The meeting was called to order by President Tom Behan. The minutes were approved as corrected. The corrections are as follows: Stokan not Stocke represented Forestry Club at last week's meeting. Schaffer opposed the motion that Budget and Finance tentatively approve the requested budget of MUN and MMUN. On page two, delete: "TEEL MOVED ACCEPTANCE OF THE POLICY" and add TEEL MOVED TO TABLE THE POLICY.

PRESIDENT’S REPORT
Behan handed out proposed Constitutional Amendments to be studied and discussed at next week's meeting. These will be voted on in the general election. Behan requested on behalf of Mr. Pantzer, students to serve on a Founder's Day committee for next year. Interested persons can contact the ASUM office. Next year the University will be 75 years old and it is hoped that with a committee working on the project there will be more recognition given to the day than there was this year. Behan received an invitation for the school's participation in the Annual Turtle Race. The cost is $6.00 and proceeds go to the Muscular Distrophy Foundation. Behan is checking with Mr. Mooney about the possibility of having IBM vote automatics on a courtesy loan for both the primary and general elections. The cost would be approximately $100 for printing cards and instructional material. After talking to Swarthout and Pantzer, Behan will introduce a motion next week to be placed on the general ballot raising the athletic fee $1 per student per quarter. Approximately $15,000 would be gained and almost all of it would be used exclusively for recruiting.

VICE PRESIDENT’S REPORT
COLE MOVED CENTRAL BOARD APPROVE FRANK SPENCER TO PROGRAM COUNCIL. SECONDED BY PENLAND. MOTION PASSED UNANIMOUSLY. COLE MOVED SUZANNE GOODMAN, ANN FELLOWS, JOHN MONGER AND JOHN SEEberger be approved by CENTRAL BOARD to WUS COMMITTEE. SECONDED BY TEEL. MOTION PASSED UNANIMOUSLY.

BUSINESS MANAGER
TEEL MOVED CENTRAL BOARD ALLOCATE $6.00 TO ENTER THE NATIONAL TURTLE RACE. SECONDED BY MOORE. MOTION PASSED UNANIMOUSLY. TEEL MOVED TO TAKE OFF THE TABLE THE STUDENT LOAN REGULATION POLICY. SECONDED BY EGGENSPERGER. TEEL MOVED TO ADD TO THE STUDENT LOAN REGULATION POLICY that GRADUATE STUDENTS who HAVE PAID SIX QUARTERS OF ASUM ACTIVITIES FEES ALSO BE ELIGIBLE. SECONDED BY SCHAPPER. MOTION PASSED UNANIMOUSLY. TEEL MOVED CENTRAL BOARD APPROVE THE STUDENT LOAN REGULATION POLICY AS AMENDED. SECONDED BY BARBER. MOTION PASSED UNANIMOUSLY. TEEL MOVED CENTRAL BOARD TRANSFER $12,000 FROM INVESTMENTS TO ASUM STUDENT LOAN FUND. SECONDED BY SCHAPPER. Teel explained that Budget and Finance felt that since we have $17,000 in the Investment fund that much of this could be put to better use by putting it in the loan fund. By allocating $12,000 there would still be a reserve of $5000 in investments. He further explained that the number of requests for loans being denied was growing each quarter simply because they did not have the money. ASUM receives 4½ % interest on investments and 3% on loans. Kitzenberg said he felt that ASUM was trying to take on too many activities that the University was responsible for. Teel explained that we were not starting a new fund, but merely adding more money to the one already in existence. Teel further explained that if we didn't have this money so available, different groups and organizations and people wouldn't request it and we wouldn't repeat the mix-up we got into over the golf course. Barber asked how much money we had put into the Loan Fund. Teel explained that we had put in $14,000 total, usually $1000 yearly, but that last year there had been a special allocation of $3000 to the fund.
Dye asked if we could get the money back in case of an emergency. Teel explained that the money still belonged to ASUM whether it was in an investment fund or in the loan fund. Penland asked if there were other channels open for student loans. Teel replied that there was, however ours was the least difficult and quickest way to secure money. Penland said he opposed the motion saying perhaps the other channels weren't fully exhausted and perhaps $5000 wasn't a sufficient cushion. Barnard moved a substitute motion to allocate $7000 to the ASUM student loan fund. Seconded by Cole. Barnard pointed out that this plan would cover the demands of loans for spring quarter and would double the cushion in the investment fund. Groenhout questioned the financial status of the other channels of getting loans as he tried to get a loan for himself and found there weren't too many avenues available. Teel said he had checked into past records and could see no need for having more than $5000 for emergencies. Dye pointed out that it was a good way to get short term, quick loans and it was the students money. Penland moved to table the motion until further avenues of loans were checked. Seconded by Tate. Motion defeated with Tate, Leary, Penland in favor. Tate said he was tired of ASUM allocating large chunks of money, even to worthwhile groups which had built up over the years. Barnard called for the question. Moore moved the previous question. Seconded by Schaffer. Motion passed in a roll call vote with Barber, Cole, Coonrod, Dwyer, Kitzenberg, Moore, Morton, Schaffer and Teel in favor; Barnard, Eggensperger, Leary, Nooren, Penland and Tate opposed. The substitute motion passed with a roll call vote with Barber, Barnard, Cole, Coonrod, Dwyer, Eggensperger, Moore, Morton, Nooren and Schaffer in favor, Kitzenberg Leary, Penland, Tate and Teel opposed. Teel moved central board reconsider Forestry Club's request of two weeks ago. Seconded by Leary. Motion passed with Leary, Teel, Schaffer, Kitzenberg and Nooren in favor. Teel said he felt that Forestry Club had the same right to ASUM funds as MUN. Stokan, from Forestry Club explained that his club was a service club, citing renovation of the M, the Forester's Ball and talks to grade and high schools on conservation as examples. He further explained that 34 states and five foreign countries were represented in the school, stating that 204 out of state student's fees contributed a great deal to the University. He said he felt in return it wouldn't hurt to have a small amount returned so that the club could better serve the University and community. Leary called for the question. Behan yielded the chair. Behan stated he was pleased with the arguments well presented, but pointed out that scores of other clubs with legitimate rights to the funds could also come and request money. He said he felt that the analogy to MUN wasn't an analogy at all, as MUN depends solely on ASUM. The main motion to allocate $254.40 to the Forestry Club passed in a roll call vote with Barnard, Dwyer, Leary, Moore, Morton, Nooren, Schaffer, Tate and Teel in favor; Barber, Cole, Coonrod, Eggensperger, Kitzenberg, and Penland opposed. Moore moved central board reconsider the reimbursement of drivers to Helena. Seconded by Teel. Motion passed in a roll call vote with Coonrod, Dwyer, Kitzenberg, Leary, Moore, Morton, Penland, Schaffer, Tate and Teel, in favor; Barber, Barnard, Cole, Eggensperger and Nooren opposed. The main motion passed in a roll call vote with Coonrod, Dwyer, Eggensperger, Kitzenberg, Leary, Moore, Morton, Penland, Tate and Teel in favor; Barber, Kitzenberg and Nooren opposed and Barnard, Cole, Tate and Schaffer abstaining. Teel requested comments on tentative budget allocations.

