The meeting was called to order in the Activities Room of the Lodge by President Loren Haarr.

### PRESIDENT'S REPORT

Haarr gave a preliminary report on the ASG Convention that he and Leary attended. Student rates on planes were pulled Sunday which necessitated their leave on Saturday. Because of this, they missed a meeting on Saturday, during which elections were held. A dark horse candidate, who emphasized academic involvement, was running for president. Leary also missed being elected regional chairman.

HAARR RELINQUISHED THE CHAIR TO ALICE WINDSOR. She stated she was taking a poll to see if University housing fits the needs of the students. The University feels, also, that women under 21 with 45 credits should be allowed to live off-campus with parental permission, but have qualms whether it is financially feasible. The purpose of the poll is "to determine, as accurately as possible, the attitude of students and parents." The questionnaire is to determine whether there would be a mass exodus; if this should happen, the plan is not possible. There is an alternative of having a board set up which would administer 50 grants for girls under 21 to live off-campus. There is also the possibility of having students live in housing similar to that of married students. Leary asked why she was conducting the poll alone instead of through AWS. She replied that she had last spring, but that this year there was a feeling of resentment if she worked through any other organization. Harstad asked when the polling would be done. Windsor replied Winter Quarter.

The minutes were approved with the following correction: The Forestry Club did not agree to help revamp the "M".

### ADMINISTRATIVE RELATIONS

Johnson reported that we would need to find out on what date Seniors want to graduate. Pantzer can change the date but students will still have to take finals.

### FIELDHOUSE AND PHYSICAL PLANT

Briggs announced he was meeting with Parker to discuss contract specifications for buildings and the breakdown of pay of the Physical Plant employees. He commented on the fact that the sidewalks had not been taken care of over vacation. Penland asked about open rooms in Miller Hall. Thogersen stated Don Pinter had permission from the Head resident to take the poll, and the boys had voted, but he has not heard the results. Penland felt that Central Board should get in touch with him.
