HOLIDAY GIFT IDEAS SUPPORT UM IN LASTING STYLE

MISSOULA—

Here's a couple of holiday gift ideas that will support a good cause while also making somebody on your list very happy: University of Montana license plates and personalized bricks on the Oval.

At only \$32.50, UM license plates are an affordable gift that also gives something back to the University community. The full-color plates come in two designs: Main Hall or a Montana Griz logo. UM license plates -- available only for vehicles registered in Montana -- may be purchased at any Montana Motor Vehicle Division.

Funds from license plate sales sustain an endowment that currently provides more than \$50,000 per year in general and Presidential Leadership Scholarships for UM students.

Centennial Circle Bricks cost \$150 each and may be engraved with up to three lines of 14 characters per line. Centennial Circle, established in 1993 when UM-Missoula celebrated its 100th birthday, surrounds Rudy Autio's landmark grizzly bear statue located on the western edge of the UM Oval.

The circle is paved with red bricks that may be engraved with the names of students, alumni, family members, friends, teachers and anyone else who merits special recognition. Brief messages also are an option.