ELECTIONS
Leary reported that applications for ASUM offices are available at the Lodge desk. Teel reminded Leary that applications for Store Board also be made available.
Tate said that something spectacular should be done this year to get the voters out, he suggested something like free coke or ice cream bars. Behan said that this should be kept in mind, but hoped that the issues and possible use of the voting machines would be enough to get the voters out.

FIELDHOUSE-PHYSICAL PLANT
Tate reported that he is sending letters to various clubs and organizations concerning services which they could now perform at a minimum expense and would cost the University a great price later. He sited the reseeding of the hill behind the new high-rise as an example.

FINE ARTS
Groenhout challenged the other departments to have as many voters turn out as Fine Arts. He went on to express his thanks to Tickell on behalf of the Fine Arts for Program Council's entertainment and fine programs. More work is being done on the Fine Arts Society and there will be further reports on this and a complete report on Mr. Davis, actor in residence, next week. A bill which may give the Fine Arts Department between $80,000 and $100,000 is before the legislature. If this passes Dean Bolen will explain it and the impact it will have on the campus.

PLANNING BOARD
Behan passed out proposed Bylaw changed and requested that board members look them over and be ready for discussion on them next week.

MISSOULA AFFAIRS
Dye read a letter from Mayor Dix who stated that overnight parking would include residents, although over night parking was not defined. The restricted parking areas are to be explained. The committee is still doing work on the city councilmen's proposed tax of sorority and fraternity houses.

PUBLICATIONS BOARD
Morton moved Central Board Approve Dave Foy as Garret Editor and Don Larson as Kaimin Photographer. Seconded by Barnard. Morton explained that Foy did not think he would be taking enough credits this spring to meet the by-law requirements and this is why he resigned. Since he will be taking enough credits he reapplied. MOTION PASSED UNANIMOUSLY. Morton explained that Barbara Richey and Betsy Scanlin applied for the position of Assistant Business Manager for the Kaimin and the board had approved Richey. However, Scanlin had protested because although she had tried, she was unsuccessful in discussing the position with the present staff. Morton moved the consideration forAssistant Business Manager be referred back to Publications Board. Seconded by Barnard. Motion passed with Eggenisperger abstaining.

Cole moved for adjournment. Seconded by Norreen. Motion passed unanimously.

Present: Barnard, Barber, Kitzenberg, Morton, Coonrod, Doer, Moore, Tate, Leary, Norreen, Schappel, Telle, Lenland, Eggenisperger, Cole, Behan, Dye, Groenhout, James, Spencer, Stoken.

Respectfully Submitted,

Cee Cee Cole

ASUM Secretary
