, he felt that amends were in order.

HAARR MOVED FOR ADJOURNMENT. SECONDED BY TATE. MOTION PASSED UNANIMOUSLY.
