The meeting was called to order at 7:00 in the Activities Room of the Lodge by President Tom Behan. The minutes of April 5th were approved with the following corrections: SEARLES was present and Debate and Oratory will be removed from the matching fund stipulation in the 1967-68 Budget. The minutes of April 8th were approved as written.

**PRESIDENT REPORT**

Behan stated that the results of the primary election were approved pending the candidates qualified for the positions. He recommended that this procedure be followed next year so that another special Central Board election would not have to be called. Behan read a letter from the Varsity International Sales Association, an organization which works with local business establishments to provide student discounts. Behan stated he will turn this matter over to the new ASUM president for consideration.

**BUSINESS MANAGER**

Teel moved to reallocate $2000 from the student loan fund to the reserve fund. Seconded by Moore. Teel stated that because there wasn't enough fee paying students on campus this quarter funds were running short by approximately $990. He said that by transferring the funds we would have enough to cover the budget and give the new Central Board money to work with for the rest of the quarter. Motion passed with Leary abstaining. Teel reminded the board of the installation banquet at Black Angus, April 15th at 5:30 at which time final approval of the 1967-68 Budget and Constitution will be made. Behan reminded the board of the special meeting Friday, April 14th at 9:00 to approve the results of the general election.

**ELECTION COMMITTEE**

Leary reminded everyone to vote and announced that that polls will be open in Liberal Arts and Craig Hall from 9:00 to 4:00 and in the Lodge and Jesse Hall from 9:00 to 6:00.

**WUS COMMITTEE**

Antonson urged everyone to get out and support WUS week. Activities include Friday at Four, and a dance and carnival with the Caveman.

**FINE ARTS**

Groenhout stated that the commission heard a request from Mrs. Bunnell who requested $500. She has helped with many drama productions and the commission felt she had a legitimate claim to the funds. If approved this will require a new seat on the commission. The matter will be decided by the new commission. Groenhout said he felt the transition to establish a new commission who be a smooth one and who turn in a recommendation for the new commissioner next week. Teel asked Groenhout what he thought about Dr. Whitwell leaving. Groenhout said that Dr. Whitwell would be sorely missed but felt that we must realize that the move would mean advancement for him and we must recognize his rights as a human being. Behan reminded the board that if the Commissioner system is approved there will be a special meeting of the new Central Board to approve applications on Tuesday, April 18th and a special election on Friday, April 21st.
